You want sex as soon as our mothers are gone.

What's with the "They're gone"...?

You are the worst brother ever... ♡

I don't look like I don't want to, okay? ♡

Nothing ... ♡
You won't stop even if I refuse.

I envy the boys and teachers in your class for having a student with a body as erotic as yours.

Ahhhh, this is heaven ♡

I guess they are fantasizing about Mai's tits and shagging them... ♡

Oh, my God! Surprise blowjobs is awesome ♡

That's because you has been forcing me to do something naughty a lot... ♡

I don't... like it.

Still, I'm glad you like H so much, Mai.

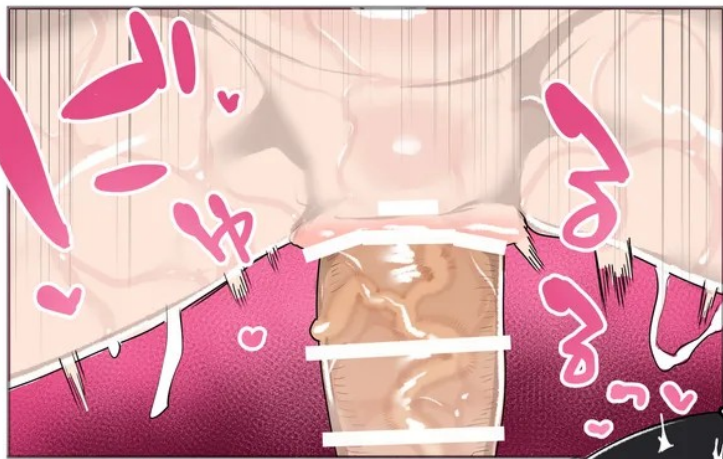

When I ejaculate... You know what I mean?

That was close! I almost ejaculate.
