小さな国

とはいえ宗教的な理由で
男子は18歳以上の女子としか
性行為を行ってはならず

実質的な性文化は
諸外国とあまり
変わらない

なんとこの国では
女子の結婚が
●歳から認められている

しかし無宗教の
俺にそんなことは
全く関係なく

毎日24時間
朝晩問わず

新婚はやほやの
●歳児と遠慮なく
ハメまくっている♡

この国には
義務教育というものがなく
嫁入りした女子は
一日中家事をして過ごす

じゃ、いつもの
お掃除お願い♡

そして妻は夫の
言うことに
逆らってはいけない

あっ♡あっ♡
さきっぽ
くぽくぽきもち♡

っああ~~~~っ♡

深ストロークやばっ♡
まだ結婚してひと月も
たっていないのに
日本語の指示も大体
通るようになったし
子供の成長は早いねえ♡

不労所得で暮らす
俺にとっては
24時間365日
●歳児と生交尾し放題な
パラダイスというワケだ♡

あゝまた射精る♡
まだ飲むなよ
口のために…

よし
飲んでいいよ♡

ぎし...

次は自分で
挿入してみようか

しゅ...

しかし男の財力が
最重視される文化の中
現地民の数百倍の資産をもつ
俺に敵はおらず
むしろ彼女の両親から
結婚を懇願される勢いだった

あゝもうじれったいな
ほら、騎乗位は
こうすんの

あゝ毎日まんこくたくたに
なるまでハメ倒してんのに
まだみっちりキツキツ♥
ガキの回復力さいっこう♥

紹介が遅れたが
妻の名前はアノン
村でも評判の美少女で
18歳になる時を
多くの男が狙っていたらしい

もうへばったの？
しょうがないな
じゃあ俺が動いて
あげるよ

この国は物価も安く
彼女の実家への仕送りを
含めても月10万円ほどで
ぜいたくな暮らしができる

あゝ…♥
何回見ても
この体格差
犯罪感あって
めっちゃ興奮する…♥

これ合法とか
まじでバグだろ…♥

せっまい膣口で
カリ首シゴくのも
最高だし…♥

全体重のつけて
ミニ子宮ぶっ潰すのも
飛びそうなくらい
きもちい…♥

あゝやばまた射精る♥
アノンもイキそう？

イキそうな時は
なんて言うんだっけ？
ほら言って♥
あゝイクイク♥

射精るっ…♡

妻はまだ初潮前だが
最近ネットで知り合った
同志の紹介で質の良い
排卵誘発剤を取り寄せ中だ

もうすぐ自分の遺伝子で
ボテ腹になった一桁女児を
拝める期待感で最近
射精しても射精しても
勃起が治まらなくて
困っている♡

ぬほ…♡

ああ、それと
もう一つ大切な情報を
伝え忘れていた

それはこの国が
一夫多妻制
ということだ

大金持ちのロリコン外国人が
越してきた噂を聞きつけて
最近では家族ぐるみで
村に引っ越してくる者もいる

なのでこのように
文字通りちんぽが
乾く暇もなく
毎日女兒が結婚を
迫って家を訪ねてくる

母国の司法に
目を付けられると
面倒なので場所は伏すが
もしあなたがこの国を
見つけられたら
うちの妻たちと一緒に
存分におもてなしする
ことを約束しよう

通常この手の
シチュエーションは
性病が心配だが
宗教上、全員の
処女が確約されているので
心置きなく味見している

とりあえず今年中に
あと10人ほどと
籍を入れる予定だ

so the actual sexual culture isn't much different from other countries.

That said, for religious reasons, boys are only allowed to have sex with girls aged 18 or older,

But as a non-religious guy, that doesn't concern me at all.

An uncharted tiny country I moved to after early retirement with financial independence.

Incredibly, marriage for girls is permitted from ● years old in this country.

Every day, 24 hours a day, morning and night, I'm having sex nonstop

with a brand-new bride
●-year-old bride without restraint ♥

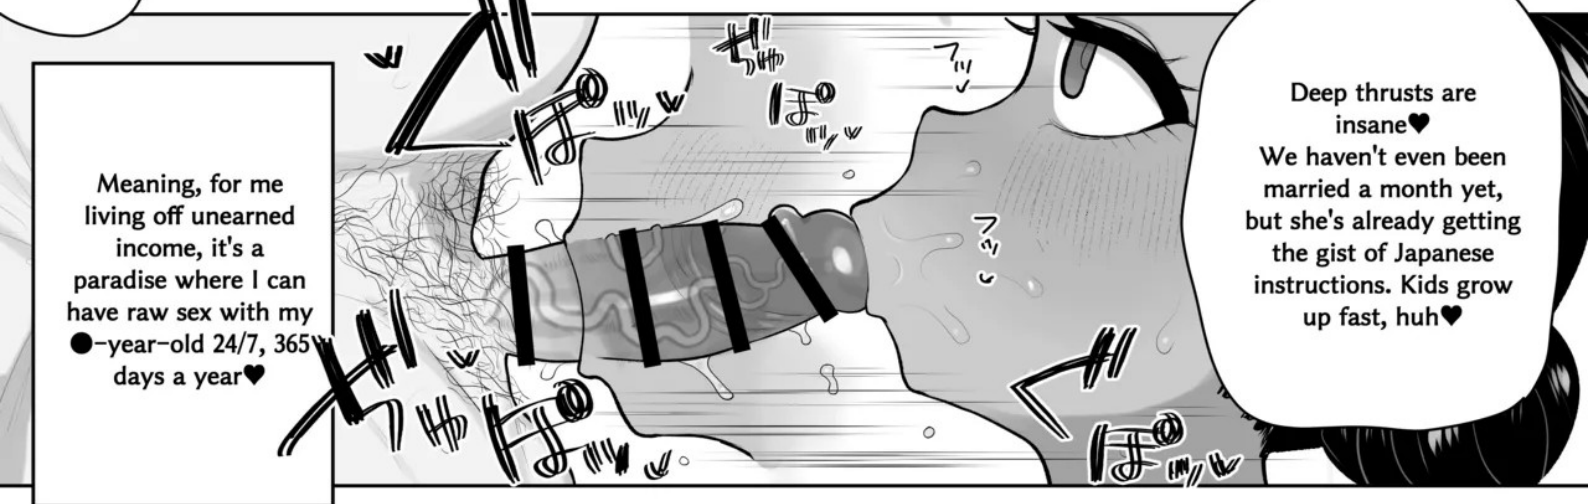

Alright, time
for your
usual
cleaning ♡

This country
has no
compulsory
education, so
married
women spend
their days
solely on
housework

Ah ♡ Ah ♡
It feels so
good when
you
stimulate the
tip of my
cock ♡

And wives
must never
disobey
their
husbands

Aaaahhh
hhhh ♡

Meaning, for me
living off unearned
income, it's a
paradise where I can
have raw sex with my
●-year-old 24/7, 365
days a year ♡

Deep thrusts are
insane ♡
We haven't even been
married a month yet,
but she's already getting
the gist of Japanese
instructions. Kids grow
up fast, huh ♡

Ah~ cumming
again ♡
Don't swallow yet.
Hold the semen in
your mouth...

Okay.
You can
swallow
now ♡

I'm sorry for the late introduction, but my wife's name is Anon. She was renowned as the village's most beautiful girl, and it seems many men had their sights set on the moment she turned eighteen.

Next, let's try inserting the cock yourself.

But in a culture where a man's wealth is paramount in marriage, I had no competition with assets hundreds of times greater than the locals'. In fact, her parents practically begged me to marry her.

Ah~ even though I fucked until her pussy loosened up yesterday, it's already tight again. Kids' recovery power is the best♥

Ugh, this is so frustrating! See? This is how you do cowgirl!

Ah...♥
No matter how many times I see it, this body size difference makes me feel so sinful and incredibly turned on...♥

This country has low prices, and even including the money I send to her family home, I can live luxuriously on about 100,000 yen a month.

Already worn out? Seriously, you're hopeless. Well then, I'll do the pistoning for you.

This being legal? Seriously, it's like a glitch in the real world...♥

Pushing my entire weight down on my cock, crushing this tiny, young womb... it feels so good I might lose consciousness~~~♥

Stimulating my glans with this tight little vaginal opening feels amazing too...♥

What do you say in Japanese when you're about to cum? Come on, say it♥ Ah~ I'm cumming, cumming♥

Ah~ Damn, I'm gonna cum again♥ Are you about to cum too, Anon?

Ah, and I forgot to mention one more crucial piece of information.

This country practices polygamy.

Word spread about a wealthy foreign pedophile moving here, and lately, entire families have been relocating to the village.

So literally, my dick never gets a chance to dry out—every day, girls come knocking on my door demanding marriage.

I won't name this place to avoid trouble with my home country's justice system, but if you manage to find this country, I promise you'll be thoroughly "omotenashi" by my wives.

For now, I plan to register marriages with about ten more girls by the end of this year.

Normally, this kind of situation would raise concerns about STDs, but due to local religious practices, the virginity of all the girls is guaranteed, so I'm sampling them without worry.

Cumming...♥

I'm so excited to soon see a ●-year-old girl with a belly swollen by my own genes that lately, no matter how many times I ejaculate, my erection just won't subside, and it's driving me crazy ♥

My wife hasn't had her first period yet, but thanks to a "comrade" I met online recently, I'm ordering high-quality ovulation induction drugs.

achievement of my
dream: "My ●-
year-old wife
