生殖能力に優れた男が
「器」に選ばれる

ただでさえ絶倫な生殖器
1ヶ月間の禁欲、神前での
アナルへの絶え間ない刺激
神輿の前に飲む秘薬…

神輿の高揚感、興奮、
アドレナリンが絶えず
雄の生殖器を刺激する

再びお堂に青年が集められる
先刻「器」に子種を放った
青年たちとは違う顔ぶれだ

獣として限界を迎えた
「器」を慰めるために
捧げられた、贄である

「器」は手当たり次第、
目の前の穴を犯していく

密かに想い憧れていたマコトの
痴態を目の前にして、セイジの
贄への志願はもはや不可避だった

後輩のケツ犯すのツ
一番興奮するツ♡
いいな!? 出すぞ!?
セイジ、出す、イク……

俺の種だけじゃなくて
俺に中出しした13人の
「氣」も全部

The male of the village, who is particularly fertile as a male, is chosen as the "vessel."

A month of abstinence, constant anal stimulation in front of God, and the secret medicine he just took.

The exuberance, excitement, and adrenaline of the portable shrine constantly stimulate the male reproductive organs.

It no longer quells the erection.

The long, thick genital is forced to protrude from the loincloth. The "vessel" carries the portable shrine while flaunting its own in public.

Eventually, the excitement reaches a critical point, and cum finally leaks out of the big cock that has not even been touched.

The magma of cum in his body is on the verge of breaking down.

The "vessel" can no longer hold any more cum

The young men are gathered in the hall again. They are different from the young men who have just poured their cum into the "vessel."

It is a sacrifice offered before the gods to comfort the crotch of the "vessel" that has reached its limit as a beast.

Originally they were collected equally from the village plots, but in recent years most have been volunteers

The young men gathered at the hall of their own volition to be raped by the "vessel" as if it were rape.

There, Makoto's junior ...Seiji was there.

The "vessel" fucks the hole in front of it at random.

For Seiji, who was secretly in love with Matoko, Makoto's lasciviousness drove him to sacrifice.

Fucking a junior's ass is the most exciting thing for me. I'm gonna cum! Seiji, gonna cum! cum!

Ah, cum inside
Here, show it to all the villagers.
I poured not only my sperm,
but also the energy of the 13 men
who cum inside me

Now you're the next "Vessel."
You were in love with me in high school,
I knew it. That's why I invited you,
a stranger to this village, to the festival.

Oh, I didn't check,
but do you have
a boyfriend in Tokyo?

Uh, oh, yes. ...I have...

Okay, then break it off now.
Drop out of college and
move to this village.

Don't worry, I'll take care of you.
I'll train your body thoroughly, too.
