今でも3年に1度、未婚の若い男たちが集まり神さまの前で逢瀬を重ねる習わしらしい。

村娘役に使われた男は「器」と呼ばれ、若い男たちのまぐわいの練習台となる。そして村の精を集め神の御前に捧げることで、村の子孫繁栄を願うのだ。

器は、神に捧げる身として  
3年間、身体を鍛えることを  
義務付けられ、射精も  
1ヶ月前から禁止される

出すぞ、オラ

ウス！器に種を恵んで下さり

Hey! Welcome back.  
How long's it been?  
High school?

Your hair color has brightened up!  
Did you make a fresh start now  
that you're a college student?

Long time no see!  
You've been working since  
this year, haven't you?

Summer vacation for college students.  
I was invited to the hometown of Makoto,  
who was two years my senior in high school.

Thank you for coming  
all the way to the countryside  
on your summer vacation.

Oh, never mind, I'm free!  
I wanted to see you.

Hey, was Makoto-senpai this buff?

...Um, what is that wooden tag hanging around your neck...?

I told you there's a festival starting today. This is the proof that I was chosen by God to be a vessel.

Festival...?

Well, in this village...  
it's an old country custom,  
we have a festival every three years,  
and I'm the main actor in it this year.

I see.  
It's amazing to be  
he main actor !!

Just this afternoon,  
the Gozensai (festival) starts at  
the hall on top of the mountain.

Sage is not from the village,  
so he will only be observing,  
but you are welcome  
to come if you want!

Eh, what?  
What... what is this?

Hey, outsider!  
You're that junior kid that  
Makoto brought in....  
Now, two sons of Mr. Tachibana,  
a fisherman, are feeding seeds  
to the "vessel".

This is raw pussy.  
It's so hot...! ♡

The guy who was there  
told me about it.

In this village, 300 years ago,  
unmarried village girls  
were used for sex education  
for young men.

AH...  
AH!  
Cum!!

However, as time went by,  
the role of the village girl  
was played by a man.  
This was probably due to  
the risk of pregnancy and  
physical problems.

It is said that even now,  
once every three years,  
unmarried men gather  
to meet in front of the god.

The man chosen to play  
the role of the village girl  
is called a “vessel” and  
becomes a sex practice  
for the young men.  
They then offer the semen  
of the villagers to the gods  
in the hope that  
he village will procreate.

The “vessel” is to train for three years as an offering to God and become muscular, and ejaculation is orbidden for one month prior to the training.

Cum,cum...  
I'm gonna spray you.

Thank you for the cum on the “vessel.” !!

You've got a great dick, but your "vessel" can't cum.

Too strong of an erection, big penis sticking to your belly.

Just a little more patience.

I am a vessel, so I don't need to cum!

Has everyone cum?  
Let's go to the portable shrine.
