

Collar of Lessening Levels

Rarity: Legendary

Type: Amulet

A legendary artifact that can make a player character submit, growing stronger the lower the wearer's level is. If the wearer is below:
- Level 50: Struggling effectiveness halved.
- Level 25: The wearer's Sensitivity permanently increases by 0.1% for every second struggling.
- Level 10: This item may only be removed by the player who applied it.

- Level 0: Level reduction into the negatives grants Slave Stats and Skills. All Normal Stats and Skills that have been lost will be granted to the wearer's owner.

Yuuki Asuna's Suppressive Straitjacket

Rarity: Legendary

Type: Body & Outfit

An incredibly restrictive straitjacket created by reforging and cursing Yuuki Asuna's original outfit. Prevents the wearer from performing any movements involving their arms, such as equipping weapons, and reduces their Strength and Struggling Eff by 99.9%.

Requires 2,147,483,647 seconds of uninterrupted struggling for the wearer to unequip.

Yuuki Asuna's Limiting Legbinder

Rarity: Legendary

Type: Gloves

A particularly strict gag that is cursed to only allow submissive moans and sensual screams escape its infernal embrace. Disables Private Messaging and converts any text into garbled gag-speak. Additionally, has a 0.00001% chance of reporting climax status in Global Chat.

Requires 2,147,483,647 seconds of uninterrupted struggling for the wearer to unequip.

Gag of Stringent Silence

Rarity: Legendary

Type: Gag

A severely silencing gag that prevents the wearer from making any noise. Prevents the wearer from using Private Messaging, and converts any text into garbled gag-speak.

(!) The rest of the wearer's body is too restrained to struggle out of this device!

Blindfold of Dampening Darkness

Rarity: Legendary

Type: Accessories

An annoyingly snug blindfold that keeps the wearer from seeing anything. Disables the HUD, minimap, and reduces FOV and rendering distance to 0. Additionally, gains the [Blinded] status

[Blinded]: All restraints equipped after this one will have their escape conditions hidden!
