The story of a strong younger boss
and my daughter
who was prostituting herself.

Oh, no...
You'll be in junior high next
year and you've peed so much...
I'll have to punish you again
today.

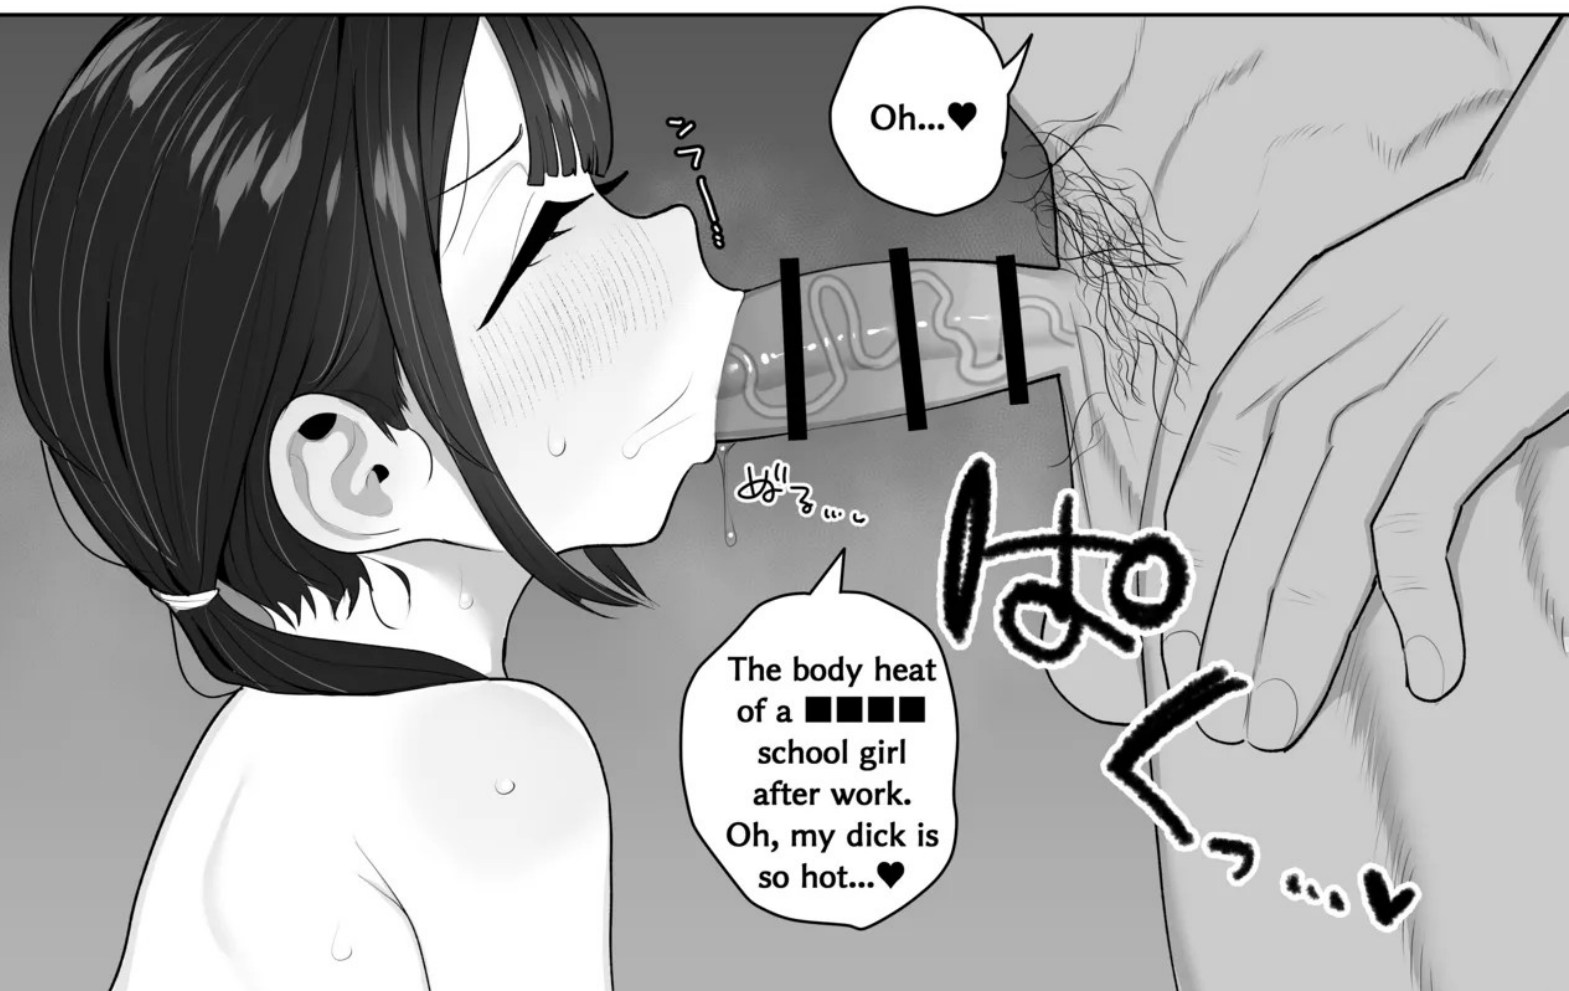

Hey ,
come here,
come here♥

I wonder
if this
guy had
hard
work
today...

It smells
worse
than
usual...

Hey, don't
use your
hands.

Oh...♥

The body heat
of a ■■■■
school girl
after work.
Oh, my dick is
so hot...♥

ほく...♥

he can't afford
to pay rent
every month
on his meager
salary.

No matter
how many
memories you
have with
your mom in
this house,

I know
you're
struggling
too.

I can eat a
lot of
JSJC♥

Well, thanks
to girls like
you,

Hey...
Please don't
film me...

Yes, yes.
Get on your
stomach, I'll
start pistoning.

I'm looking
for some
cushions...
oh, I found a
good one.

Can you
at least
ejaculate
outside...

Oh, I'm
about to
ejaculate...

No... no...

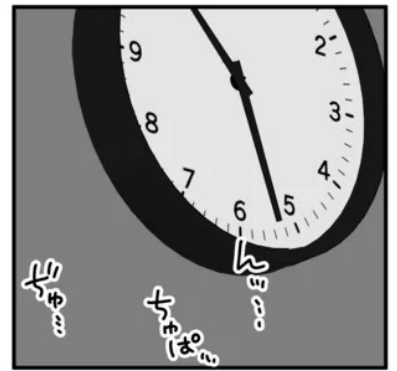

No!
I have to
resist.

Oh, I'm
gonna
ejaculate in
your
vagina.

Oh my God, that's
so hard♥
I can't think about
anything...

If he comes back today, Hinata-chan wins.

But if you lose...

If he calls you and says he's on his way home, I'll leave right away and give you twice the money I usually give you.

This position is so deep in my cunt...

You're so bossy.

But, he didn't come home for Christmas

Why don't you give up on him and become my daughter?

I can always be there for you.

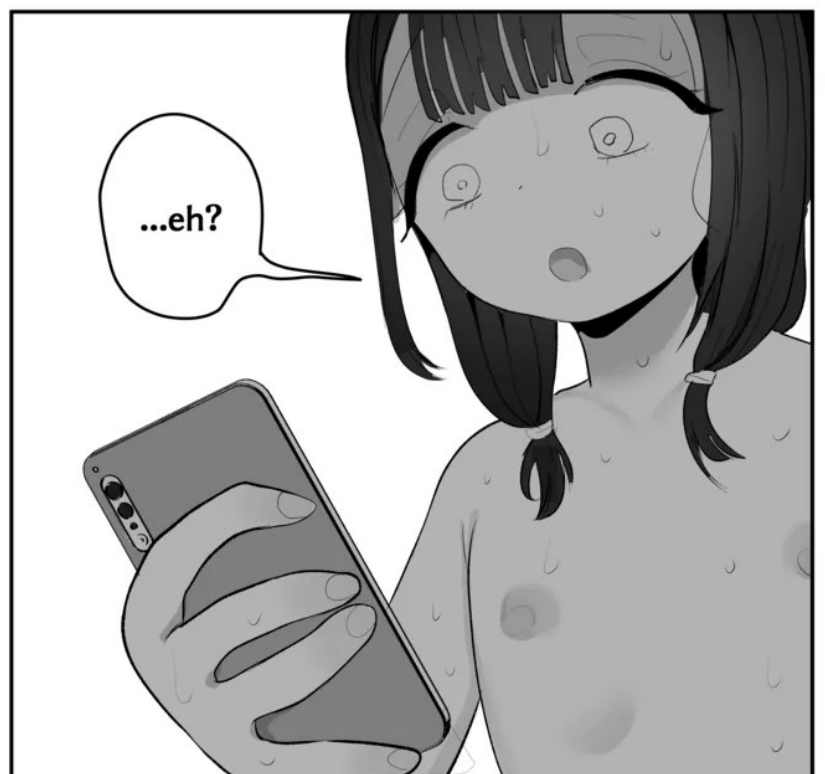

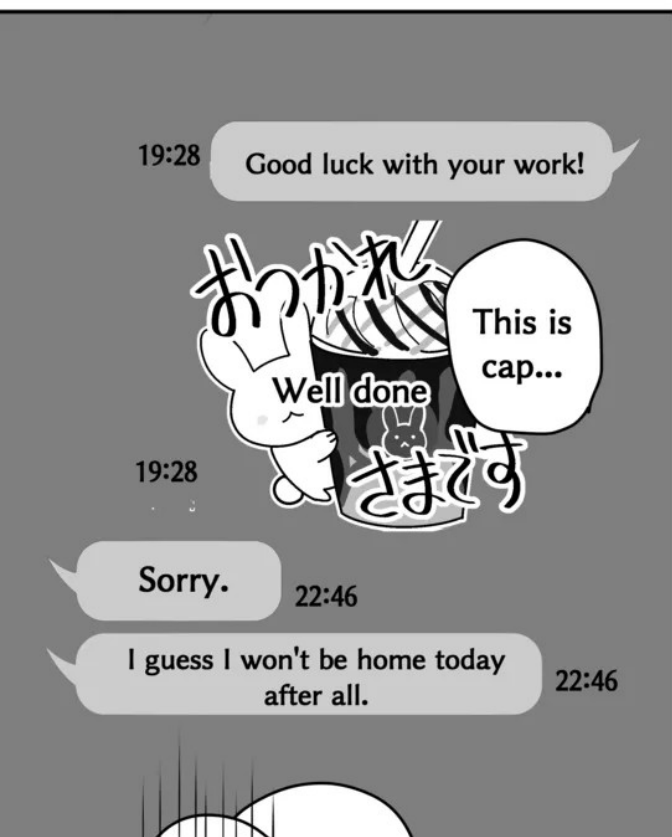

It's true that I've been spending more time with this guy than my dad lately, but... but today...

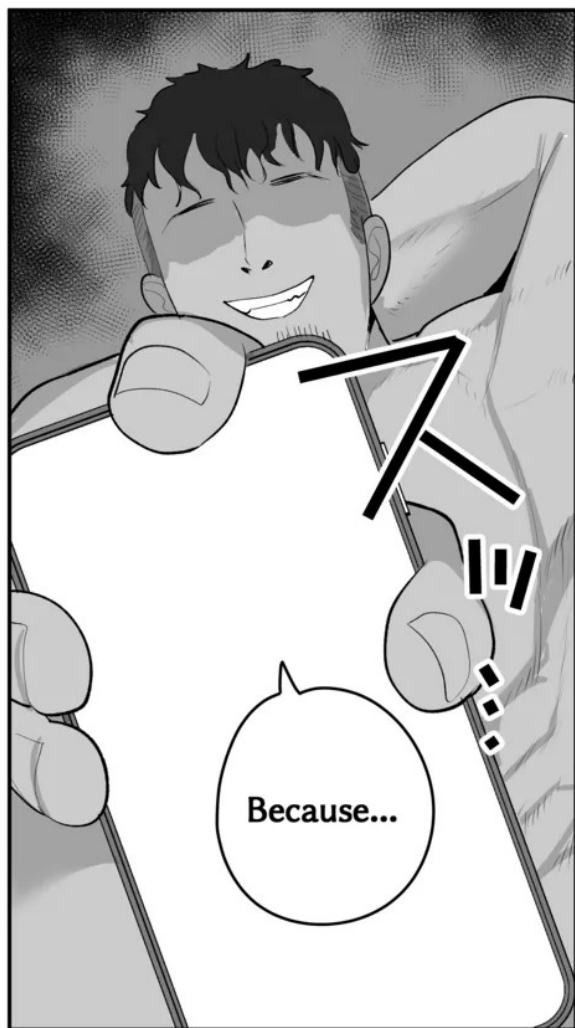

or the 7th anniversary of your mother's death.

I think my dad is much nicer than this lousy person who messes with a child like me...

Let's get some more tongue action.

Come on, keep moving.

22:41

It's my JS friend's porn.

22:41

You liked this kind of thing, didn't you?
I think, your wife died and you have a lot of sexual desire.

22:41

If you take the job, I'll give you all the porn I've ever shot.

Yes, I will. I accept.

22:46

22:47

Thx :D

22:38

Hey.

22:38

Can you please get the documents for the case ready by tomorrow, too? The MTG got moved up.

Not today, please.

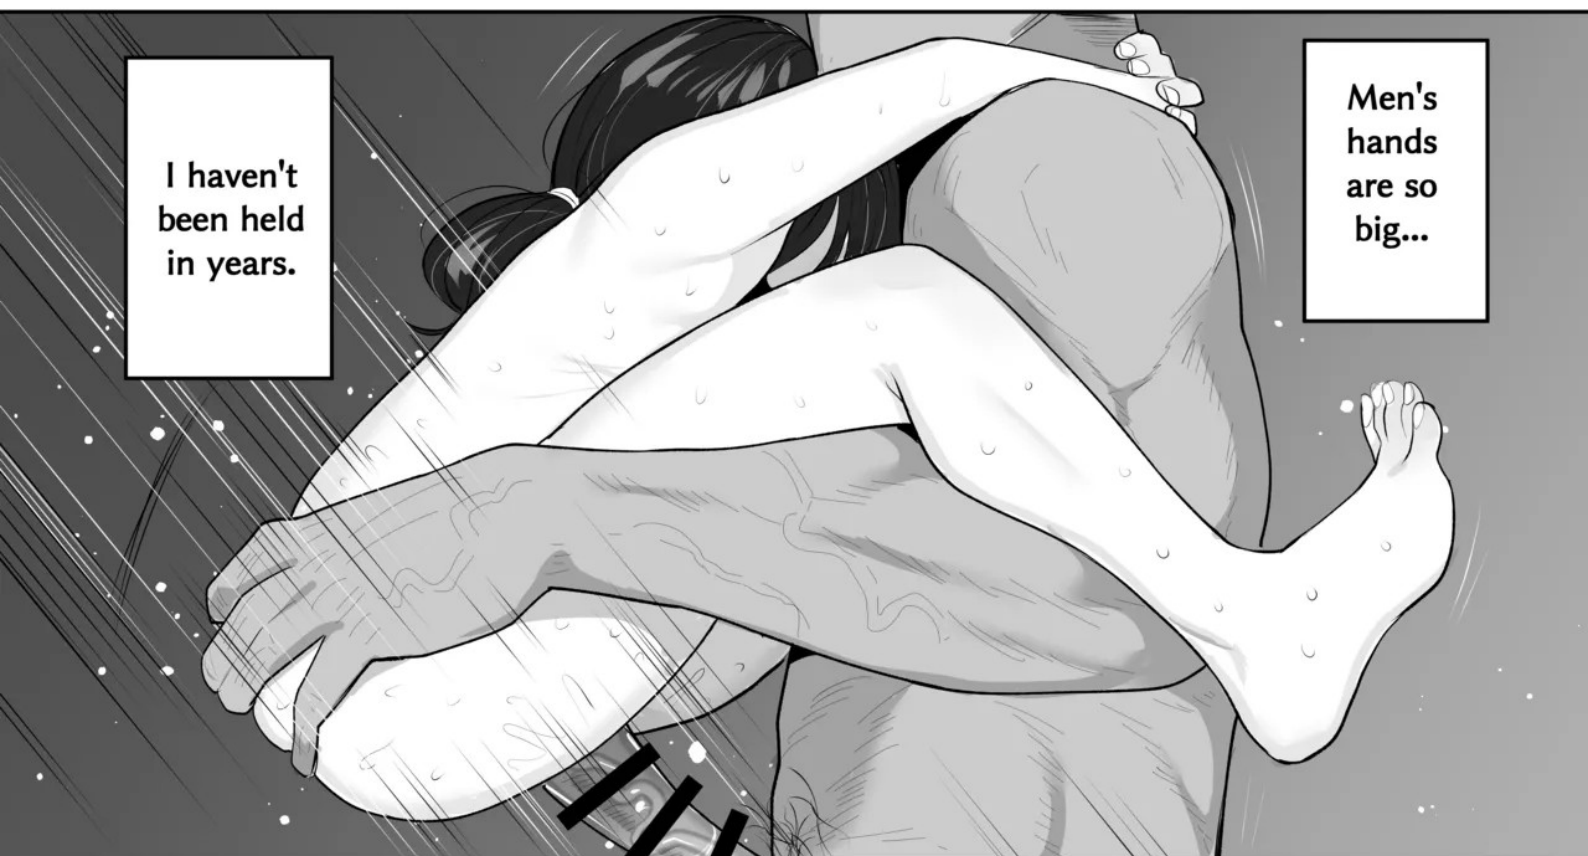

22:39

It's my daughter's birthday party.

22:39

22:40

No... if I say
this, I feel like I
can't go back...

...
.....

Louder.

I'm gonna
ejaculate.
Tighten your
pussy.

Oh, God.
He's
really
pistoning
...

My
head
is
poundi
ng...

and I
can't
think
about
anything
...

rather than
my weak
and stupid
daddy♥

I want
Shogo-san
to be my
daddy♥
who is cool
and
strong♥

I ejaculated
so much
sperm
because I feel
so superior...

Ejaculate,
ejaculate...
Ohhhhh...
