This is almost naked...

Hey... sir.

I honestly didn't care for her at first, but upon closer inspection, she has a moderately feminine face... And above all,

Saki Uchida... The type of girl who mixes with boys and plays with them

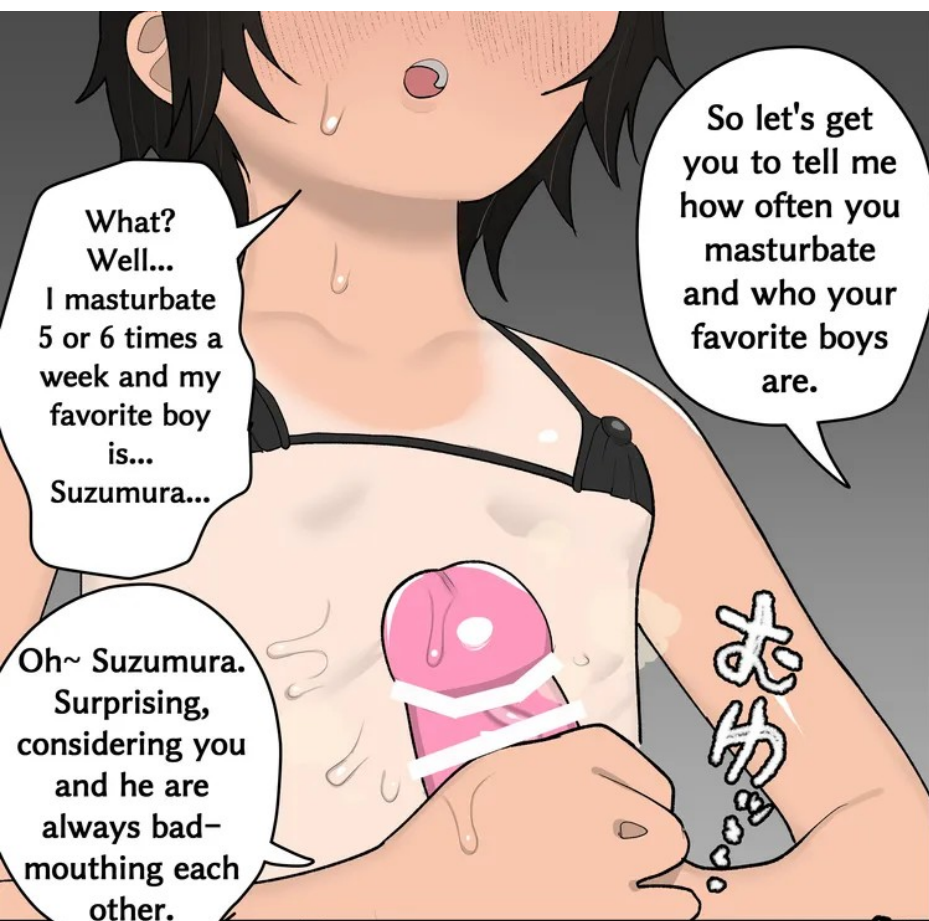

But to wear such a sexy swimsuit, you've got some serious talent.

You're the one who asked me for advice on how to be more girly.

What? ...Heh. Is that so...?

Her smooth and supple flesh, characteristic of the secondary growth period, is unbearable ♡

I must say that the boys in the class are still kids to not see her as a girl, even though her body is already properly shaped like a girl ♡

What?
Well...
I masturbate
5 or 6 times a
week and my
favorite boy
is...
Suzumura...

So let's get
you to tell me
how often you
masturbate
and who your
favorite boys
are.

Oh~ Suzumura.
Surprising,
considering you
and he are
always bad-
mouthing each
other.

The
quickest
way to
make sure
you're
attractive as
a girl is to
do
something
erotic.

Come on,
grab my
dick and
pull foreskin
back.

You're

Yes, you
have to suck
it all the way

Oh-ho♥

The first
ejaculation
has to be in
the cunt,
right? ♥

...all
right.
That's
enough♥

How can I stop in the middle of an act after I've gone so far? I'm gonna fuck you, I swear to God♥

I'm still scared of having such a big dick inserted into me, and I'm afraid that if I have a baby...

S... sir. Can we have sex some other time...?

Ohhh... I can't believe I'm going this deep into your belly♥

Besides, that feels a lot better than masturbation.

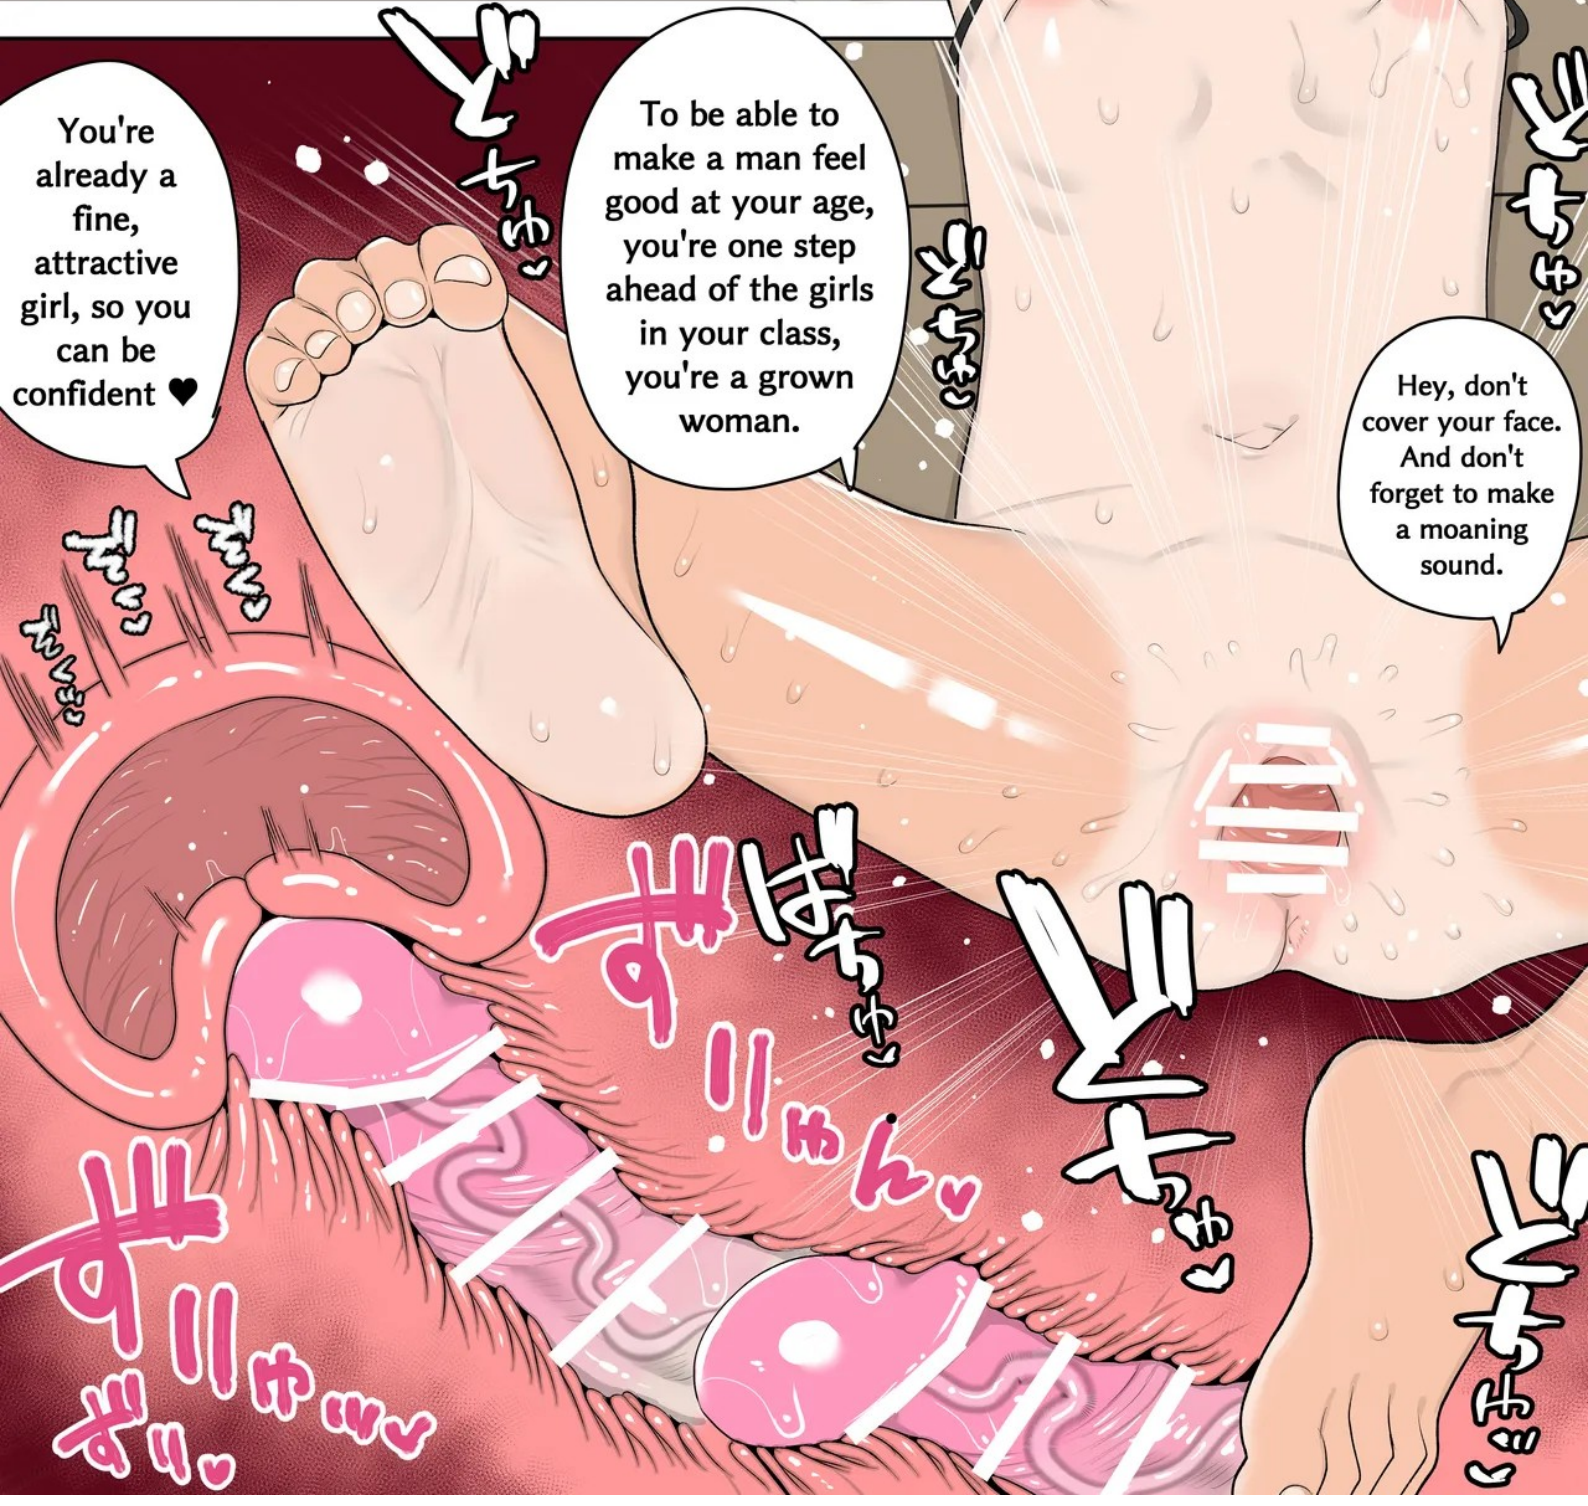

Oh come on, don't you want to look back at the boys? Well, when semen is absorbed vaginally, girl's body releases a ton of female hormones.

I'm so sorry. Time's up ♥

B-But...
Ohh !? ♥

You're already a fine, attractive girl, so you can be confident ♡

To be able to make a man feel good at your age, you're one step ahead of the girls in your class, you're a grown woman.

Hey, don't cover your face. And don't forget to make a moaning sound.

Ugh, "Mr. creepy"?
He's rumored to be a pedophile, and I'm worried he's doing something weird to Uchida.

You didn't hear?
I heard she got summoned by "Mr. creepy".

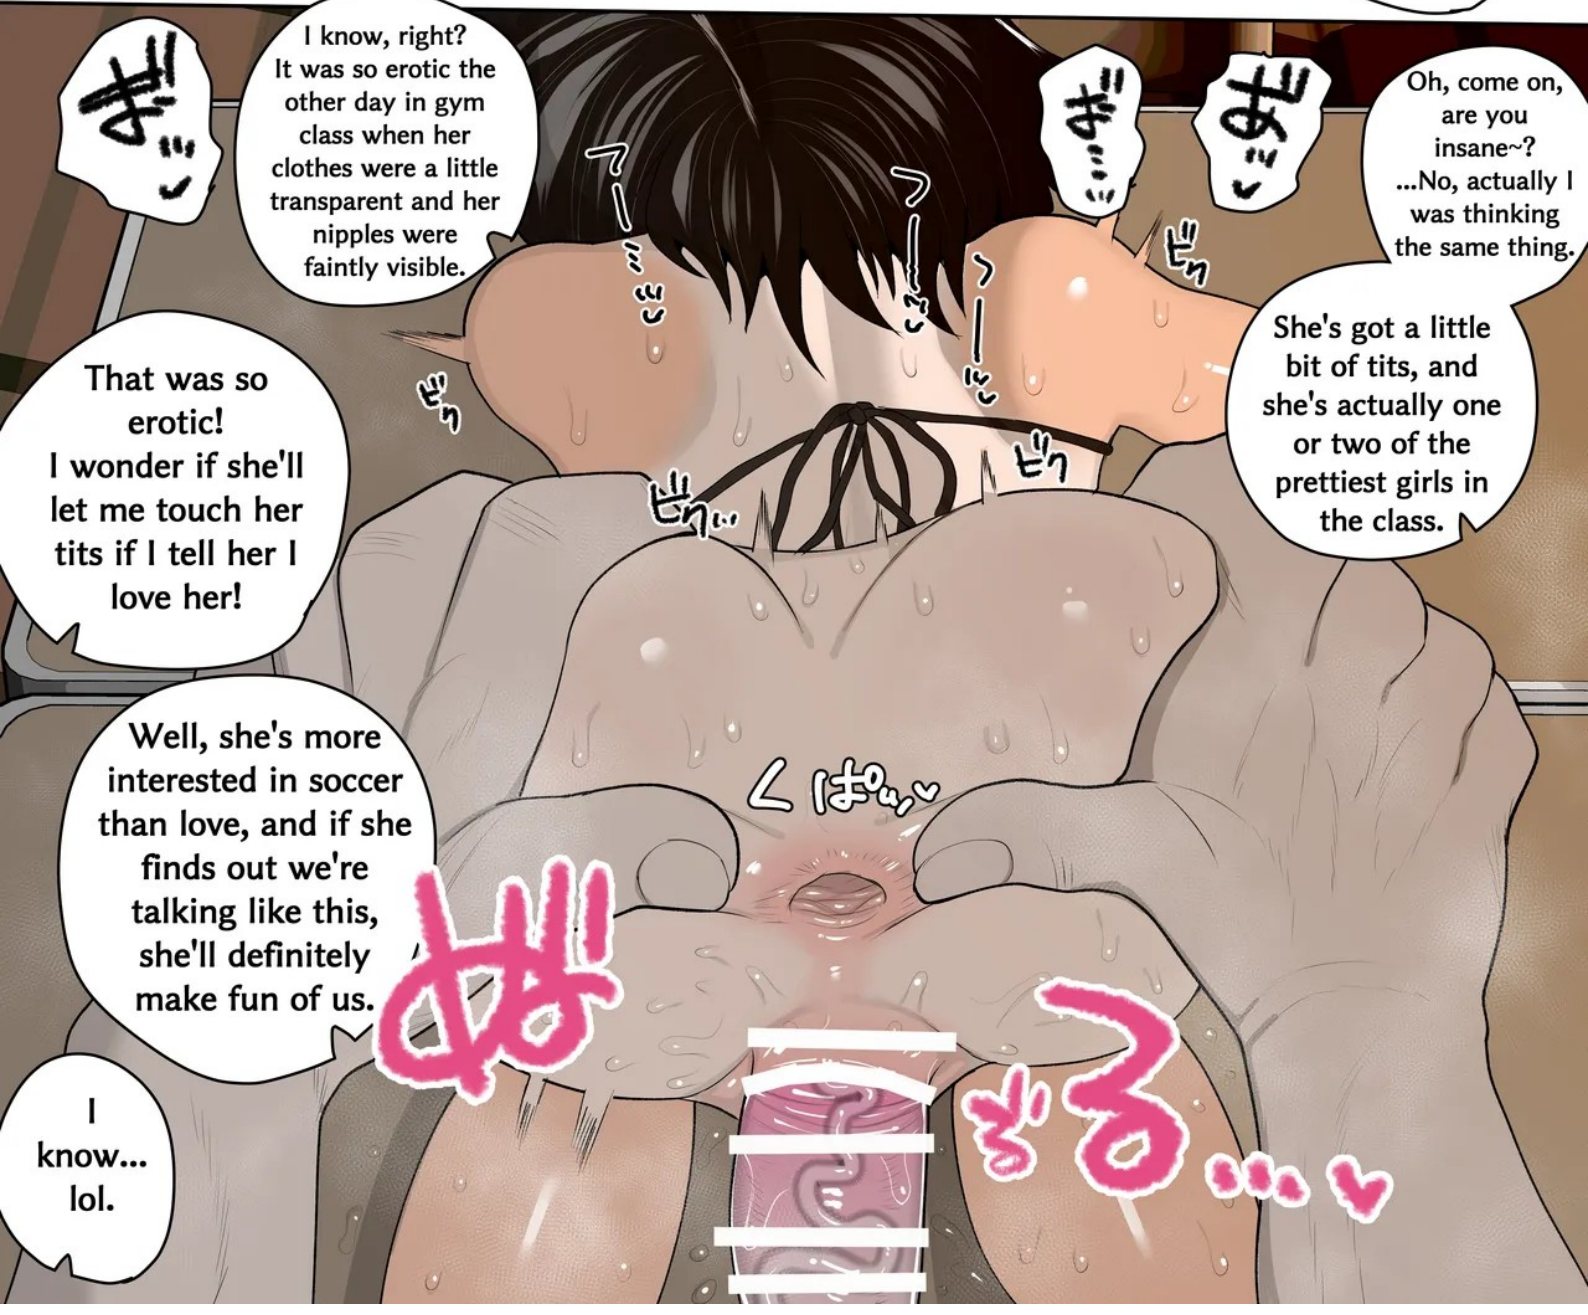

...I guess Uchida didn't come after all...
If we had her, we would have won against them.

Suzumura
Let's go back!

Umm... You're my best friend, so I'll be honest with you, she's actually kind of cute, isn't she?

Even "Mr. Creepy" wouldn't be sexually attracted to a female ape like her, would he?

I know, right?
It was so erotic the other day in gym class when her clothes were a little transparent and her nipples were faintly visible.

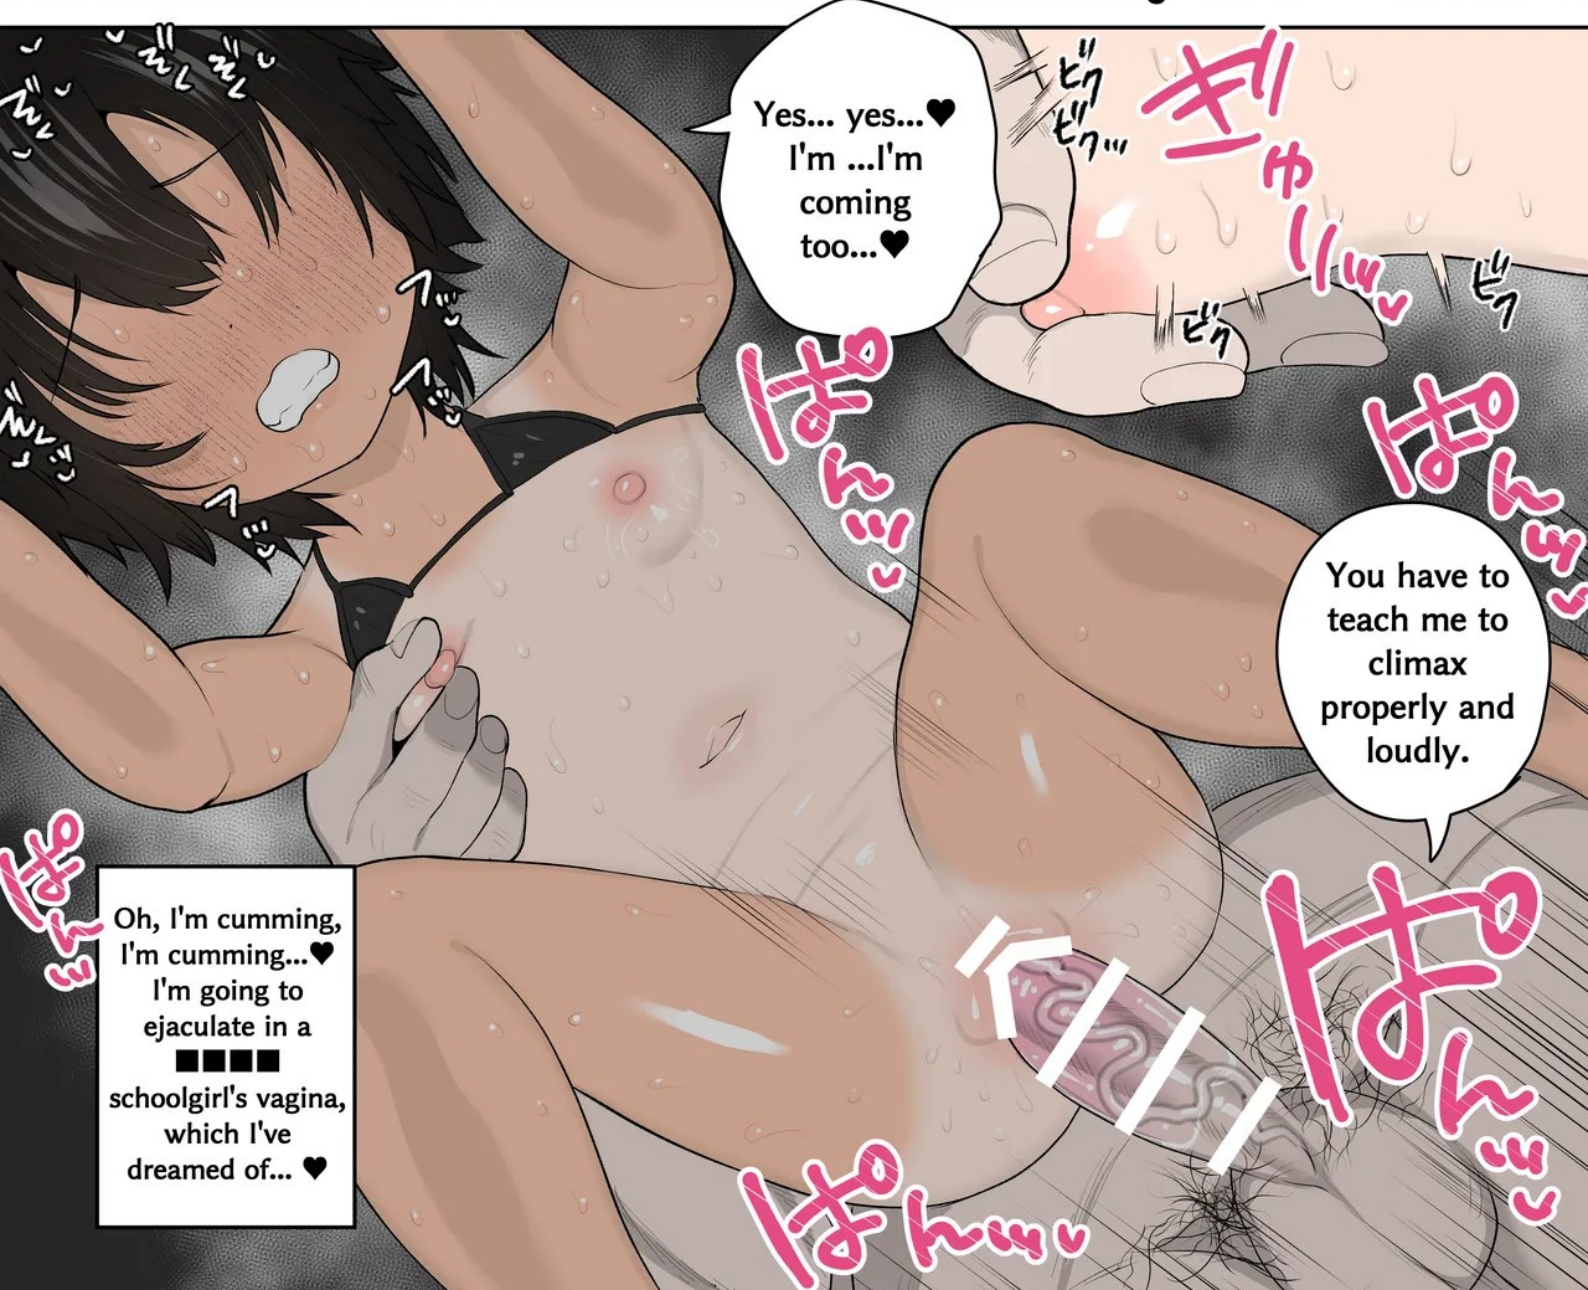

That was so erotic!
I wonder if she'll let me touch her tits if I tell her I love her!

Well, she's more interested in soccer than love, and if she finds out we're talking like this, she'll definitely make fun of us.

I know... lol.

Oh, come on, are you insane~?
...No, actually I was thinking the same thing.

She's got a little bit of tits, and she's actually one or two of the prettiest girls in the class.

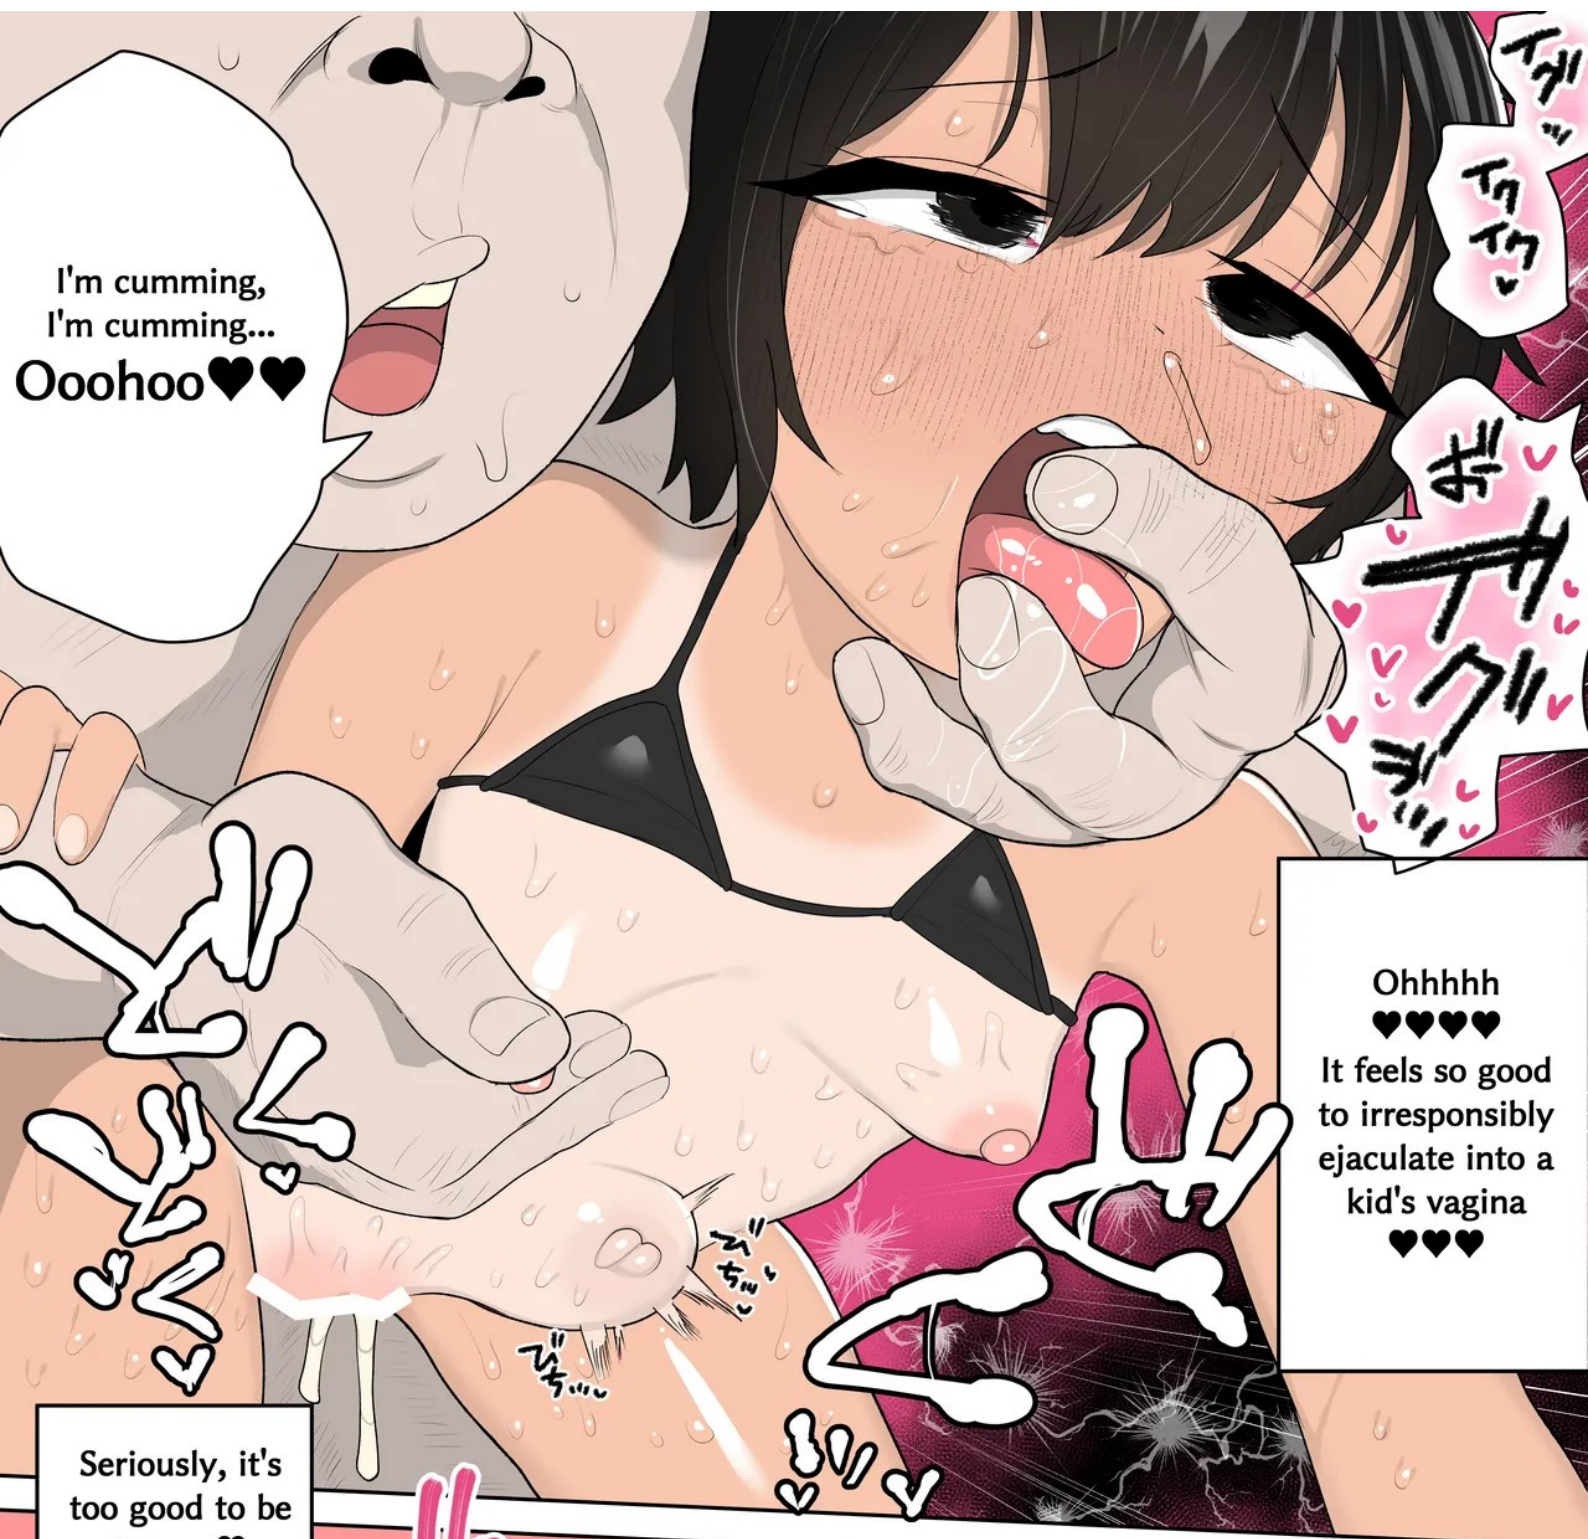

I'm gonna ejaculate in your vagina... Okay?

Ohhh...I'm about to cum...

Yes... yes... I'm ...I'm coming too...

You have to teach me to climax properly and loudly.

Oh, I'm cumming, I'm cumming... I'm going to ejaculate in a schoolgirl's vagina, which I've dreamed of...

I'm cumming,
I'm cumming...
Ooohoo♥♥

Ohhhhh
♥♥♥♥
It feels so good
to irresponsibly
ejaculate into a
kid's vagina
♥♥♥

Seriously, it's
too good to be
true... ♥
I'm glad I didn't
quit my
teaching job...
♥♥♥♥

● REC

Here, tell the camera what you thought of today.

...okay.
We'll shoot a commemorative video at the end.

Yes yes,
You're got
the look of a
good woman.

W-Well...
I'm glad that I could
make a man come with
my pussy, and that it
gave me confidence as
a girl... ♡

If I show this
to the boys in
my class,
they'll all get
experience
first
ejaculation.
