

Due to the affirmative action towards futanari, now futanari students have the right to use the students of their preferences as their sex toilets without individual consents.

Senpai, you got some time?

...Me?

You don't get a choice by the way♥

Don't tell me this is your erect length?

My, what a cute dick you got senpai~

You sure managed to make a cute gf. When you rejected my proposal...

But isn't it impossible to satisfy your gf with such shrimpy dick?

Well, at least you'll be able to satisfy mine♥

let's loosen up your ass a bit♥

First...

There's nobody
to help you
no matter
how much
you shout♥

Oh my,

Because
this is
futanaris'
privilege♥

Now
you're scared?
How cute♥

You sure are failure as a man, but you got a talent as a slut.

It's all because
your pussy
feels too good,
so please
take responsibility
for it♥

I sure
came
a lot♥

Seems like
you came
when I didn't
even touch ya.
I'm so glad♥

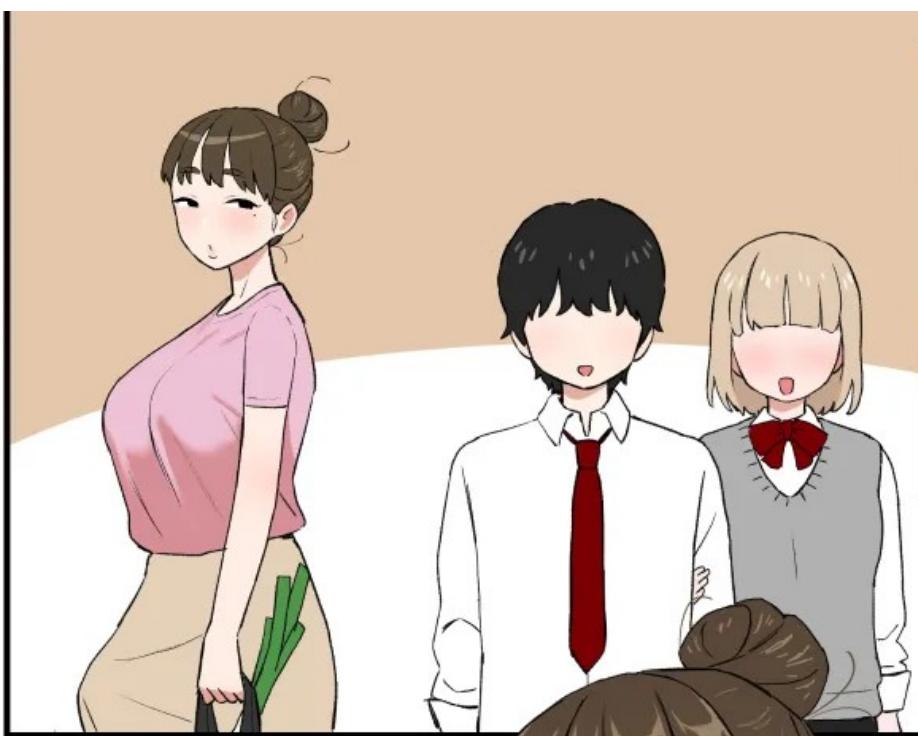

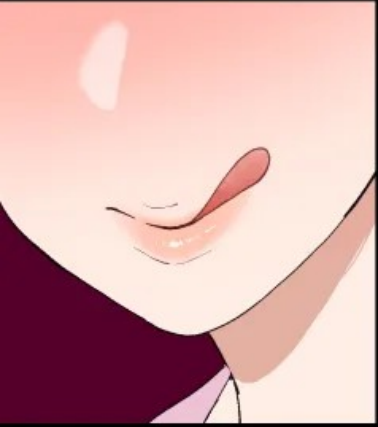

Eventually I broke up with my girlfriend and became futa girl's plaything.

I love you, senpai♥
