Well, it's been rumored among the first years that you're a lesbian, you know?

Isn't that totally gross? If it's true, that's seriously a huge turn-off!

Why? Why? Whyyy? Are you, like, a nun or something? Such a waste when you're so pretty!

Hey, hey, senpai! Is it true you've never had a boyfriend? Like, seriously?

Can you adjust your volume? This is embarrassing

...Suzu, I've told you before, this is the classroom for third-year students.

Read from the right

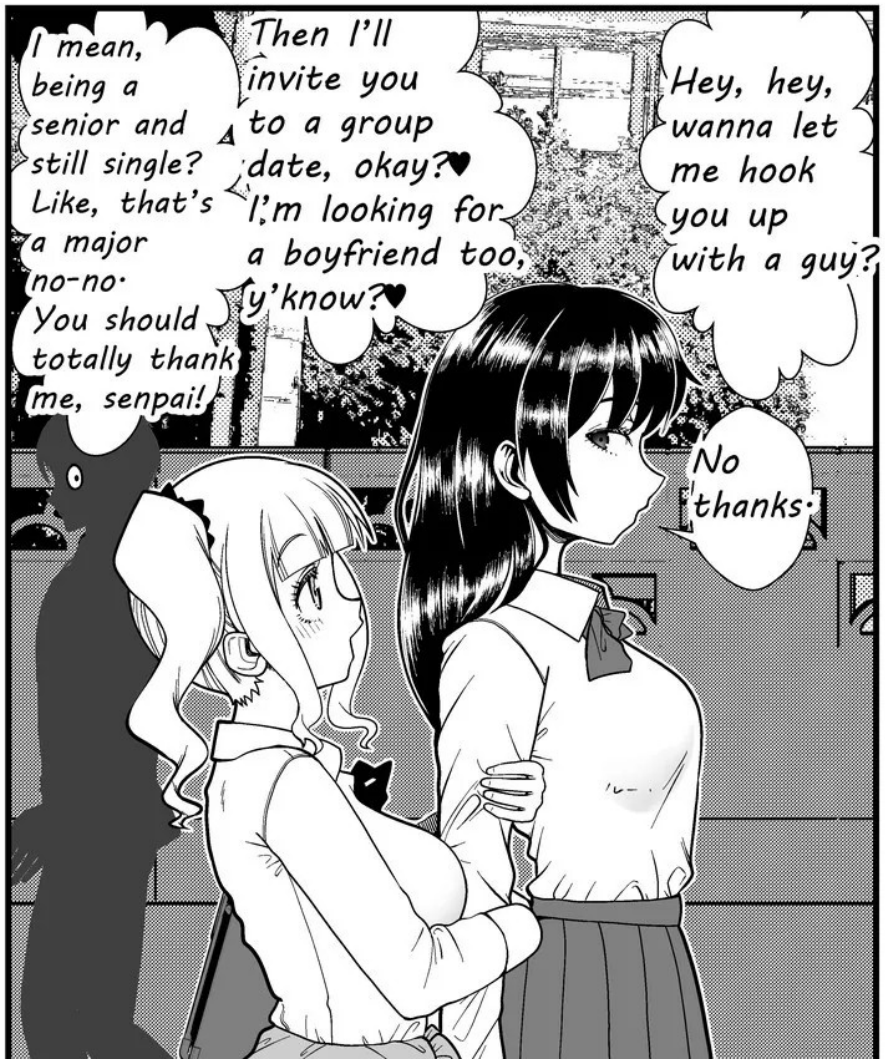

MANGA style.♡

Whoa, is this your place, senpai? Hilarious!

... Wanna come in?

Obviously! ♡ I'm totally checking out your wardrobe. Bet it's uper boring!

I mean, being a senior and still single? Like, that's a major no-no. You should totally thank me, senpai!

Then I'll invite you to a group date, okay? ♡ I'm looking for a boyfriend too, y'know? ♡

Hey, hey, wanna let me hook you up with a guy?

No thanks.

S-senpai?!
Why're you
doing
this—ahhh—
like this?!

A-ahhh—
I'm gonna
come
againnnnn!

...Even noisier now.

You're the WORST, senpai!
You freaking raped me!
So you are actually into irls—eww, gross!

I was soooooo nice to you,
and this is what I get?!
Why?!
Tell me why?!

Do you love me?!
Since when?!
What do you love about me?!

Ughhh, you idiot!
I'm so not inviting you to any group dates anymore!

And you're definitely going to take responsibility for this!
You can't go getting friendly with other girls anymore!
/okay?

And from now on, you HAVE to pick up my calls!
DMs, too—respond right away, got it?!

Senpai

Yank!
