Hmm... that's true
I wouldn't think
anything of
seeing livestock
like this

I don't really
want to see
human livestock

It's so tiresome,
I wish it would
end soon

...Huh?
Yeah,
that's true

I wonder what it looks like from inside

I've always wanted to go in here since I got here

Phew...
I can finally go home

Okay, well then, we're going to disband for today

Oh, sorry! I lost something so you went home first

Yeah

Everyone, please be careful on your way home

Huh?
...Oh

...The other human livestock can't get out of here...

...Hmm...
It's so small...
I can't really live here

...Even if I was put in, I'd probably just be kept as a pet and wouldn't be able to do anything...

Clang!!

Good work~

Huh...?
Are you
the
human livestock
next to me...

Hello~
Thank you
for
your help...

But you
probably
don't know
what I'm saying,
human livestock
like you are
stupid (lol)

I'll take it
off for a
moment
while
I'm here ♡

This is already a
human livestock...
I'll look at it later...
...It might be
dangerous soon ♡
... If someone sees me...

...Uuh...
It's cold... ♡
