It's hot again today.
Can I borrow your shower?

Hi, I turned on AC.

Great! thanks
my best friend !!

I mean,
you're here early
today, aren't you?

Yeah.
I finished club
activities early.
I'll take a shower.

Yuji... is in
my shower room
right now...
and he took off
his pants...

Oh no!
What is on my mind?
Why did i fall in love
with him?

HARD

I heard that
he gets along well
with the girls in the club.

I'm very curious...
I'll ask him about it.

Thanks for the shower.

Hey! Get dressed!

Huh?
I'm dressed.
Underwear.

A muscular man with dark brown hair and a towel draped over his left shoulder stands in a room with wood-paneled walls. He has a surprised expression, with wide eyes and an open mouth, and is sweating profusely. He is wearing dark grey athletic shorts with a light grey waistband.

I want to play that game
you were talking about!

...you're here to work
together on a school
project, right?

Never mind,
there's still plenty
of time!

This enemy is
hard to beat...!

Naked...
can't look at it...

Why do you have
a boner!?

What the hell!
