

A manga-style illustration of two muscular men in a hot spring. They are both shirtless, showing their well-defined muscles. They have dark, spiky hair and are looking slightly away from each other with expressions of discomfort or surprise. Water droplets are visible on their skin. The background is a warm, brownish-orange color, suggesting the interior of a hot spring. There are several sound effects written in Japanese: 'おっ♡おっ♡おっ♡' (Oh♡Oh♡Oh♡) in the top left and right corners, 'パンッ' (Pann) in the center, 'ドスッ' (Dossu) on the left and right sides, and 'ドスッ' (Dossu) at the bottom. A speech bubble from the man on the left asks a question, and another speech bubble from the man on the right gives a warning.

A muscular man with a large elephant on his back. The elephant is holding a small boy in its trunk. The man is looking up with a shocked expression. The elephant is holding a small boy in its trunk. The man is looking up with a shocked expression. The elephant is holding a small boy in its trunk. The man is looking up with a shocked expression.

I've made up my mind, Aaron ! Luke !
I'm gonna keep him!

DROP

I wanted a pet just like this.

Then I'll take this one.

A muscular man with dark hair and a determined expression is being penetrated from behind by a giant, thick penis. The man is shirtless and has a red mark on his chest. The background shows palm trees and a blue sky. The giant penis is shown in three different positions: at the top, in the middle, and at the bottom, all dripping with white cum. The man's mouth is open in a shout or scream.

Don't get carried away Otis!

Don't get carried away!

Oh, shut the fuck up.
All the cum that's dripping
out of him right now, that's mine.
I poured it out of this huge dick.
I'm supposed to own it.

Okay. One more night
of gangbang and
the guy who ejaculates
the most is the winner.

Okay, are these guys on camera?
It's time to say goodbye to your
beloved families in Japan.

Sigh... we have another dance
tomorrow for the tourists and
we've had sex all night!

You should be honored to be kept by me,
Otis and Alan, you little Japanese males.

Everybody in the club.
I'm sorry,
I could do something
more important than
being a soccer captain.

I don't think I'll ever
see you all again ♡

However, the body that
I have trained with everyone
for the national competition
will now be used only to make
Master's cock feel good,
so don't worry!

A manga-style illustration of two young men in a tropical setting with palm trees in the background. They are both shirtless and have their backs to the viewer, showing their buttocks. They are wearing brown, striped, phallic-shaped accessories around their waists. The man on the left is crying and making peace signs with both hands. The man on the right is also crying and has a pained expression. Three speech bubbles contain their dialogue.

Daiki, sorry.

I am not satisfied with
your coarse cock.

Two nights of sex
with the masters,
We even promised
to live together,
We even bought
a pair of rings together,

If I had to be with you,
I thought I'd be happier
as a rag of the masters,
licking their feet for
the rest of my life.

All right, you've said
your goodbyes.

Well, don't worry.
I'll let you go when I get tired of you.
I can't guarantee you
a life after that, though.

I'll go rent it out to the fishermen
right away to relieve their stress.
