Cloud Moon Sect

Yes, yes!

I'm really excited to meet the Sect Master! She's the number one beauty on this continent...

The Senior Sister is also one of the top beauties...

Main Hall Plaza

Sect Master hasn't appeared since her battle with the Lord of the Demon Sect. I heard she was injured

I'm just not sure... The Sect Master suddenly summoning us—there must be something important she wants to announce

I've been here at the sect for over a year and still haven't seen her. But today, I finally get to see the Sect Master

Finally...

This ...

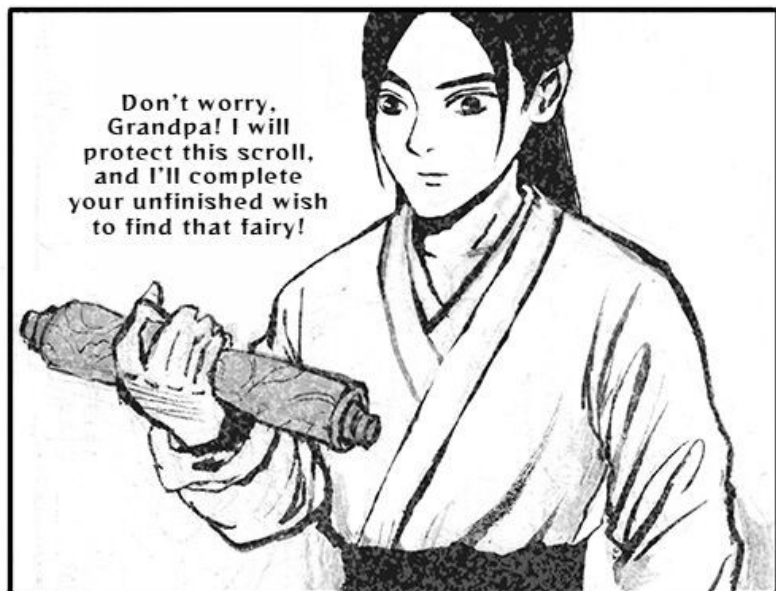

This item is called the Hidden Snow Scroll... It was left behind by the fairy

Keep it safe... Don't let anyone know... Otherwise, you may invite death upon yourself... This is the only proof of your connection to her...

Alright child... take care of yourself. Grandpa... won't be with you any longer...

Don't worry, Grandpa! I will protect this scroll, and I'll complete your unfinished wish to find that fairy!

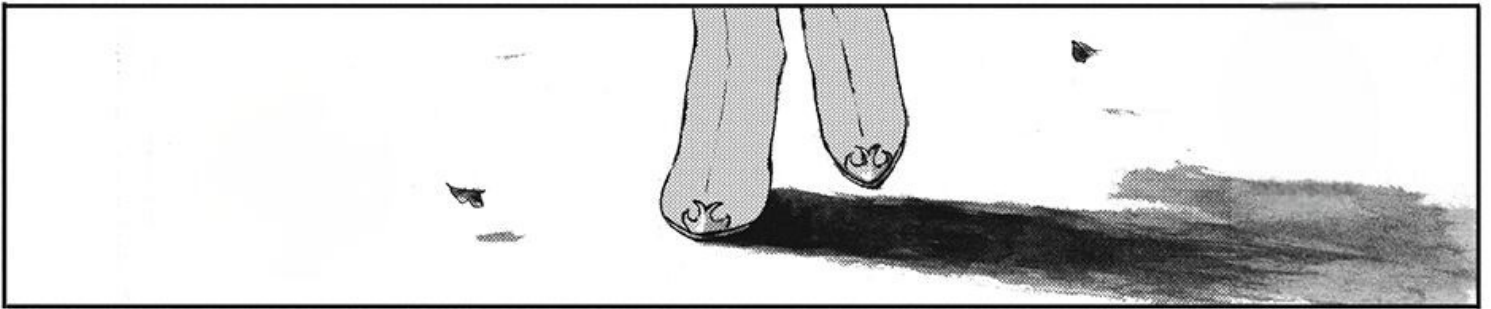

Grandpa!!

After going through countless hardships, I finally joined the sect...

After a long journey and gathering information, I finally found the sect's mountain gate...

Sect Master has arrived!

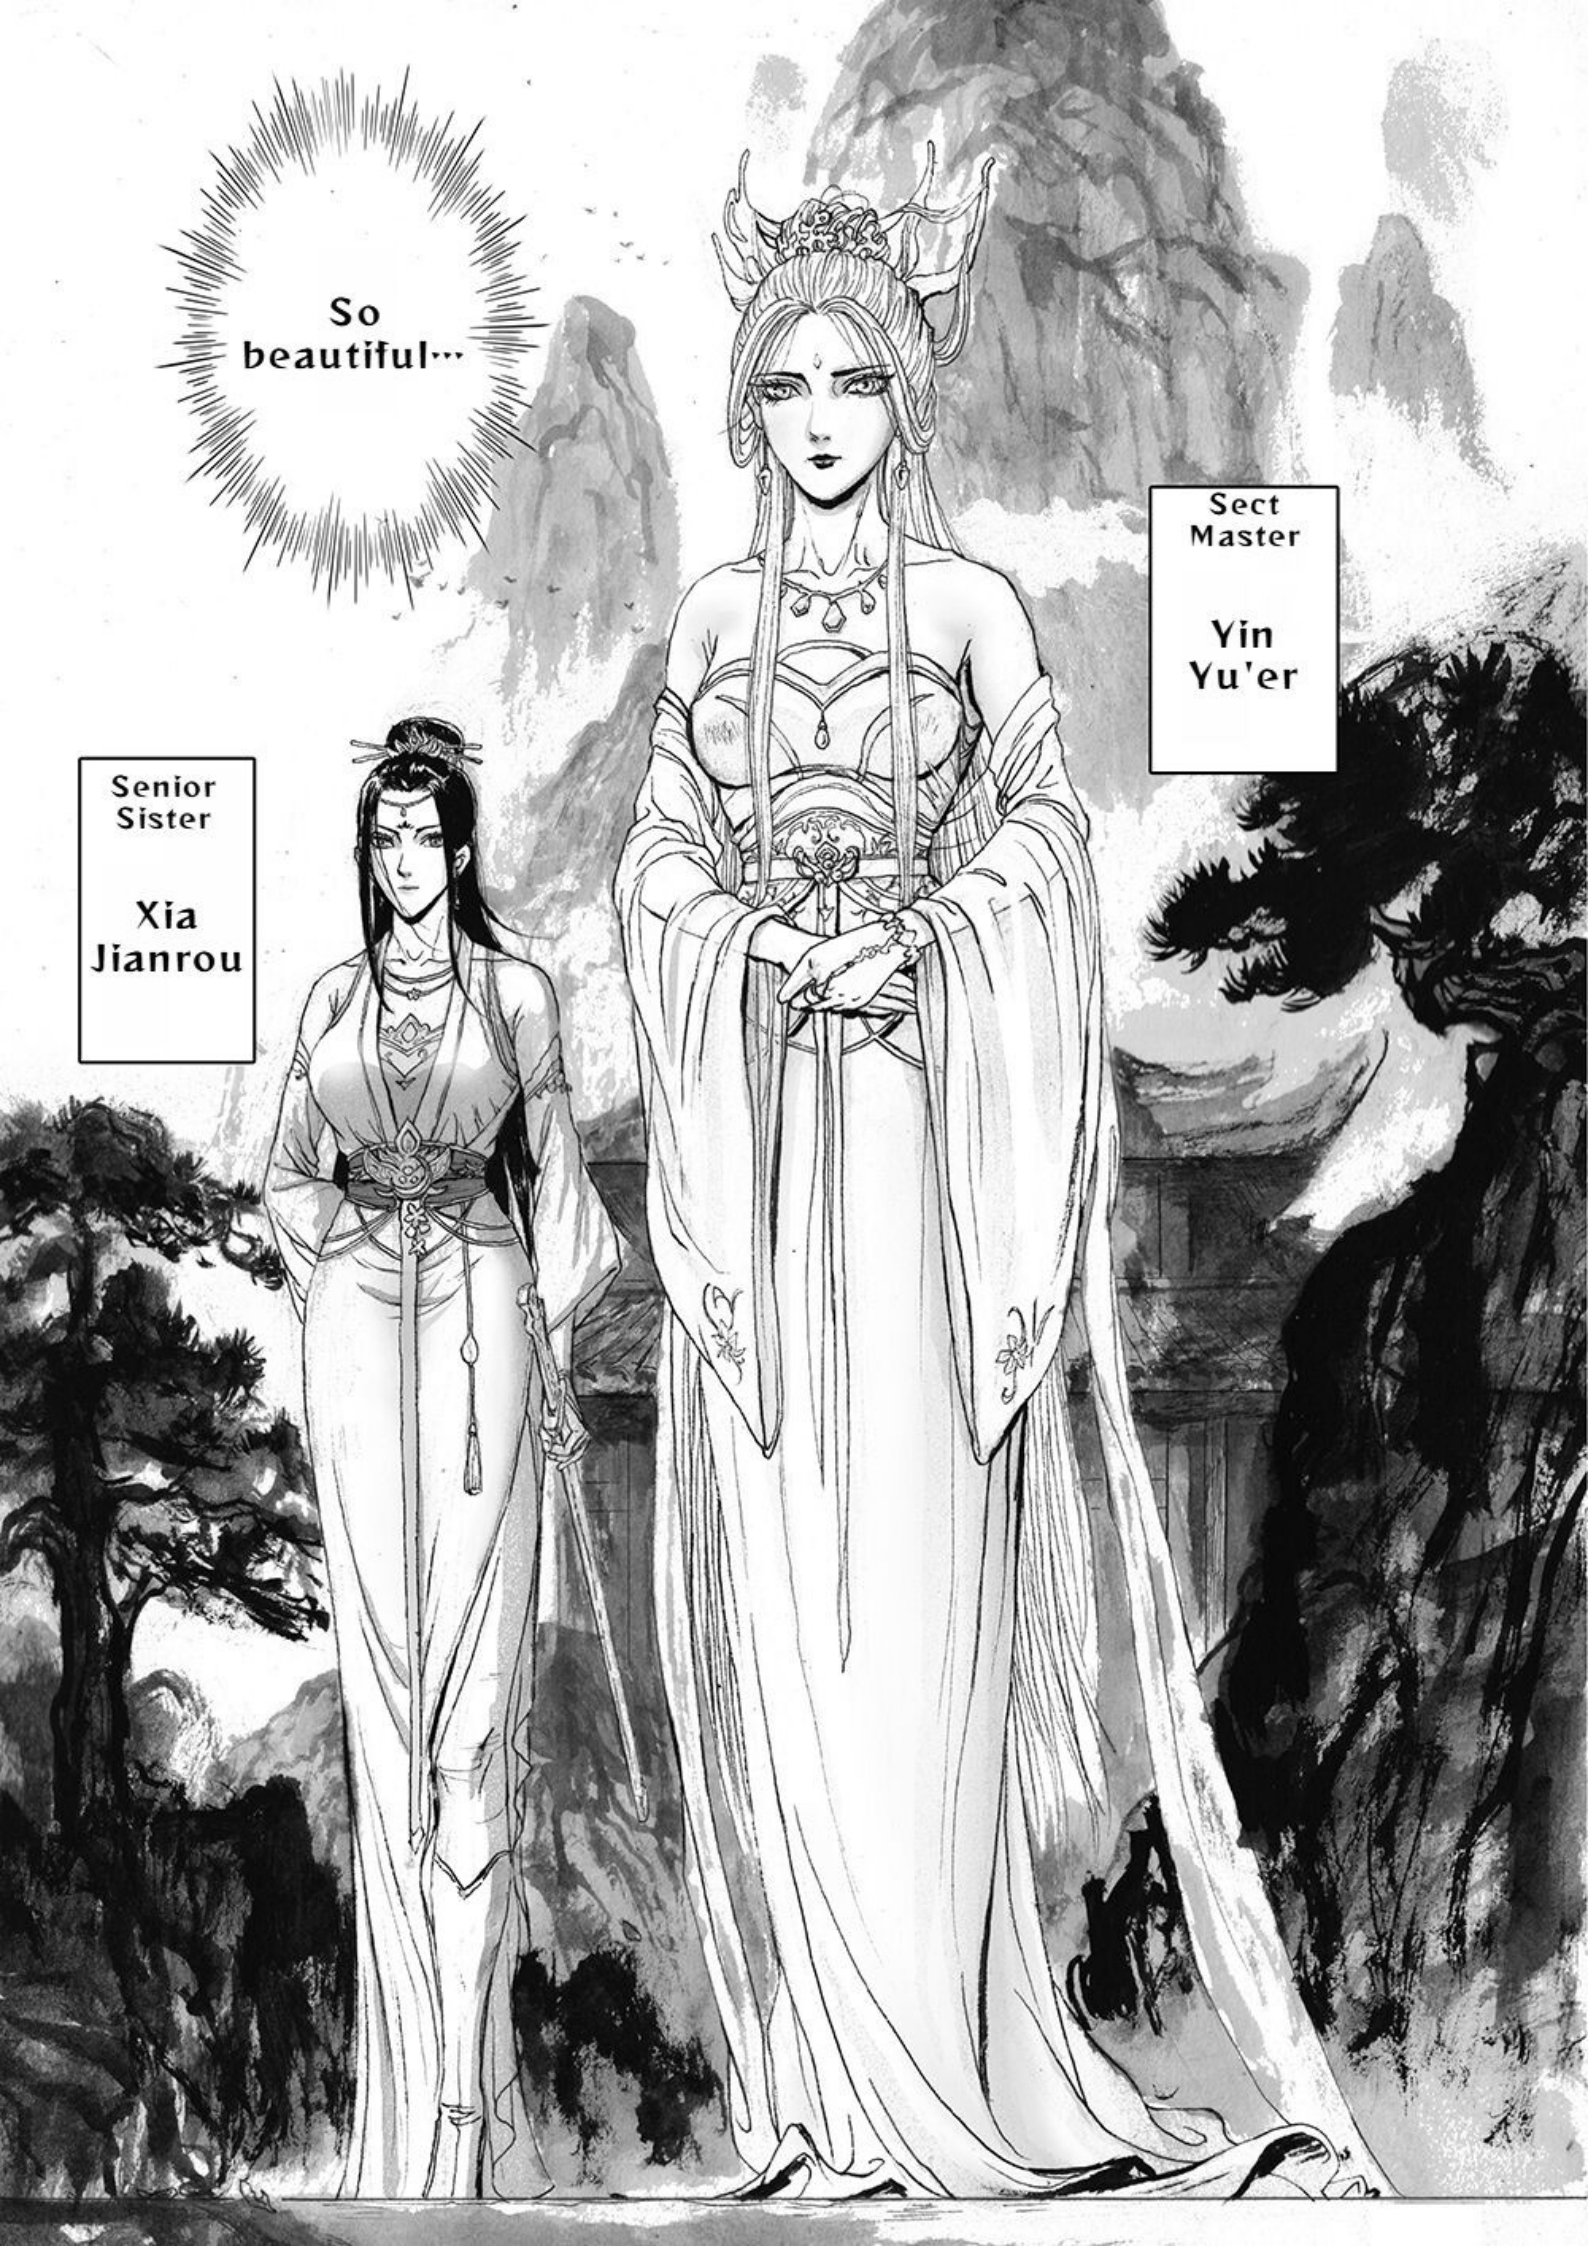

They've arrived

So  
beautiful...

Senior  
Sister  
  
Xia  
Jianrou

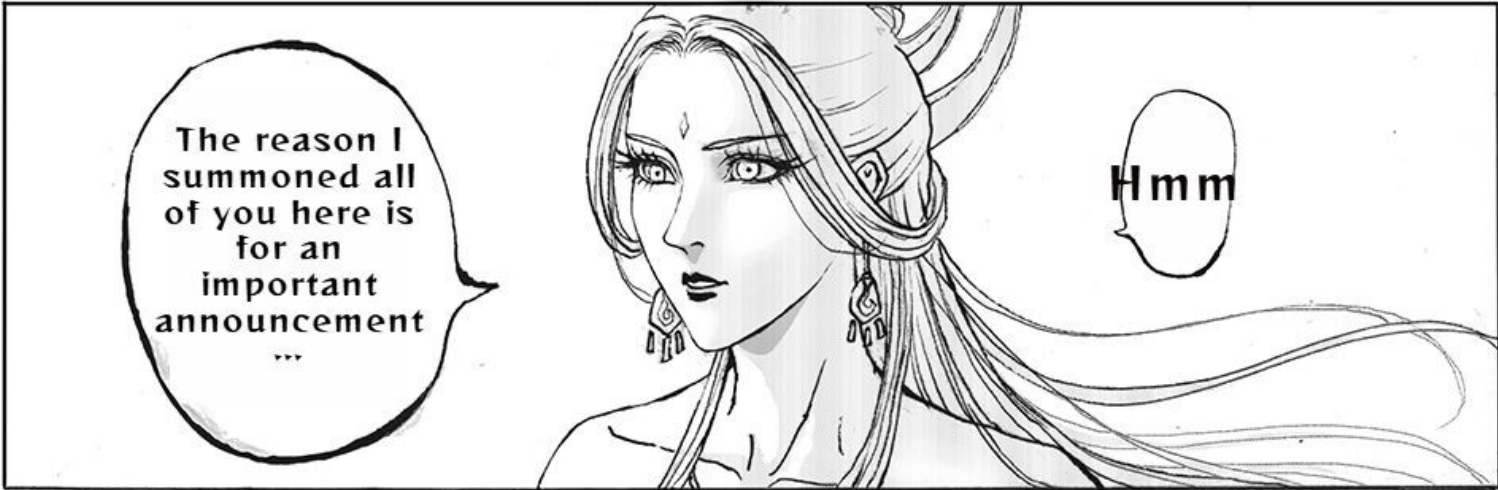

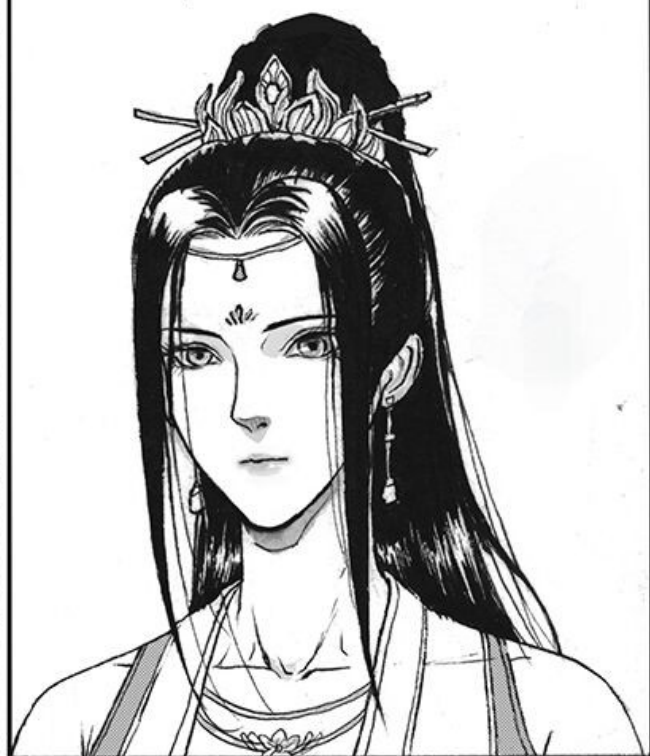

Sect  
Master

Yin  
Yu'er

We pay  
our  
respects  
to Sect  
Master

The reason I  
summoned all  
of you here is  
for an  
important  
announcement  
...

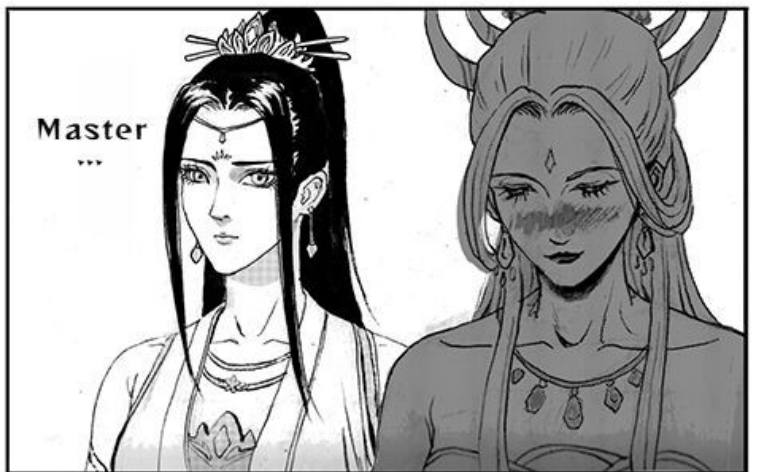

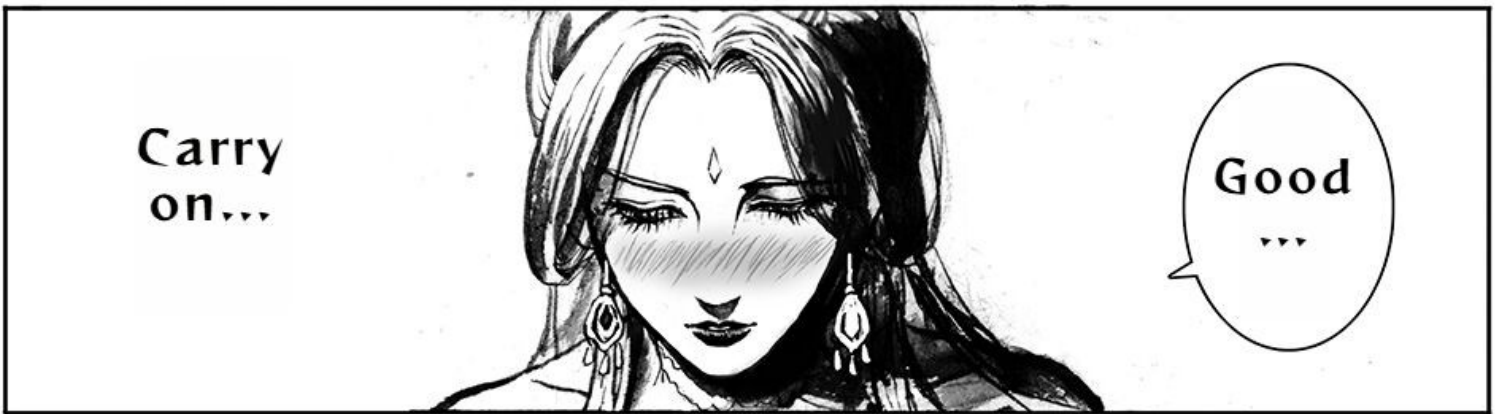

Hmm

Sect Master is  
so beautiful!  
Senior Sister  
is also  
stunning~~

One more  
thing, I've had a  
sudden  
enlightenment,  
so I'll be entering  
seclusion for a  
while. This  
seclusion is  
crucial—it may  
last as short as  
three years, or as  
long as ten

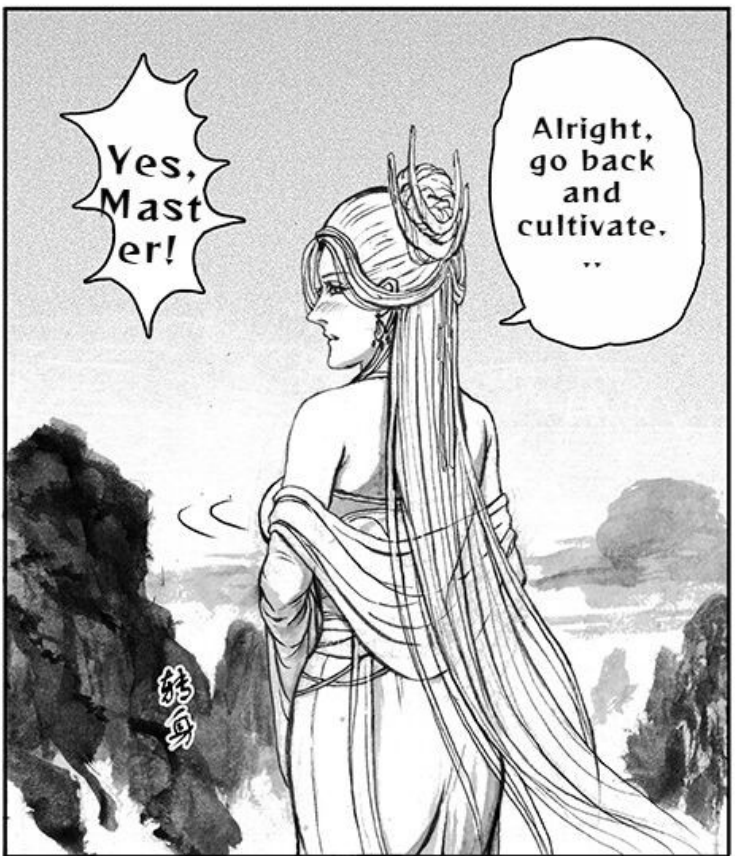

As you know, I  
exchanged blows  
with the Demon  
Hall's master.  
Though I was  
injured, it isn't too  
serious. You don't  
need to worry, just  
focus on your  
duties

Master, do you really want to do this?

Let's go

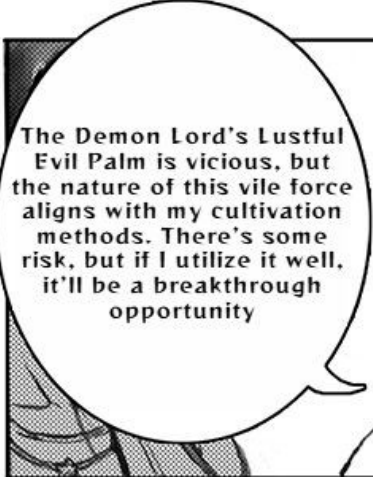

Yes, Master!

Alright, go back and cultivate. ..

I've prepared for so long, no matter the cost, failure is not an option

The Demon Lord's Lustful Evil Palm is vicious, but the nature of this vile force aligns with my cultivation methods. There's some risk, but if I utilize it well, it'll be a breakthrough opportunity

My decision is final

Grandpa, I didn't let you down. I've found the Fairy... Now, I'll go see her.

I've worked so hard to be here, I can't let this chance slip!

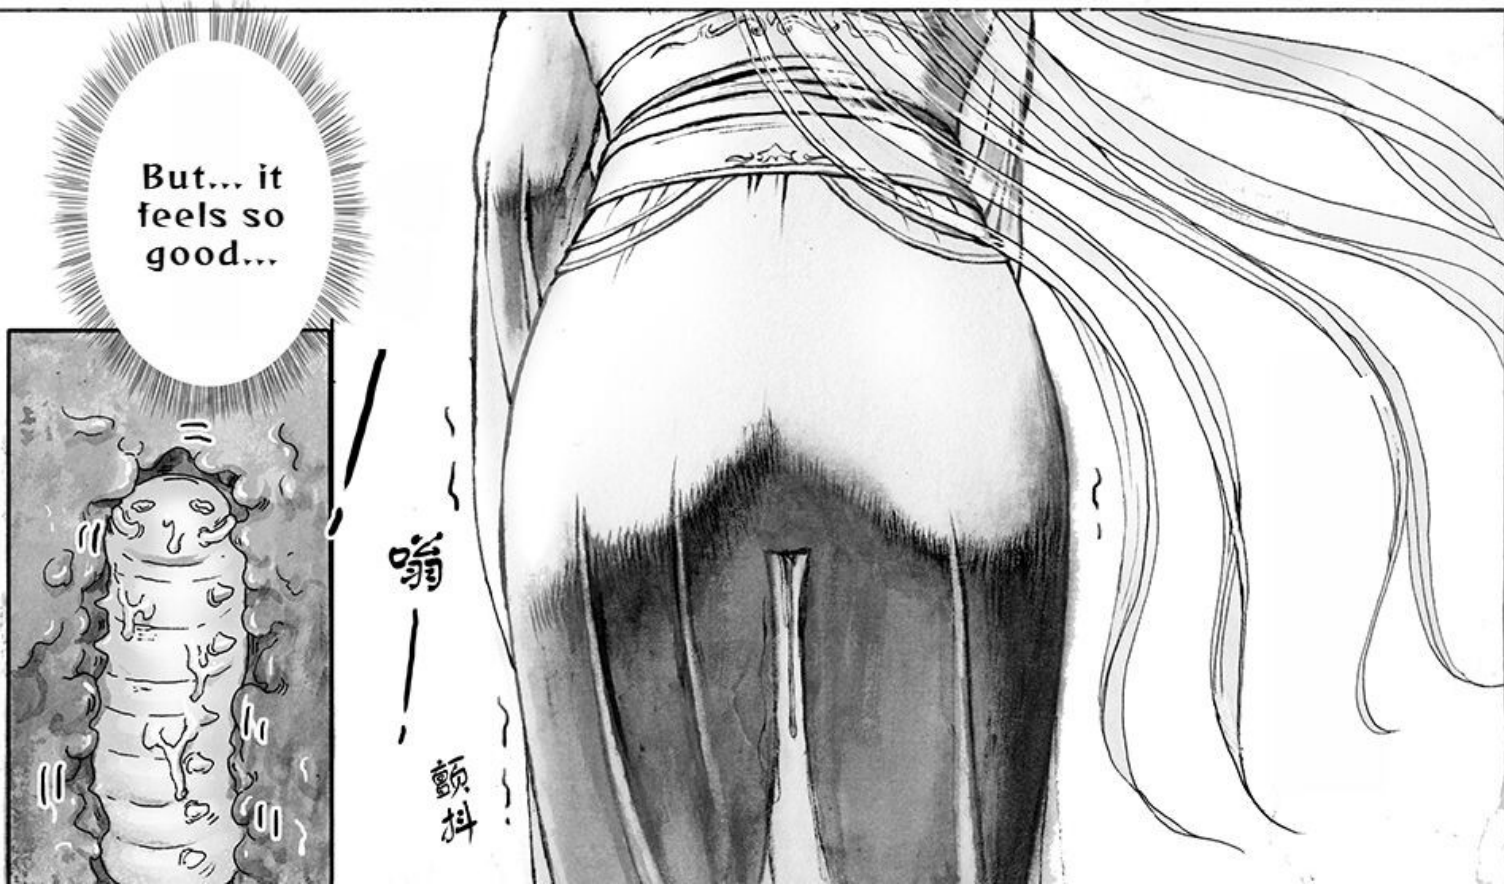

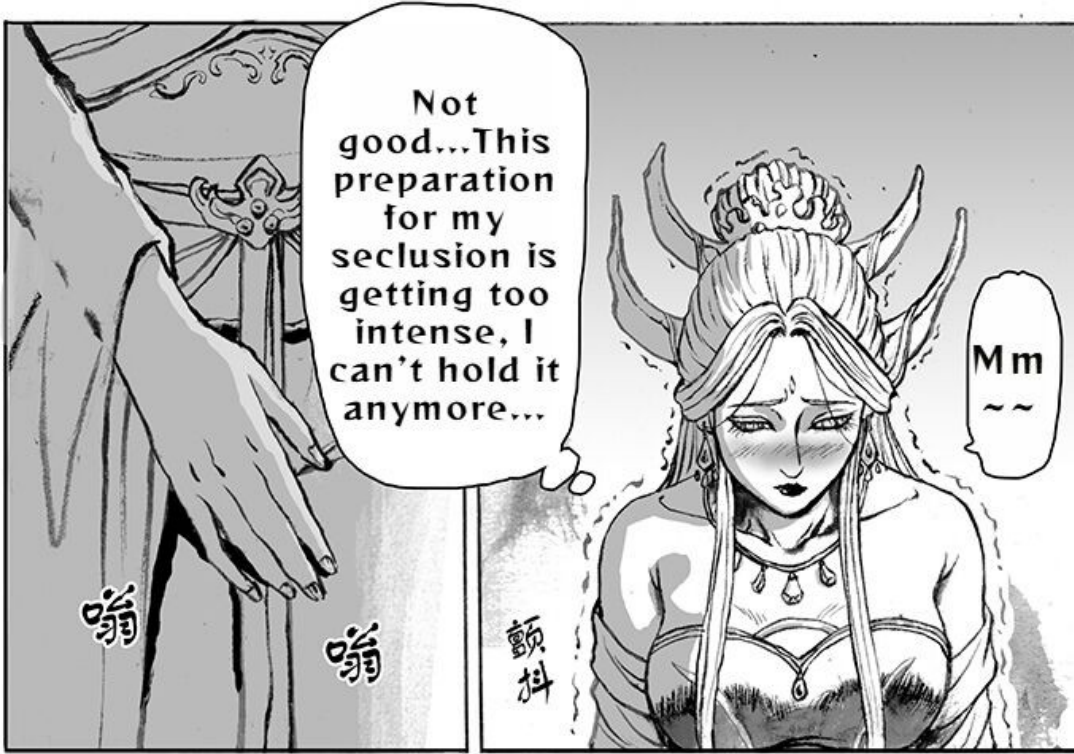

That's right!!

Sect Master is still so gorgeous ...

If only Senior Sister would glance my way a bit more...

Just catching a glimpse of the Sect Master will satisfy me completely

It's all for raising my power... using this method is my only option...

I... I'm only doing this for the sake of my cultivation ... to... break through faster...

You can't seem to wait any longer, can you?

What's wrong ...

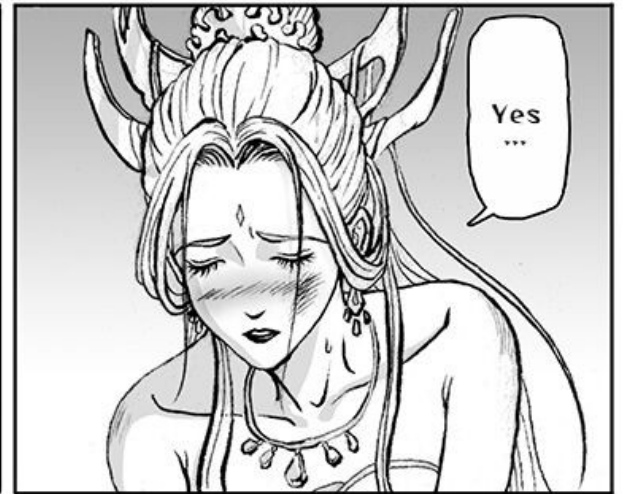

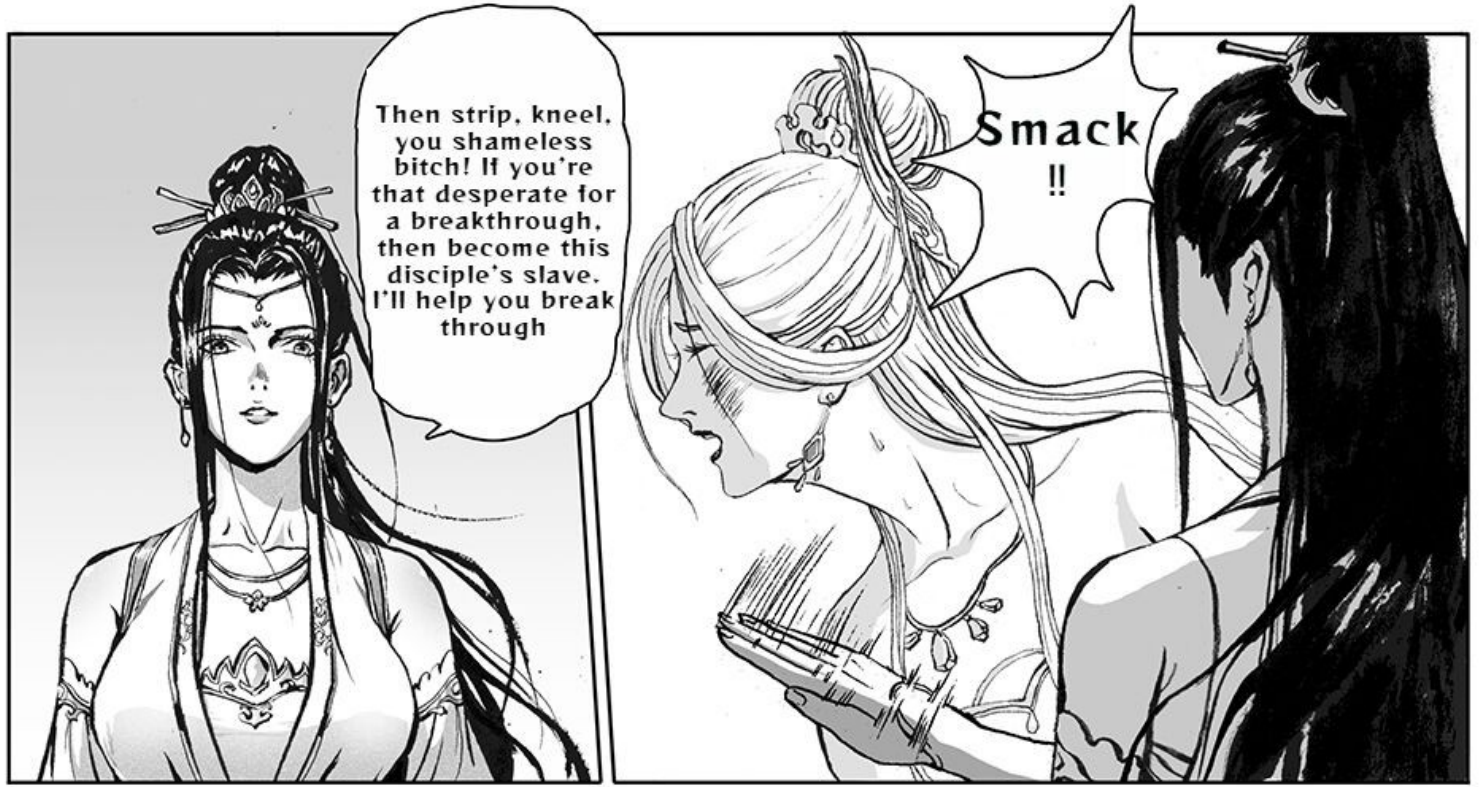

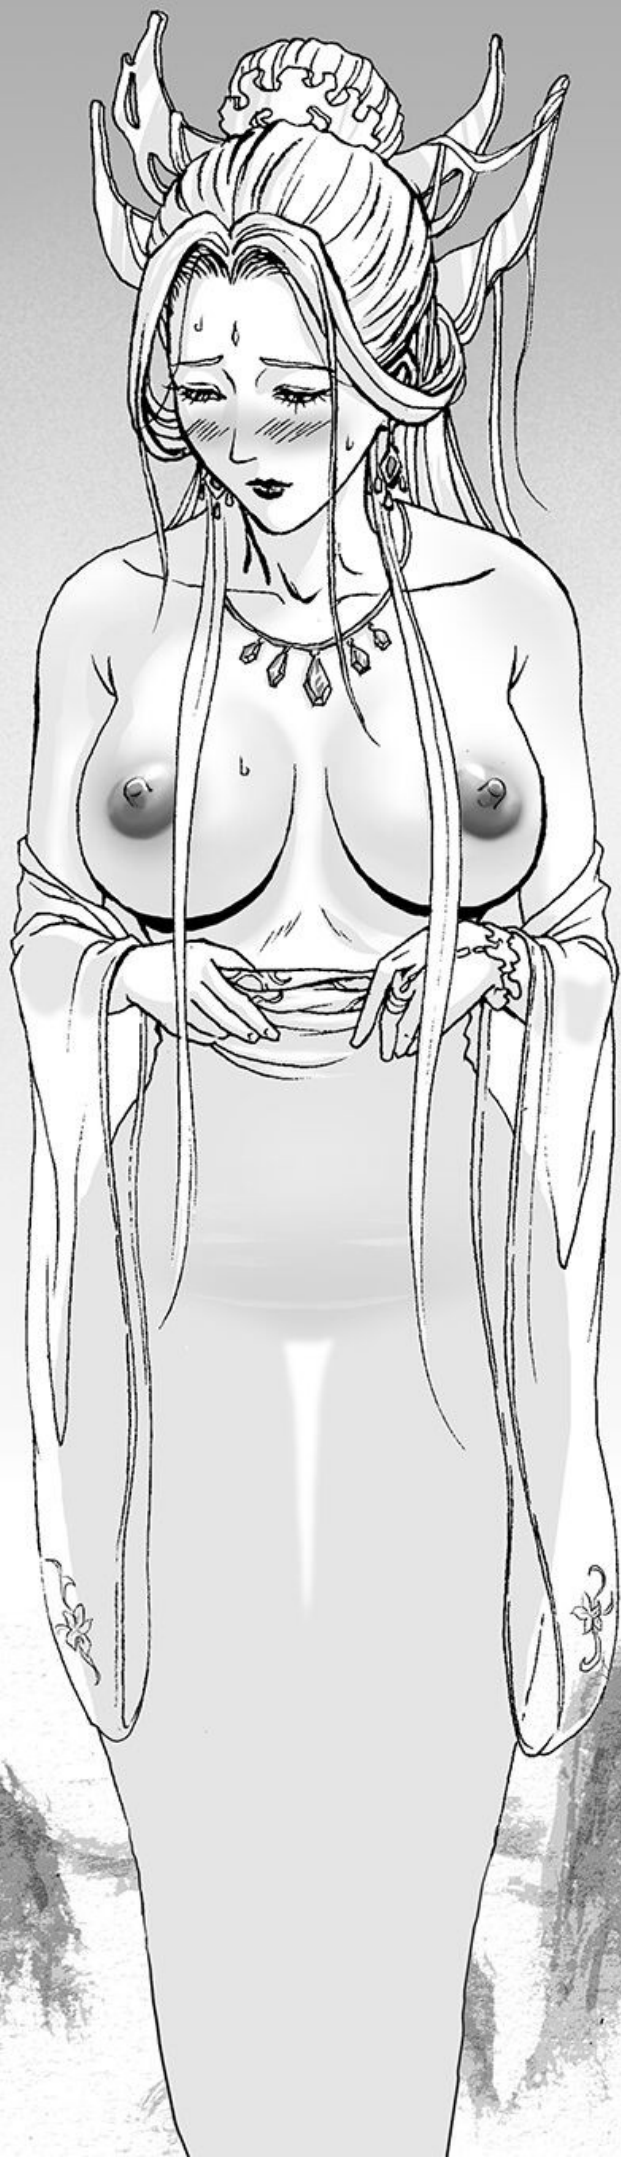

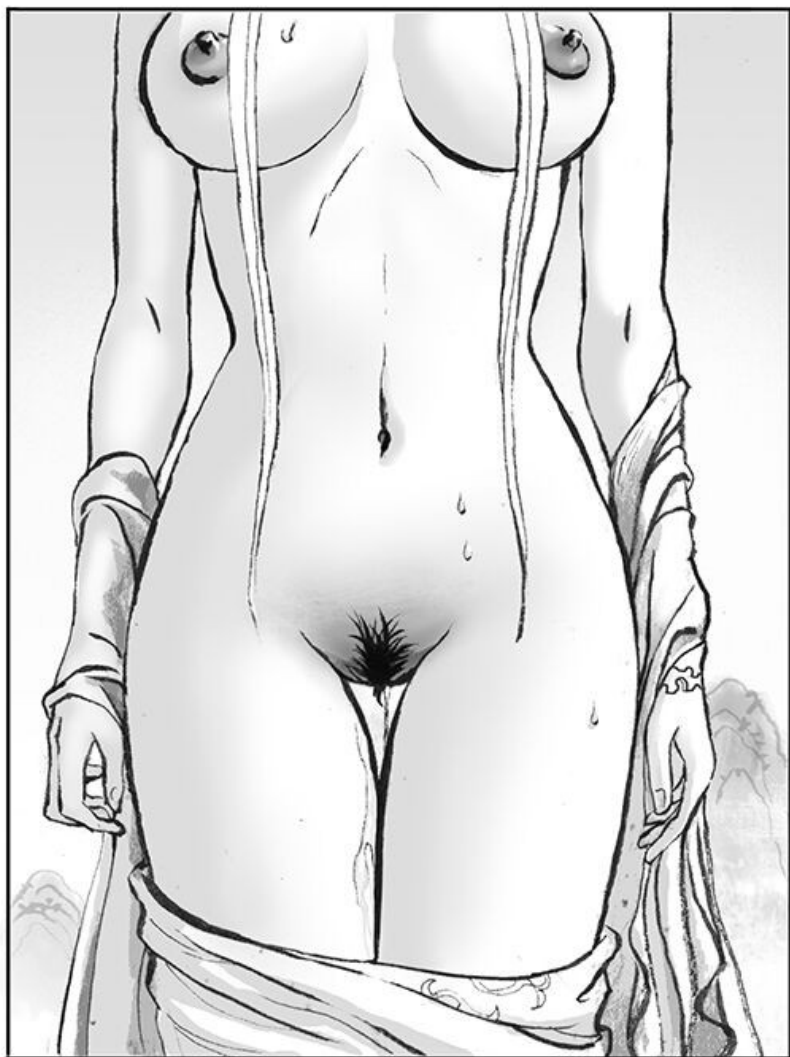

Is that so? If that's true, then why does Master look so hesitant? Don't tell me Master is just horny and using "breakthrough" as an excuse for being a filthy slut?

If attaining power means becoming a lowly bitch, so be it!

I only seek the path of Dao! I've already abandoned all worldly pleasures...

I, Sect Master Yin Yuer of Cloud Moon Sect, willingly submit to my disciple Xia Jianrou as her slave. I vow to obey her every order. Should I betray her, may heaven strike me down

Greetings, Master! Your humble servant Yu'er pays her respects

This is a special sealing collar made just for you. Once you wear it, your powers will be sealed, making you no different from an ordinary person...

From this day forth, you are nothing but a filthy slave. I shall call you Yu-slave

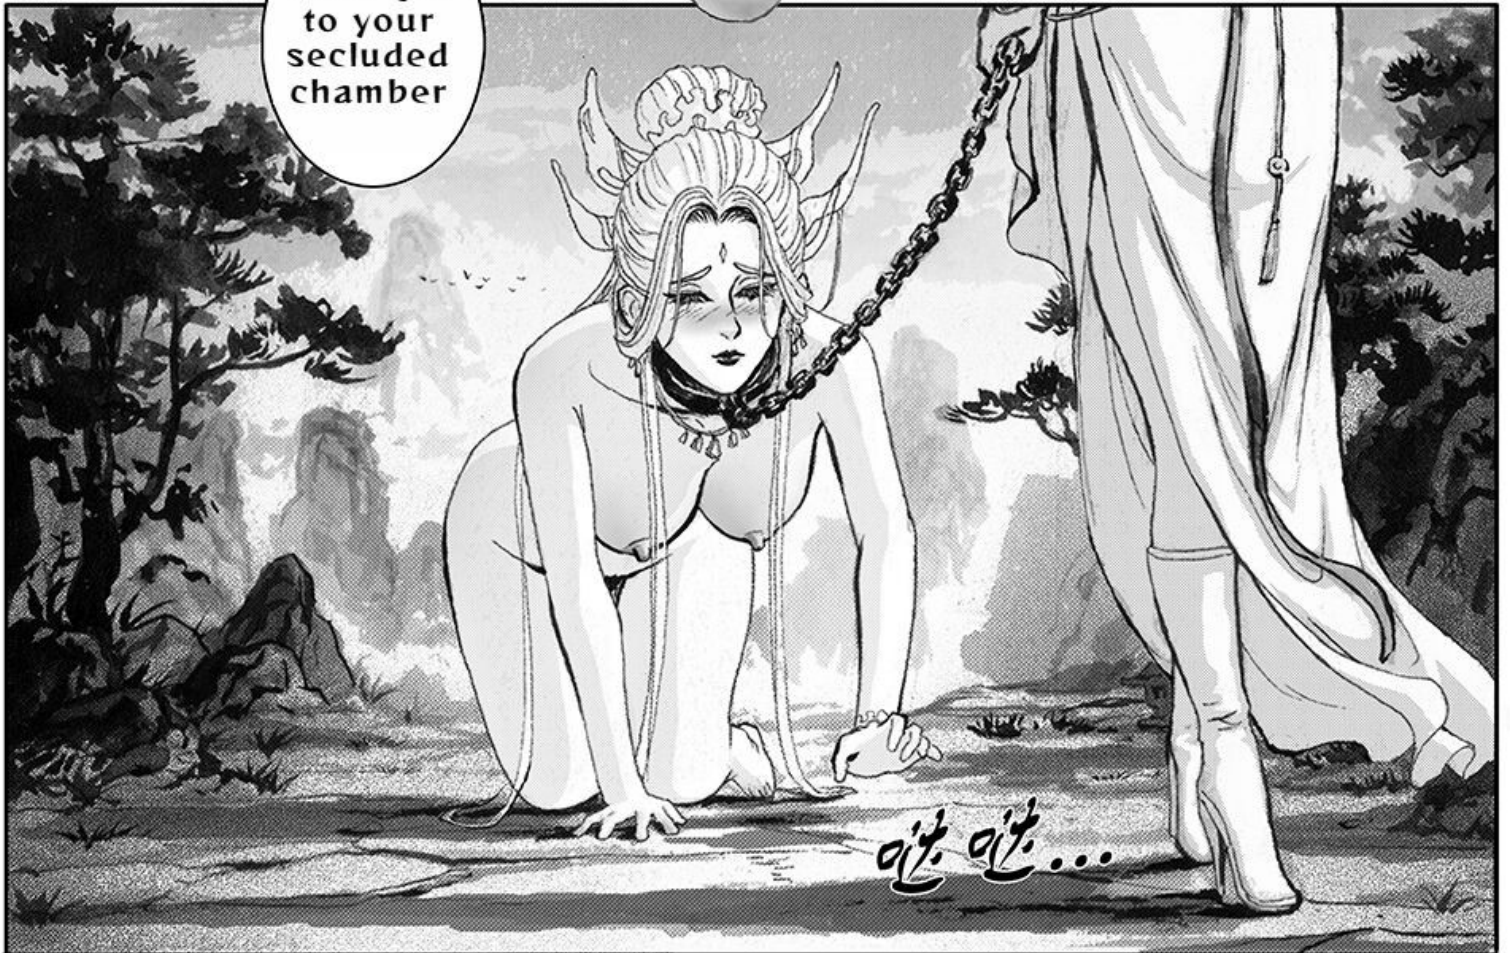

Very good

Yes,  
Master  
!

Let's go,  
to your  
secluded  
chamber

ひたひた...

I just saw something unfathomable!! The almighty Sect Master, reduced to this?

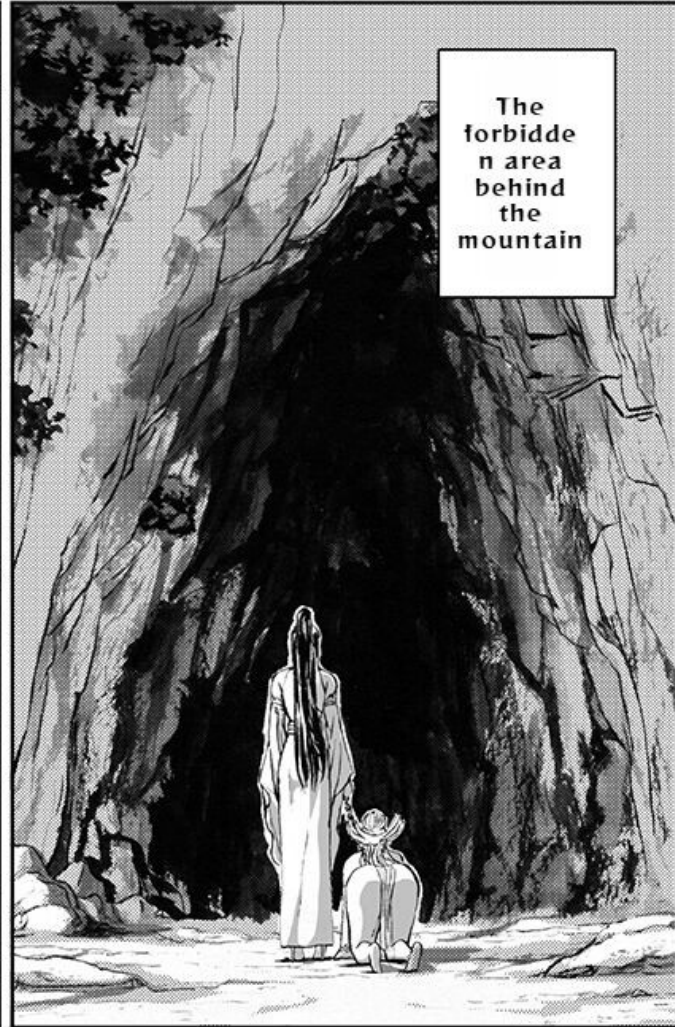

爬

沙沙沙...

沙沙沙...

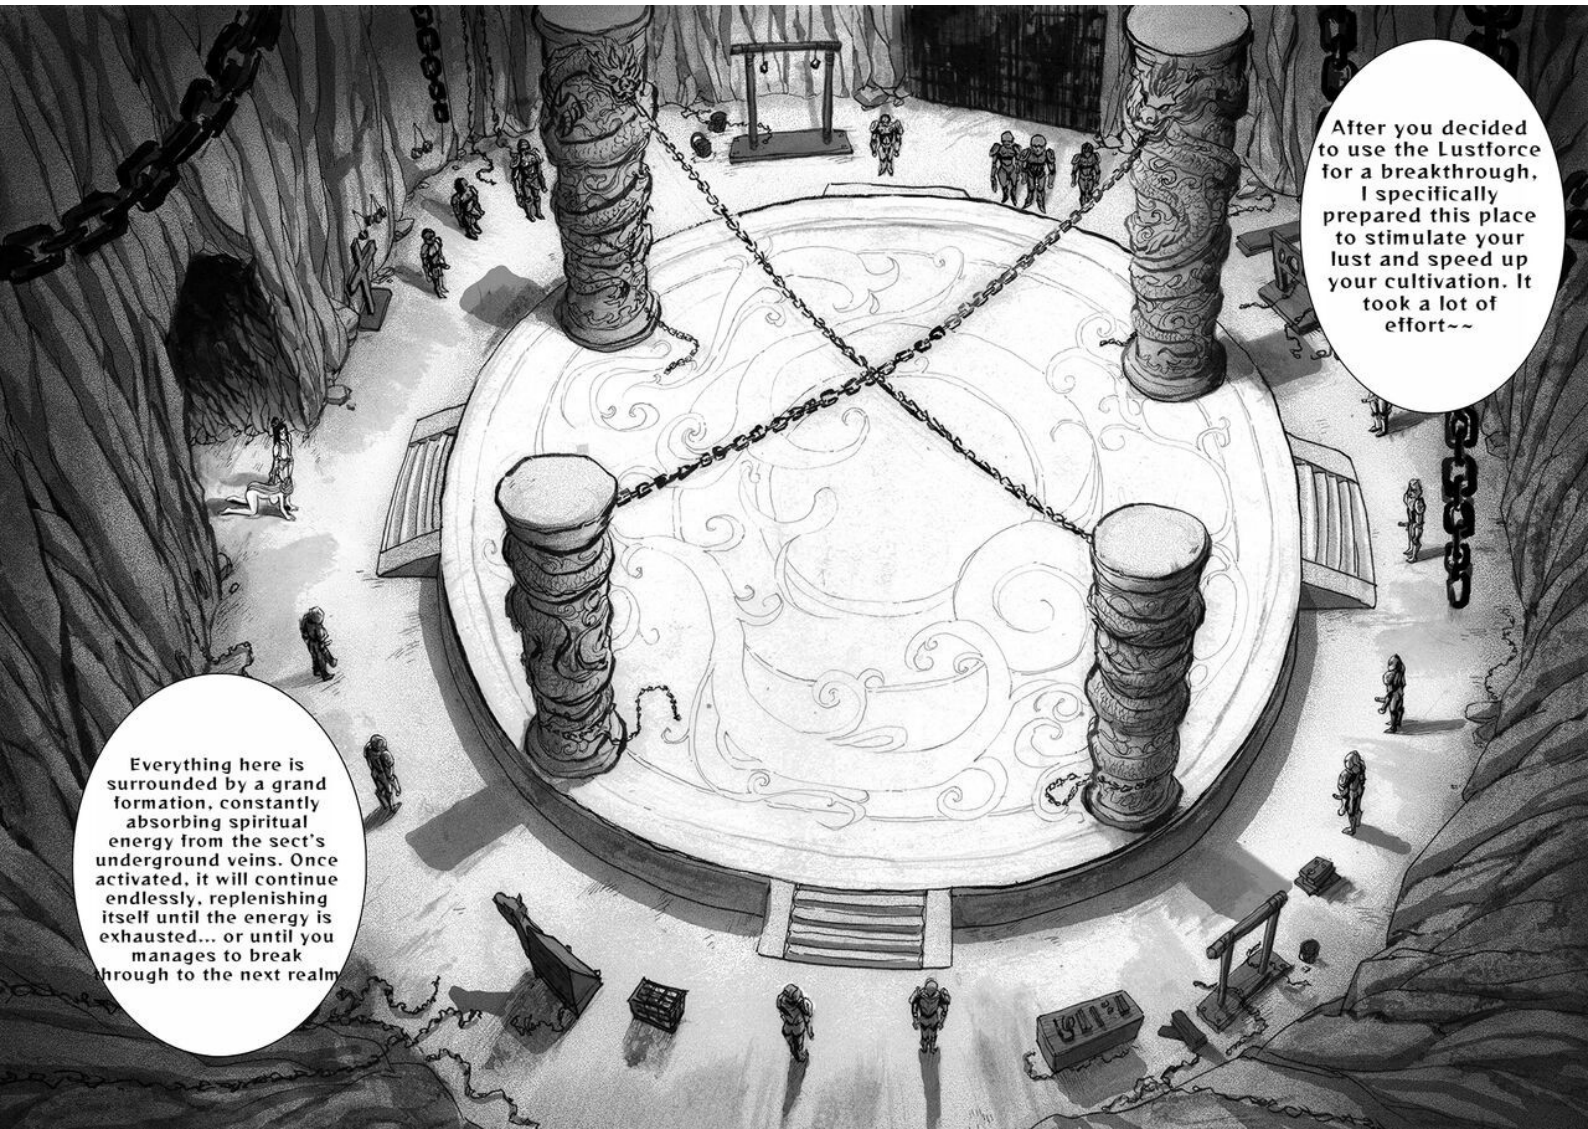

The forbidden area behind the mountain

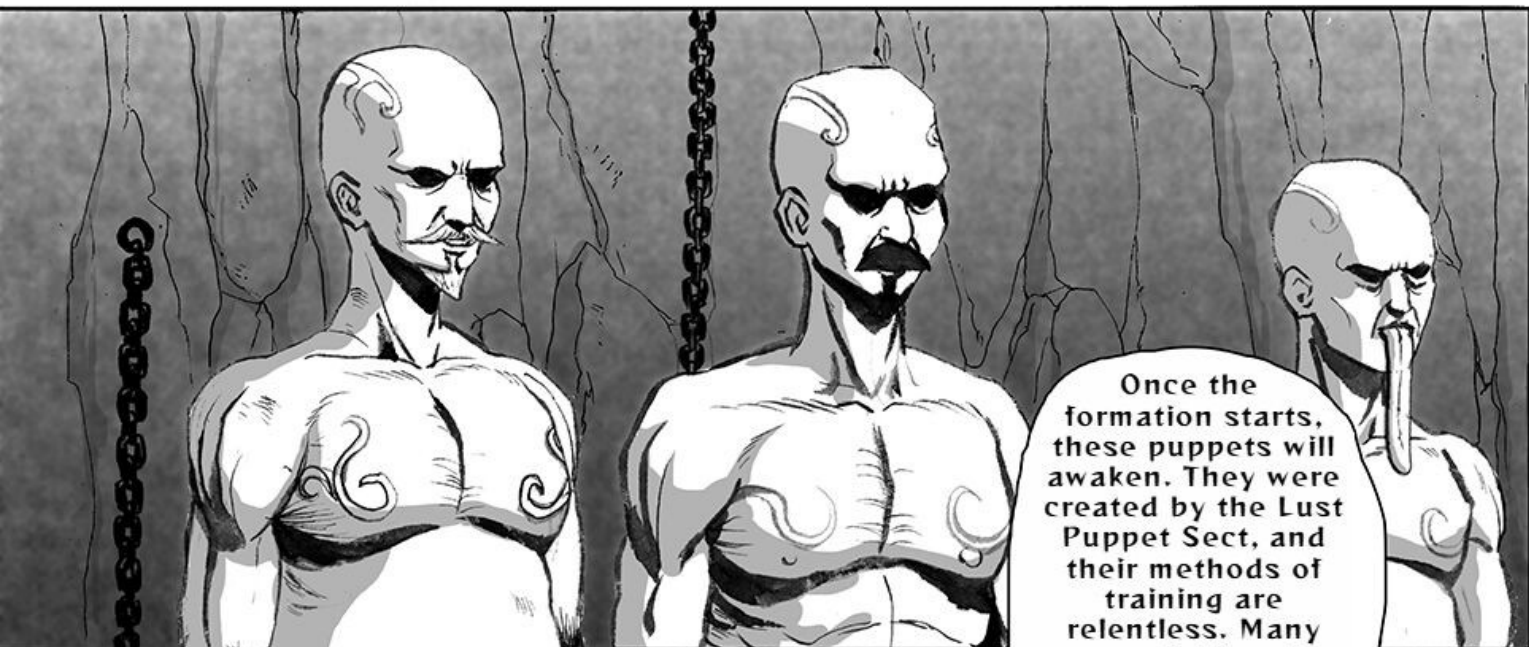

Your "seclusion" is here. Are you excited, haha?

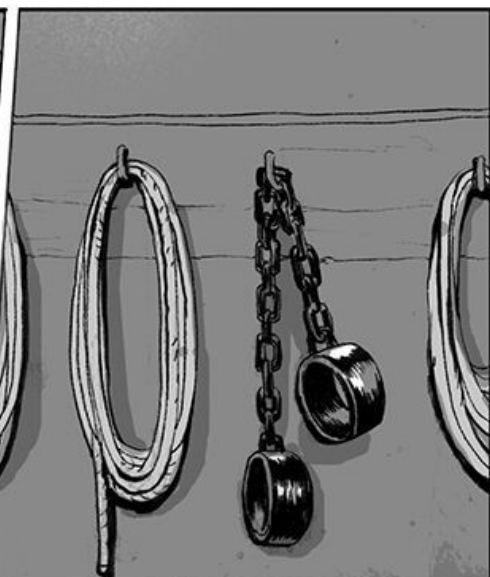

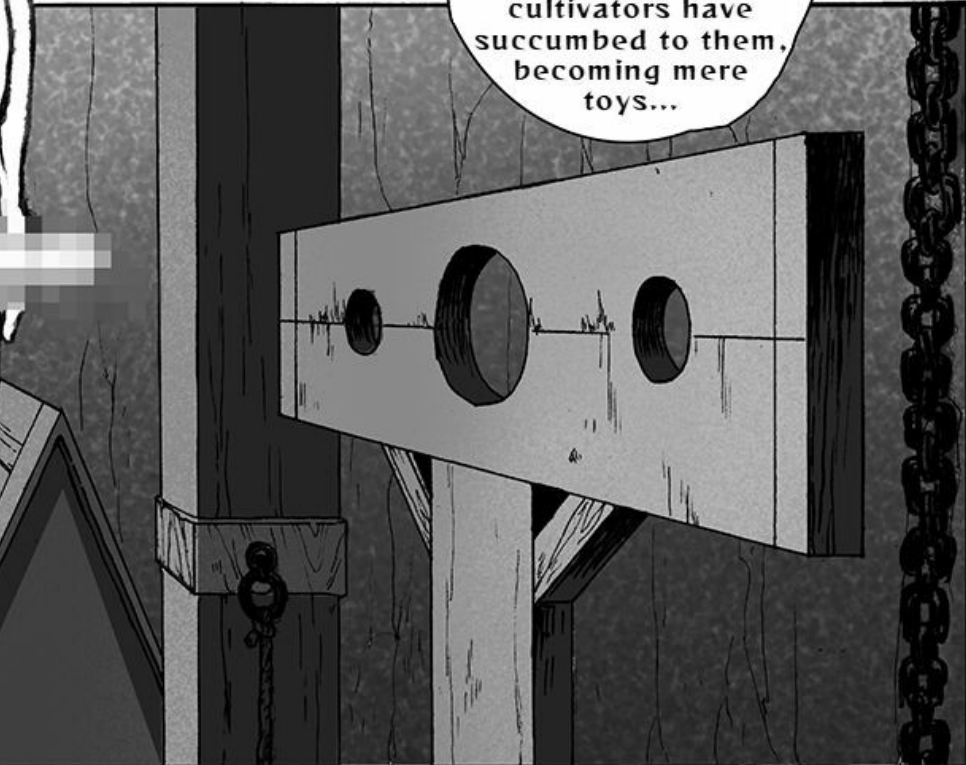

After you decided to use the Lustforce for a breakthrough, I specifically prepared this place to stimulate your lust and speed up your cultivation. It took a lot of effort~~

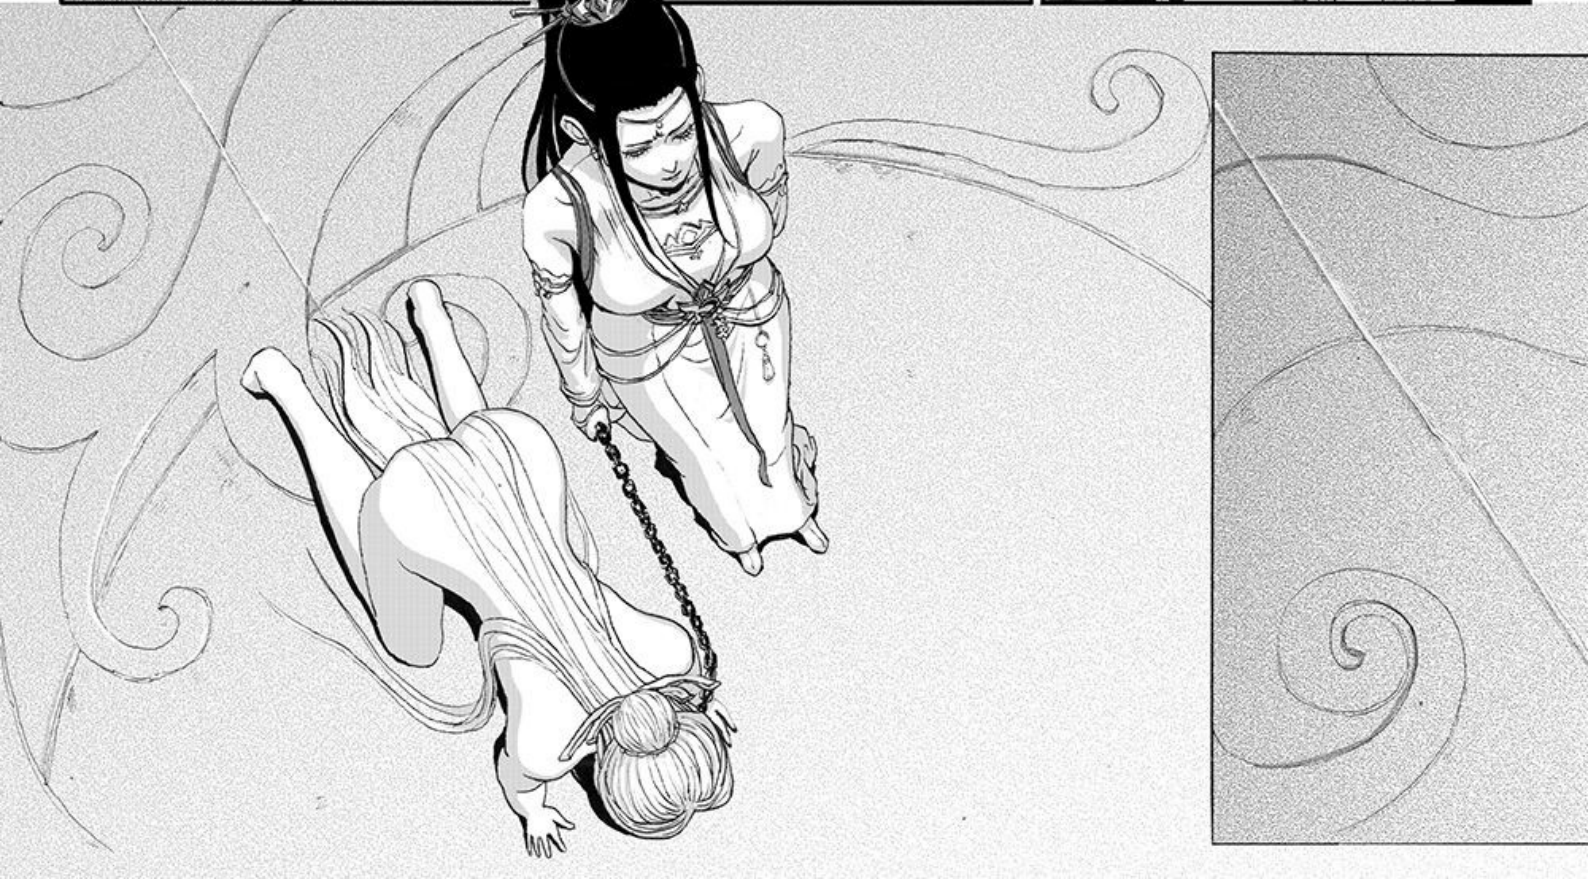

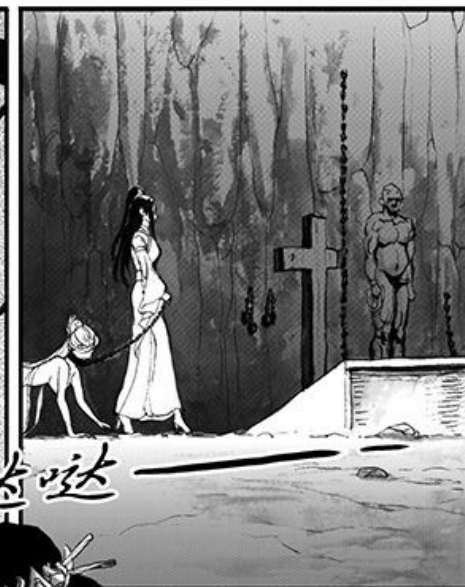

Everything here is surrounded by a grand formation, constantly absorbing spiritual energy from the sect's underground veins. Once activated, it will continue endlessly, replenishing itself until the energy is exhausted... or until you manages to break through to the next realm

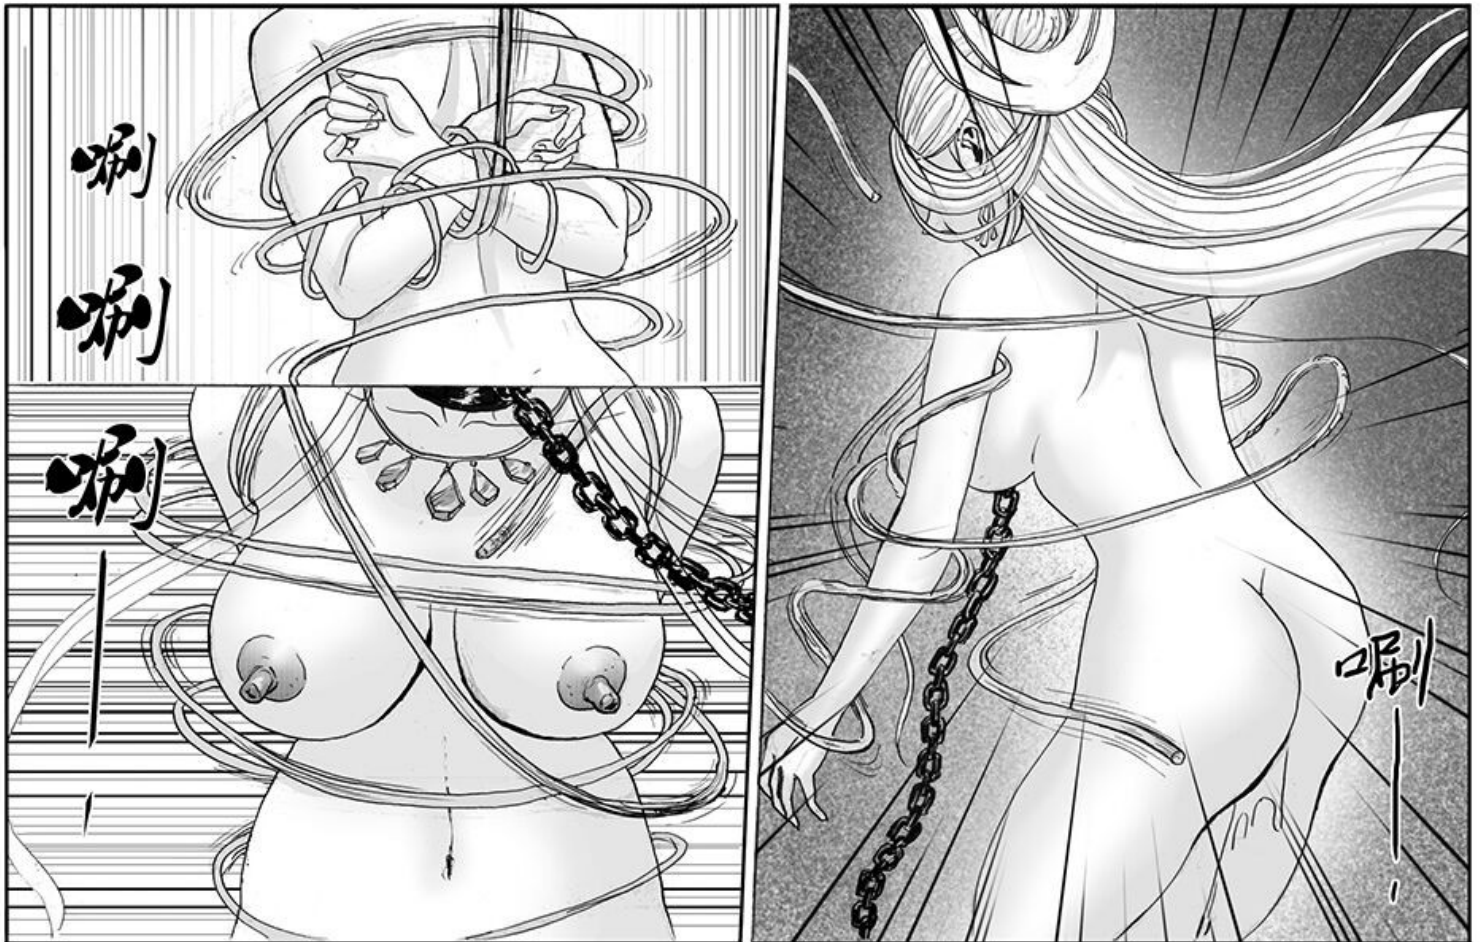

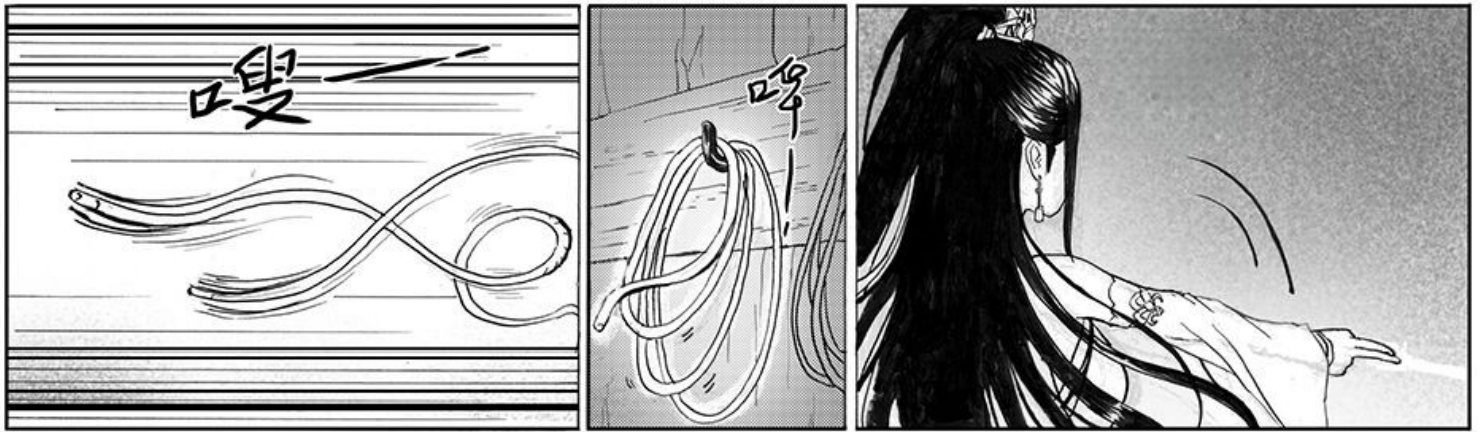

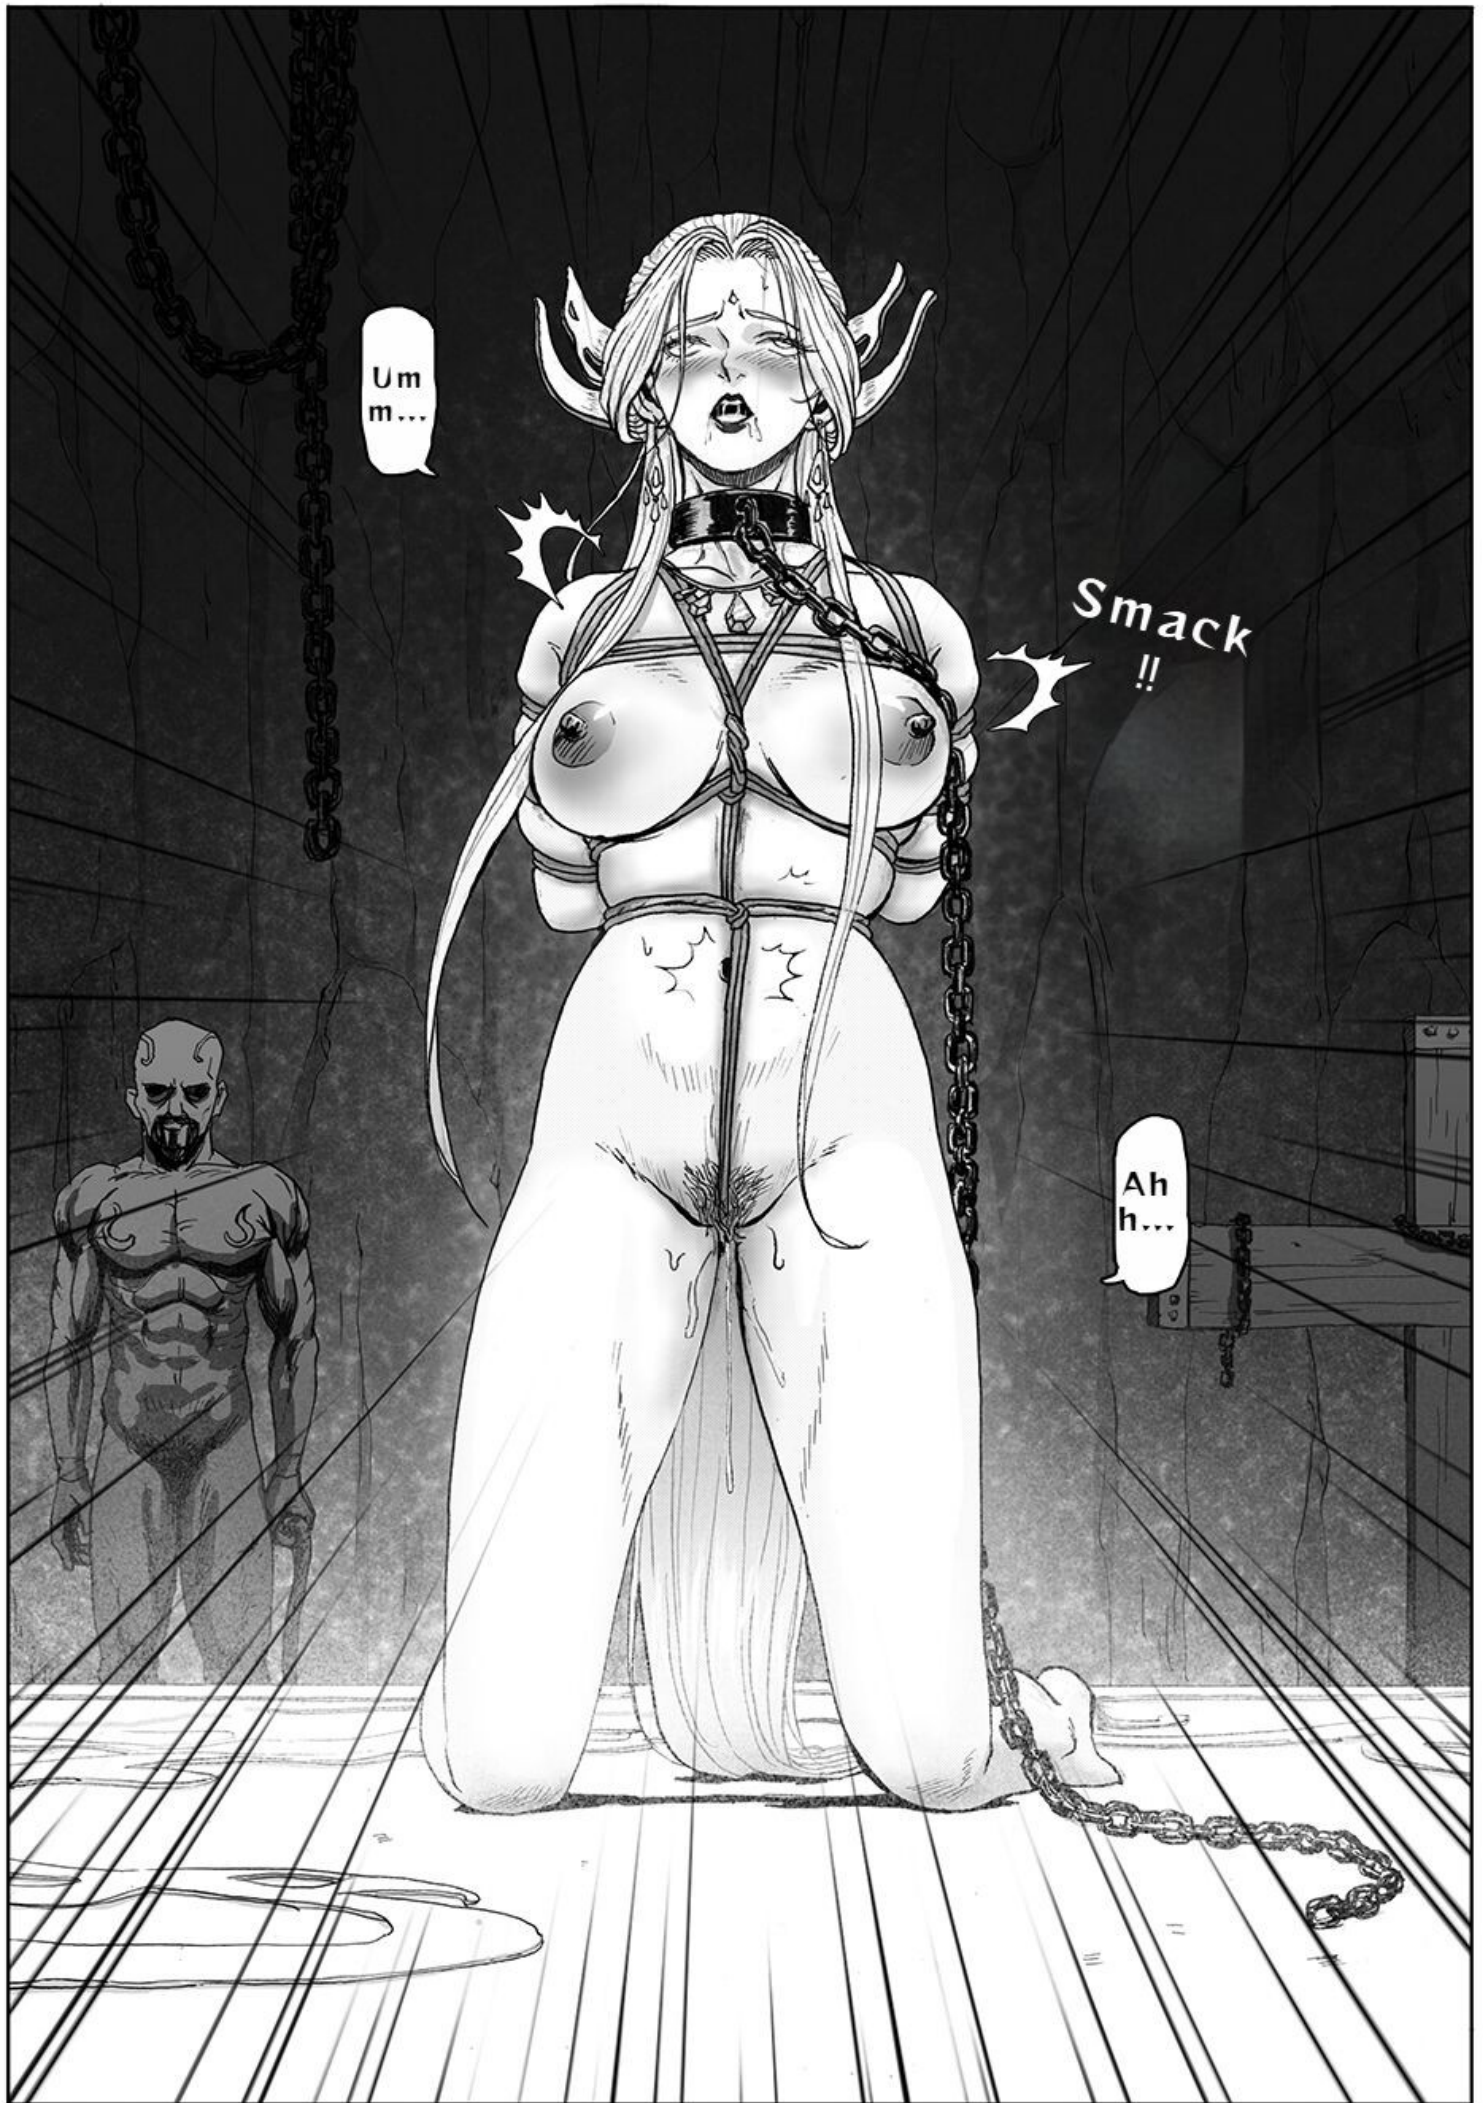

Once the formation starts, these puppets will awaken. They were created by the Lust Puppet Sect, and their methods of training are relentless. Many powerful female cultivators have succumbed to them, becoming mere toys...

I spent a lot of the sect's resources to acquire them! As for the torture devices here, every single one will be used on you. I'm sure this will make your training even more effective!

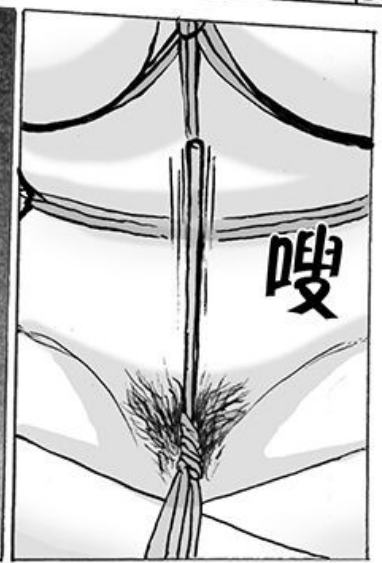

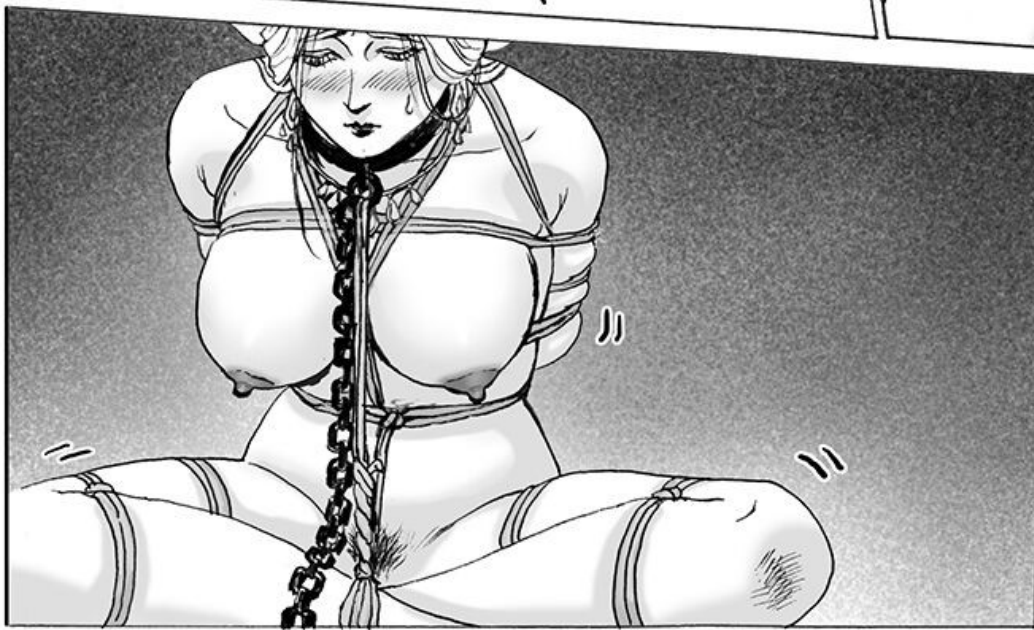

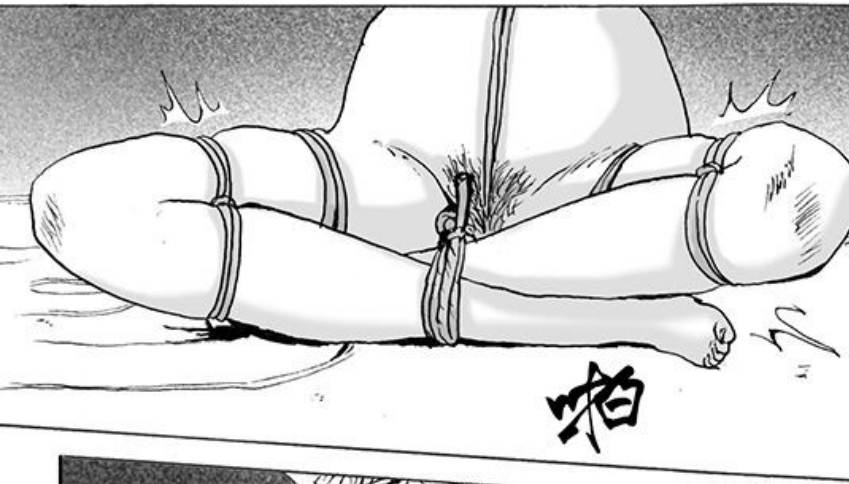

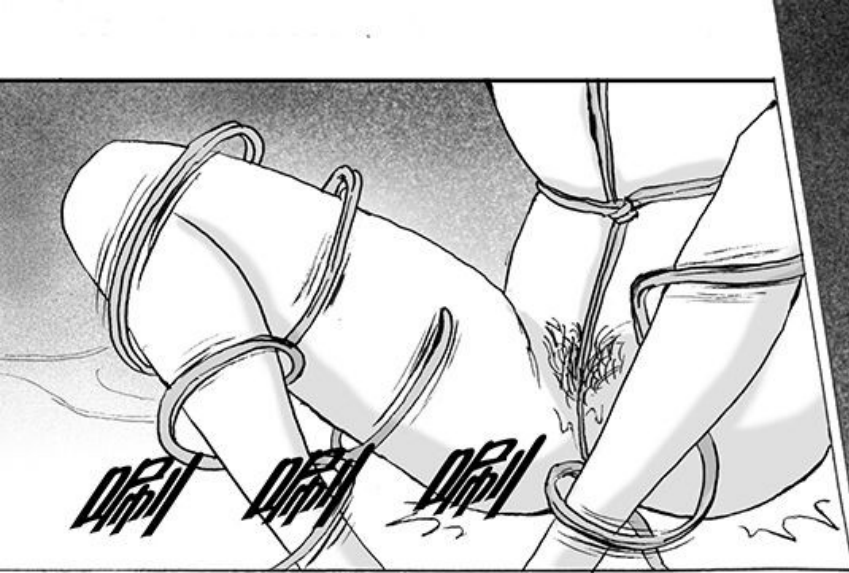

Um  
m...

Smack  
!!

Ah  
h...

Ah! I've been  
suspended...  
So tight... It's  
unbearable...  
I can't move  
at all.

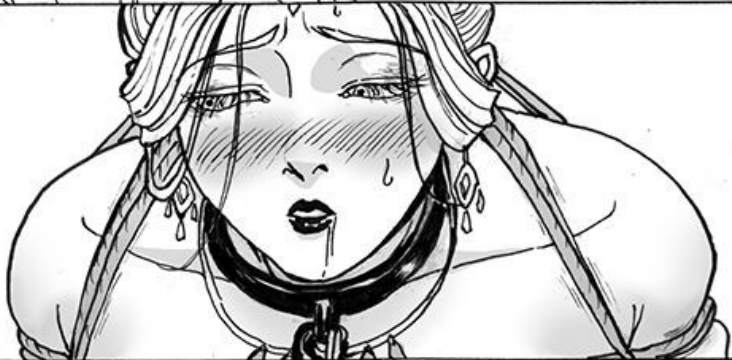

Ah  
...

Ah  
...

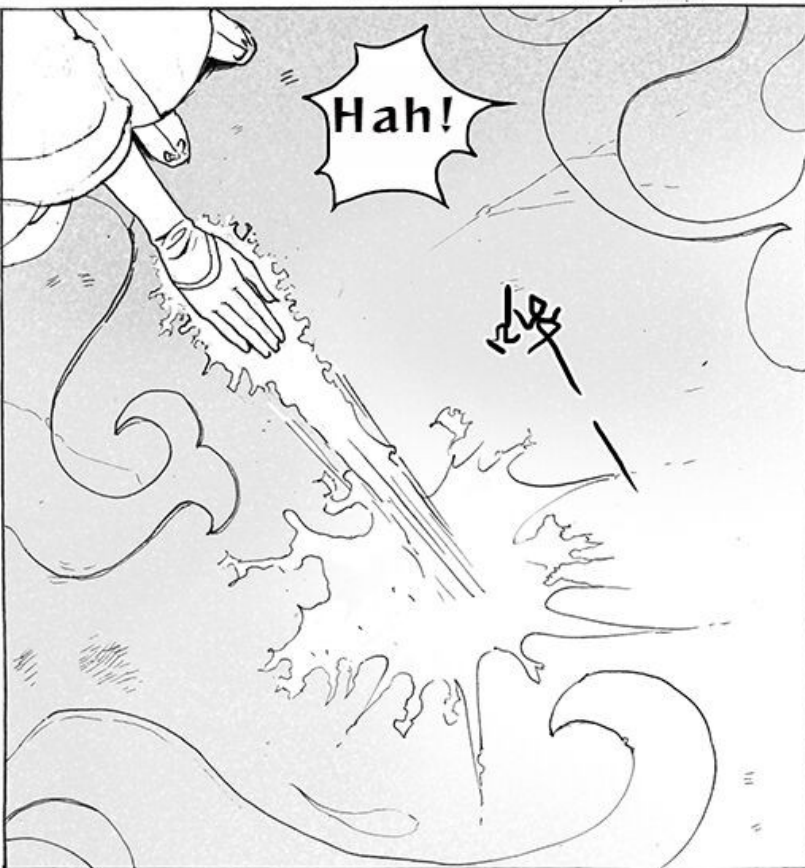

Master looks incredibly beautiful like this~~

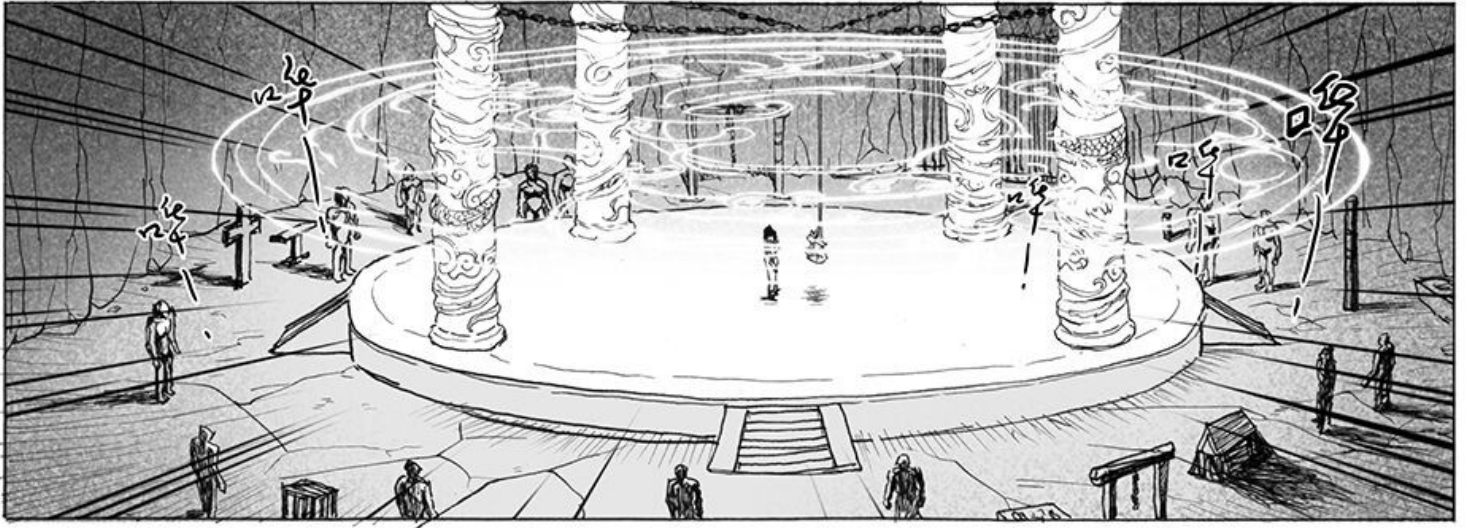

Mm  
...

Hah!

Now it's time to activate the formation. These puppets will relentlessly train you, so hold on tight...

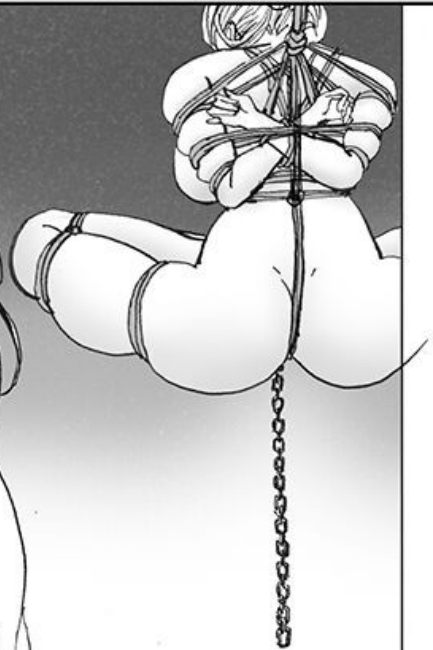

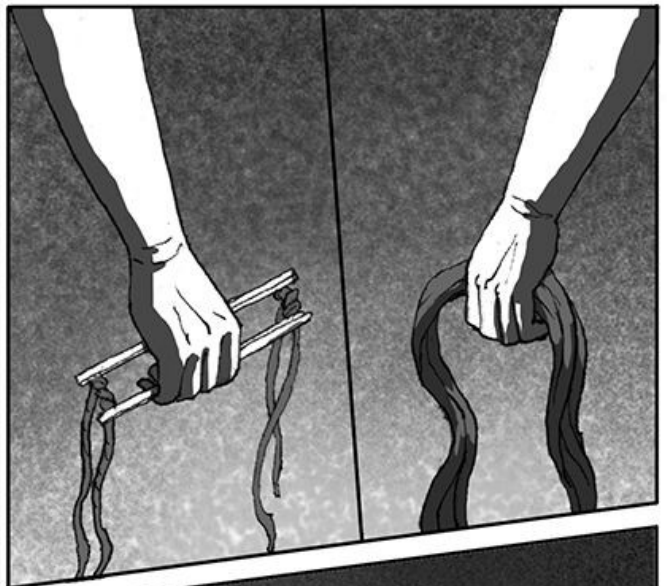

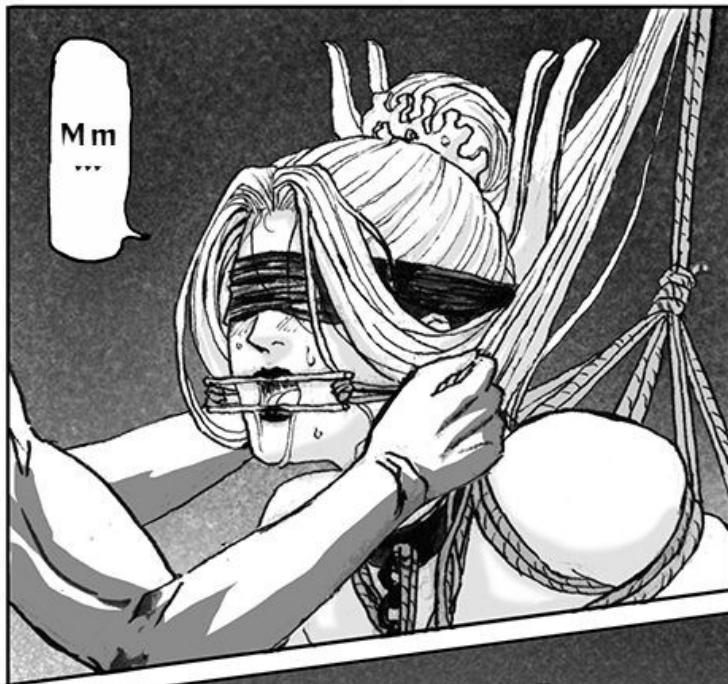

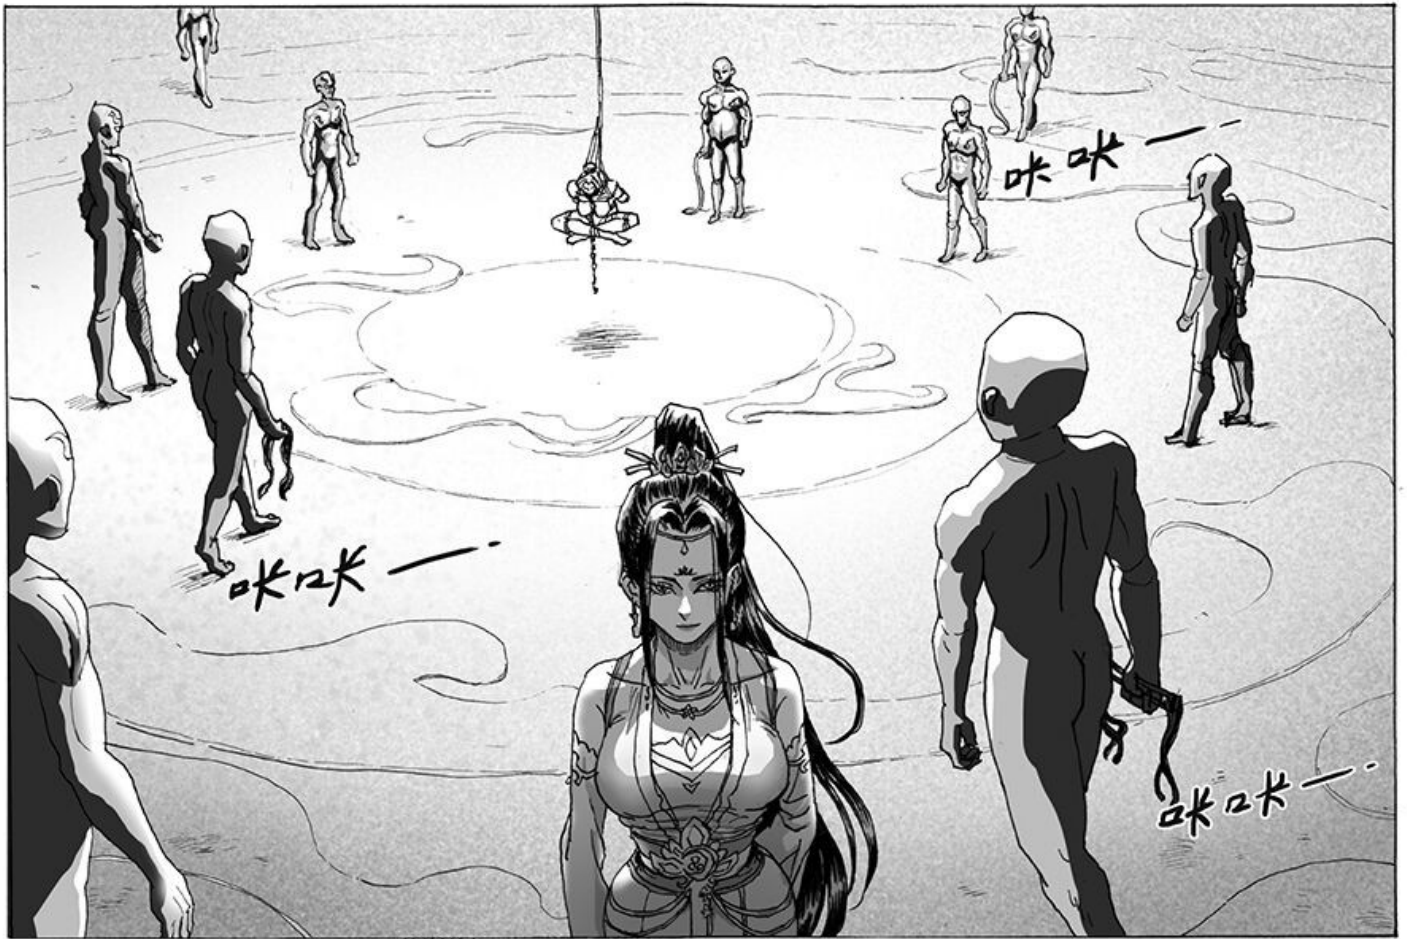

Yes... understood. .. Master, this slave will work hard...

Now, let the puppets train you~~ I'll handle the sect's affairs.

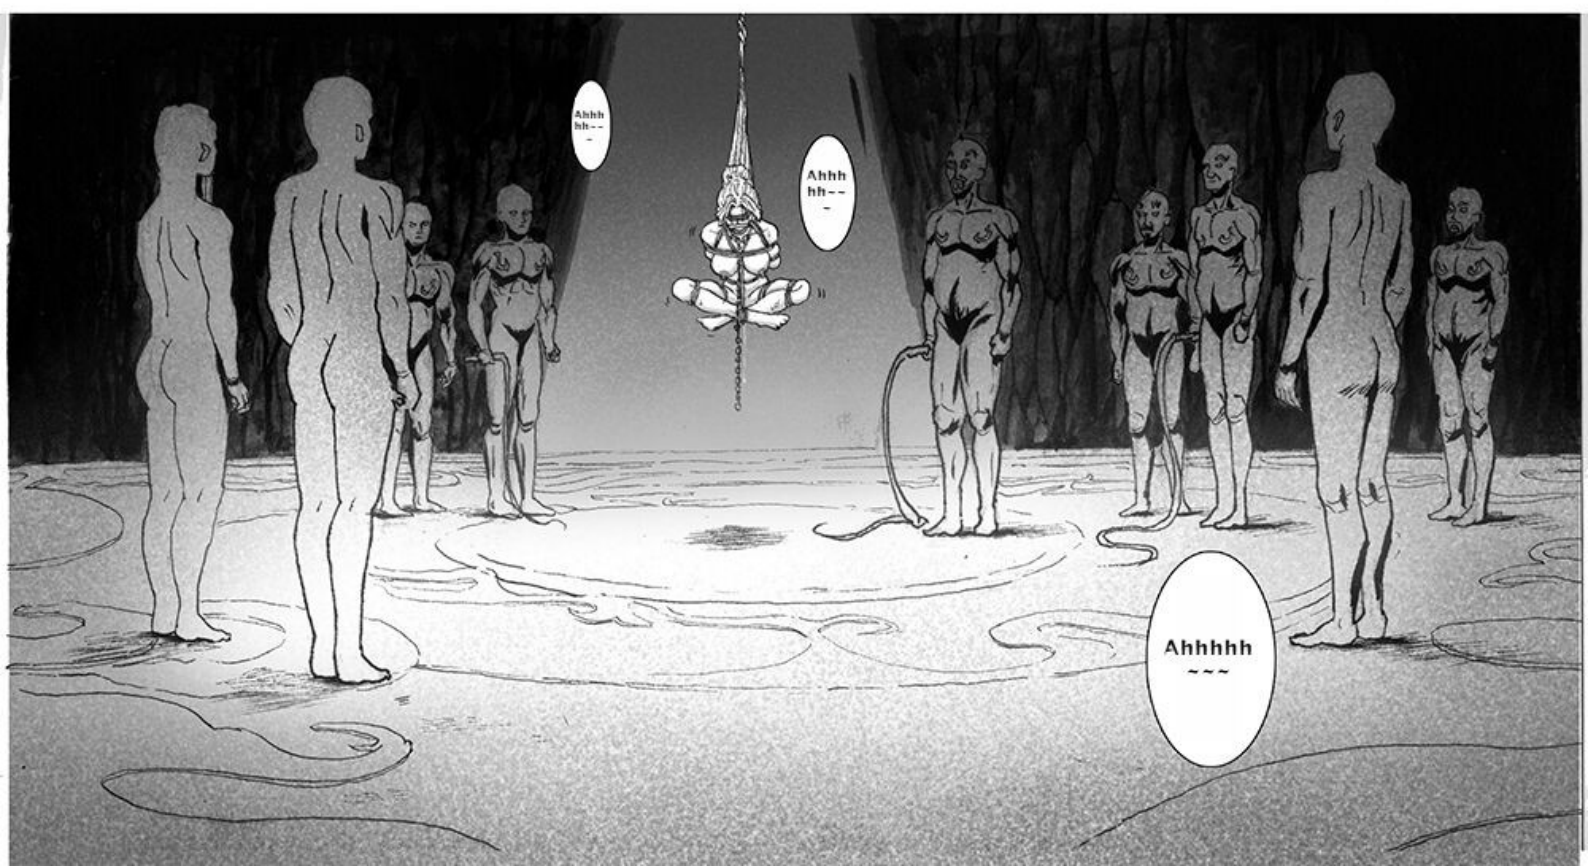

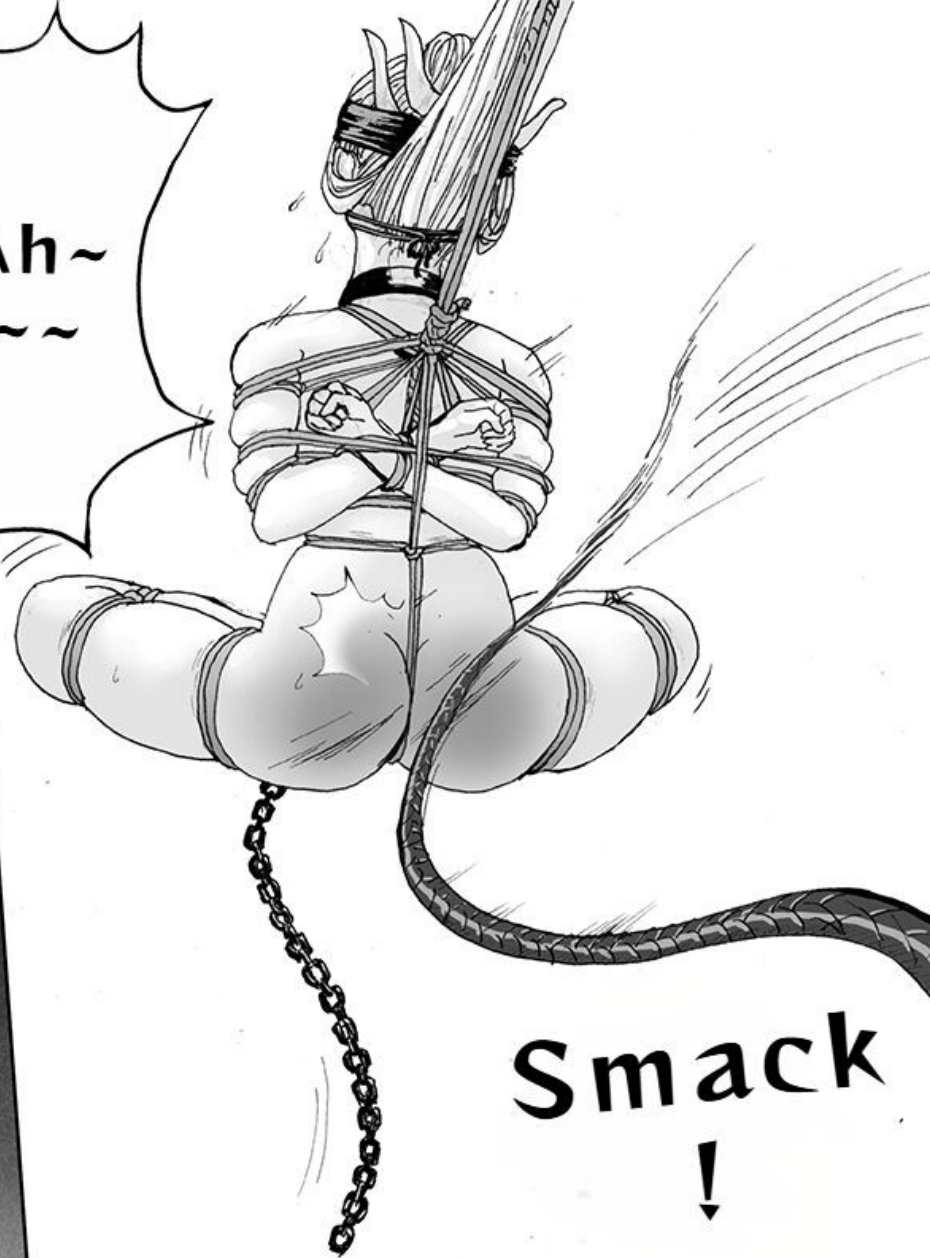

转身

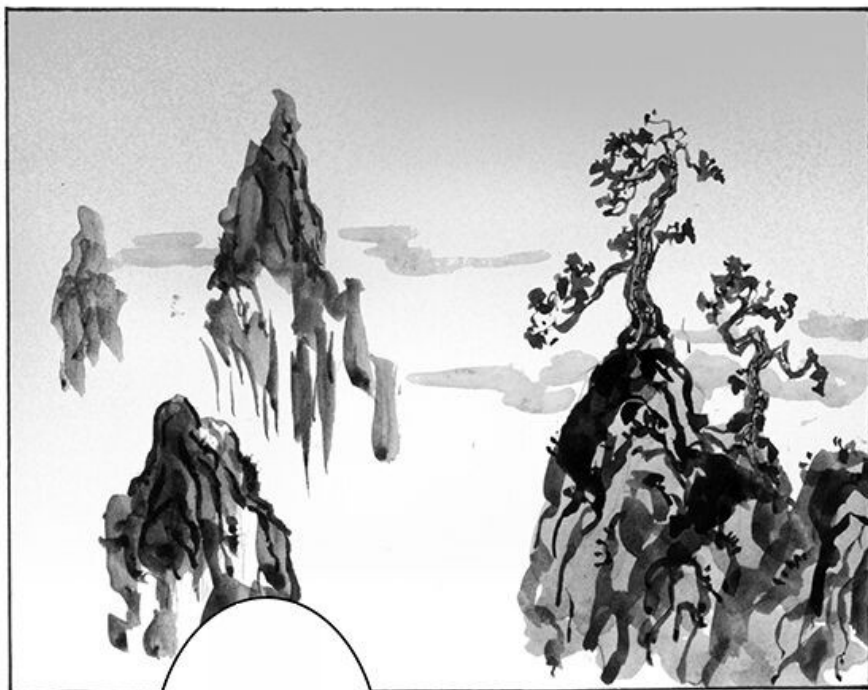

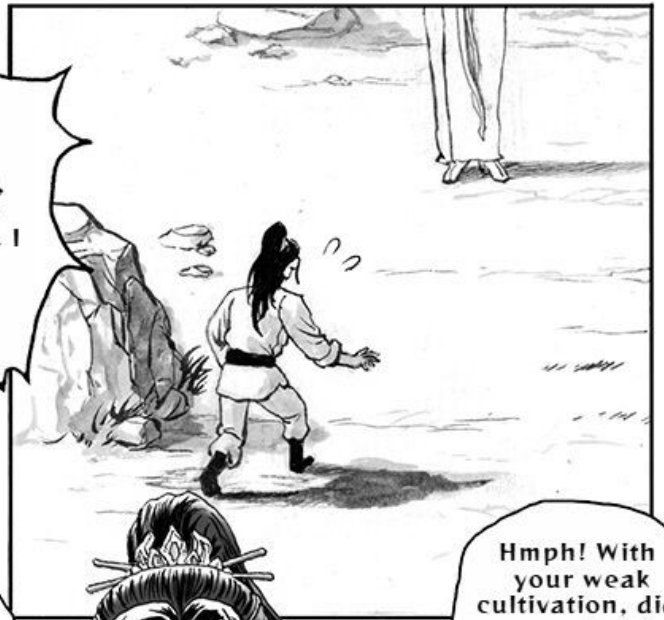

Ah~  
~~

Greetings, Senior Sister. I... I was just passing by, I... I didn't see anything...

...This is really bad! I have to keep my life first...

Either obey me from now on... or die.

Hmph! With your weak cultivation, did you really think you could hide from me? Since you've uncovered Master's secret, you now have two options...
