Wicked Pleasure

By Maskray

I haven't changed my stockings in *four fucking days!* THEY SMELL SO BAD! They will blow your senses! You are in for a **REAL** shrunken treat today...

Come on! Stick your nose between my toes and take it all in!

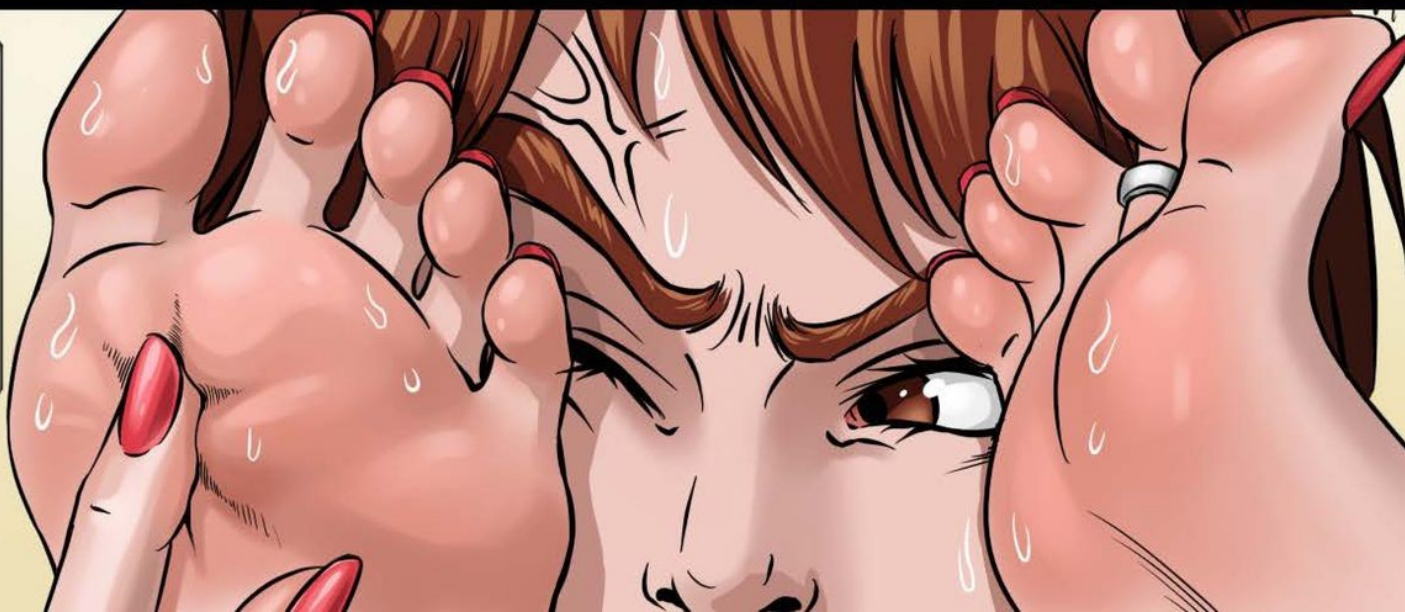

BATHE in my incredible stench!

Holy shit! This is bad! Maybe the worst they've ever been! Even at this distance... *goddamn.* How are you not passing out?

Oh these soft, wet, warm, and tired soles of mine! How they beg to be **WORSHIPPED** in all their *smelly glory!* I think it's high time I turned you into the very insect you are...

Hah... That's more like it...

Support my weight, bug!
Don't let me me down!

What... aaahhh!

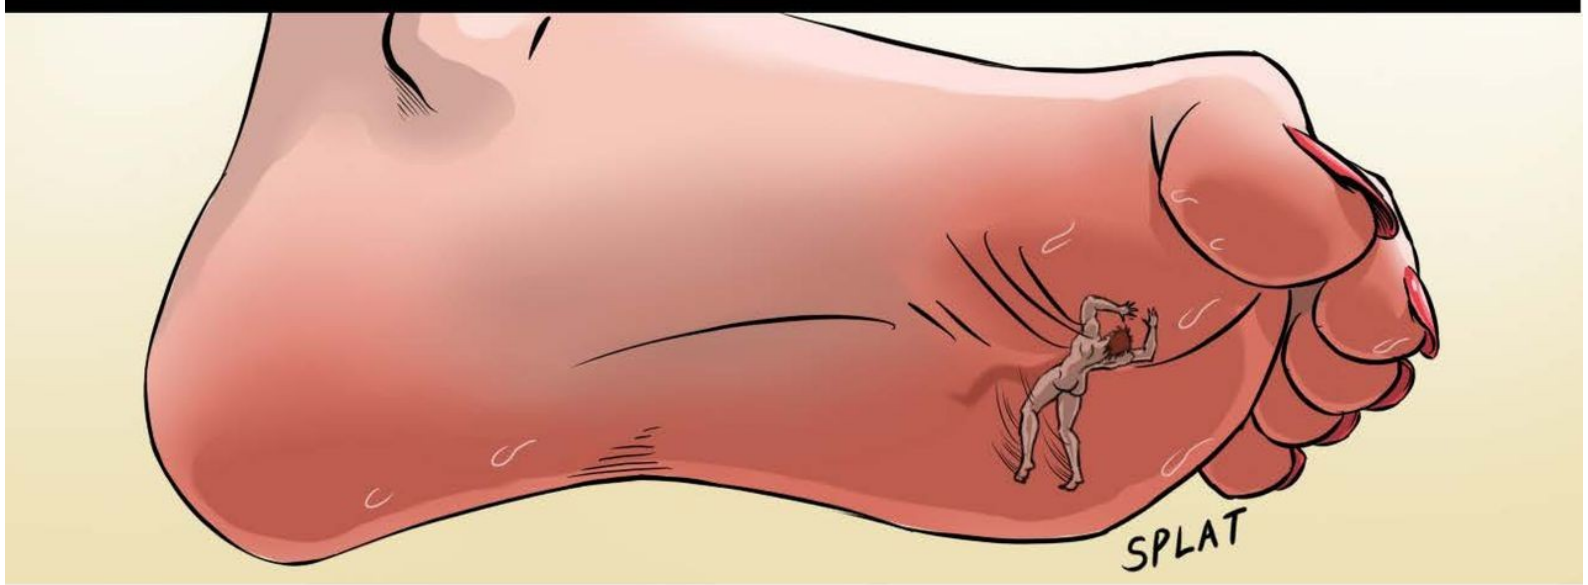

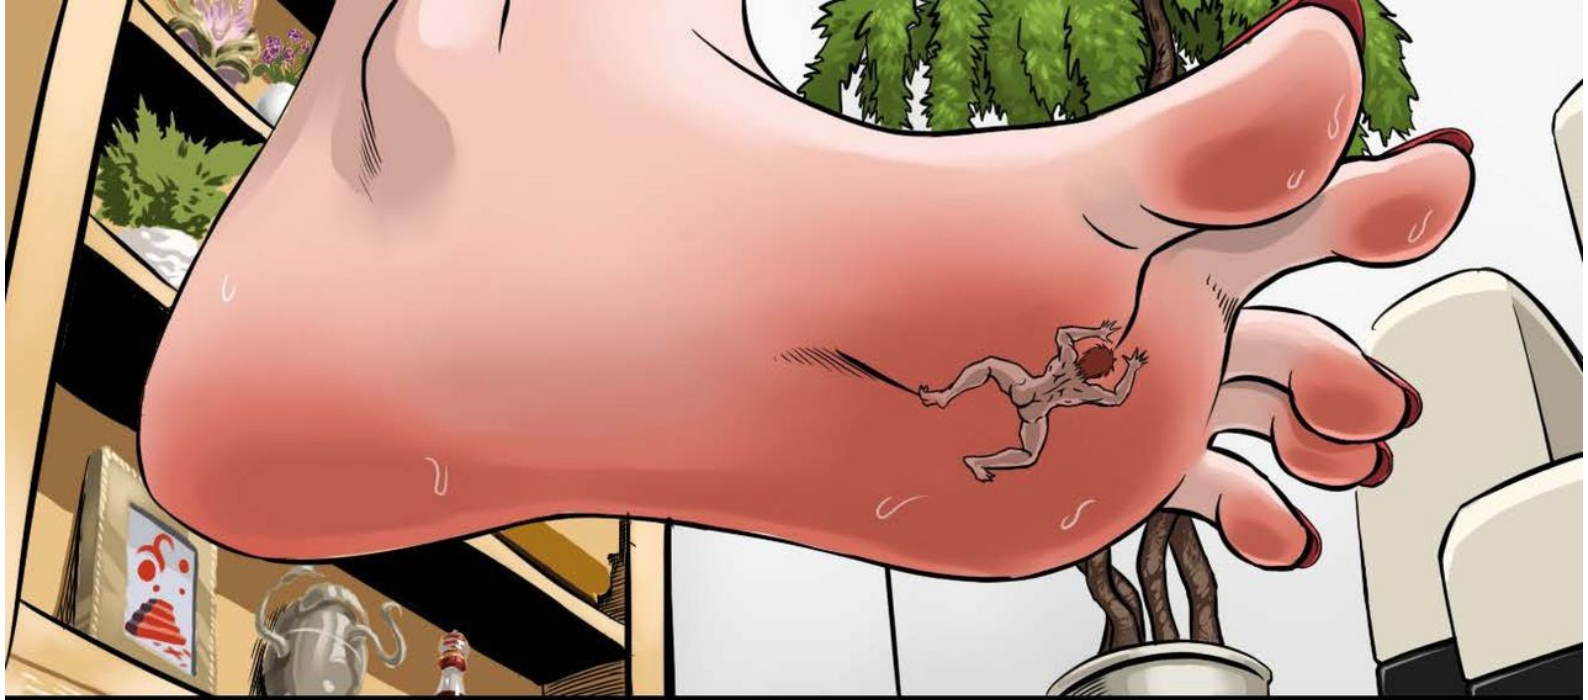

FAIL!
What a loser.
I'm curious how much this hurts.
Should I press a little harder? Your painful performance pleases me!
Hahaha!

CRASH

BOOM

How's the weather down there?

Hey, are you ok?

GASP
Aahh..
Uuhhng
FUUCK

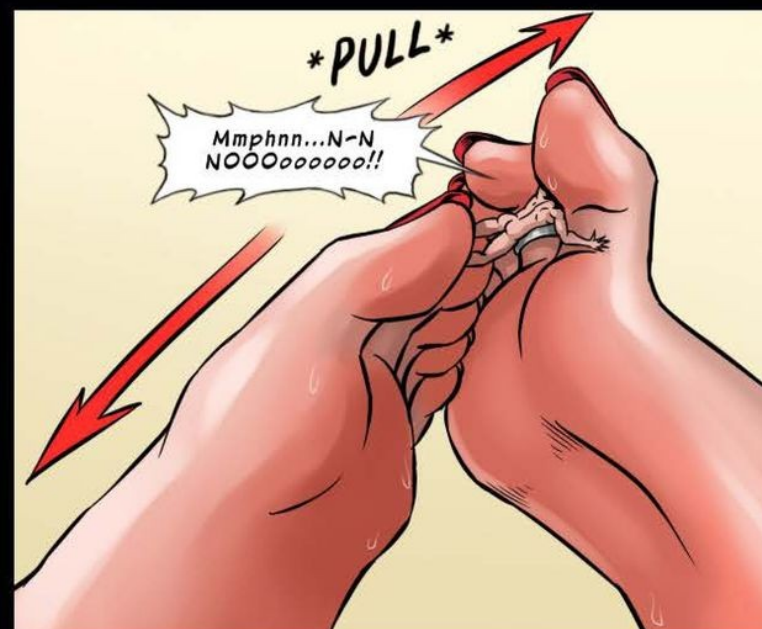

ArrRG! NO!
I feel like my
insides are
bursting!

Get up and be a man!
Minor injuries at most...
and I'm not done with you yet!
Te he he!

Mmmmmmm-----!!!

PINCH

PULL

Mmphnn...N-N
NOOOoooooo!!

MERCY!
PLEASE!

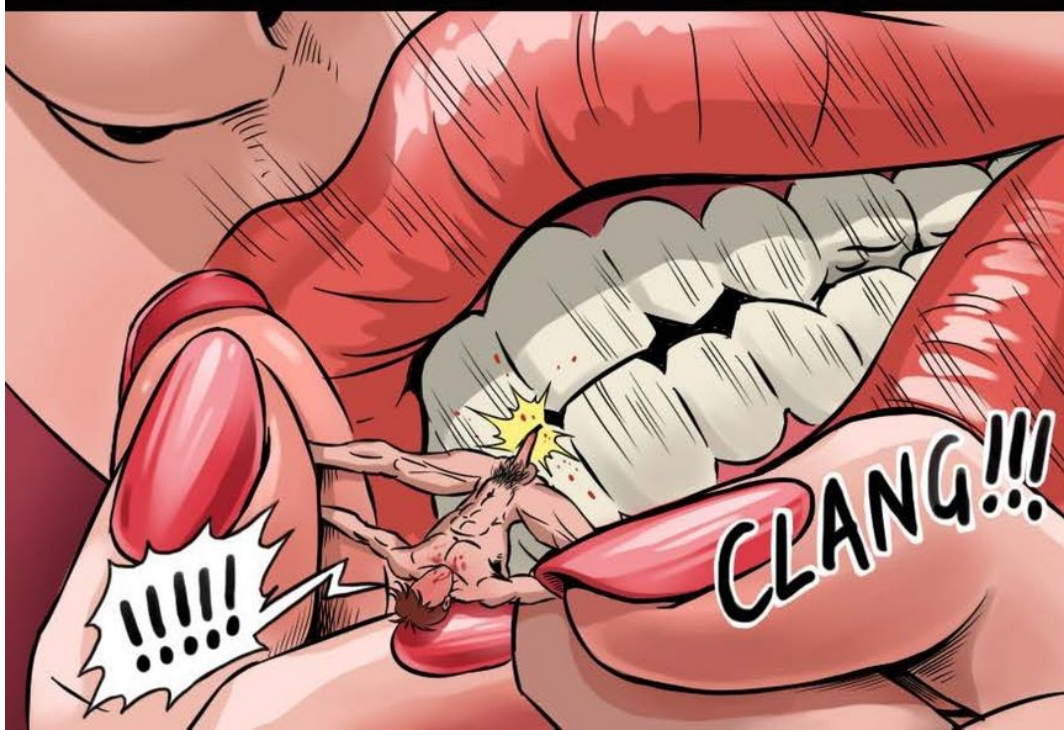

I'm going to
snap in half!

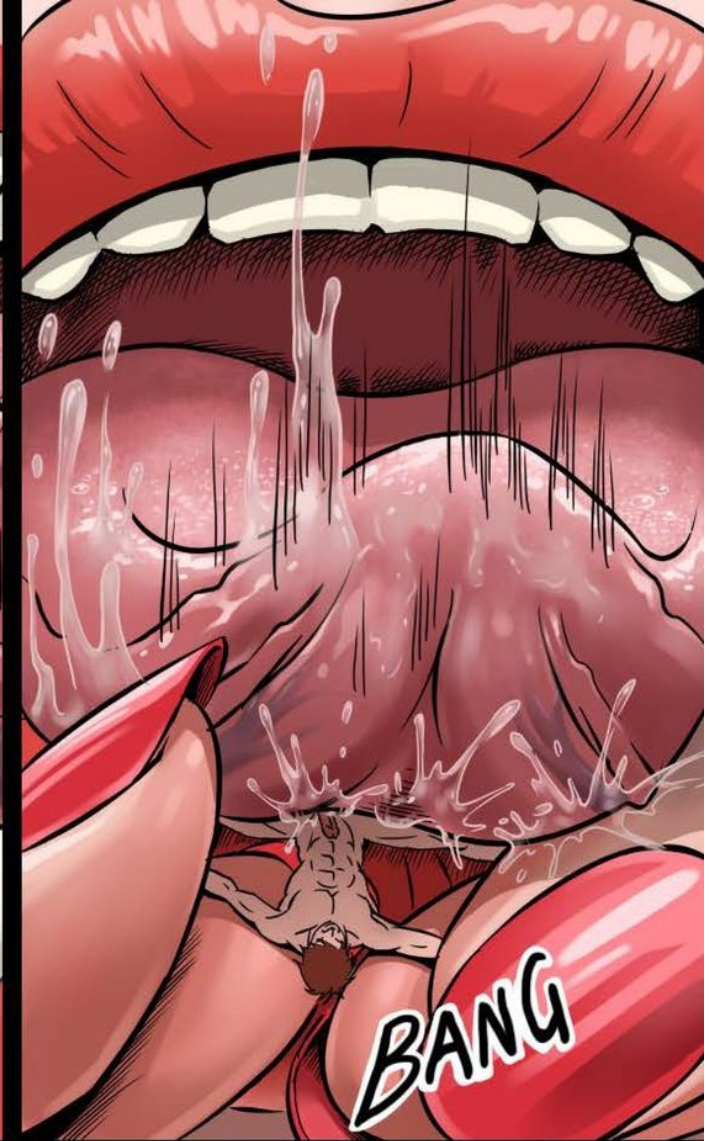

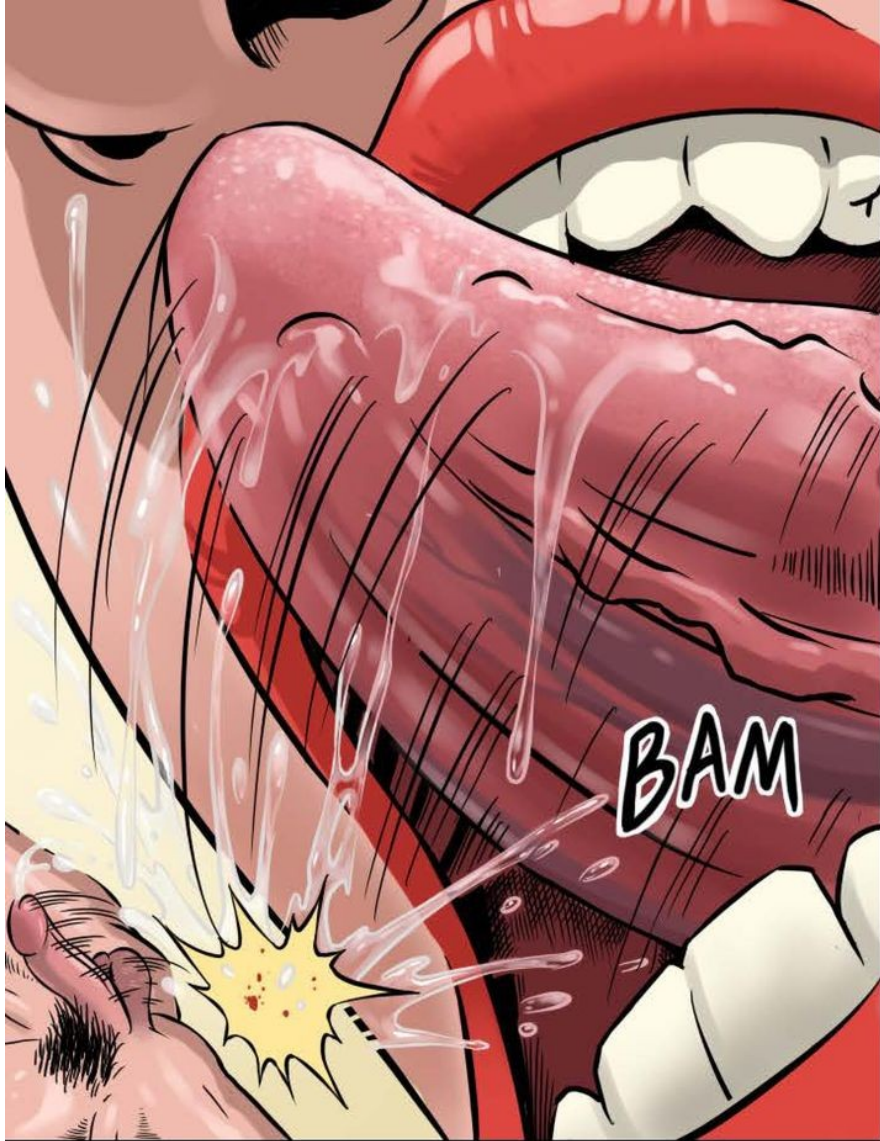

YOWL

Mmmph...
Hang in there!

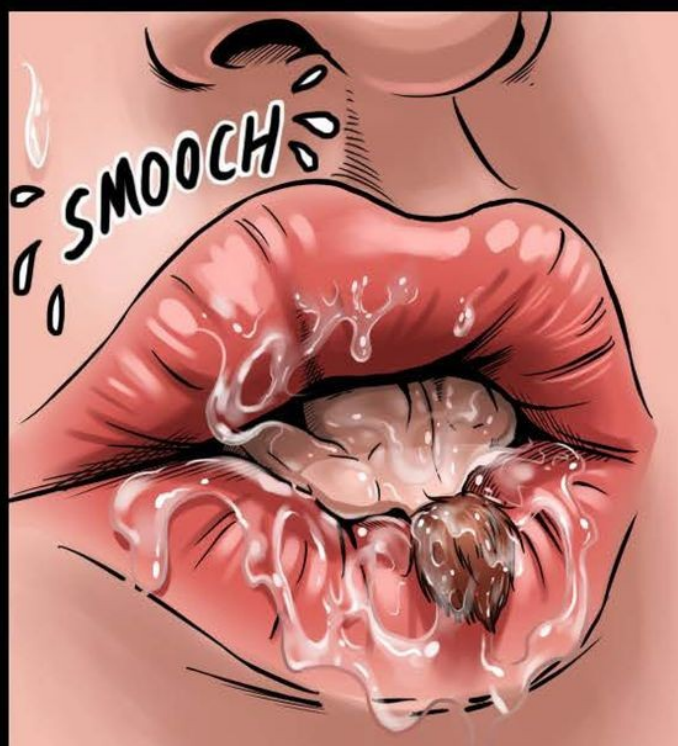

Bear with me...
This is what I
love watching
the most!

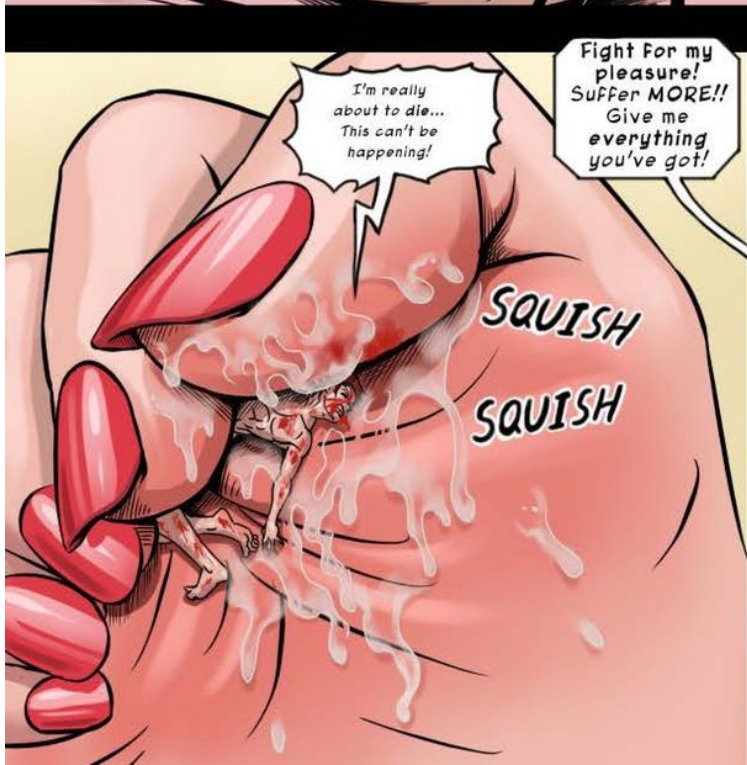

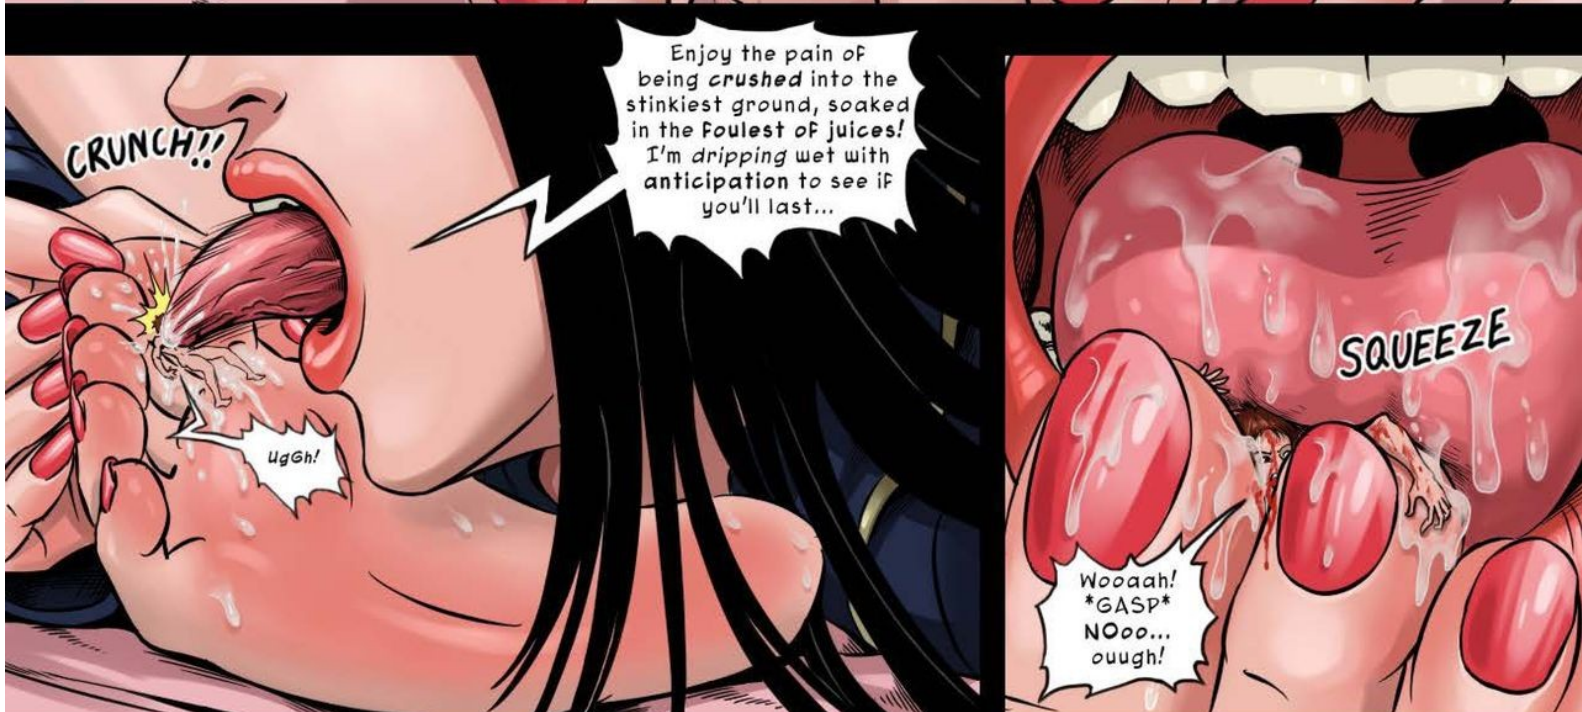

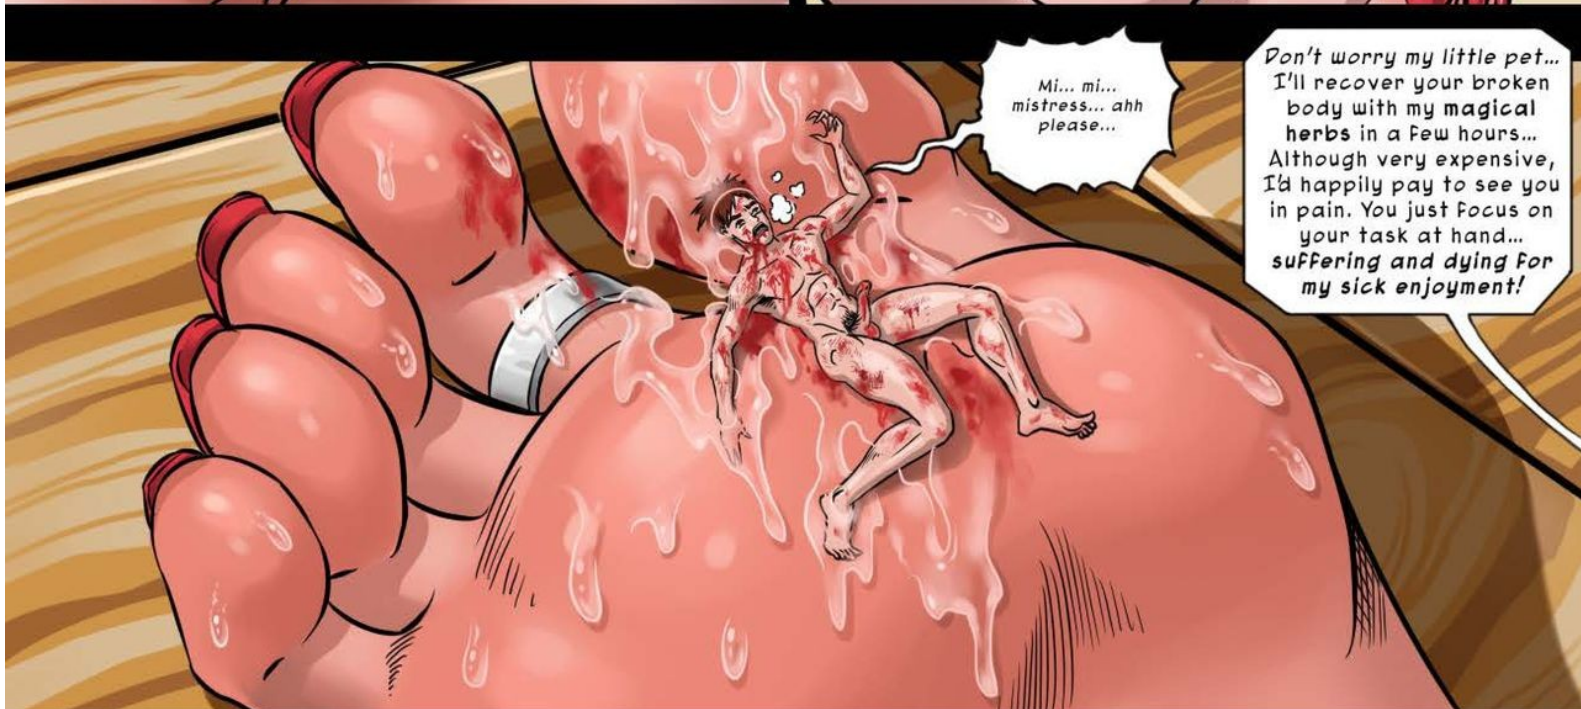

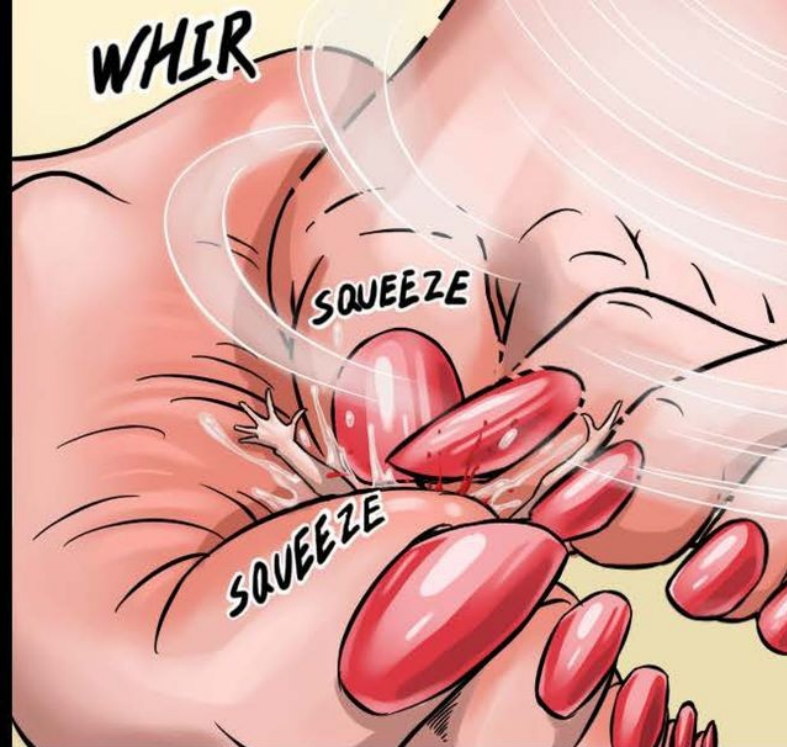

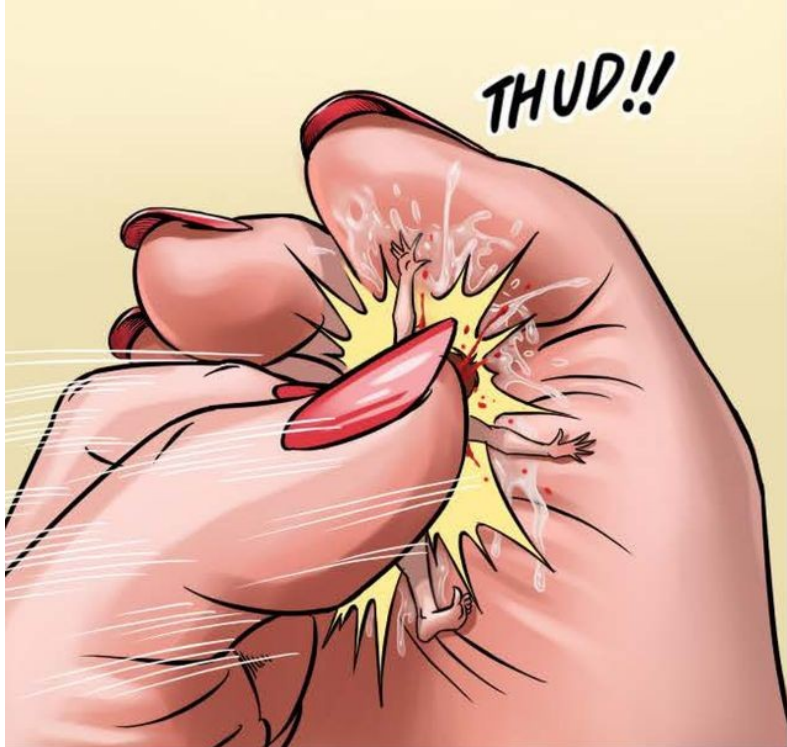

Fight for my pleasure!
Suffer MORE!!
Give me everything you've got!

Mi... mi...
mistress... ahh
please...

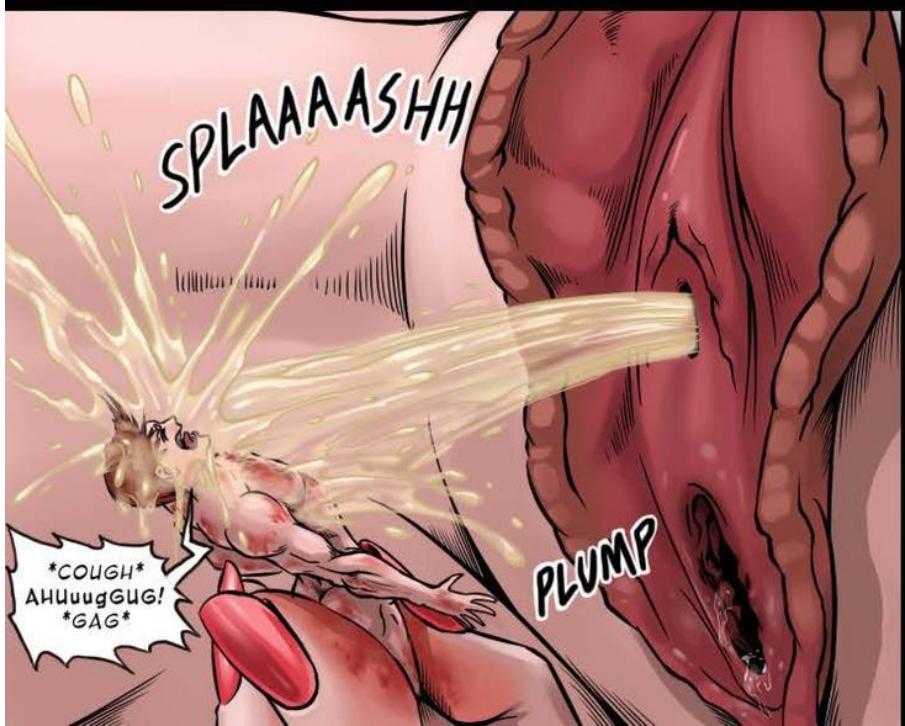

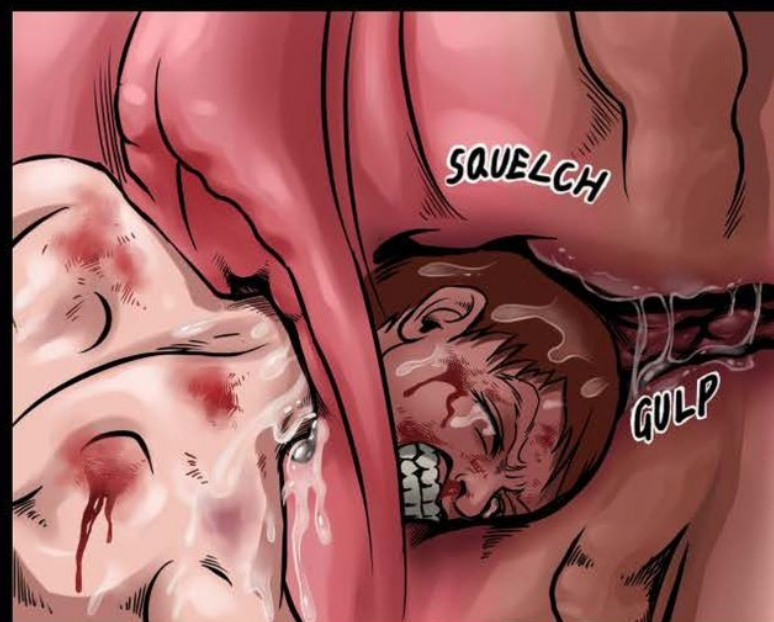

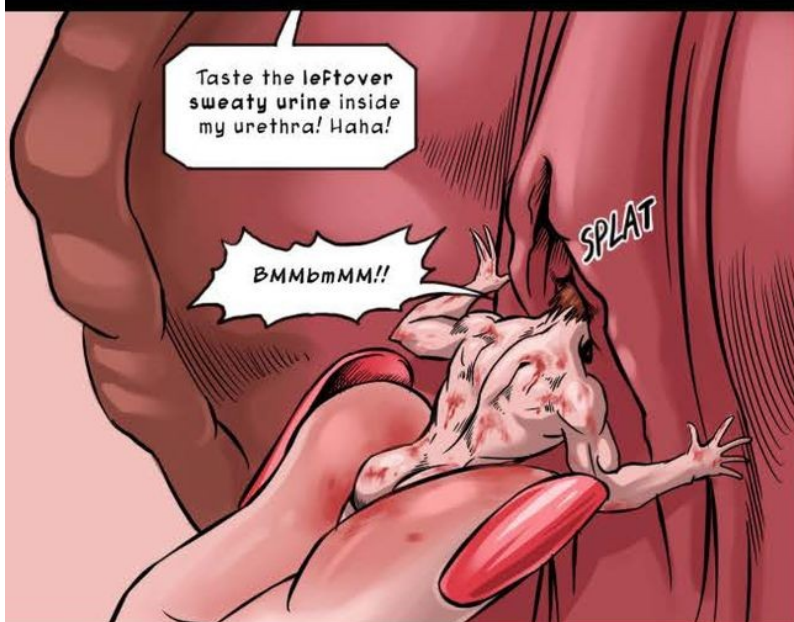

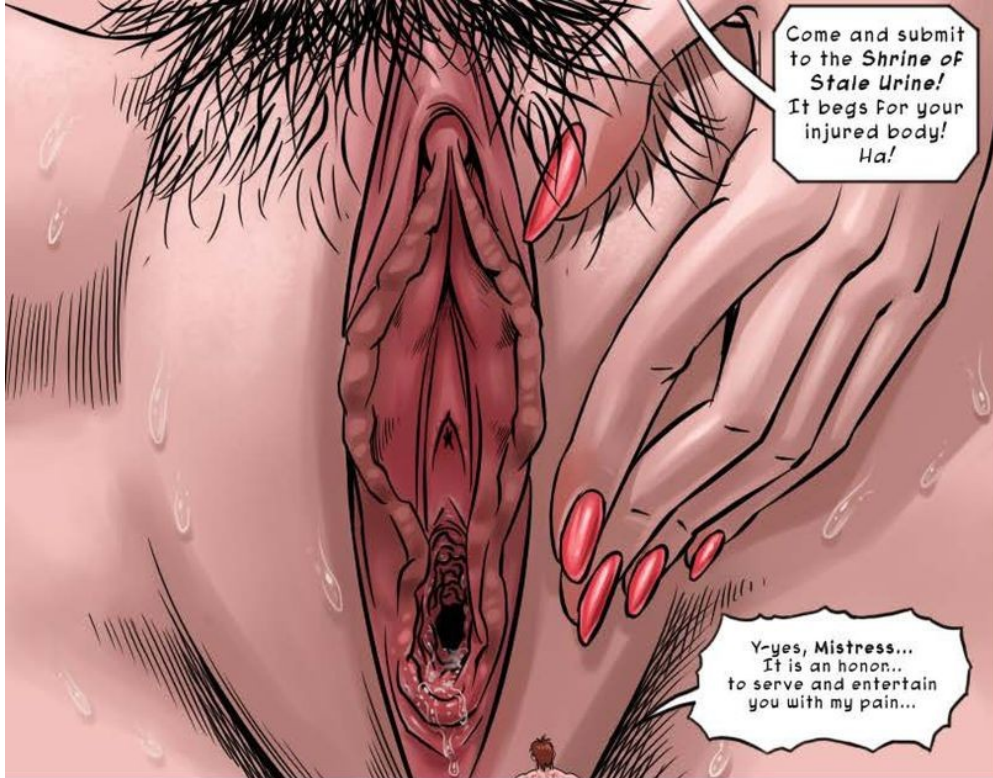

Don't worry my little pet...
I'll recover your broken
body with my magical
herbs in a few hours...
Although very expensive,
I'd happily pay to see you
in pain. You just focus on
your task at hand...
suffering and dying for
my sick enjoyment!

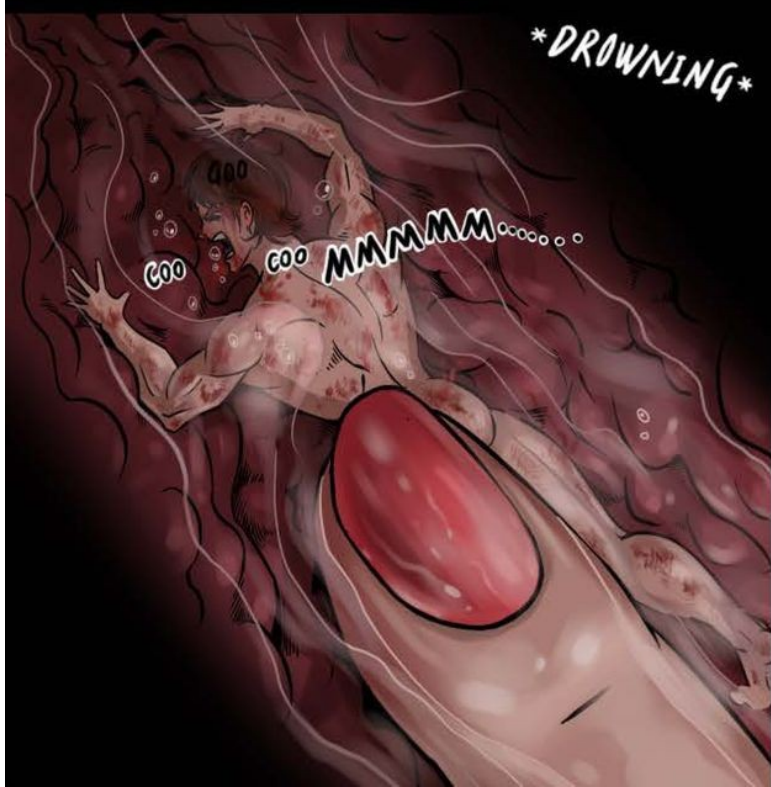

Speaking of
which... it's time
you paid tribute
to another divine
area of my body!

Oh how my lust
BURNS!
I may need some
genuine death play
later tonight...
I guess I should
start up the cloning
program right after
I've finished
with you... Mmmm!
I can't fucking
wait!

Have a rest in the Healing Jelly. It will heal the wounds of your skin, muscles, bones and cells very quickly. Your mind will be transferred into an expensive "avatar" and continue experiencing lethal agony gifted by me~~~~ Ha ha ha he he he!

This costly avatar body, which is cloned and reinforced from lowly you! It's much more firm and durable, so that it'll guarantee me better gratification!

Those rare materials costed me \$7000.

And the avatar took a month to complete its formation. But it'll be worth it ...

It needs your soul to get consciousness and your current body will rest as a plant man, comatose as your avatar lives on.

Mmmmmmm!
Wooooommm!

Ah there we go, the transfer is complete!
Arise, new body, and prove you're more servicable for my pleasure than my last toy!
Ah ha ha ha ha ha ha...

Oh, no!! Pain...
painful! Painful!
Aaaagggghh...
Gasp gasp gasp!

It's so great that all my pain is swept away! I'm feeling better, and stronger obviously!!

You're so cute~ No doubt, you're much stronger. The physical durability and cell-regeneration have been enhanced vastly in this avatar! The sensibility of your nerves has been amplified too, which allows you more pain for me to enjoy~~ You must entertain and please me with all your vitality!!!

However you ought to recognize quickly that even your improved form is still limited! Let's make sure you remember who the true authority is here! Ah ha ha ha he he!

Oh! Gosh!
Aaaawwwkk!!

I can't wait to start a new, more exciting game right away!

Please use me at will, mistress ...

I know you got lots of serious wounds everywhere, but the dishwashing detergent doesn't care, it'll burn each of them mercilessly! 10 mins later...

Oh, my darling. You are injured like a severe traffic accident~~Your skin is burst, your muscles are cracked and ragged, your bones are fractured into segments, and your broken veins spray blood everywhere! However, your vitality is too strong to accept Death...

Your blood and flesh tastes really great! I love your body!

You're so tender and juicy! You're super appetizing now!! You are truly flexible at present, like ropes! Ha ha ha ha he he!

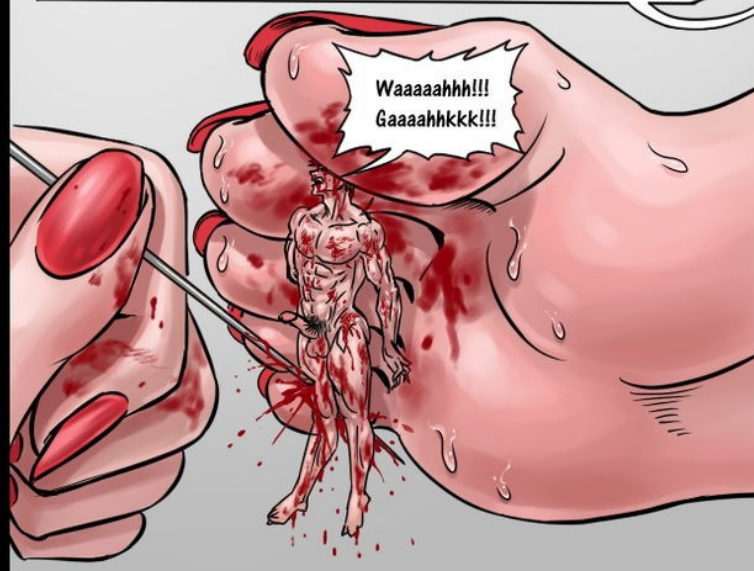

You cost me so much money and time to create! I'm very cruel, so I must make the most out of you! I will enjoy every cell I made you with! The best satisfaction is for me to eat you! Nevertheless, before I do that, I'd like to give you some "cooking" to boost my appetite. Should help with digesting you later too, he he~

It's amazing that you're erect again right after losing so much blood... How superb the quality of your dick and the capacity of your blood regeneration are!! Alright. What's the cooking procedure? I don't believe there's a recipe for cooking humans hehe~ I guess I'll improvise Look... A steel prod ...

That's it. I want many openings and tunnels to run through your body, in order for you to be digested more easily! Ha ha ha ha ha!

Waaaaahhh!!!
Gaaaaahhkkk!!!
