Previous summary

A bit silly couple ended up sharing a room in a dormitory and, despite various ups and downs, realized they were both interested in each other and started dating

Whew - the practice game is over!
I'm hungry~, what's for lunch today?

Wasn't it curry?
We asked the dorm lady
this morning, remember...?

.....!! Oh, right.
The cafeteria will be crowded
if we go now, so let's head
to Building B for a bit.
I have something
I forgot there

Uh, okay...

Haruma usually doesn't hesitate
to go to the cafeteria, so it's unusual
for him to suggest otherwise..

So then, why?!
How did it turn out like this?!

There are no people around here
and it's a good place to have sex.

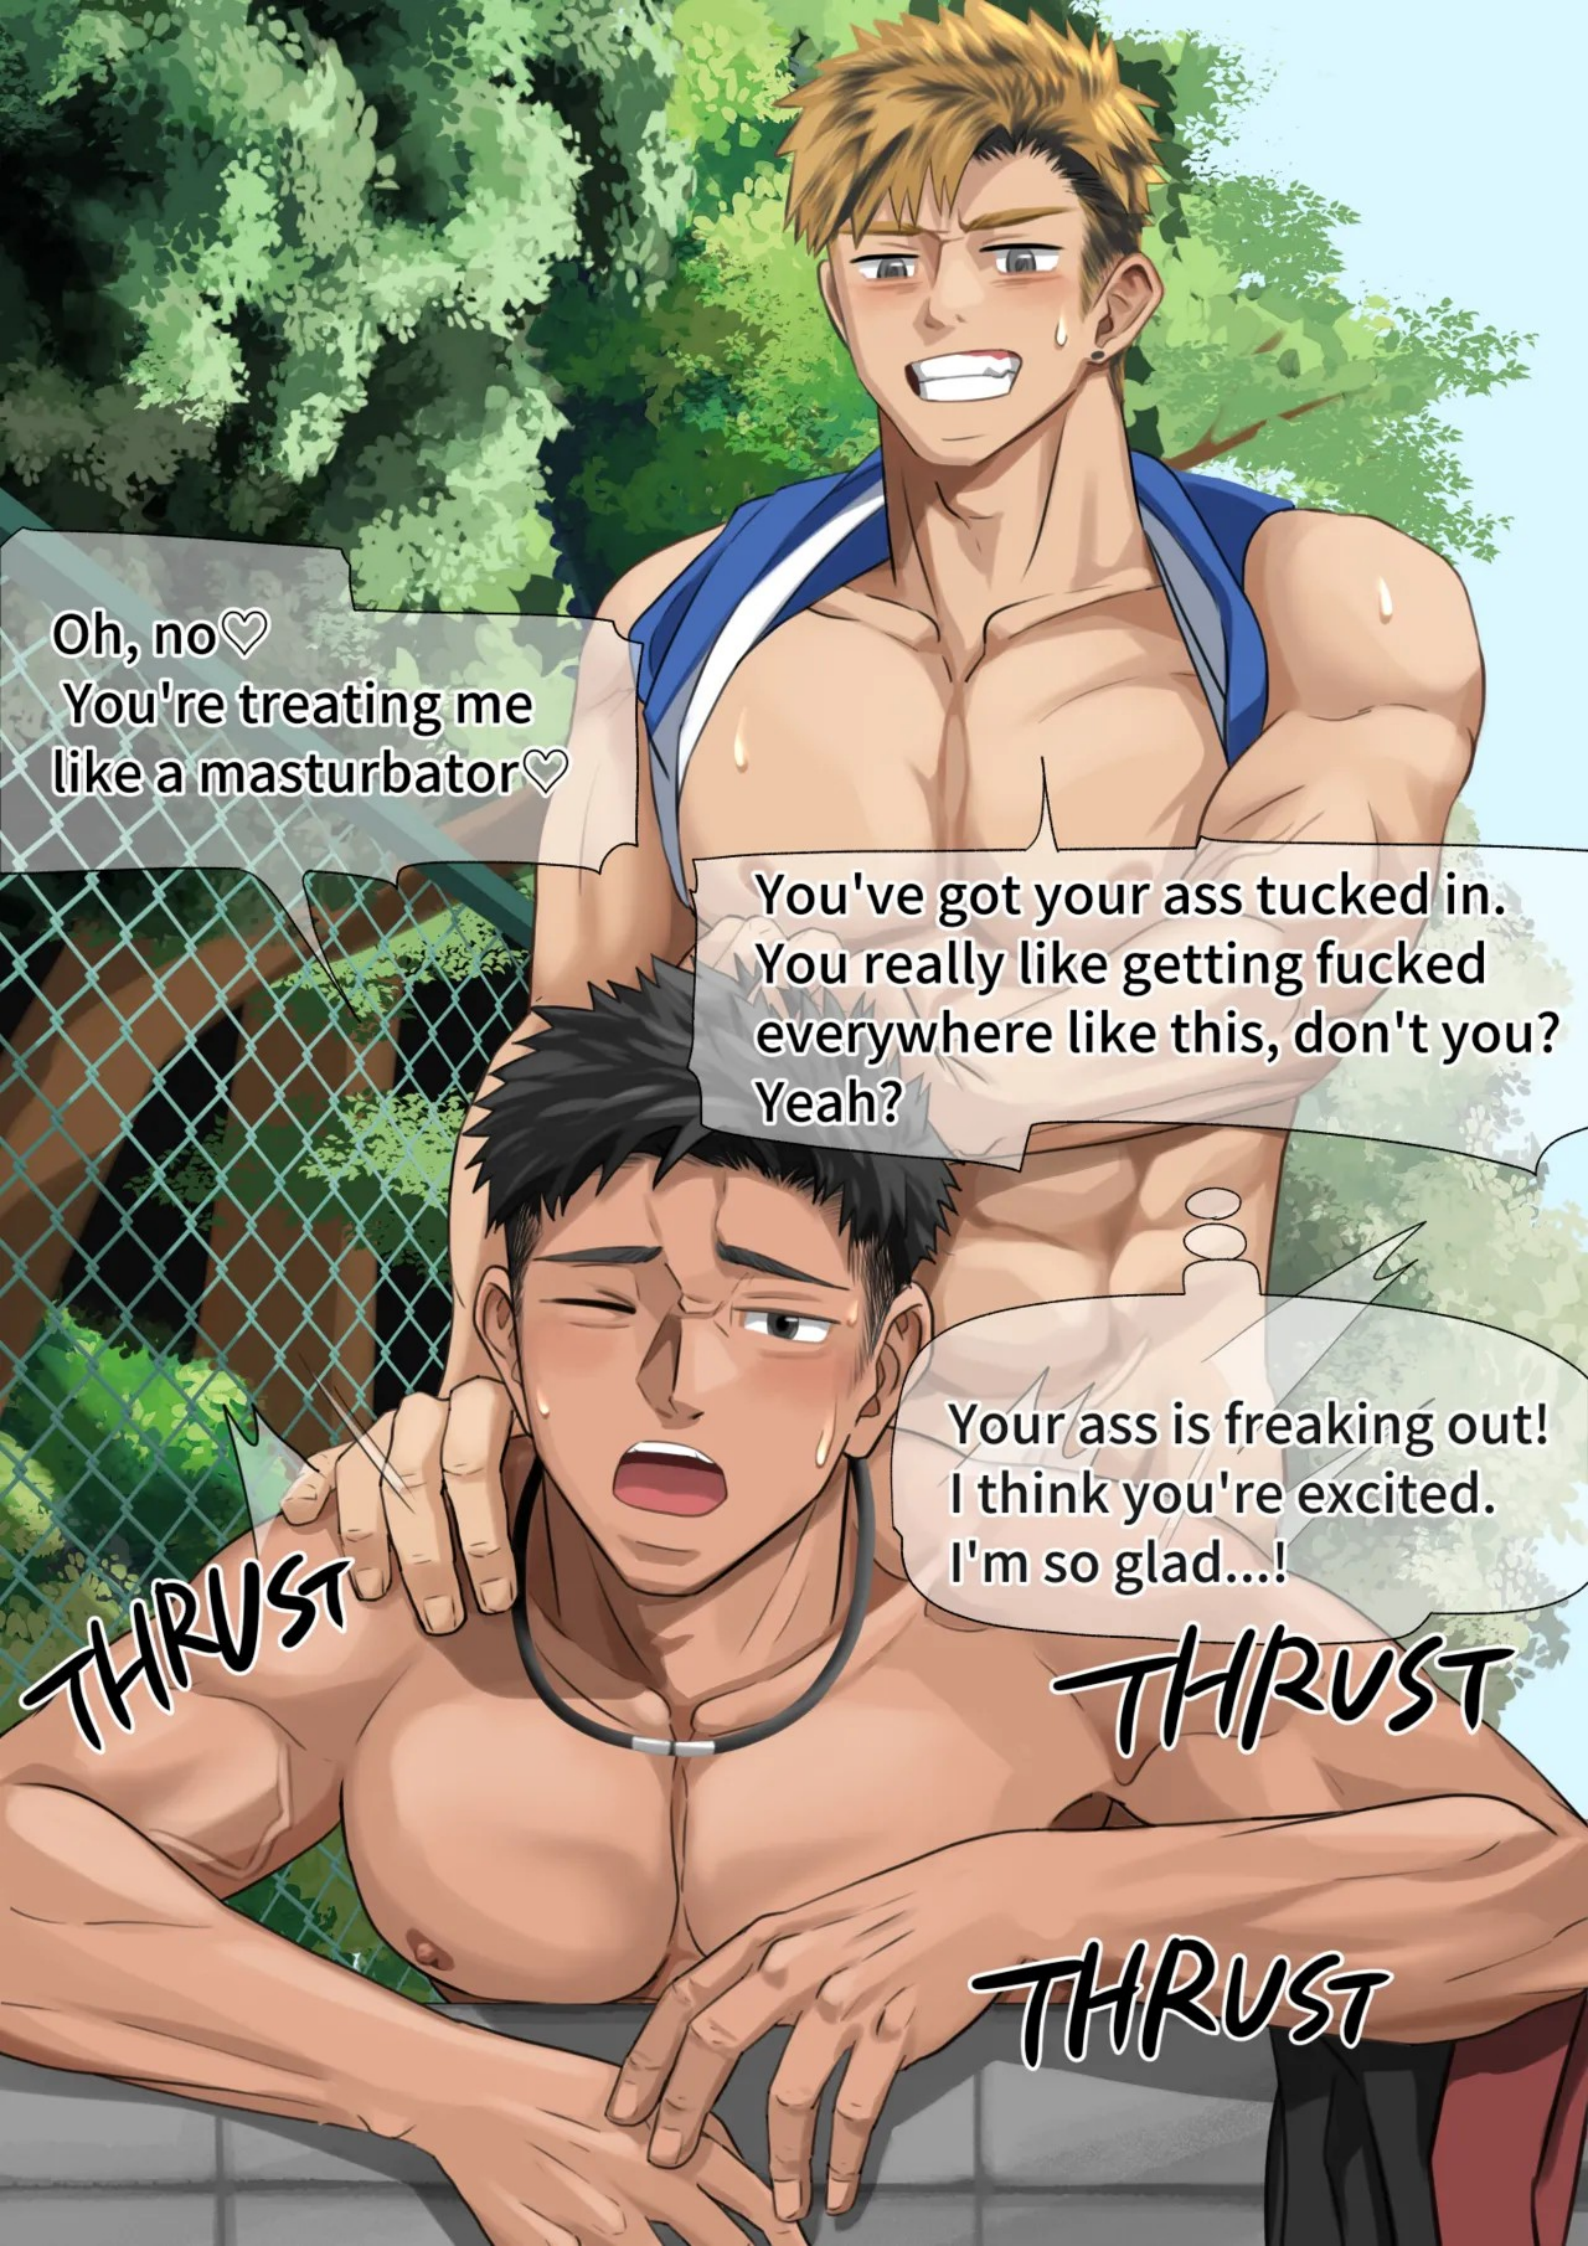

Ah, it feels so much better to use
Yuta's pussy than to pull out by hand

Oh come on!♡
Why not just do
in our room instead
of this kind of place?

Huh!?
I'll fuck you when
I want to fuck you,
you shut up and
get your ass out of here!

I thought you wanted to do it
because you've been watching
a lot of outdoor stuff lately...
but I made a mistake...?

Oh, no♡
You're treating me
like a masturbator♡

You've got your ass tucked in.
You really like getting fucked
everywhere like this, don't you?
Yeah?

Your ass is freaking out!
I think you're excited.
I'm so glad...!

Despite being much bigger than me,
you don't even resist at all.
If you want my seed so badly, you can have it.

Mmm♡ No way...
I can't...stop...♡

Oh, man, you're too cute.
I'm about to cum.
