

Your husband works outside all year round, so you really need it, right

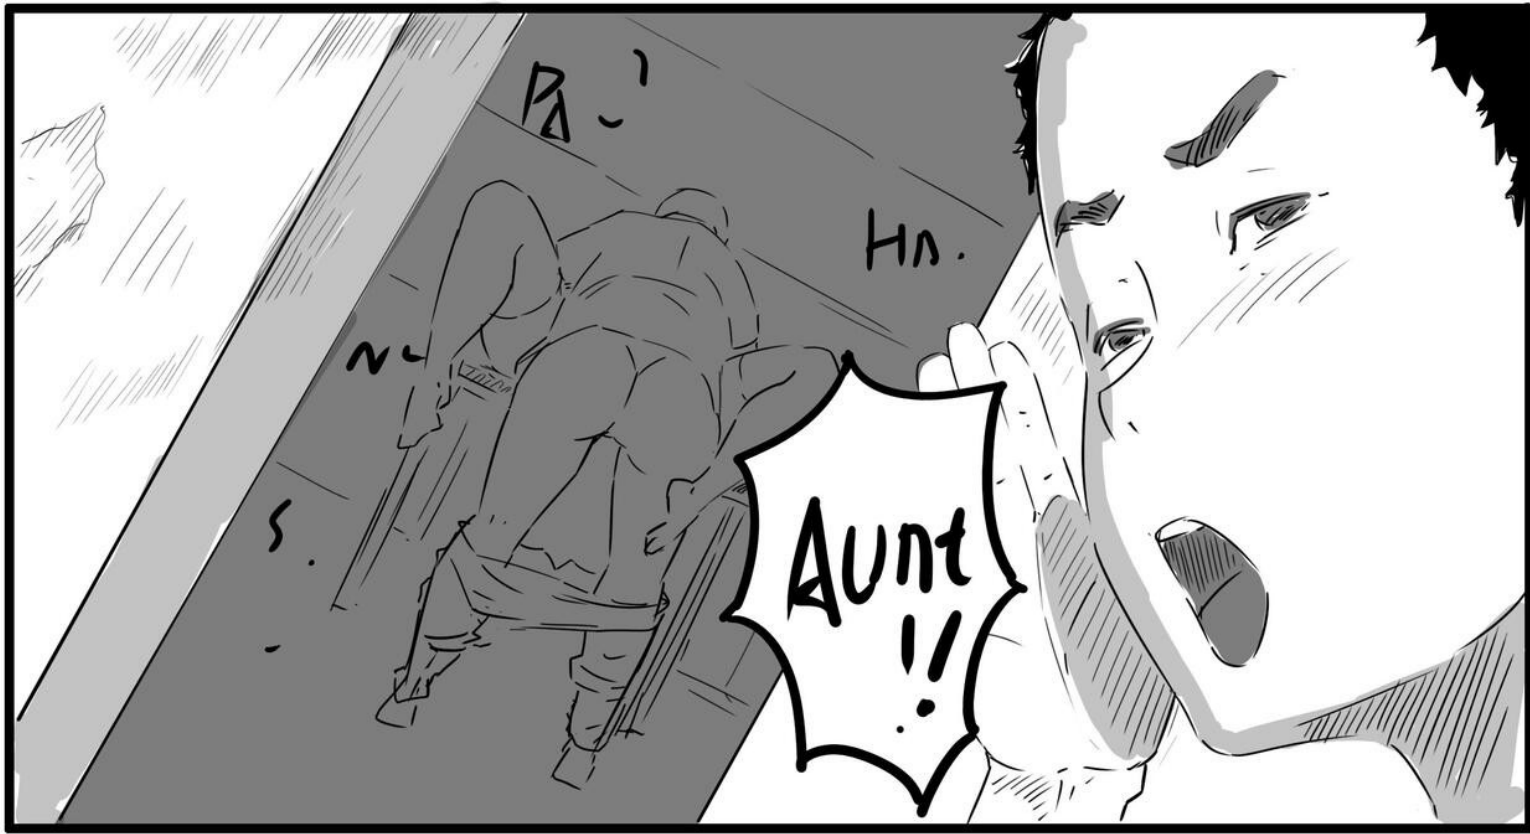

Don't, village chief! What should I do if someone else finds out!

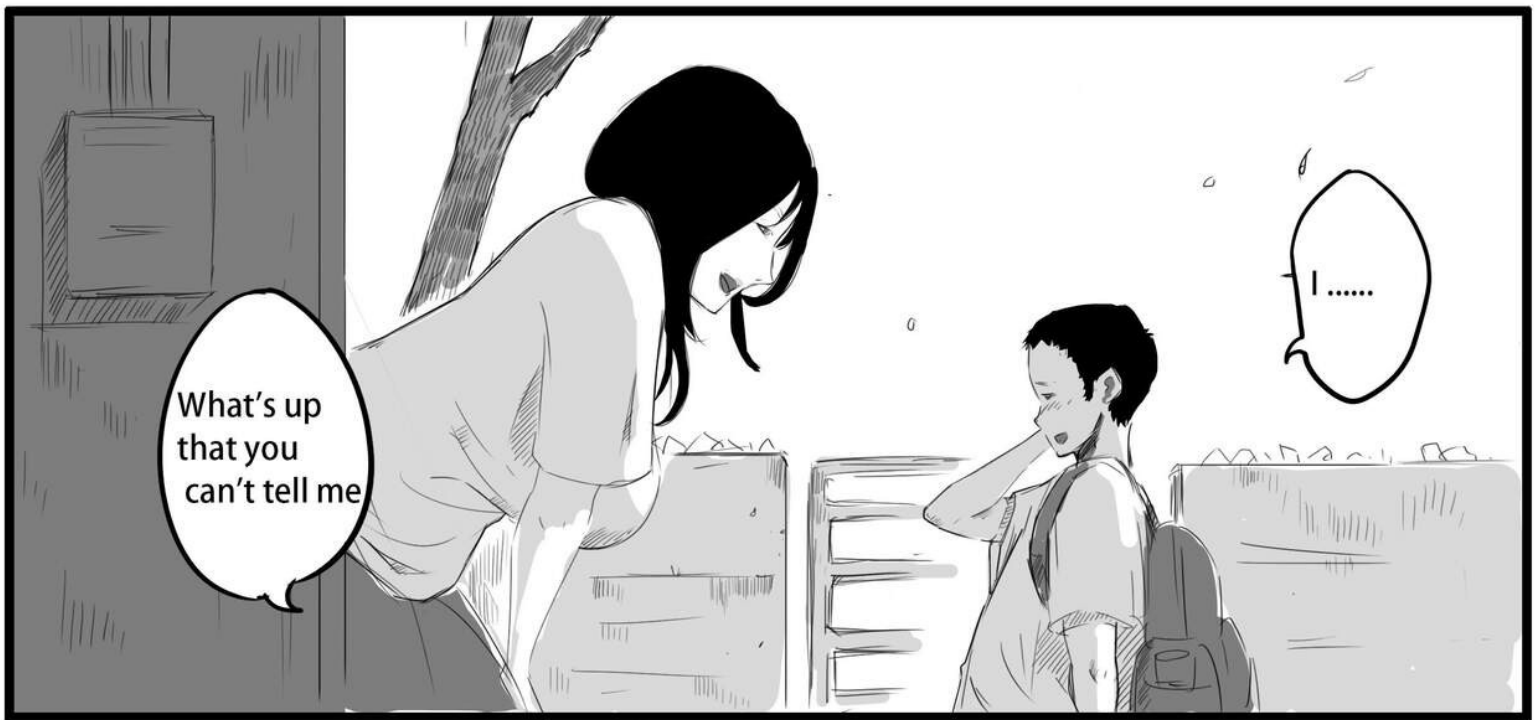

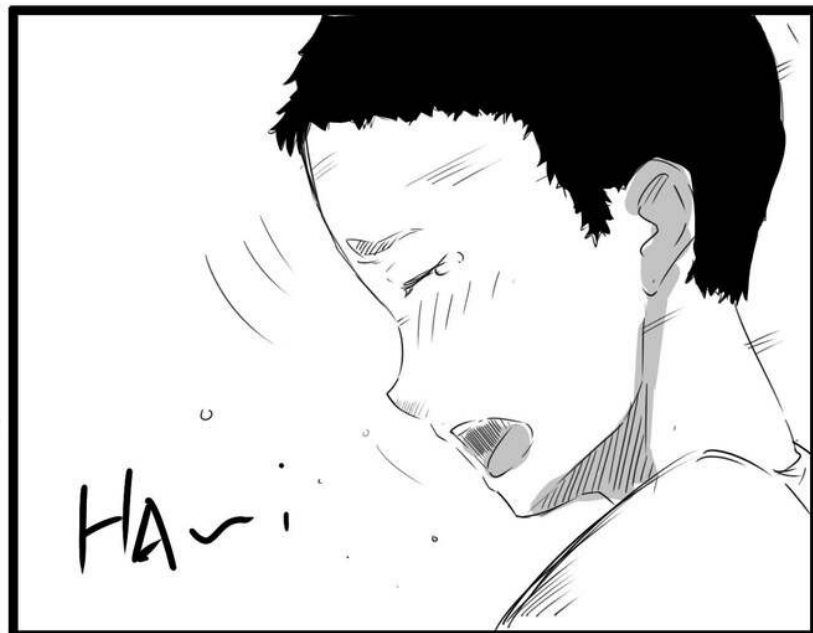

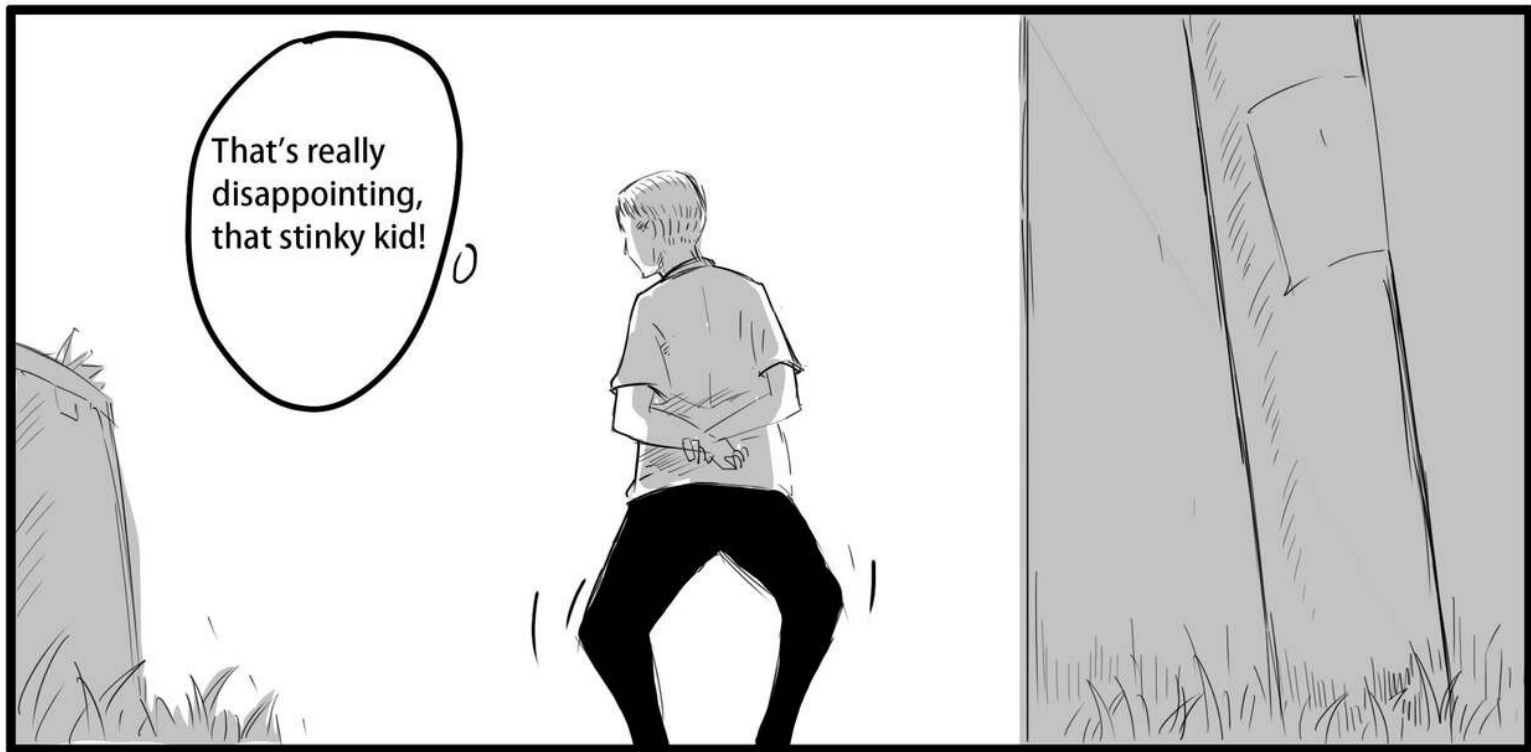

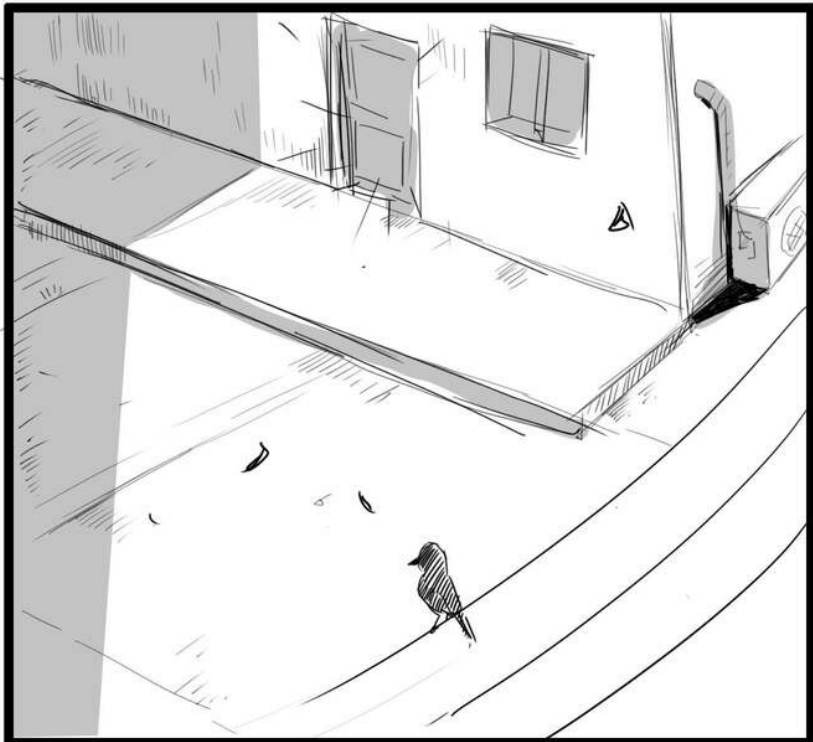

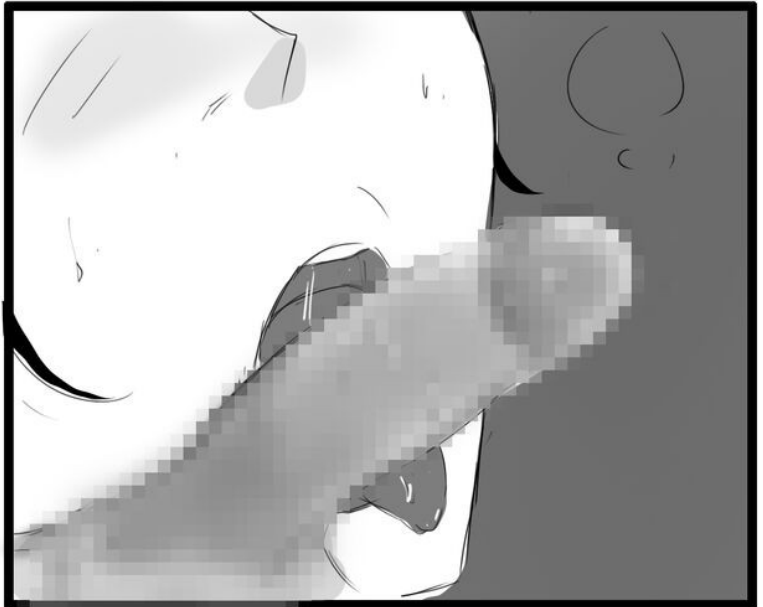

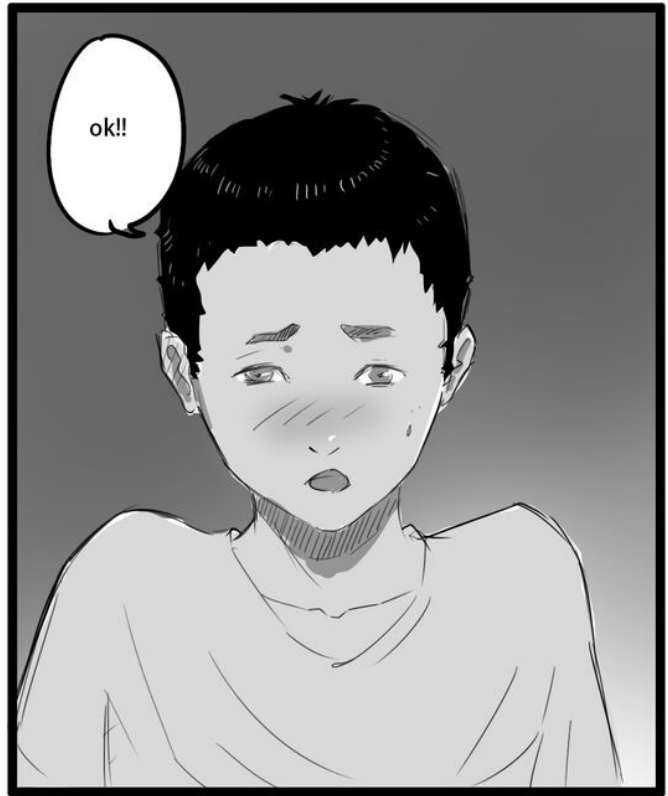

You go quickly,
it's bad to be
seen!

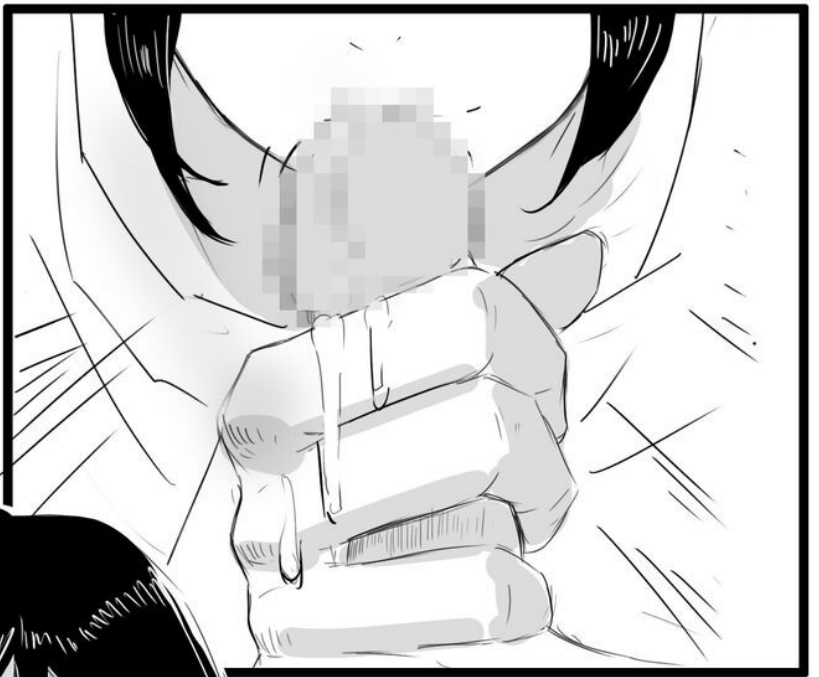

Think about it,
come to the
supermarket
to find me!
I have to go first!

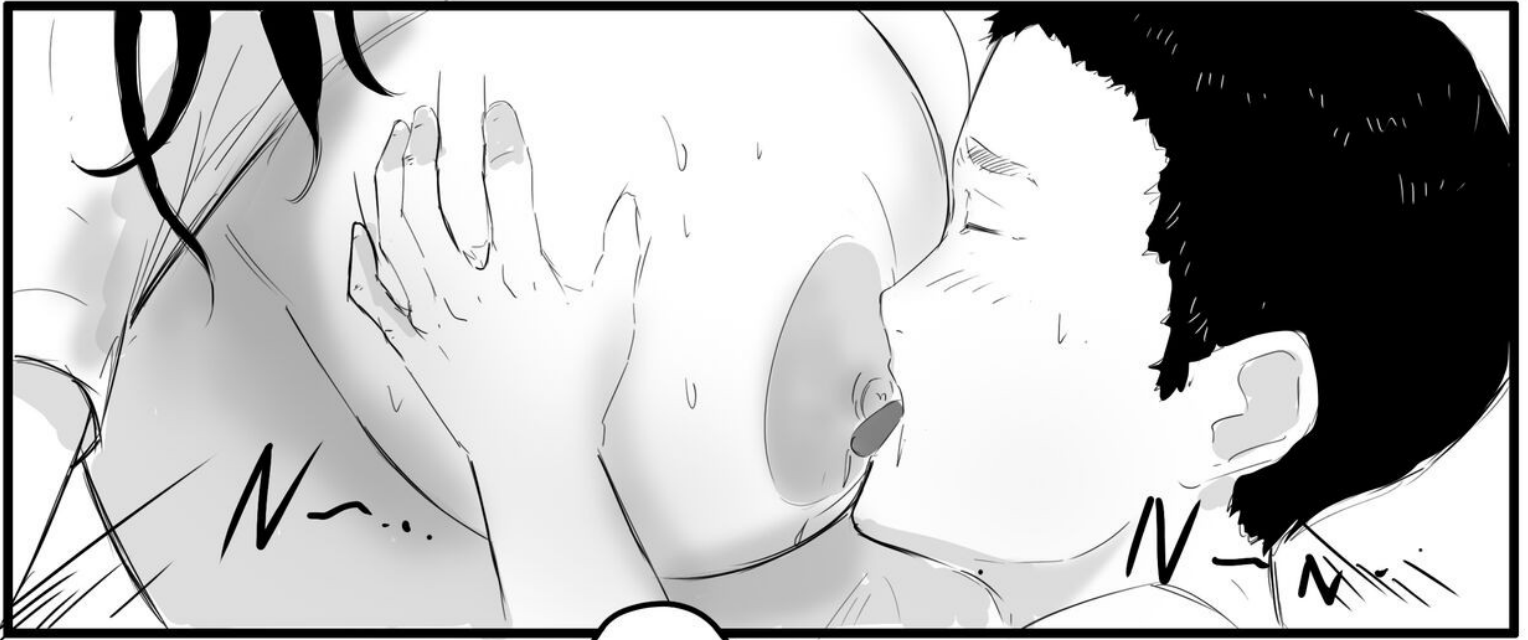

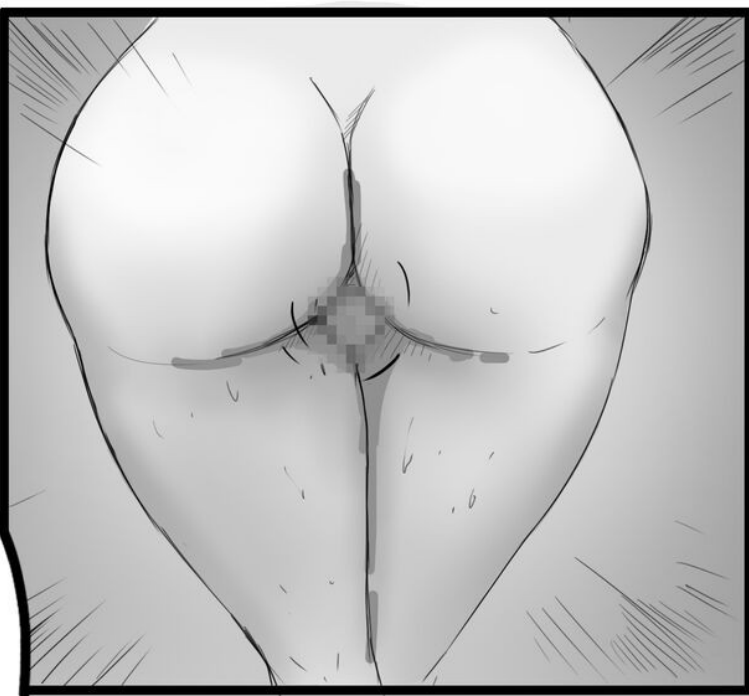

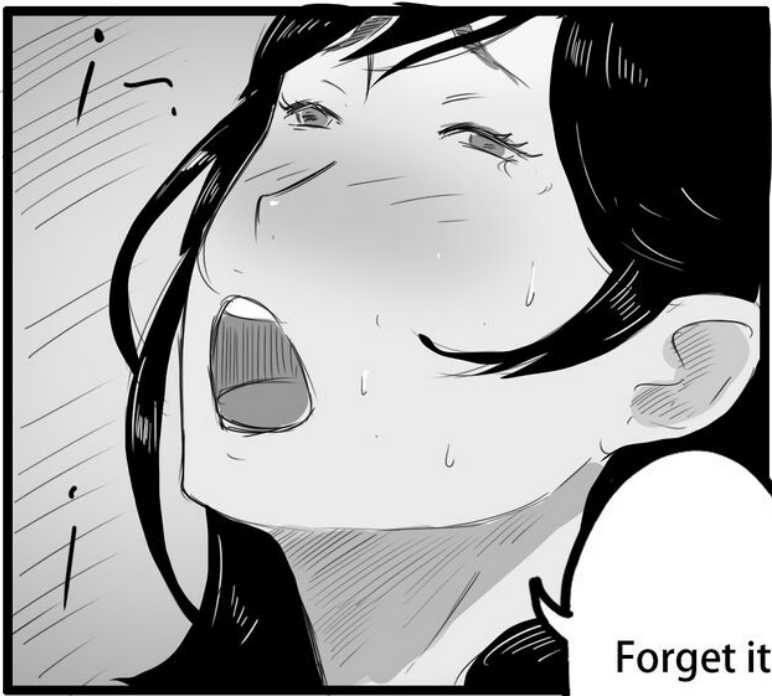

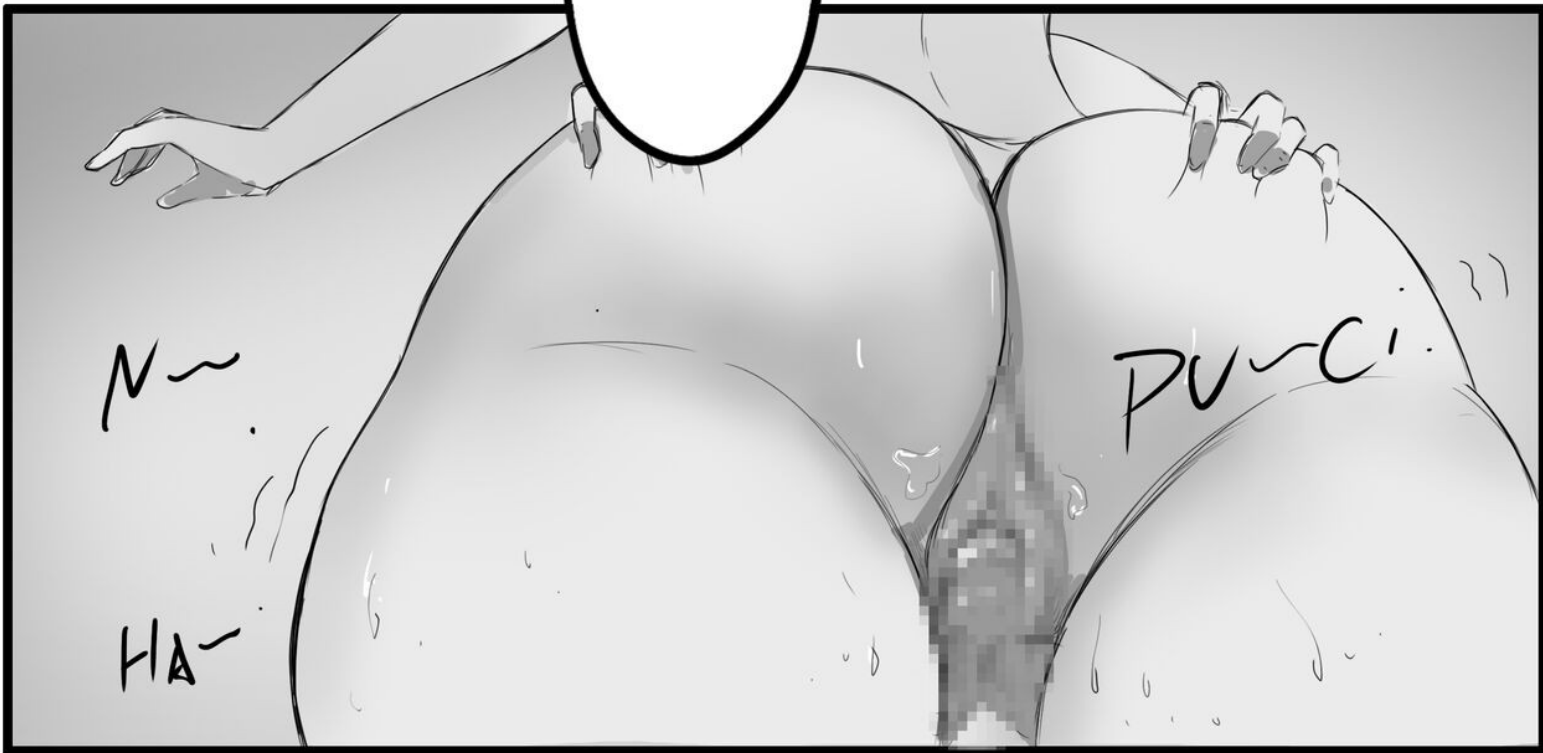

Forget it

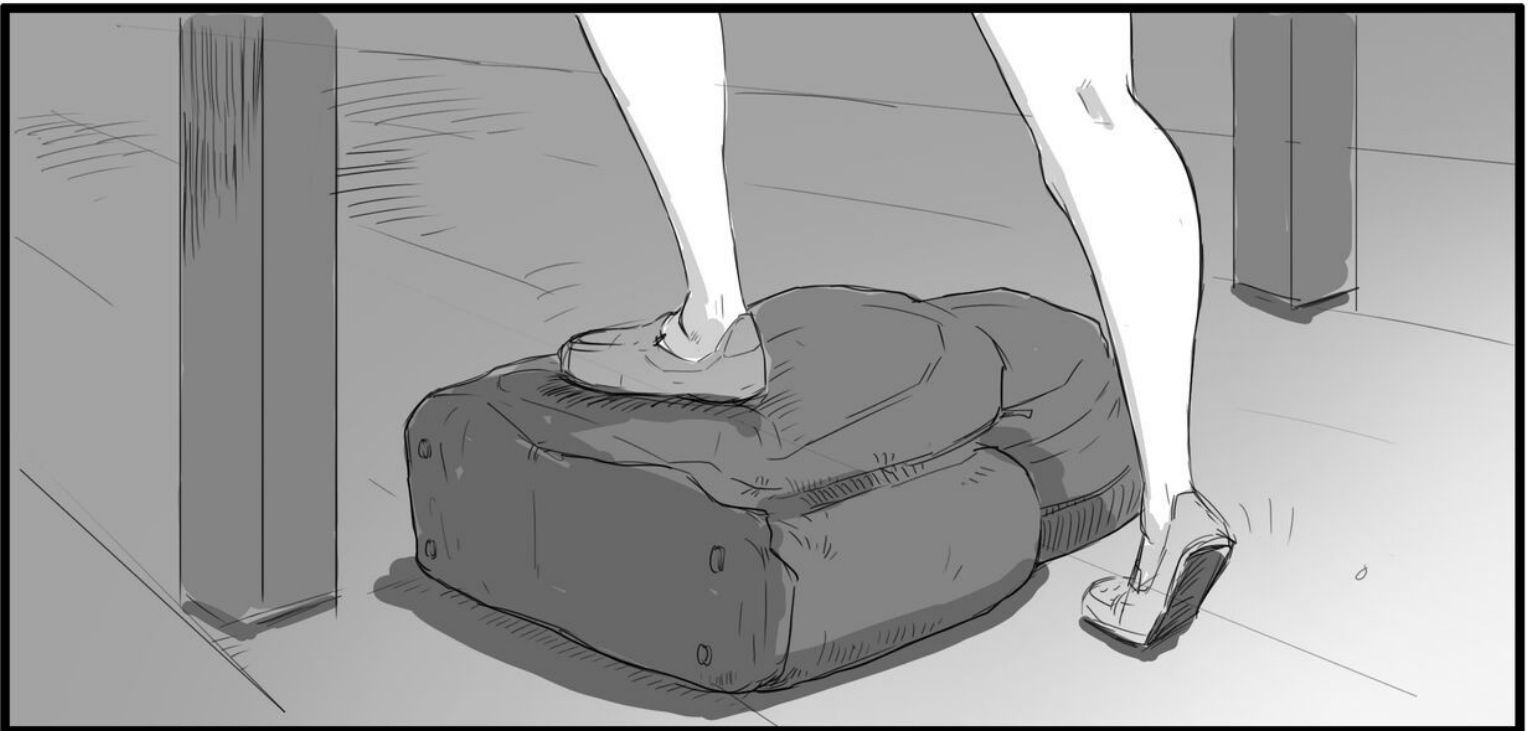

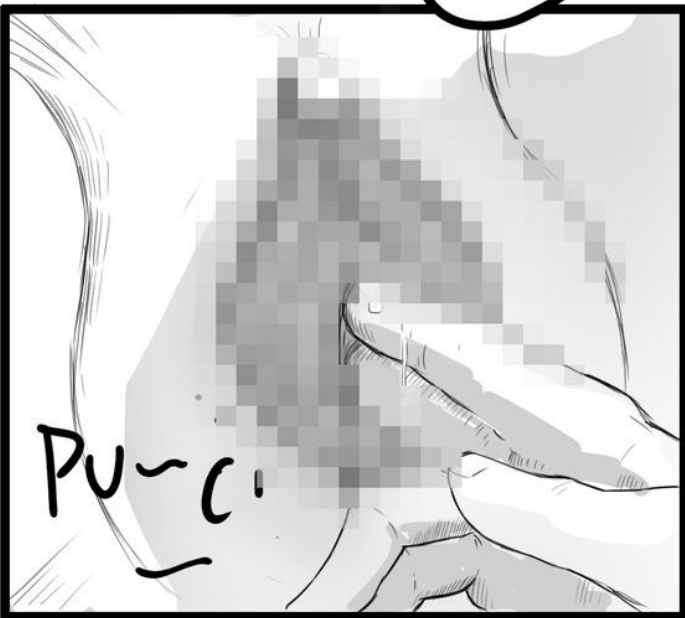

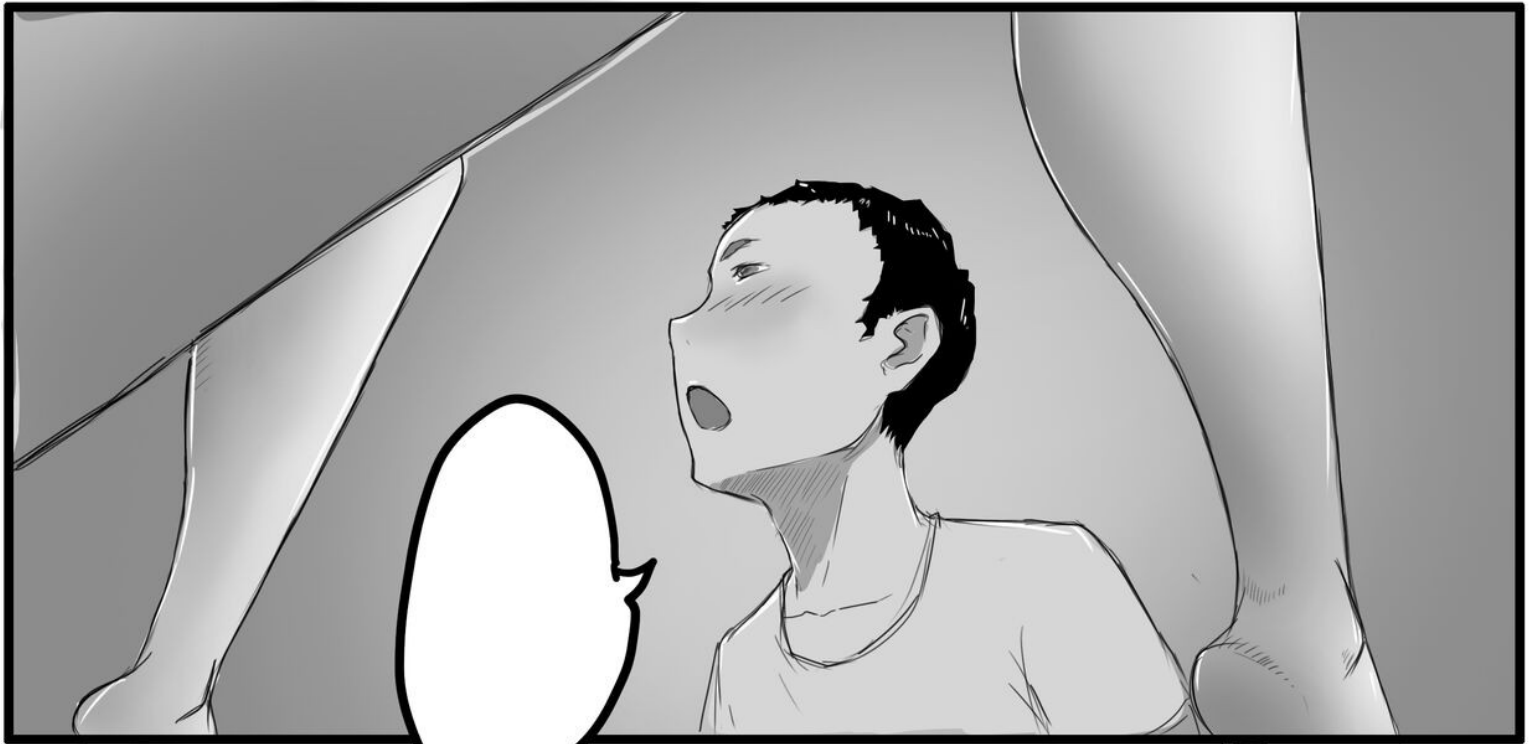

Don't rush!!

Put
your
penis
inside

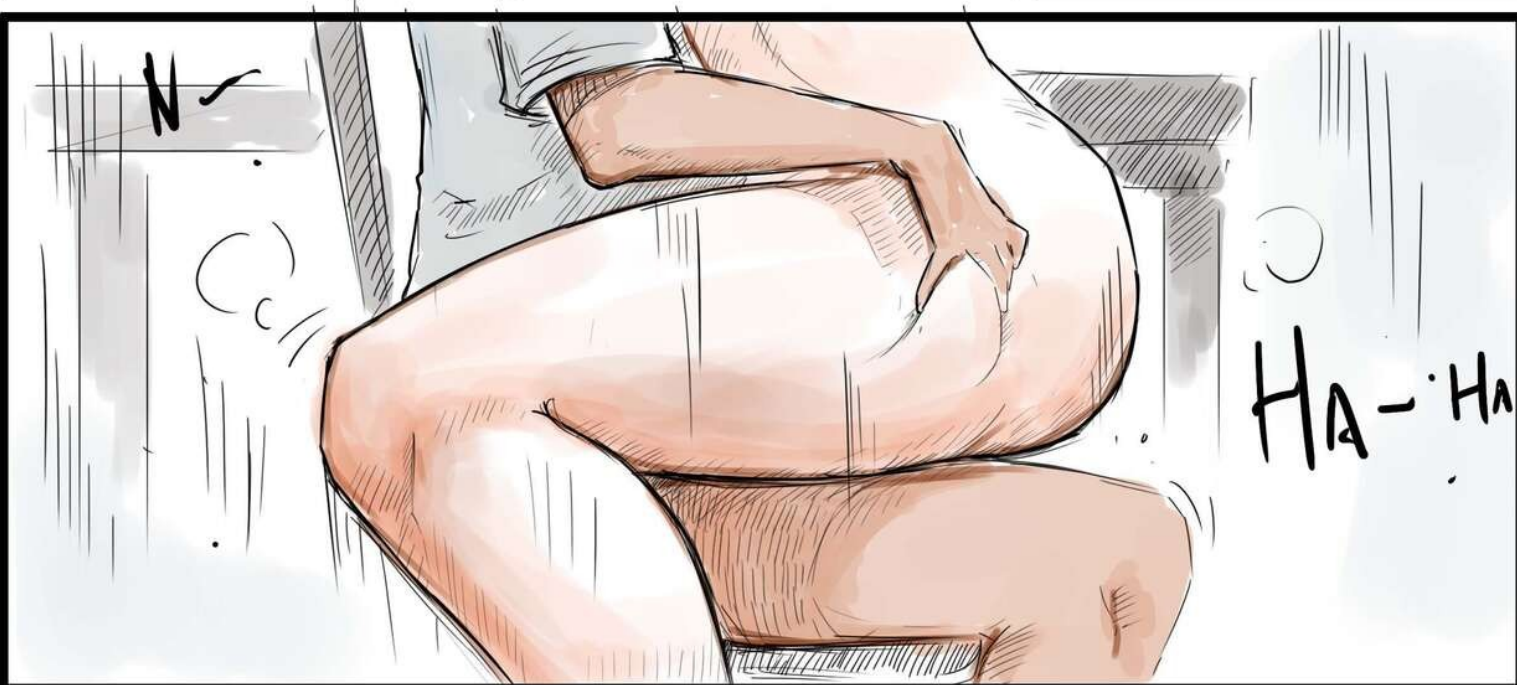

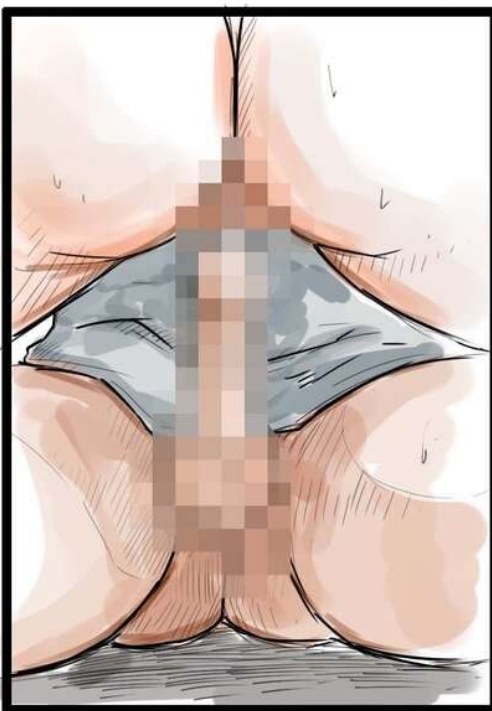

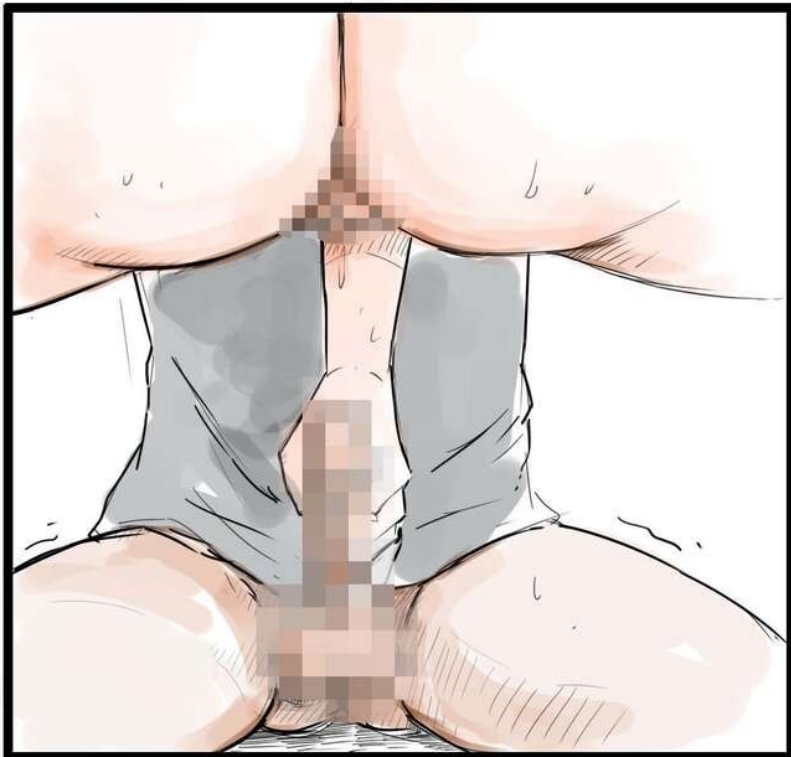

Do you
want to
come in?

to be continued.....

A woman with dark hair and bangs is sitting in shallow water, wearing a light-colored bikini. She has a worried expression, with wide eyes and a slightly open mouth. Her skin is wet, and there are water droplets on her face and hair. In the background, there's a wooden pier or dock structure. The water is a light blue-green color. The overall style is that of a digital illustration or comic book panel.

Mingming,
are you
okay?

Are you
injured
anywhere?

ming!!!
You've
grown
taller.

Sister Hong,
your breasts
seem to
be bigger.

You little pervert,
you only know
how to look at
women's breasts!
