Bonus - Illustrations from the cover

Thanks for reading!

Hi everyone, it's Aian. How are you doing?

I know it's been a while since my last release, so I hope you liked this new manga.

I haven't drawn short stories in such a long time!

This one was about ladyboys who are at various stages of their sex addiction.

Did you like it?

I'll do my best to draw even sexier stories!

I hope you'll have a fappy time reading them.
