

I will
definitely die

Please...

wake up...

How are you feeling...?

Is this ...
a hospital...?

You woke up!
Was good!

Oh...

I was hit
by a car

What...??

Wow ...

This person
is very fat ...

I don't want to be told that you can't lose weight while eating pizza

Alive = fat!!

To live is to eat

Do you eat hospital food too?

We can't lose weight as long as we live!

Pizza...?

Something

is wrong ...

Nom!

Let's eat once

grow!

!

Was good!
But from
now on,
I'm going
to have a
lot of
fractures ...

I agree
Because
the weight
of the body
has exceeded
the limit of
the legs ...

A few days later

Deleted
the cast

!

I agree
Toyomi's
weight is
great

I envy
Toyomi's
light
body

That means
it's very light!

Is my weight great?
That means it's too
heavy, right?

Do you guys
like to be light?

Then why not
go on a diet?

diet...?

I want to
eat ramen ...

I'm hungry ...

exercising...??

You can lose weight by exercising

less...??

If you can't exercise, eat less

Even if you say that ... Fat is due to overnutrition ...

I can't believe it! Not being able to lose weight is the biggest problem for all humankind!

really? Toyomi! Can I lose weight if I do what I just said?

Do you also know the fattening mechanism??

...

mechanism...?
I read a book and have
knowledge of dietOnly
knowledge ...

Hu...

If you lie
too much,
you will
be disliked

Please
stop joking
The story
of your
hometown
is also
untrue ...

Let's try
a diet

Can you really
lose weight?
I have a favorite
person
I was
asked
to lose
5 kilos
to that
person

I don't think it
will change much
if you lose 5 kilos ...

Toyomi!

!

He has lost
2 kilos!

Uh ...
it's a
lie ...?

Two days
later

House!
It's amazing
that it's lost!

2 kg may
be an
error

Toyomi is
the savior
of mankind!

Yeah ...
is that
so ...?
Hehehe

I just didn't eat
That made me
lose weight ...?

You lost weight because
you didn't eat it, right?

-2kg

-3kg

-1kg

Everyone didn't believe like the first Marie

On the advice of nurse Marie, I published a book

Wow!
I'm thin!

Even though
it's only 2 kg ...

Other patients
saw Lip lose
weight

I got rich

I have so
much money ...

The villagers were also interested in dieting because the patients were thin

The diet was called Toyomit after my name

This may be
a dream
But now I'm
very happy
It may be
fine as it is

I can't live in
a hospital forever
I bought a house
because I have
a lot of money

But there are people
who criticize Toyomit

I can't
stand

Toyomit was
dangerous
for the
elderly
and the weak

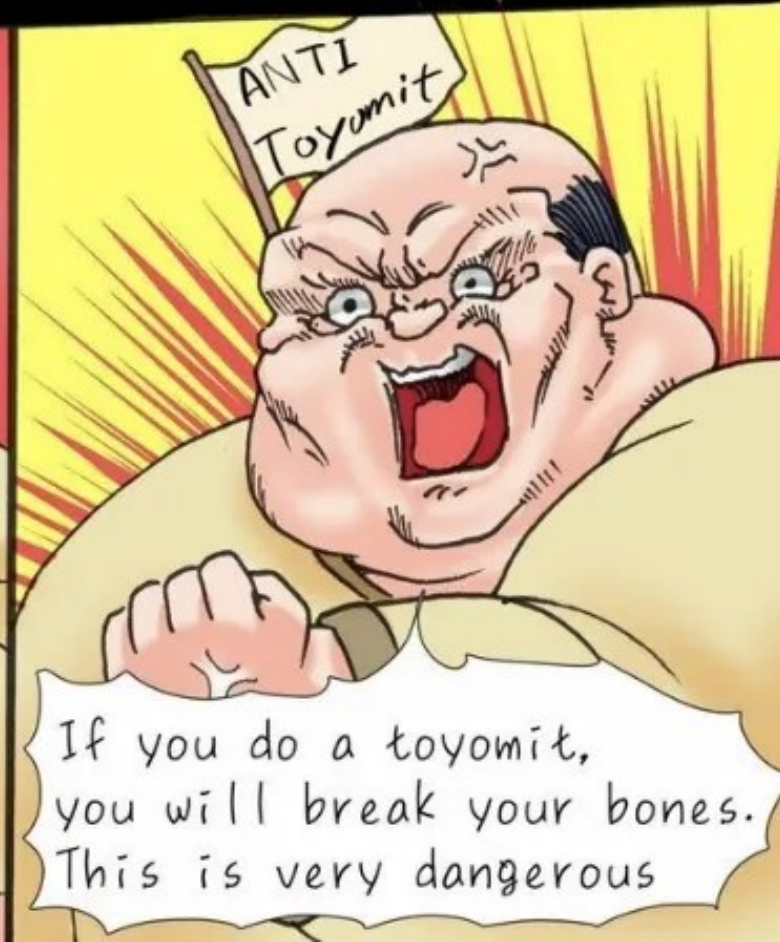

painful!

I have
back pain ...

ANTI
Toyomit

If you do a toyomit,
you will break your bones.
This is very dangerous

Toyomi!

it's me!
The name is Lip!
Are you at home?

Is it for
something
from the
morning

Mmm ...

That ...
Lip ...
YOU lost
weight ... ??

Toyomi ... ?

Burp

Shouldn't we just exercise in the pool?

Buoyancy reduces the strain on your feet in the pool

In addition, the resistance of water increases the amount of exercise.

Pool..!

Did I do something again?

It's a good idea Toyomi!

Oh, Marie, can you give me some clothes? Lip's clothes have a tight chest

Is it true
that water
doesn't get
fat ... ?

Is it true
that eating
vegetables
is okay?

After that,
the criticism
of me continued
I was told that
if I don't eat,
I'll be
malnourished
However...

I have
become an
irreplaceable
existence in
this world

Toyomi!

Toyomi!

Toyomi! Toyo

A photograph of a vast, hilly landscape. The hills are covered in vibrant green grass, with several large, dark grey rock formations scattered across the terrain. In the background, more hills are visible, their colors softened by a light haze. The sky is a pale, overcast white. The overall mood is serene and expansive.

And it's been a year
since I came to this world

Huh

to work hard

Plow

So, your
toyomit is
going well,
isn't it?

Yeah!
So you don't
have to have
an interview

Ah,
hello,
Mr. Lip

Weight is
maintained
by Toyomit

No, that's
no good

Toyomi,
the room
has been
cleaned

Thanks

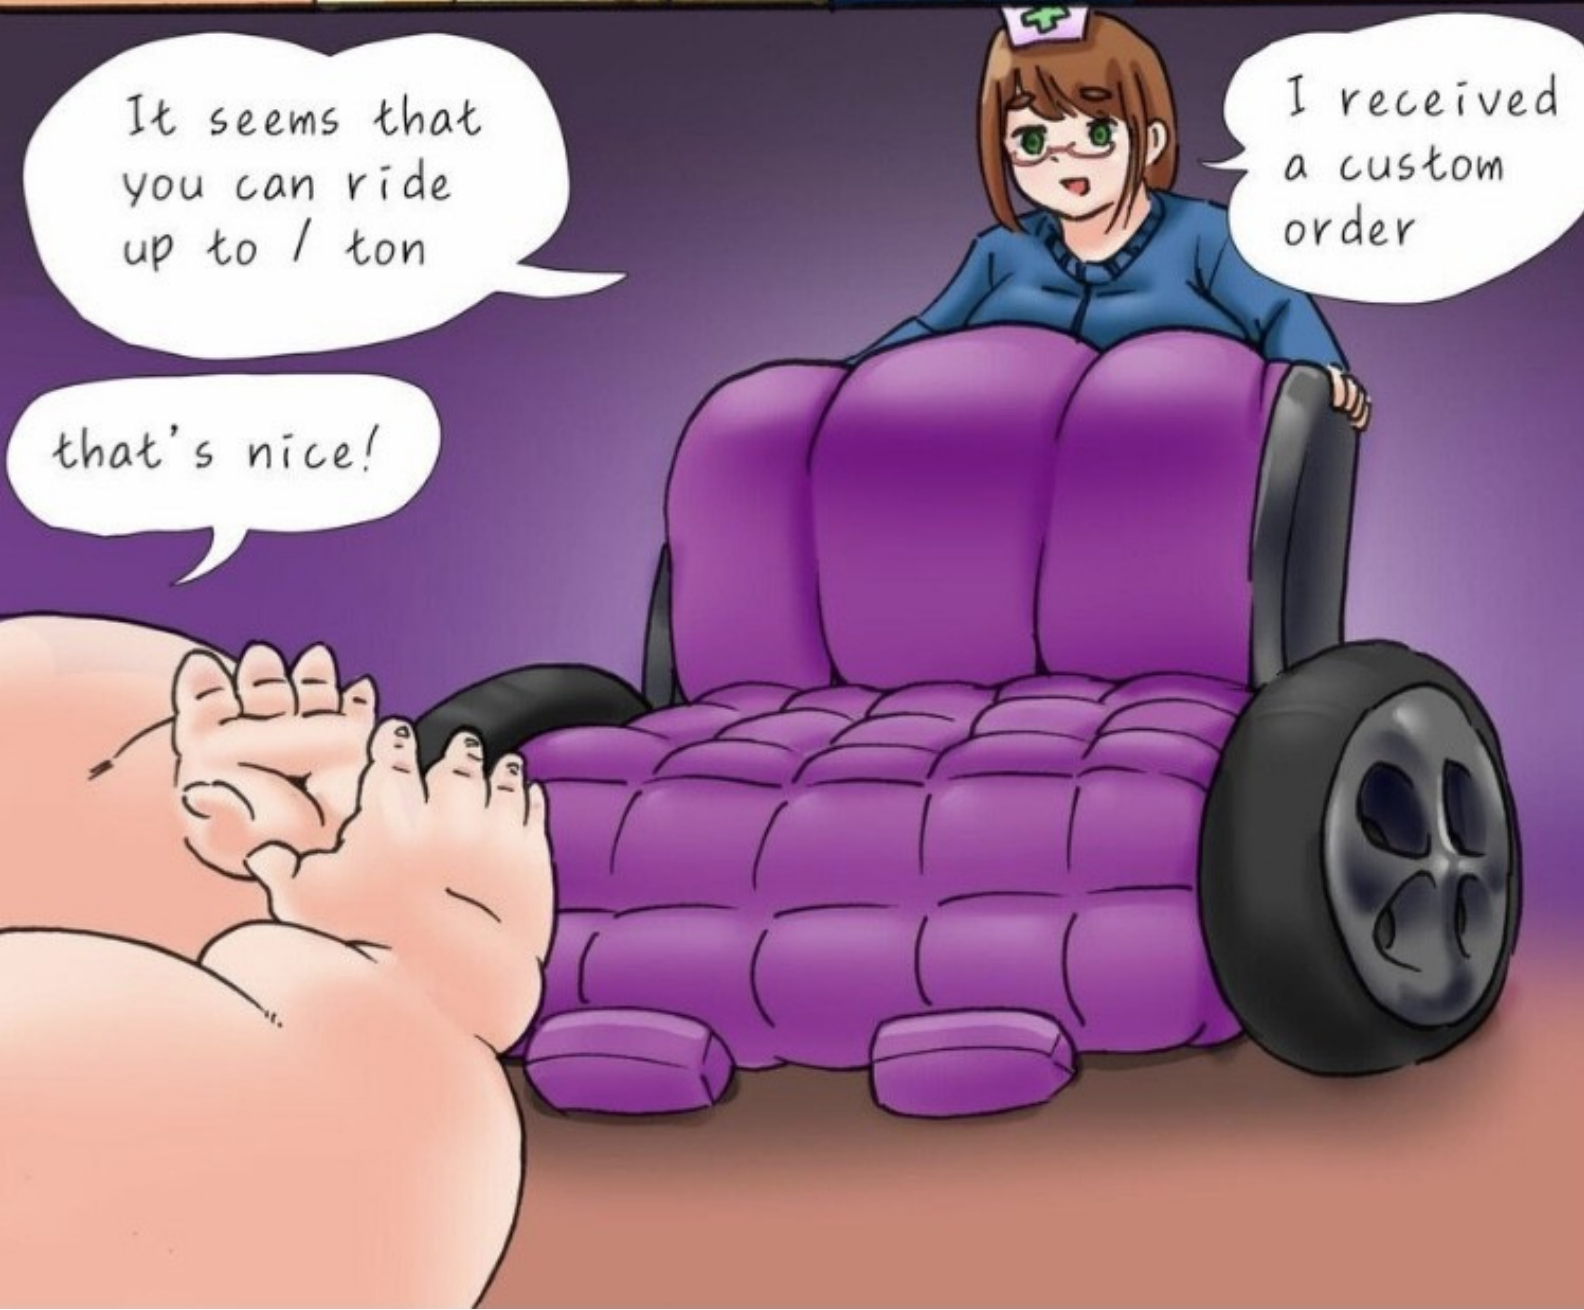

The number of Toyomit
members has increased
by 20%
Sales are also
increasing

Does everyone
believe without me?

It may be
deified
because it
cannot be
seen

Can I have
an evening
drink?
I only drink
a little

Let's eat
mainly
vegetables

No good

I will go
shopping later
Is there
anything you
want to eat?

I've acknowledged

I'm hungry
Increase
breakfast
and dinner
from today
Then give
me another
glass of
beer

meat!

understood
I understood
Toyomit again

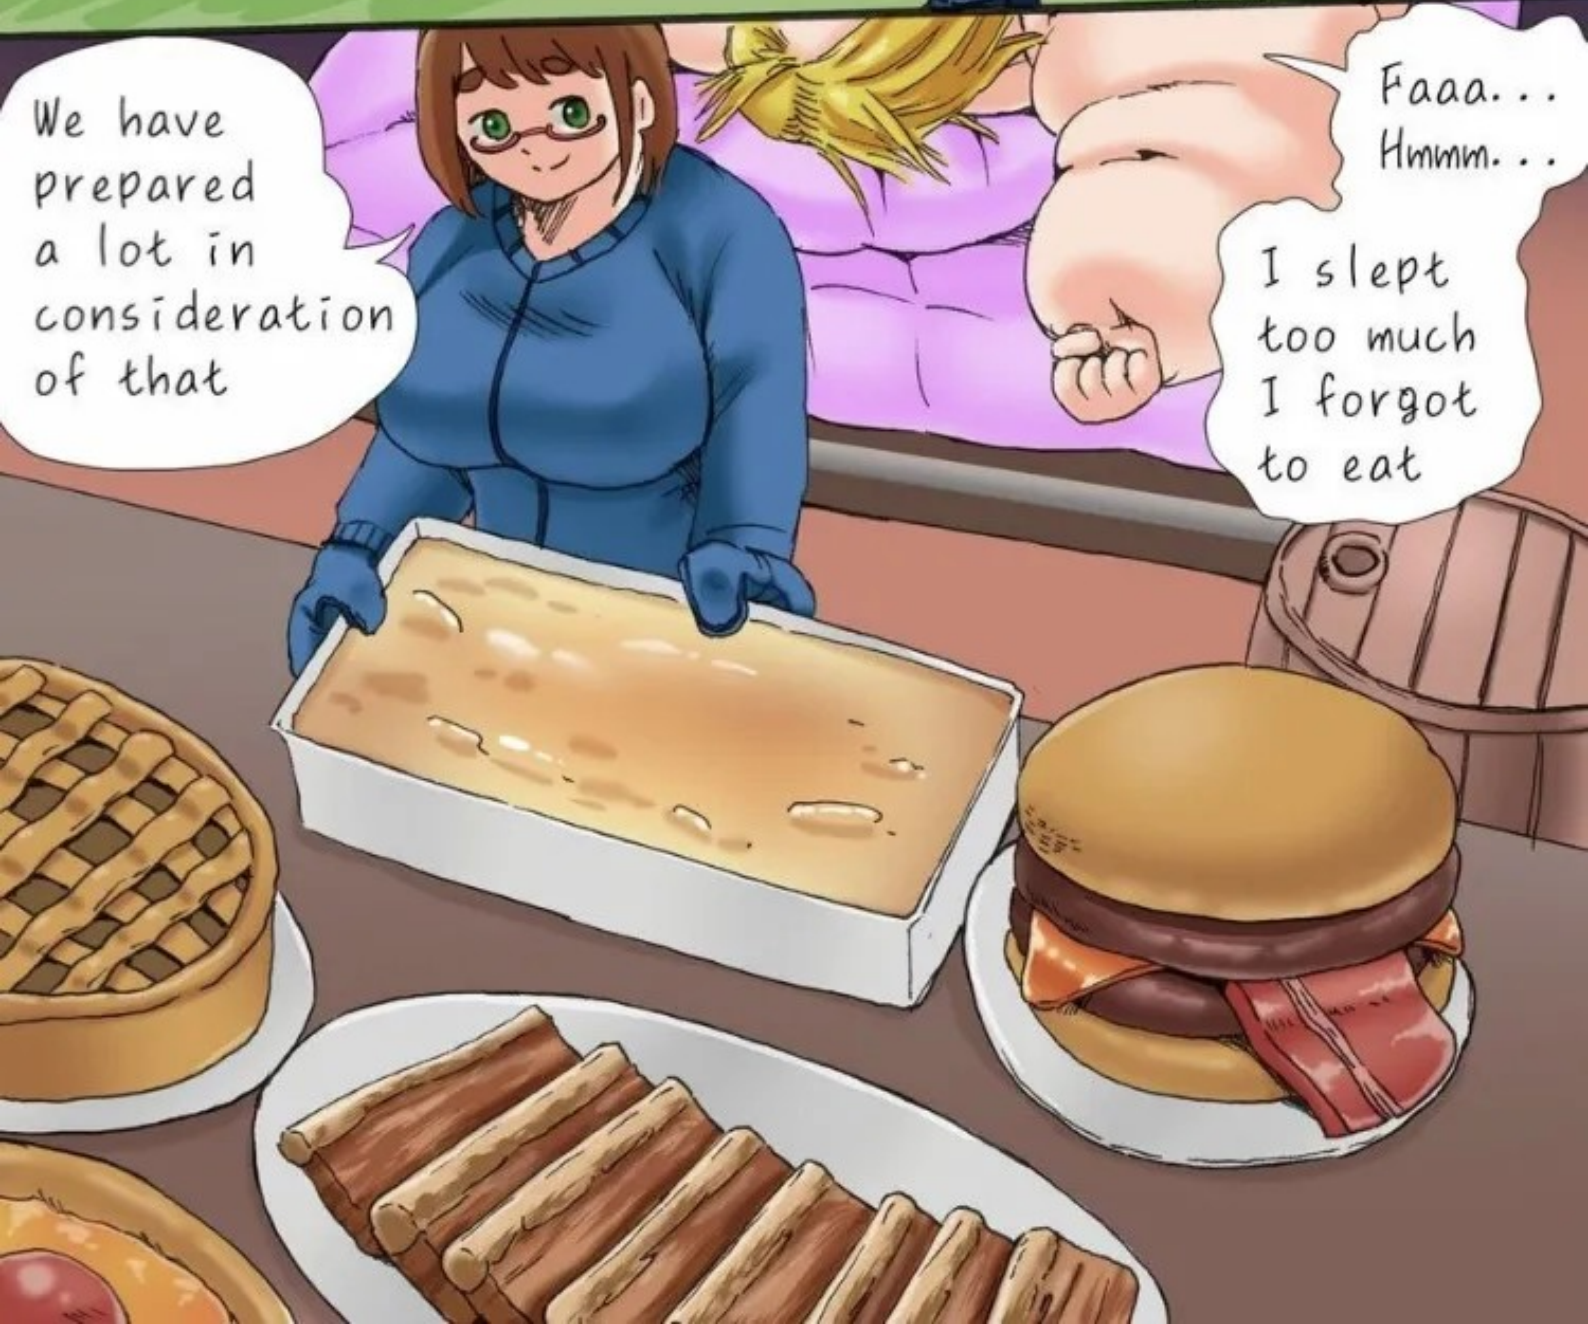

It was good
See you
next month

Let's adjust
the rhythm of
life
This will make
your body
easier to burn
calories.
Irregular
sleep and
eating are
absolutely
useless

We have
prepared
a lot in
consideration
of that

Faaa...
Hmmm...

I slept
too much
I forgot
to eat

I have a job
to cultivate
a field
But the given
quota can be
achieved quickly

I finished
a good day
today

that?
Obesity reduced
with Toyomit
It reduces food
consumption
Why do we need
to increase
the fields?

... Hmm?
