

since Hai Feng turned my mom into a skin suit and wore it.

It has been a week...

Ah!

Um ah!

So nice!

He keeps bringing men back home and making love

It seems that Hai Feng loves the feeling of female orgasm. He isn't willing to return my mom's body.

would mom not be replaced and we are still a happy and normal family?

I can't help but to wonder if I had not told him,

傷風敗俗...

*She is so depraved.

嘖嘖...

嘖...

*What a slut

有夠不檢點

He dresses provocatively and hooks up rich men. He uses my mom's body as a whore!

Dad is on a business trip. I can't imagine what will happen if he knows about this.

Now the whole community considers my mom is a slut and nymphomaniac. What's even worse, Hai Feng isn't satisfied with making love at home.

...waiting for me.

However there's a real abyss...

I thought this's the worst nightmare.

Why did you turn on the light?

Hey. Who's this?

What... what do you want?

I need a new plan.

Well. In the past few days, my fans and I get bored of regular sex stuff.

How about

incest? Isn't that really tempting?

My good boy, you're finally awake.

Didn't I tell you not to sleep in?

You! Never!
Don't even
think about it!
Let me go! Get
your hands off
me!

Huh?
You're
so
weak.

You never
defeated
me! Save
your
breath!

You must be
so thrilled to
finally make
love with your
own mother,
right?

You stared at
those men
and your
eyes filled
with envy
and jealousy.

Come on.
You thought
that I didn't
notice your
eyes when I
had sex?

you would
not have the
chance to
make out
with her.

You should
thank me!
If I had not
changed
your mom
into a skin
suit,

You!
Cut the
crap!
No, I
don't!

Although
you're a
snitch, I
will give
you a
chance to
make your
dream
come true.

has an
Oedipus
complex!

Not in a
million
years
would I
think the
teacher's
pet and
straight-A
student...

I know my
pervert son
would love
it. I will
satisfy you
and make
you taste
me.

My good
boy, look!
It's your
favorite
mommy's
pussy!

No. I
don't
want it.
Stop!

Huh?!

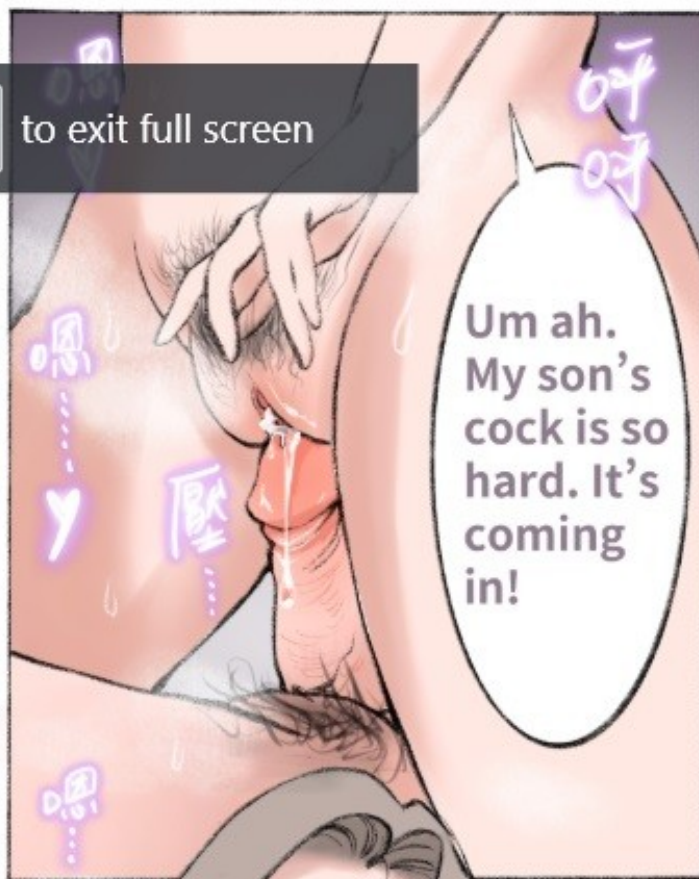

Fine.
You
don't
want to
do it so I
won't
force
you.
Forget
about it.

Huh. You try
to deny it but
can you
explain "the
tent" in your
crotch? Your
mouth says
"no" but your
body says
"yes", smart
ass.

Deep in
my heart,
I clearly
know that
she's not
my real
mother.
But...

The
humidity
and heat
keep
coming...
a strong
smell of
mom's
body
scent.
