

成为巨人族的繁殖母体吧！

Become the breeding female vessel for the Titans!

BY:RB目肠

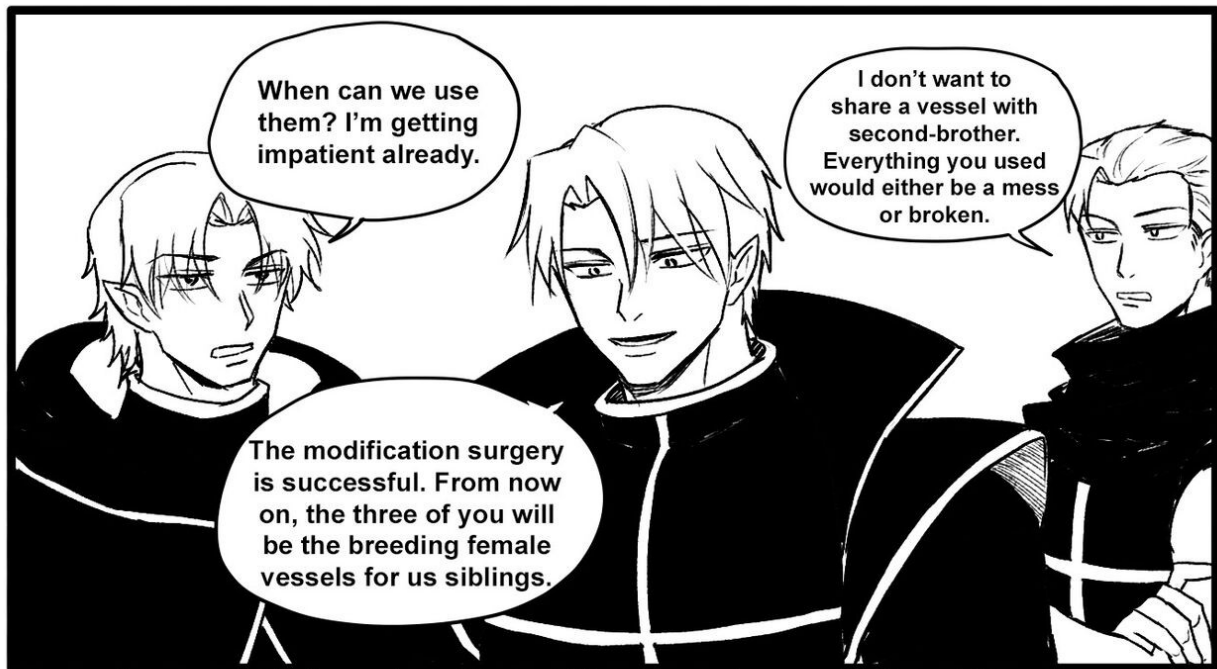

Ephemeris XX year XX month XX day, the ship of the Galaxy's expedition team was force to land on a foreign planet due to a malfunction.

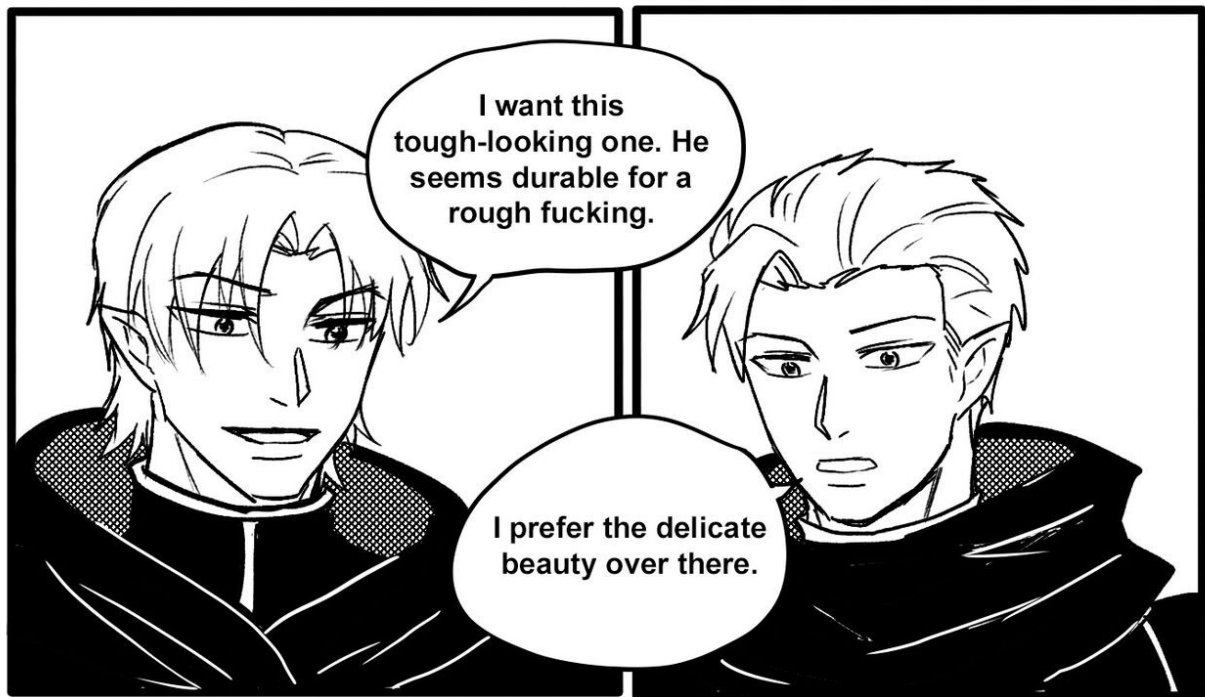

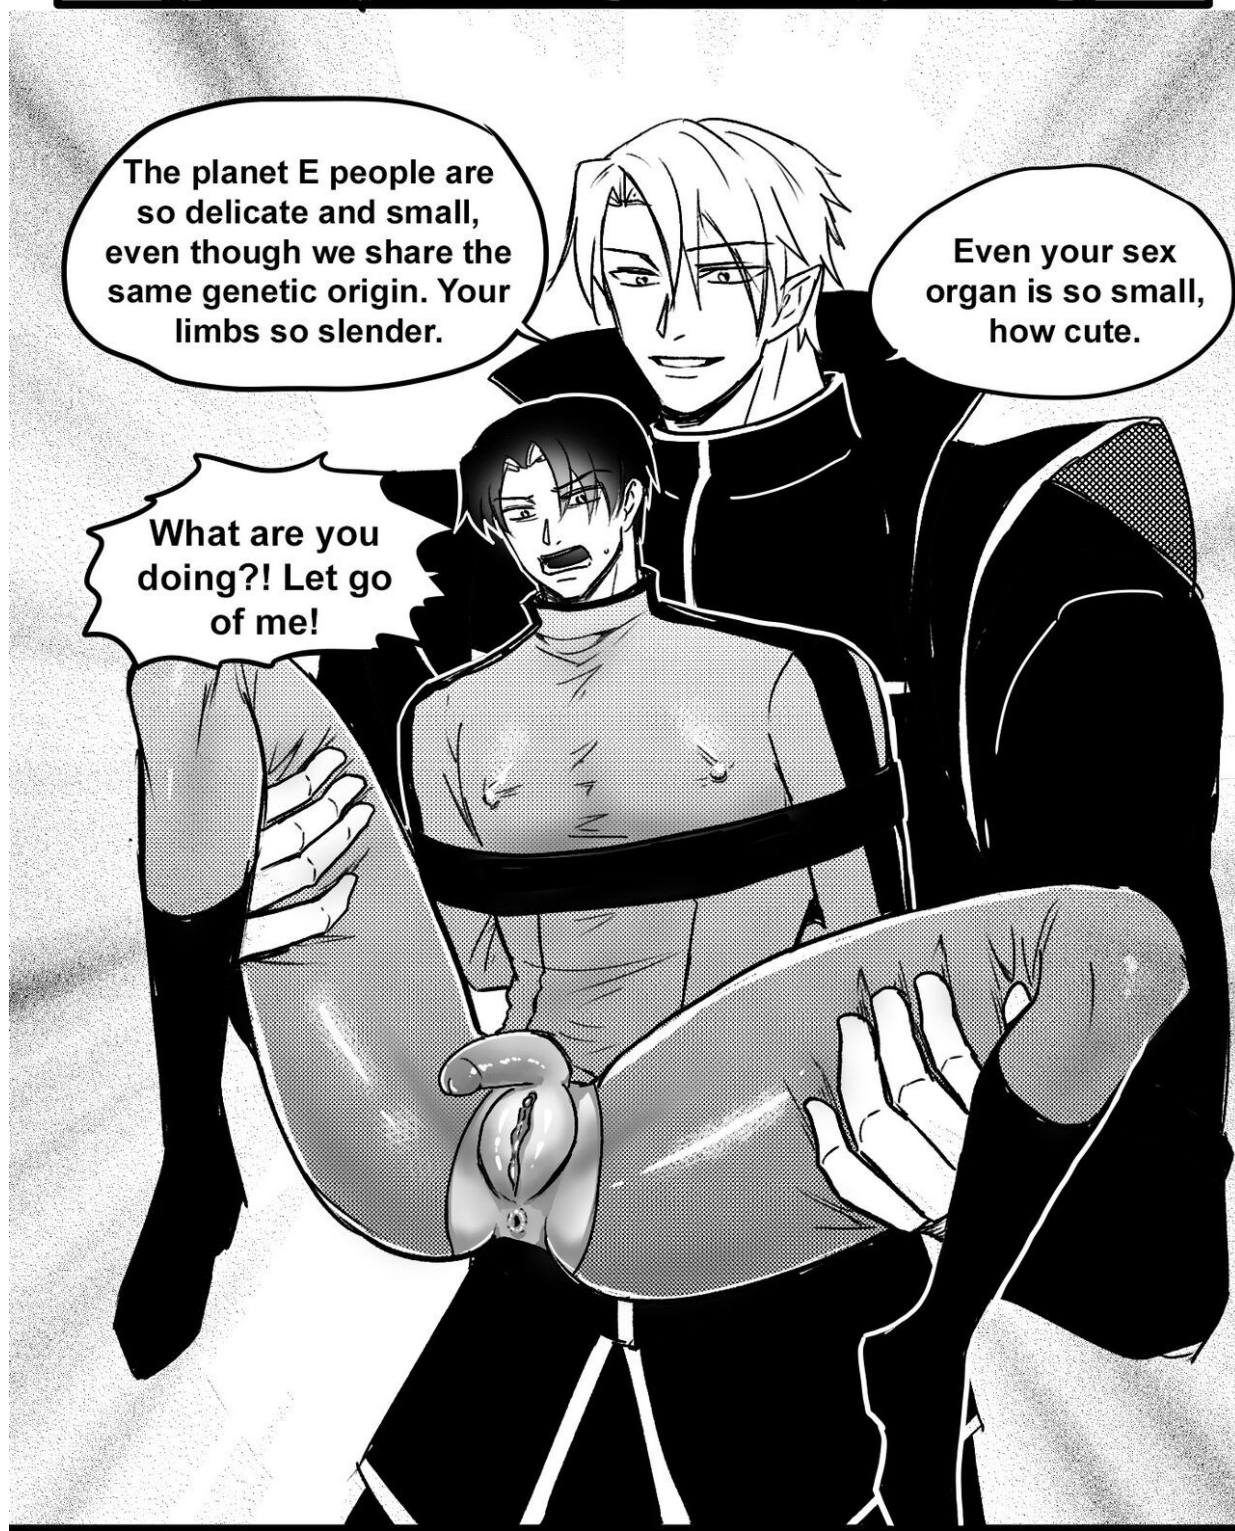

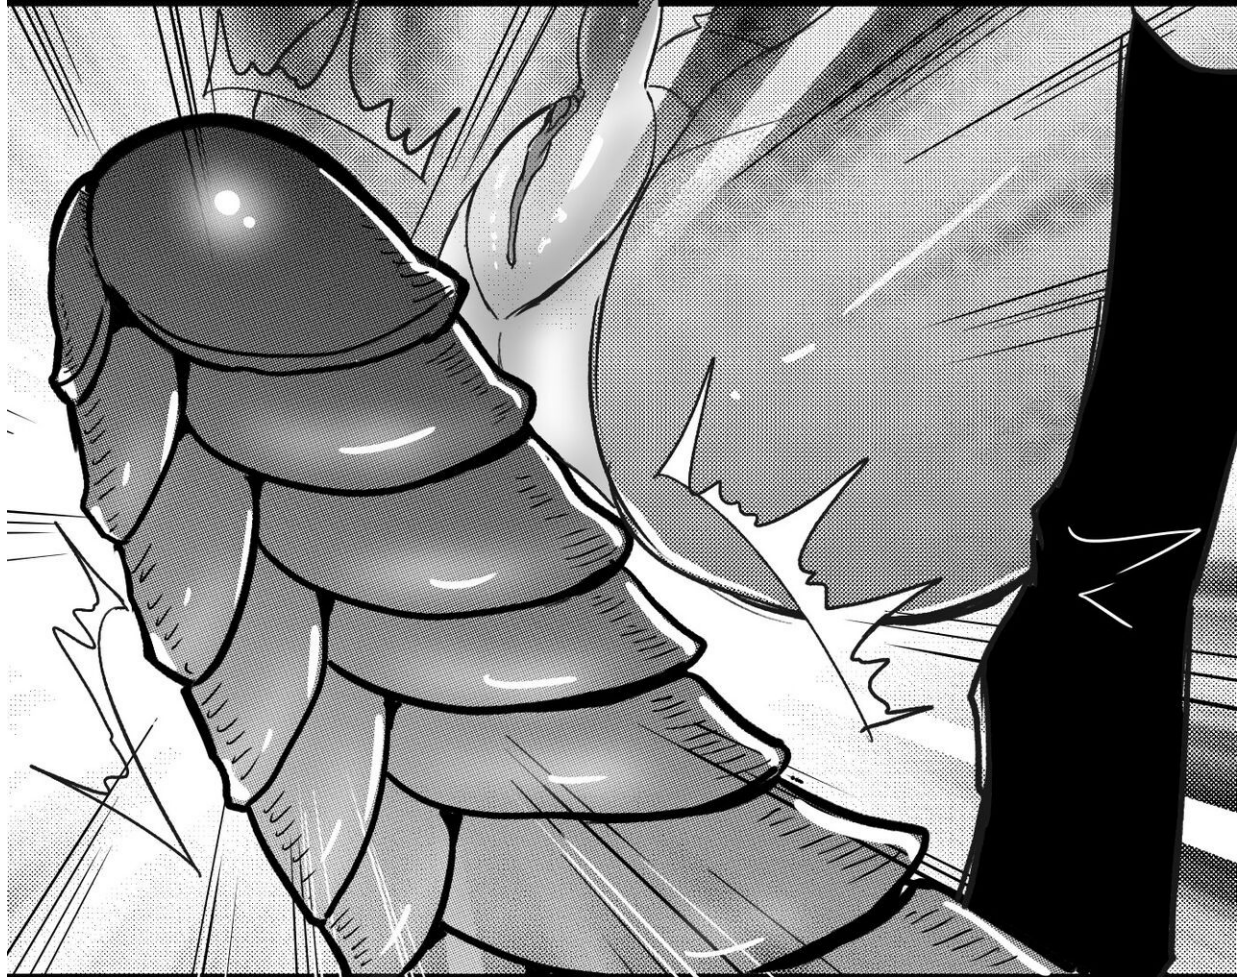

And so, the exploration members
trusted these Titan siblings, and
entered their territory for treatment.
However...

One month later

The Planet E people are such a suitable race to be female vessels. The three of them have successfully gotten impregnated.

Once the foetus matures, can their delicate bodies handle giving birth?

Not to worry, their bodies have been modified, no matter how big the baby is, they will be able to give birth smoothly.
