by Atori K

English translation: sirC

He's a very diligent and quiet student...

He's Hikaru Minami.
I'm his homeroom teacher.

It seemed like it was something serious... He couldn't be making fun of me, could he?

I wonder what he wants to ask me...

Whaa?!

Sex?!

Please have sex with me!!

Umm... Sensei,

Please...

It's okay... No one else is around.

So...

What did you want to ask me?

Minami-kun...

...but you.

Please, I wouldn't ask anyone else...

I... want to become an adult.

So, could you please teach me how to have sex?

Everyone treats me like a kid.

I'm the smallest one in my class.

What should I do?

He's asking me to teach him how to have sex, but I don't have any experience myself...

...be naked to have sex, right?

Umm... You have to...

O-Okay.

I'll teach you about it.

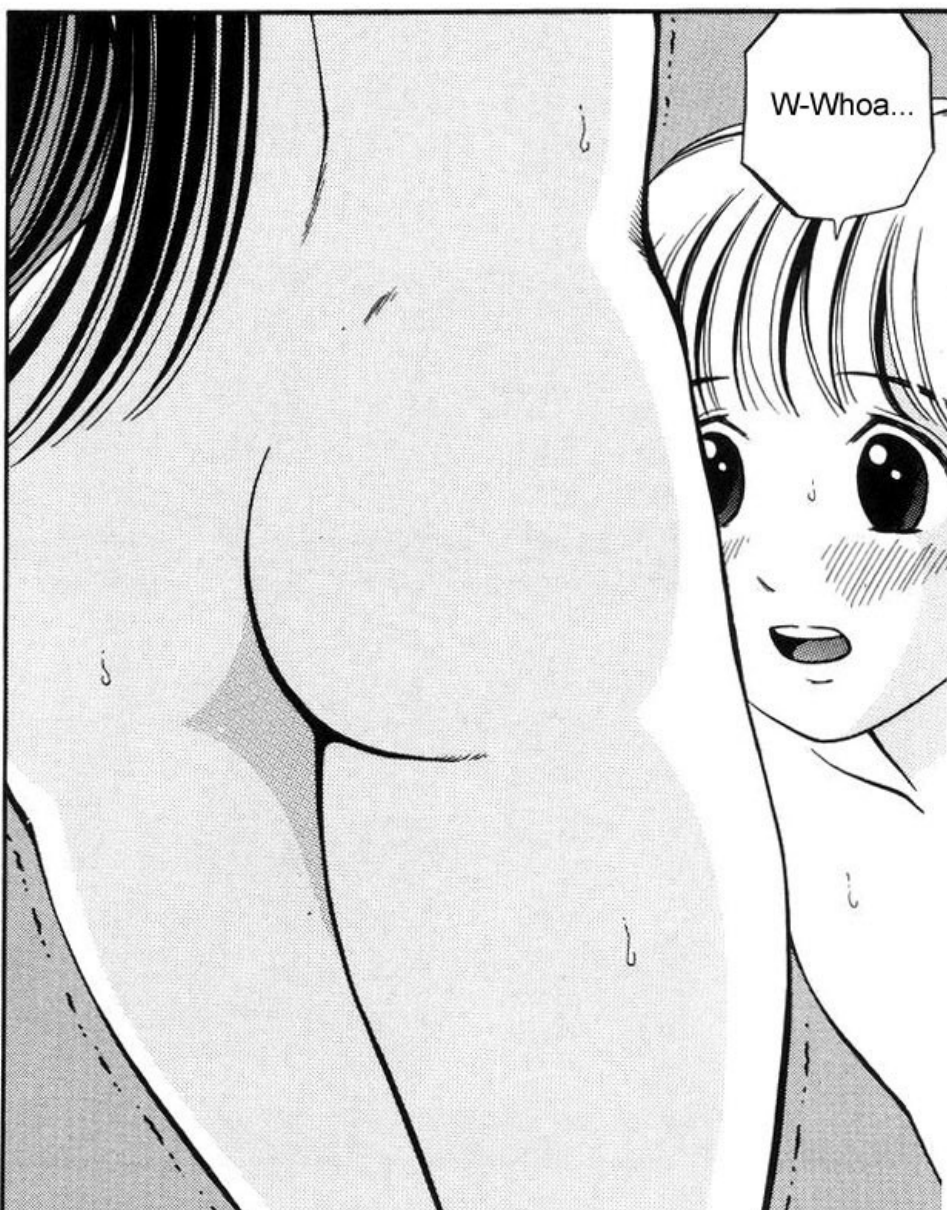

Th-This is all part of being a teacher... I have to do something.

R-Really?!

A-All right, here...

Ah! There, I can see it now, Mizuno-sensei.

Can you see it better like this?

Y-Yeah, but I still can't...

...see what it looks like inside.

Inside?

...the woman's private par--

Umm... This is where you have sex...

It's called the pussy, right Mizuno-sensei?
