Oh, ummm Senpai... I have things to do for my class so I'll be a little late.

Okay, gotcha

Phhhew It's hot out!  
And we've only just begun, we still have to go to the training room over there.

That's it for today's practice here!

⋮  
Alright !!

**CHEER BOY:  
UNDER THE BLAZING SUN**  
~SWEATY MIDSUMMER TRAINING~

Ka (TMP)

Then for Today's practice in this place

Do you wanna try to do it dressed up?

But I'm fine, I like this rough stuff so I don't mind at all.

It's harrrrd practicing under the blazing sun in our gakuran!  
As long as we don't collapse until we're done cheering, it'll be okay though

Seriously ?

Yup

BU-n (Whirr)

■ DON'T SKIP OUT ON READING THE COOL SETTING MEMO BELOW ■

\*\*\*The school cheer team is a group of volunteer members whose active purpose is raising morale and comforting students who have troubled minds, in addition to cheering at all of the school's tournaments and events.

They have also been known to exchange sexual acts with people, to get things like good grades.

It is even said that, they will respond rather well toward any kind of act that the partner wants to do.

(But, it must be consensual) (RAPE is illegal)

■ TEAM RULES ■

- . Strict observance of other students privacy
- . Relationships with fellow team-mates is prohibited.  
(If there is such feelings you must resign.)
- . Members must perform in a suitable manner.  
(Your skills should progress well alongside your peers)

We train to make our partners feel good, right?

Give 'em back!!  
Masturbating is not the training we came to do

SFX: Swelling Excitement

SFX: EXI-AUS-TED!

The following pages are a reproduction project from my Copybook which I released in the first half of the year.

Especially the second story, it is the pilot edition for this new manga series (Cheer Boy).

{TN: "Pilot" is a term for the premier/sample episode of a media series.}

[The Judo Way] is based on a story from an old Judo Club friend who I had a crush on. I drew this manga dramatization how I wished the story to be.

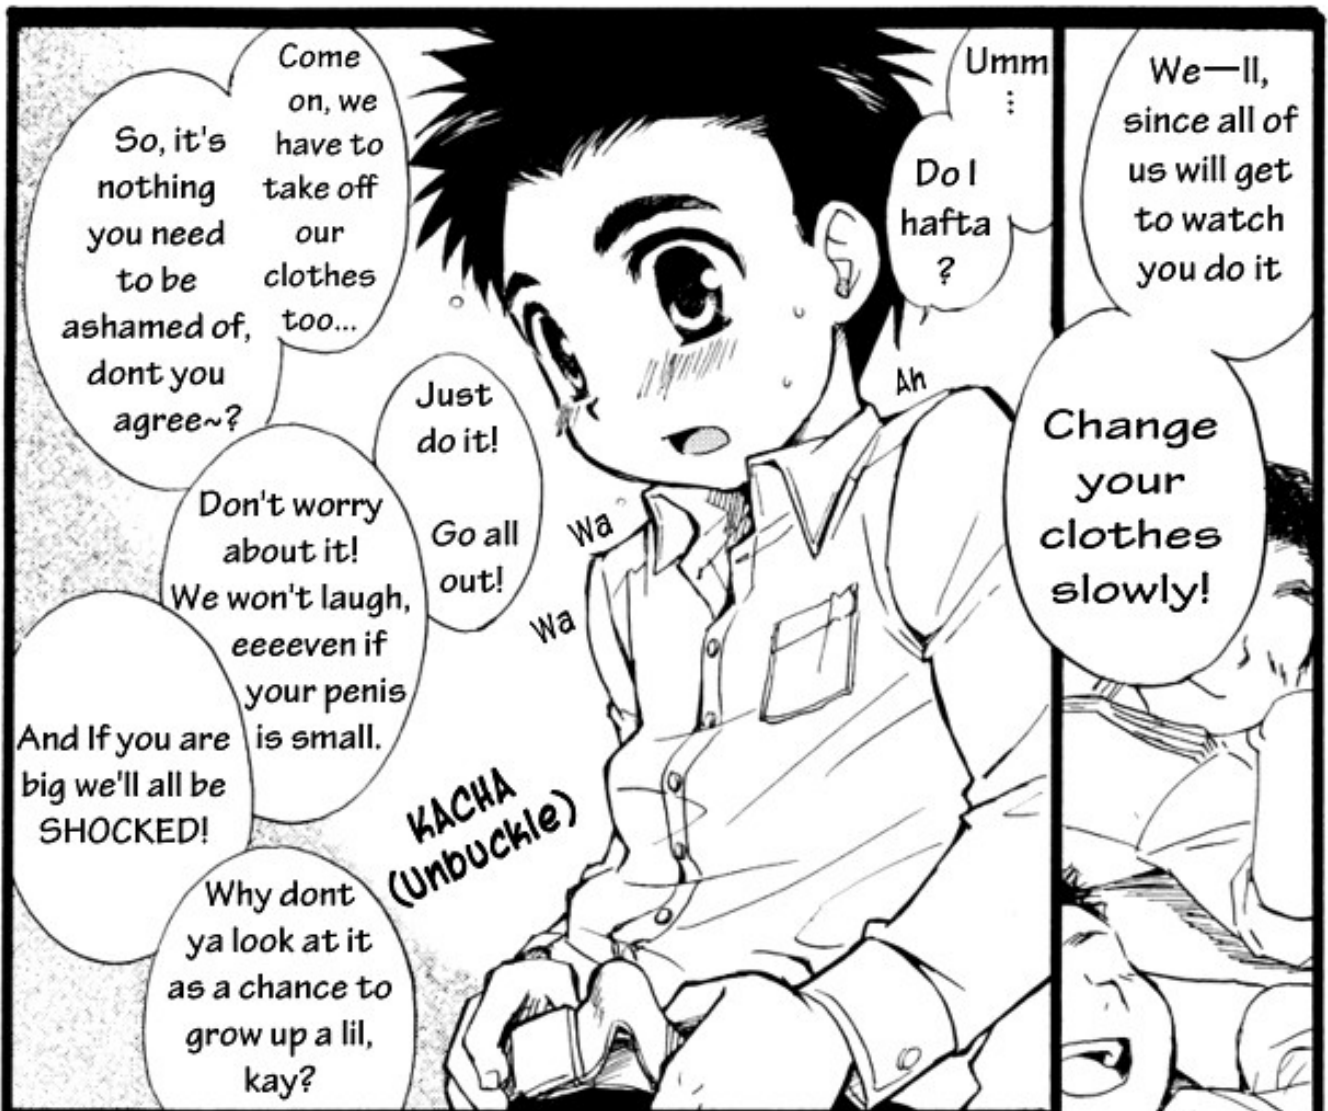

Sorry Sorry.

Greetings everyone!  
Thank you very much for reading this to the very end.  
What did you think?  
Even though it was midsummer, I put them in Gakuran\*.  
(\*stand-up collared school uniforms.)  
I think it turned out pretty good and I would be very happy if you like it too!  
In either case, that's all for now. I hope to have the opportunity to see you around here again. Until then, take care and please excuse me.
