Sorry about

Today, for the

Just be obedient. I want to become your pal.

Shall we be friends?

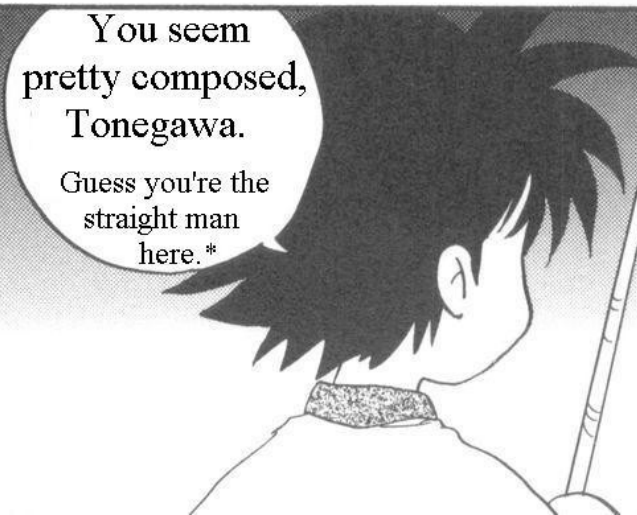

Wait a minute! I'm not like that!

Homo SM !!!

Exposed and in pain

Even if you're not, I am.

*Yoshi calls Masato a tsukkomi, the straight man in a manzai routine who corrects a wise guy's ridiculous statements.

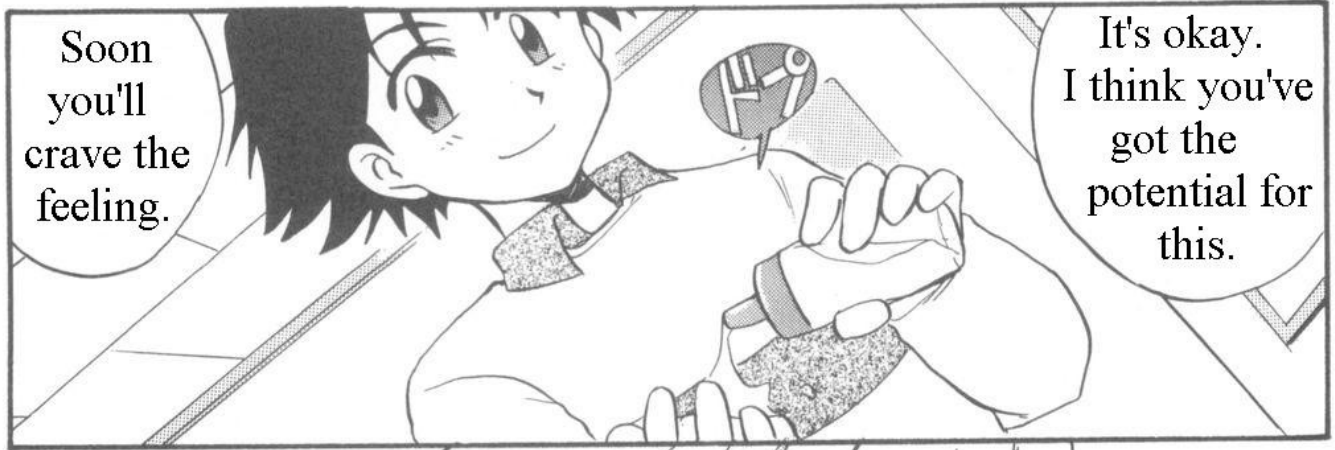

You seem pretty composed, Tonegawa.

Guess you're the straight man here.*

You've gotta be kidding!

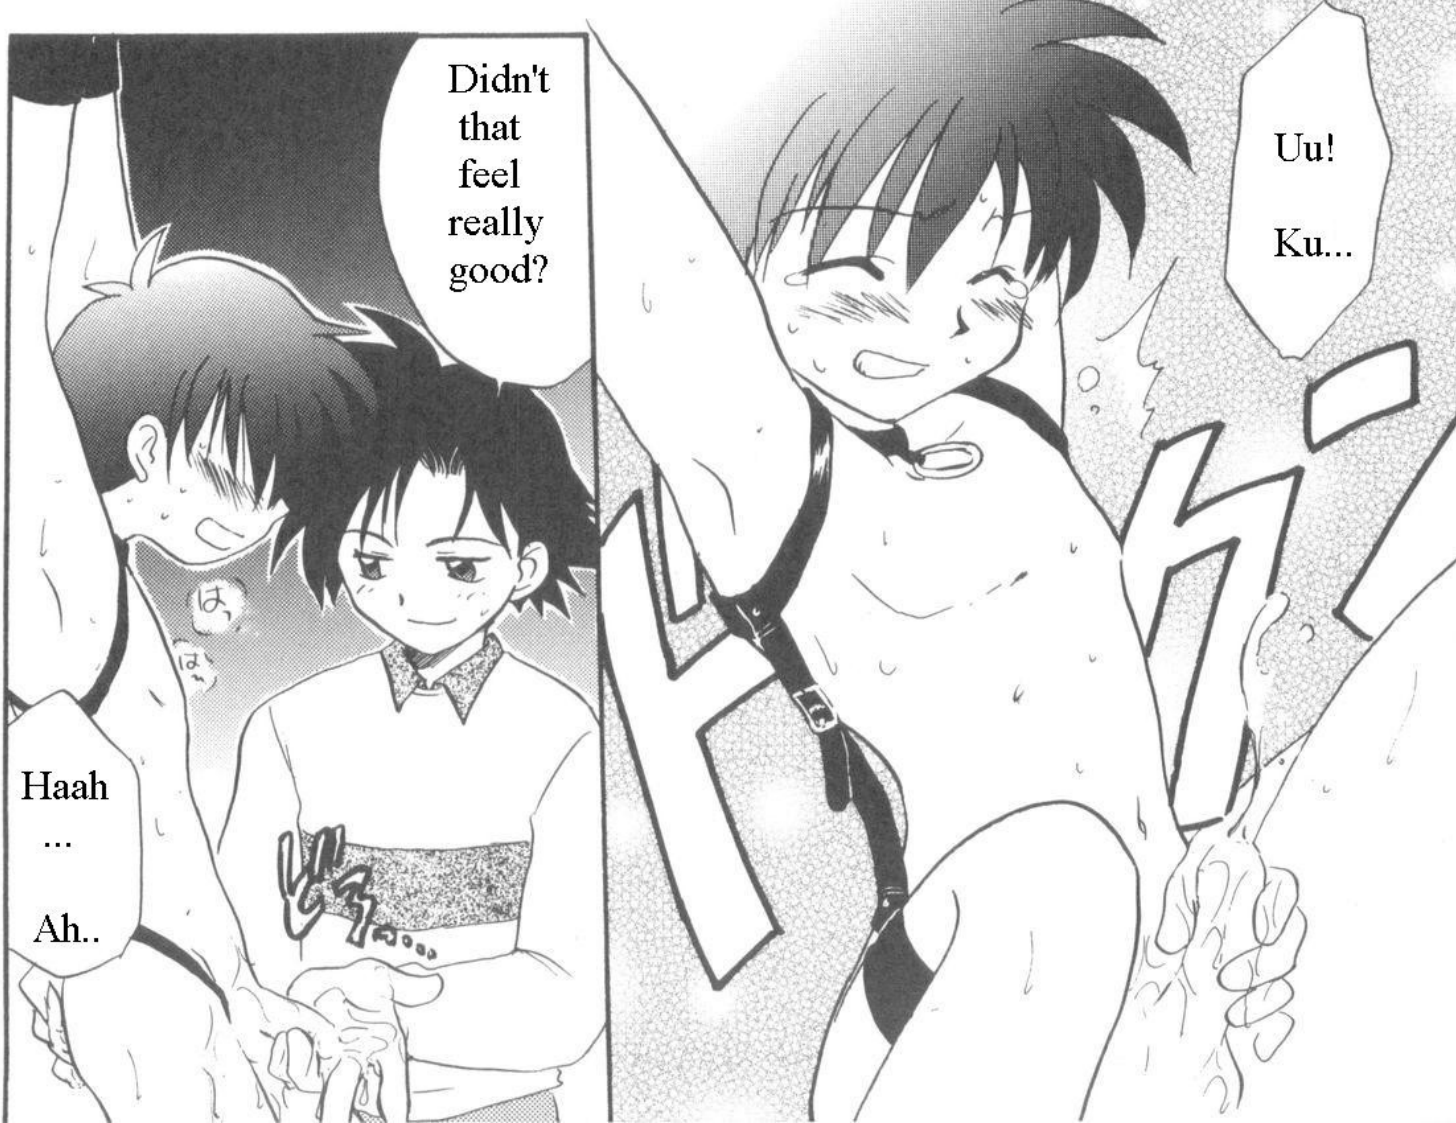

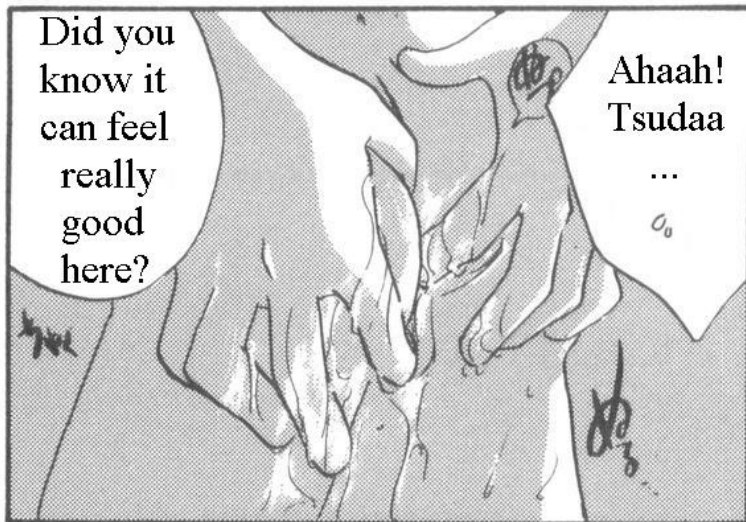

The place in the world where hanging someone up in bondage gear is considered friendship doesn't exist.

Nn!

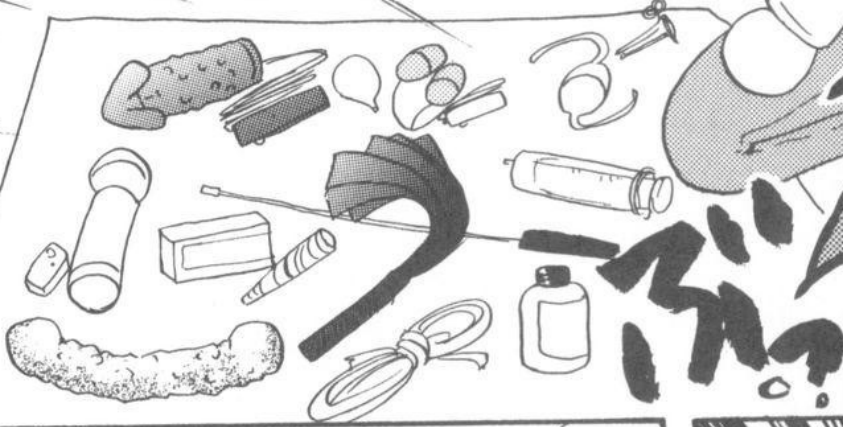

Now then ...

Which of our popular items would you like to try next?

ガッ

T/N: The handwriting in this panel is freaking incomprehensible

... Big brother?

Noooo!! Those scary looking toys are completely awful!!

... Can't be helped, gotta hold off a bit.

I just wanted to meet some pretty big sis, or a cool big brother!!

Is this kid a virgin with both boys and girls?

Heeh, cute ♡
Is this kid Yoshimasa's friend?

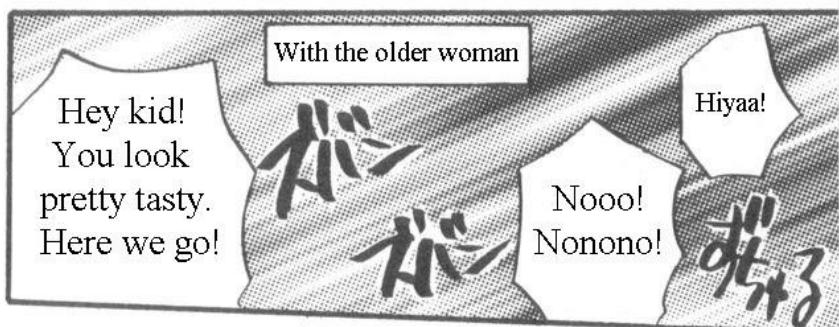

The store's big bro and big sis.

Thank you for your patience.

Now then. Let's do all those satisfied places

All over again.

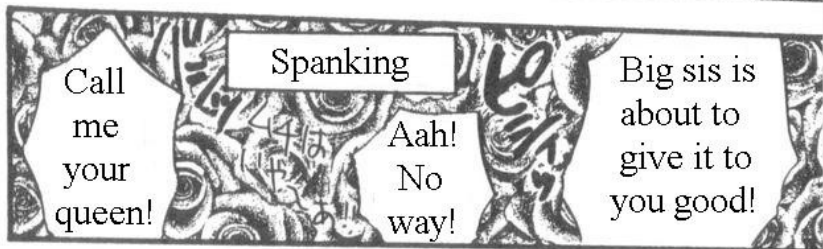

With the older woman

Hey kid! You look pretty tasty. Here we go!

Hiyaa!

Nooo! Nonono!

Spanking

Call me your queen!

Aah! No way!

Big sis is about to give it to you good!

And all kinds of play that can't be shown

Aaah!

Let's be friends from now on

Masato-kun

Want another?

Noooo

All these have been used.

みいみい.....

And.

Most of the boys in my class have delved into his experience.

But he's got such a friendly look.

That guy is completely uncontrolled.

He's such a pervert

Victim

I later found out that Yoshimasa was one of the most famous perverts in the school.

Then would you like to wait so they can watch?

As promised, we became "friends."

Please stop it, someone might come

After that, I started doing whatever he said.

Last Chapter's Synopsis

(Humiliation short story)

The transfer student, Tonegawa Masato (figure 1), had barely arrived at his new school before losing his virginity in one fell swoop! His partners were the three people working at the adult shop Amigo, including one Tsuda Yoshimasa (figure 2). Into his room was Masato brought, and taken in quite well and thoroughly. However, eventually feelings of friendship, and masochistic pleasure, grew between them until (snip)

Who...?

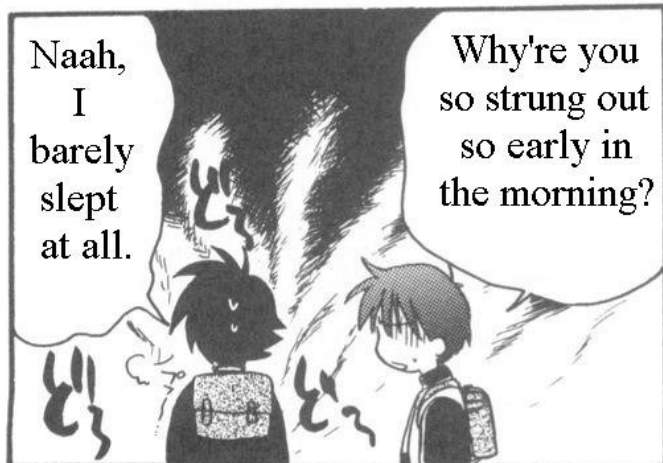

Welcome to the Underground

Oooh, good morning ...

Heey. Good morning.

Naah, I barely slept at all.

Why're you so strung out so early in the morning?

What? This is also an important way I help the family business!

Just how damn old do you think you are!!

I was up 'til dawn helping edit some new adult videos.

Yeah, your family would be like that.

This went on for some time, so let's cut it short here.

T/N: Thank you

In our family business, my older sister and brother are adult video actors, dad's the director, mom is the queen of the SM club, grandma is the store manager, and grandpa develops new toys to sell. Also, dad's brother runs a party hotline, and mom's little sister's husband's father...

↑ Serenly perverted

Uhuh

Being in this kind of family, I debuted three years ago...

Ah, but this younger brother is alright, too.

It's lunch time. Get up already!

Heey, he fell asleep.

Tonegawa, you're on lunch duty this week.

Let's hurry and go.

Geez. You were fine for the first four hours, but then you just crashed. So a guy like this really exists, huh...

So do you, Yamashita

But you sure get along well, Tonegawa

...
You've also done that kind of thing?

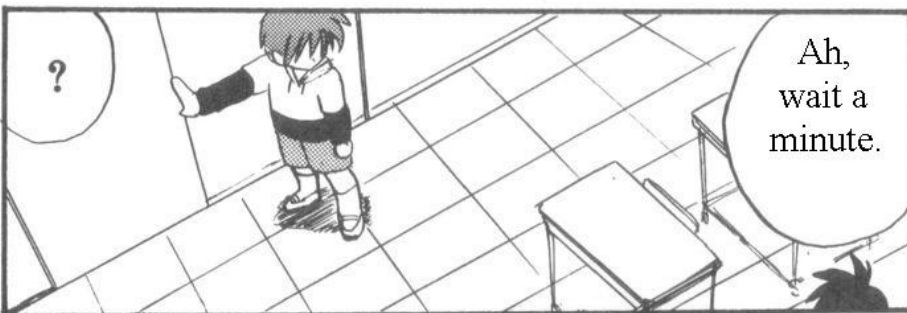

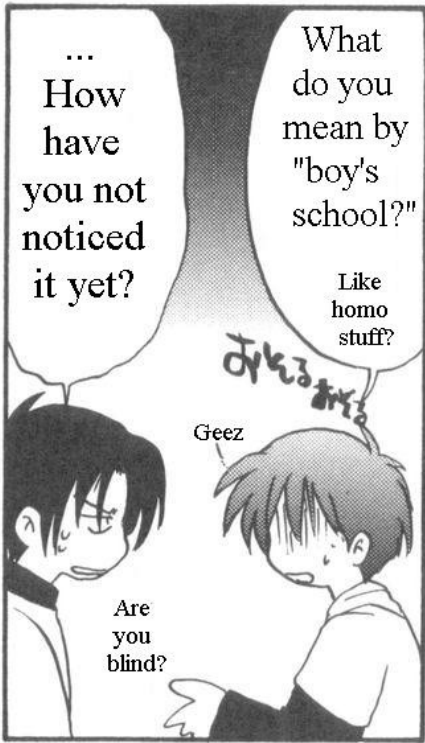

You've also done it, right?

Pervy stuff

No kidding

Because for such a pervert... he sure seems like a nice guy.

Correct

I don't want to get into any perverted games here...

Just what am I doing ...

It's only my fifth day in school and yet...

So here's how it is.

T/N: There are several different readings for Kobayashi's name, and I haven't seen it officially spelled out. I picked this reading in honor of Star Trek's Kobayashimaru no-win scenario test. It seemed apt.

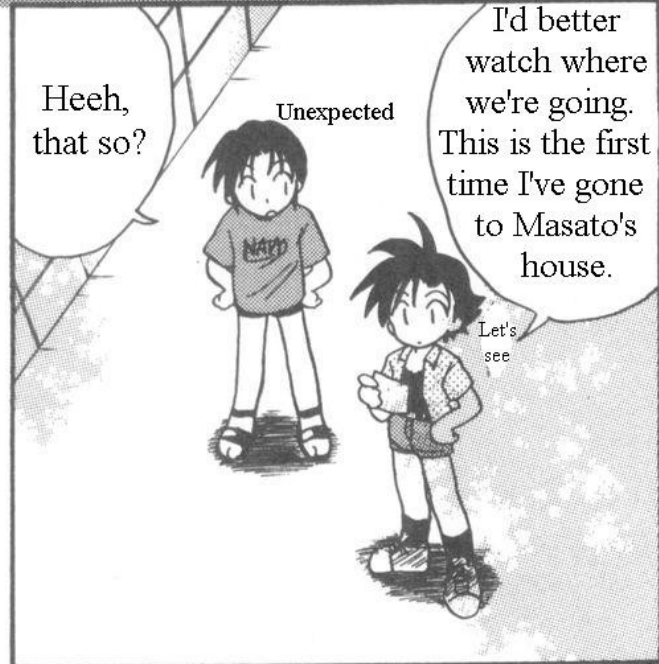

Since we always go to Yoshimasa's place.

Would everyone like to come with me?

And so it was the next day.

Yo, this way, over here!

Heeh, that so?

Unexpected

I'd better watch where we're going. This is the first time I've gone to Masato's house.

Let's see

Actually, I'm going to visit my grandma in Hakata.

It would have been nice if Pierre could have come too.

Well, it's pretty old. And it's just a rental house.

It's pretty spacious.

↑ Lives in an apartment

Ah, yes, yes. I'll just put this back in its room

Trivia

"Masato's father"

His job is bodybuilding. Whenever friends of his son come over he shows off his honed body, sparing nothing but his crotch. A most disagreeable father. His favorite expression is "prepare for anything."

... My dad,

... What was that ...?

But you won't die in this place...

Explanation!!

The constant bottoms Masato and Yamashita made a plan to catch Yoshimasa dead to rights and demand that he allow them to top for once. They had to practice the plan for some time before putting it in motion!

Because, look. In a gag manga you can't die.

Somehow

That's how it is.

Isn't this a rented house?!

I'll die!!

If you had just said you wanted to do that kind of thing it would have been fine!!

The two of us would sure like to do some things

No, well, we've just never seen you in any position but seme.

Yeah. But he was also sorta shipwrecked on the other side...

What!? Yamashita, you found someone!?

Yamashita

That's his... previous owner...?

Hn? They've been looking after you?

Acquaintances ...?

How have you been? You got so big

Wh-What!?

I'm Francois's big brother.

For taking care of him, I'm in your debt ...

I'm late with my greeting.

北海(?)裸亀貝物語 -後編-

~ひみつのあめのはつらんソワーズ~

The North Sea (?) Naked Turtle Shell Story -Part 2- The mysterious little one is Francois

Last Chapter's Synopsis

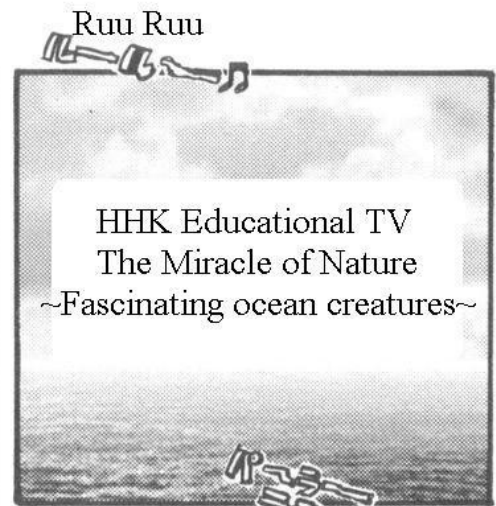

The year is 199X. The world has been covered in nuclear fire.

50 years after that... Naoko, a young middle schooler girl living in southern Akita prefecture, has finally confessed her love to her longed-for sempai. However! During the next full moon it was decided that the sempai would become a sacrifice to the giant monster birds that lived in the forest around Fuji.

Naoko wept and fell to her knees. Also, because of the M national self defense organization HGR initiating CYAN extermination tactics, no more information was coming in. More terrible black clones loomed over the city each day. At that moment Naoko...!!

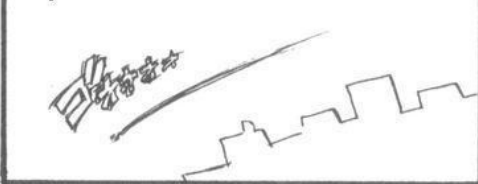

For the sake of the good boys, the true summary of the epic war ★ Due to some odd things happening, these four boys have washed up on a mysterious deserted island. It turned out to be a dangerous island overflowing with rapacious lifeforms! Ikumi was saved from them by a mysterious boy. However, the boy was...!!

And so this island is our family's habitat.

Francois is genuinely my brother...

I was also like that as a child.

And that's how it is

Well, since you're my little brother's friends, I'll welcome you.

I'll help you out and hang around until you're rescued, so you can be at ease.

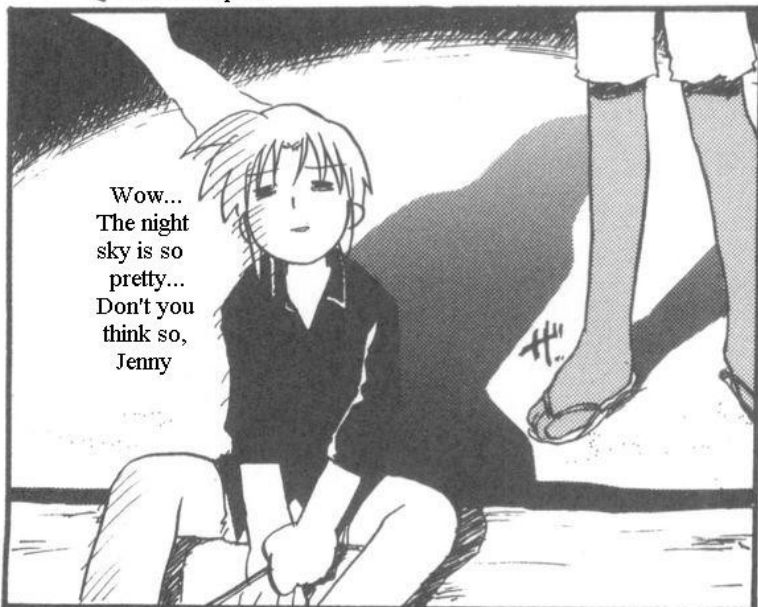

Yep!

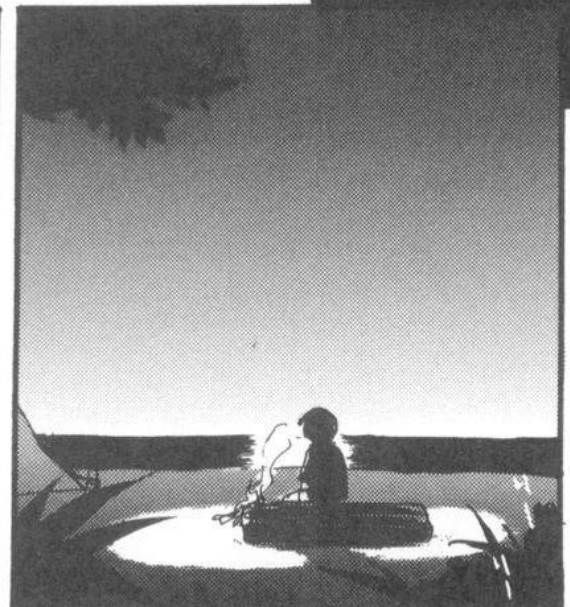

Do you understand now?

↳ Night vision goggles

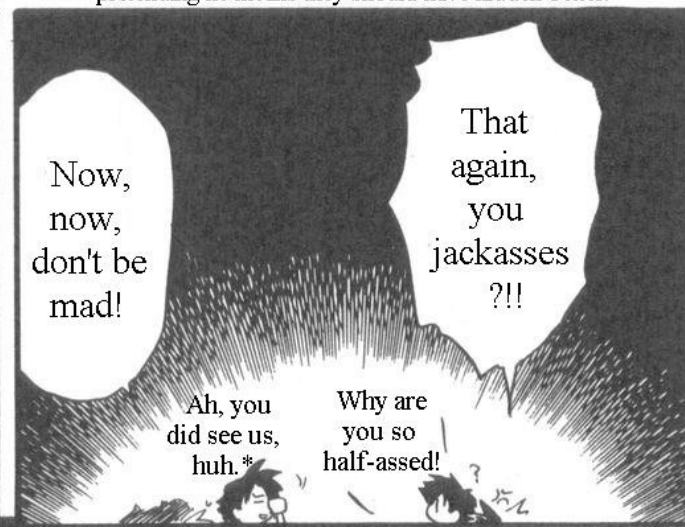

*:Ikumi is asking why they didn't help him, while Yoshi is pretending he means they should have hidden better.

Aaah!
I think that's none of your business!!

What a good story

You did it, Yamashita!
You're in the springtime of life!

Now, now, don't be mad!

That again, you jackasses ?!!

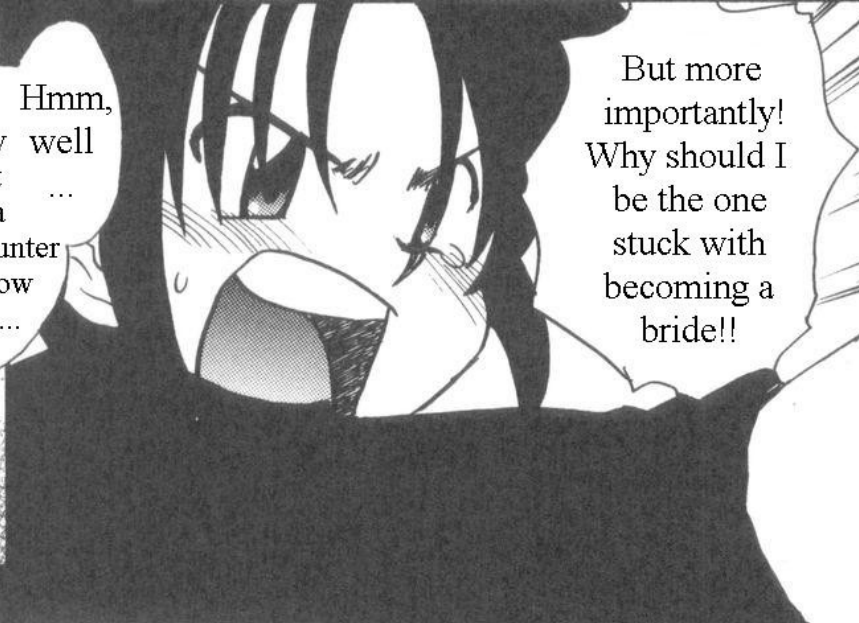

Ah, you did see us, huh.*

Why are you so half-assed!

But I'd say the real reason is...

Hmm,
The way my family well does things is to get married when in a first chance encounter a human shows how lovely they are...

But more importantly! Why should I be the one stuck with becoming a bride!!

So basically it's a case of love at first sight, huh.

When I saw your figure being raped by those mysterious tentacles, crying and gasping, my heart and reproductive organs were knocked out by a straight-on deadball, and I reached the final destination of my life... Or at least that's what I felt.

Yamashita... That's so...

If that's how it is then the argument is simple, right?!!

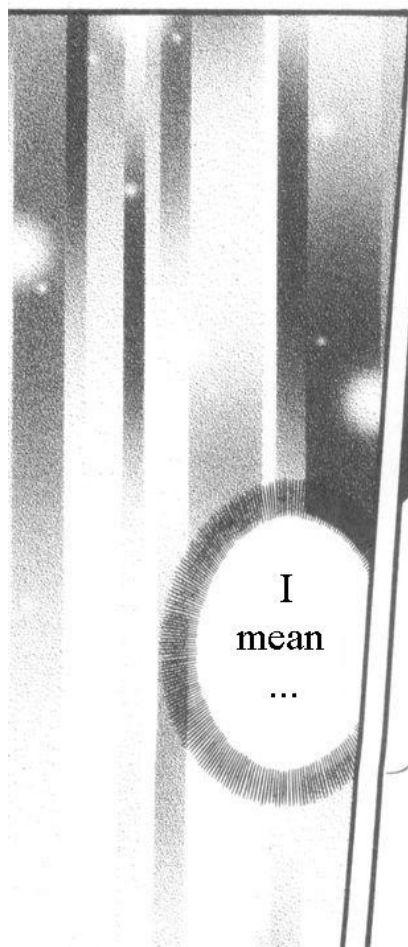

Right!!

Don't say such things !!

Right you are

It sure is!
If you're gonna make sweet love first you have to fuck like animals, I say

I mean ...

This bastard !!!

Is that really so? Your body certainly doesn't hate it, little Miss.

Aah, wait!

I told you I don't want to!!

And the next morning

Explaining that "My dead grandmother guided me" and that he just barely made it, the old man's boat came to return us to the mainland.

No... Well...

I mean...

ほお

I'm sorry for yesterday. It was absurd of me to expect an answer after only a day or two

Don't put on such an overdone pretense

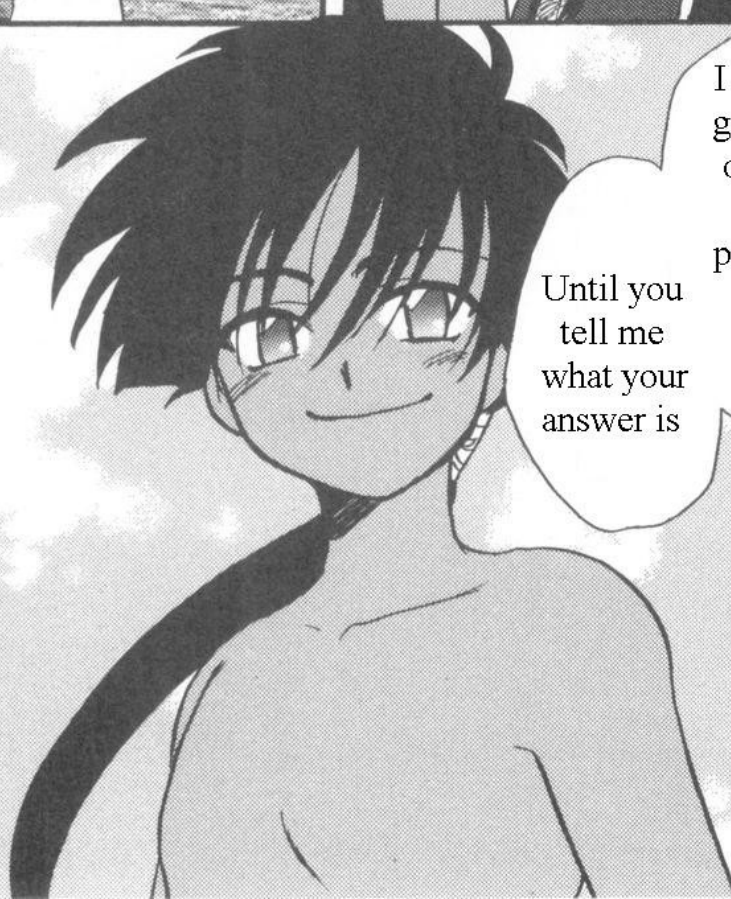

Naw, even though we're rightly being taken back this was a nice place. Though we have to resign ourselves to never returning

And that island isn't on any map, so now it's like it was just a dream or a vision...

Since then we haven't met him again.

Until you tell me what your answer is

I haven't given up on you. I'll patiently wait

Yoshimasa and Masato's Immoral Lecture

LESSON: 1

~Sexual Positions~

If you do it in only one position every night, it'll become boring! Why not change sexual positions once in a while?

First up is this, the Lion Dance!!

Quit doing that so suddenly !!

Everyone watching can play along at home!

Forget it

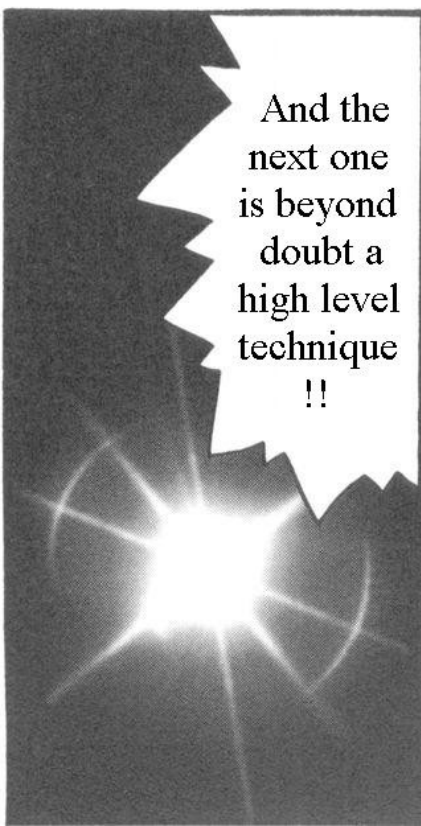

Being held so deep in another like this is great

With this kind of joining you can certainly see each other well, so that's a plus!

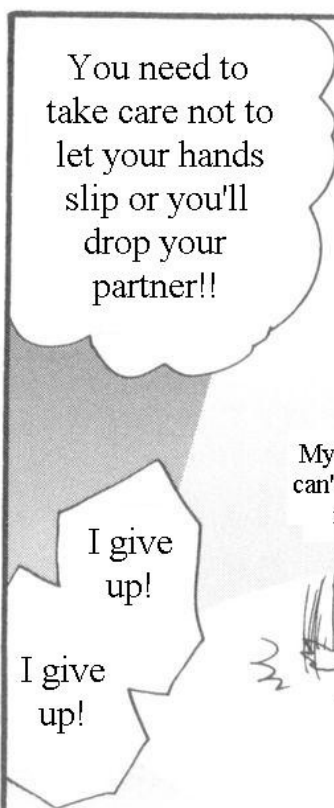

Ah

Ah

You each prop yourselves up with your hands and move your hips.

And the next one is beyond doubt a high level technique !!

You need to take care not to let your hands slip or you'll drop your partner!!

I give up!

I give up!

Male bonding is a little tricky, huh!

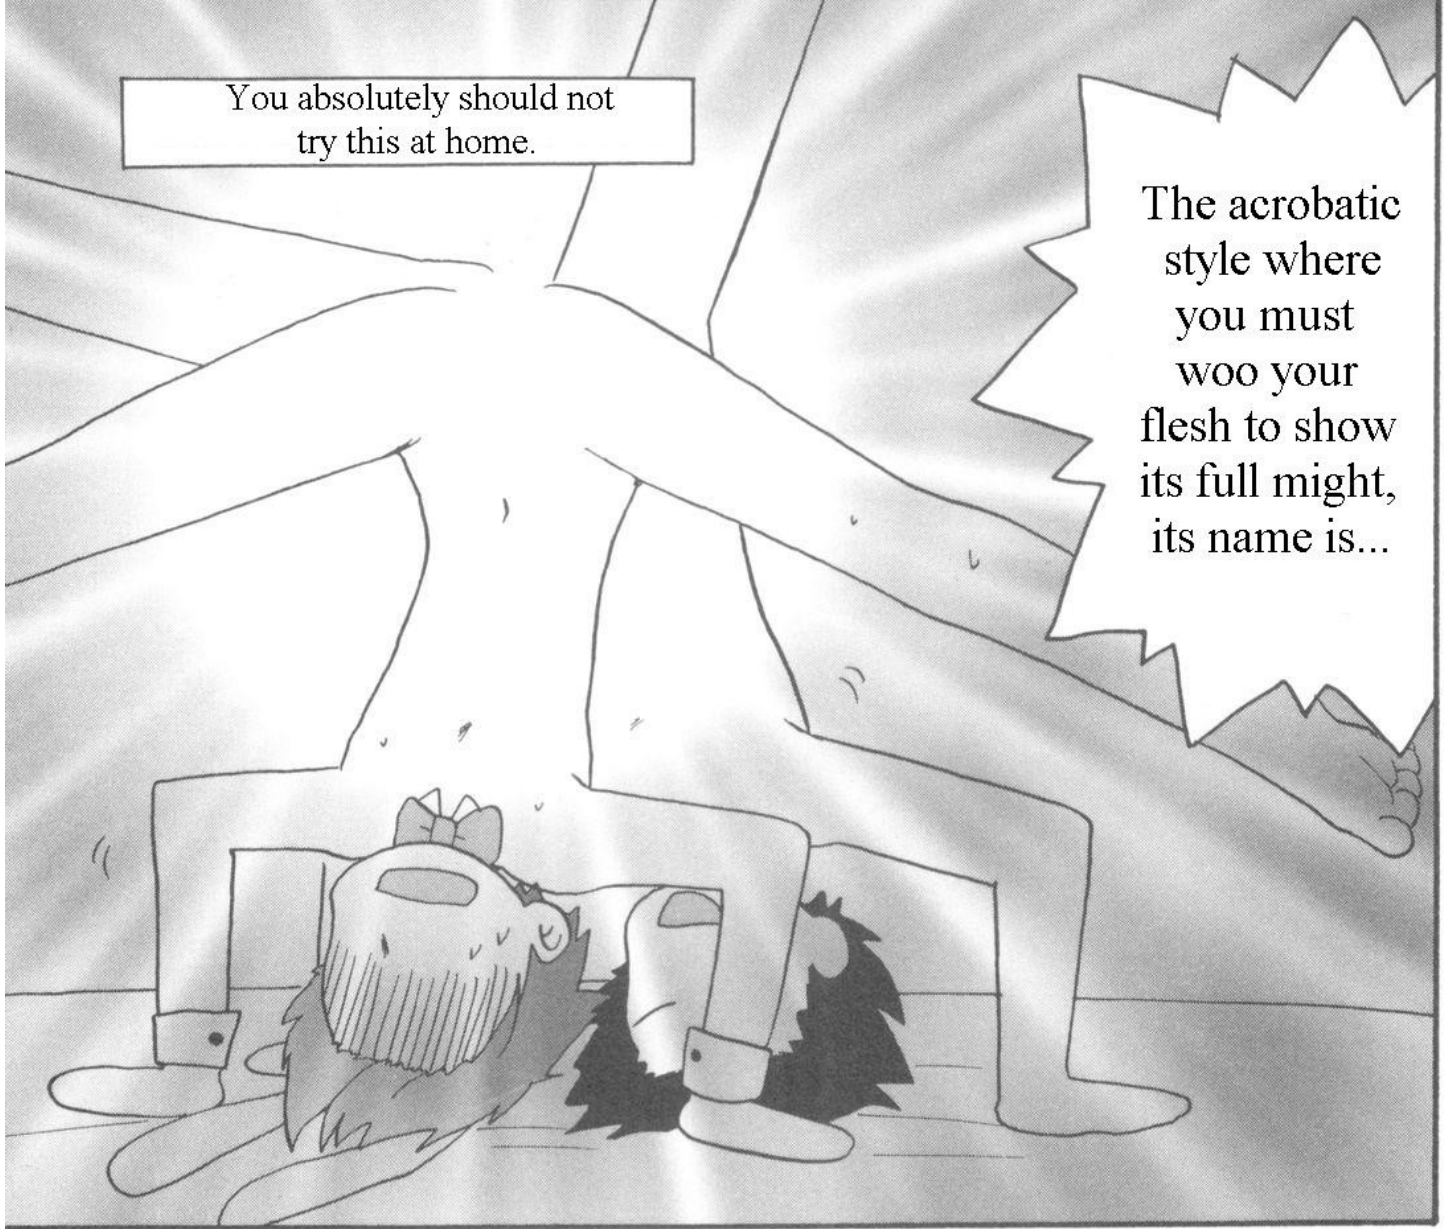

My back can't take it!!

Next is the Standing Pine!!

You absolutely should not try this at home.

The acrobatic style where you must woo your flesh to show its full might, its name is...

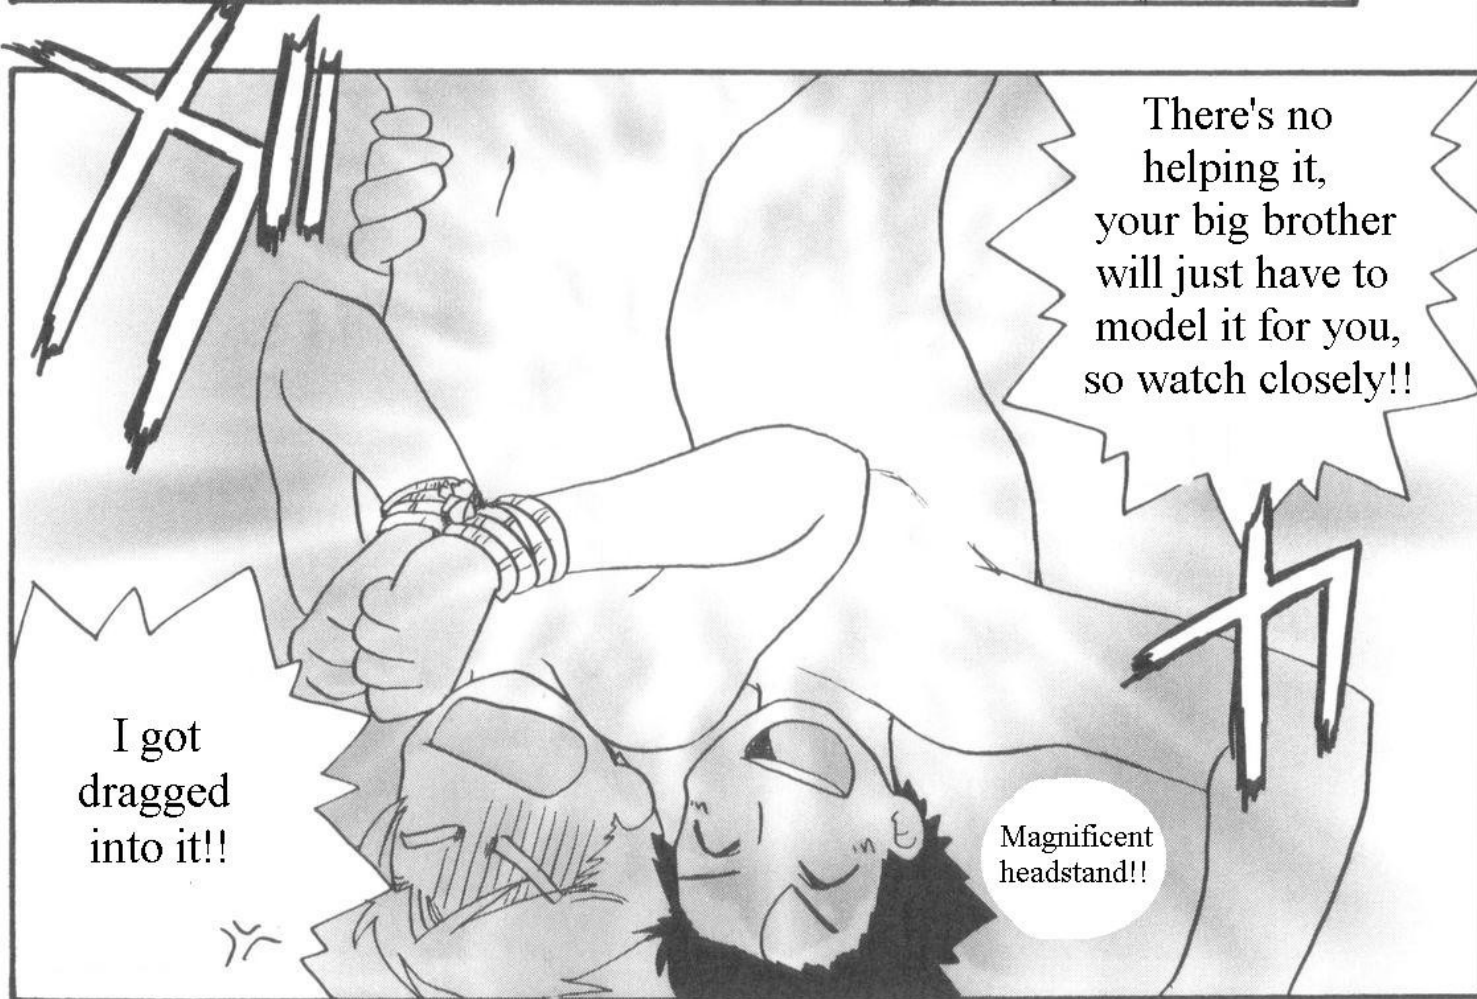

Crunch...

...
I'm sorry

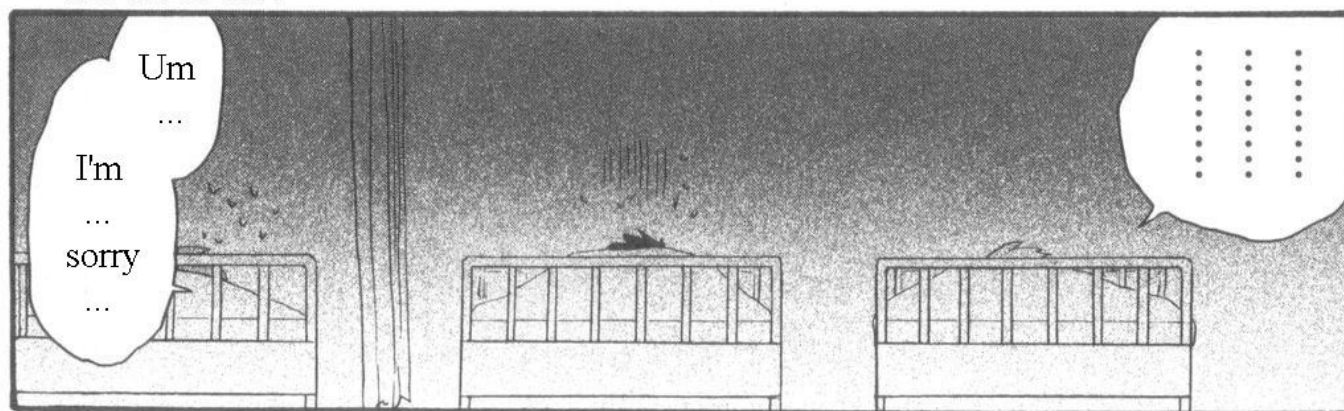

Fool...

...So.
Do you have something to say to me?

★ Takaya-san!
Congratulations on the
shota ♥ comic!

In order to be able to eat three square meals
you zealously pursued hentai from the boys
of the house of Kirigakure who went "You
must be making some mistake!" and so on.
In defiance of the likes of the straight men
please do your best to give us even more
intense and wonderful stories. That is what
we yearn for!

I'll always be there to assist you!
Best regards from here on out!

Face: Man

The truth is, these are male-oriented so far but the comics are still coming out and this one is drawn specifically so that Ikumi-chan can get fucked by the elder brother and sister Tsuda.

This is a difficult place to end things as they are, it's a really bad place to stop, but from now I think there's still a chance for something like a sequel that I want to draw

If you're a woman over the age of 18 in the core of an erotic book then thou must earnestly heed the advice in the above book.

Thank you to guest artists Iwasaki-san and Kimura-san! I will always be indebted to you... (dead silence) And finally, to all the various people who helped me out, thank you as well!
