

Once club activities are over, do you want to go for karaoke?

Eh, I'll pass

Hey, Kenji!

More than Siblings,
Less than Lovers

For one thing, I don't have the time. I'm really busy at home

Ah, both your parents are working overseas, right? That must be pretty tough

大守春雨 Omori Harusame Presents

Why not? We need to get together every once and a while!

Sorry, I'm on cooking duty tonight

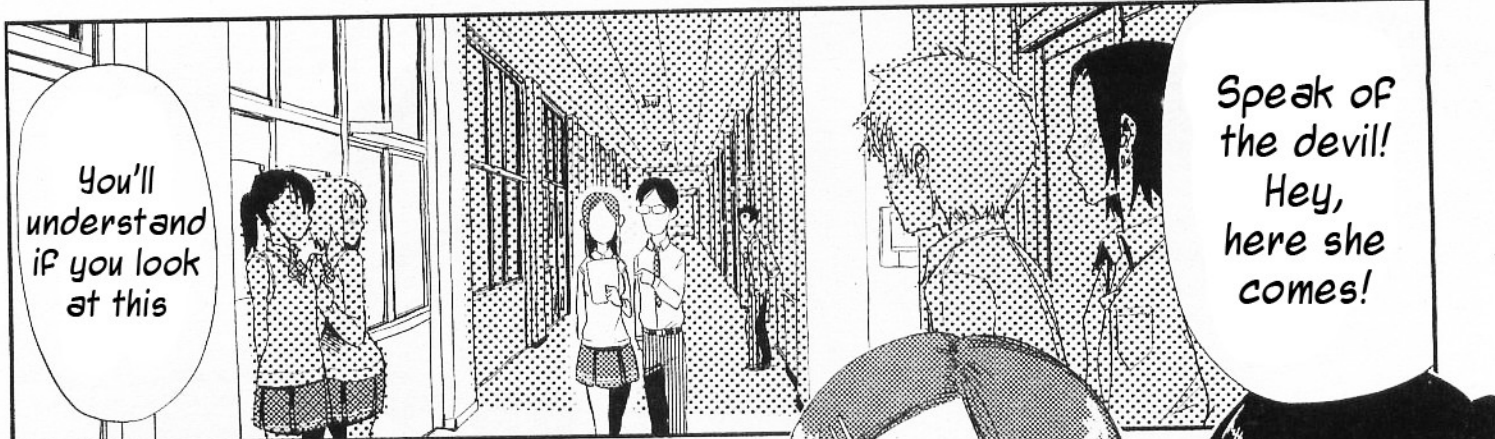

But the manager said he'd bring some girls this time - this is your chance to get a girlfriend!

I've always wanted a sister like that

However! You get to live alone with your hot sister, just the two of you. I'm jealous!

Ah...

You'll understand if you look at this

Speak of the devil! Hey, here she comes!

A beautiful body and face, elegant, and refined

生徒会長
えんどう さな
淵東沙那先輩!

Student council president Sana Endou-senpai!

Outstanding grades and excellent reflexes!

期末考査 学年別成績像

1. 淵東沙那	988点
2. 田川敏介	970点
3. 北見中兵衛	959点

To me, she's like the school's idol

But mainly...

If you had to say why...

姉と弟、二人きりの生活。
家族の絆はいつしか男女の関係に...

姉弟以上恋人未満

大守春雨

There's no way you haven't been thinking that! Your deadpan face is making me sick!

Ow ow ow!!

Soon Sana-senpai's younger brother will be singing her praises!

おっぱいおっぱい!!

Huge breasts!!

Clearly the perfect woman!

I know

It's your turn to make dinner tonight

Alright then

Please stop teasing my little brother, okay?

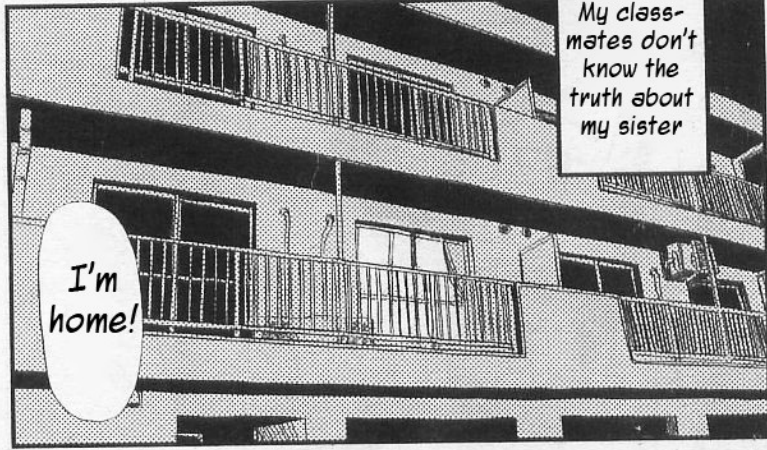

Agh! I don't know what you're talking about!

Agh! I'm so jealous!

I'll be with the student council until late

I'm home!

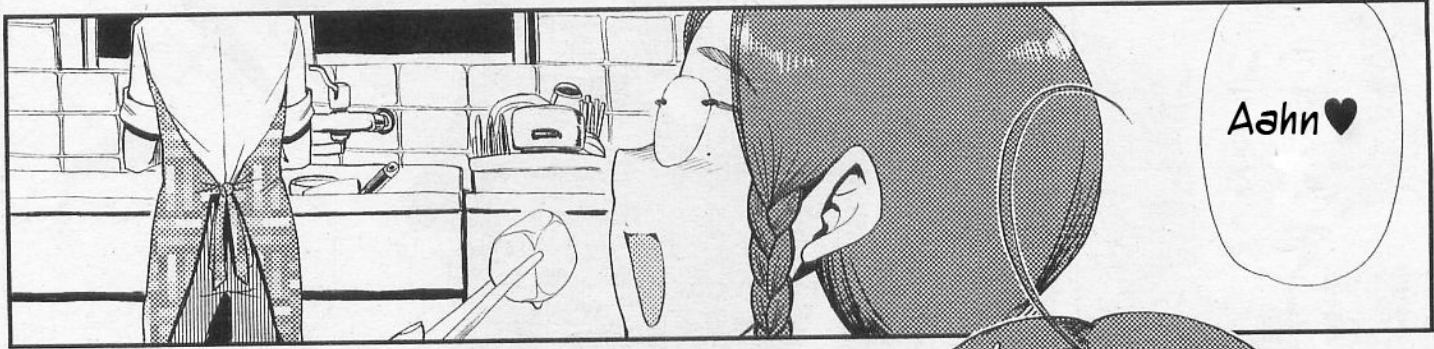

My classmates don't know the truth about my sister

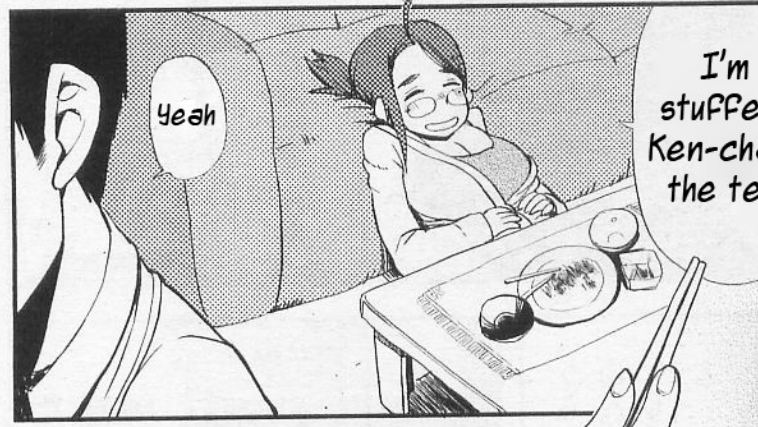

I was scolded by senpai... Oh, senpai...

... Let's go

Hey, dumbass, I'm going to leave you behind

Aahn♥

Yeah

I'm stuffed!♥ Ken-chan, the tea

Delishus!♥

もー<

Your cooking is much better than mine! From now on, you're doing the cooking!

No way

This is her true form

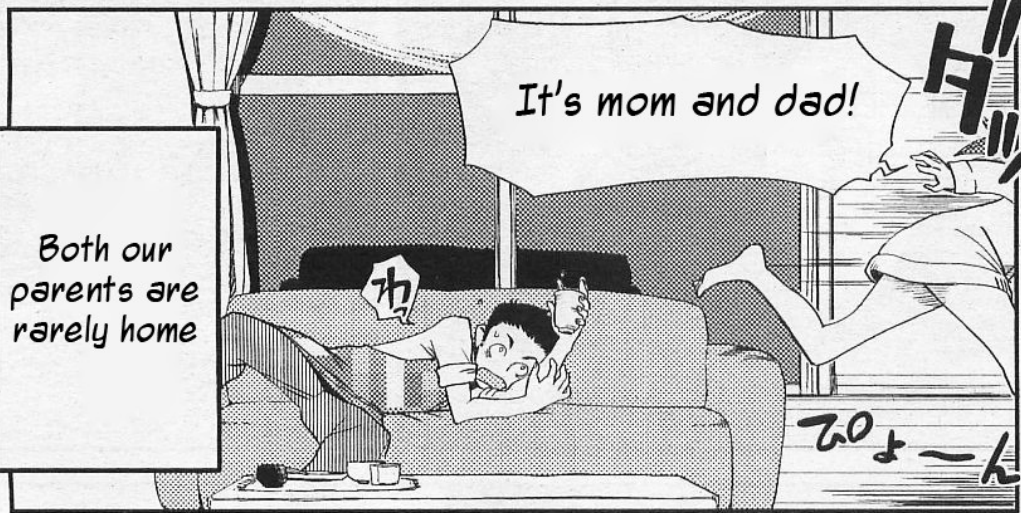

You'd better say "yes"

Ow ow ow!
The tea's spilling!
I said it's spilling!

You never listen to what your sister tells you to do!

At home, for some reason, she wants to have a "skinship"

Both our parents are rarely home

It's mom and dad!

Ringing

I think I understand her reasons

BONG!

I've been elected student council president!

She doesn't make our parents worry and is an honors student

Yep, yep Kenji and I are doing well

She's always been self-dependent

You're not coming home?

Huh?

She has no choice but to seek an outlet. Yet I'm glad

More than anything, I was happy she could rely on me for it

Again?

Really?... Yeah, it's fine. Kenji-chan can hang out at home with me and cook delicious meals

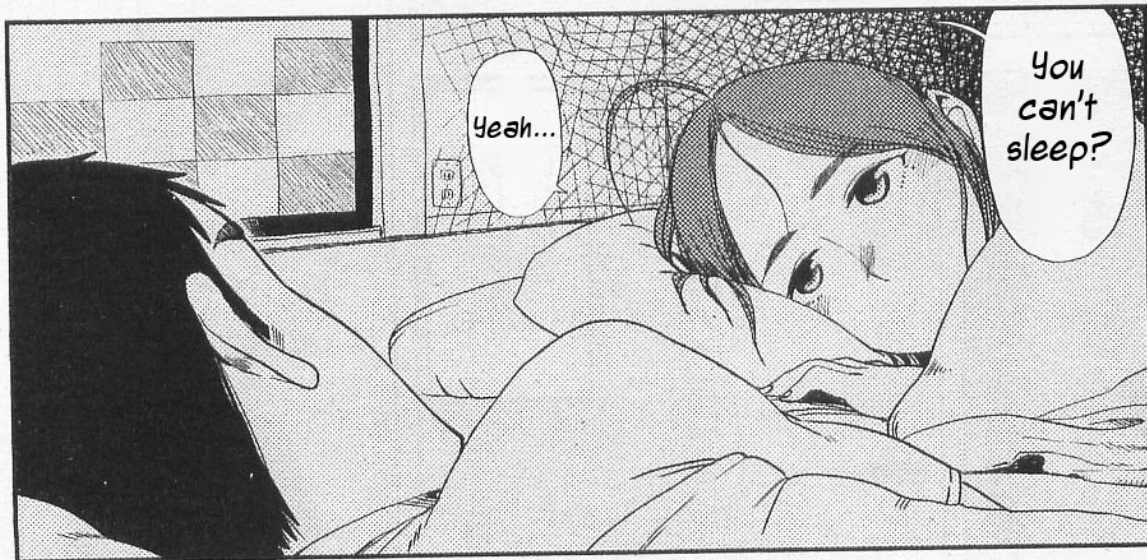

And yet not everything is fine...

Yeah, goodbye... Good luck with work

うんじやあね。お仕事がんばって

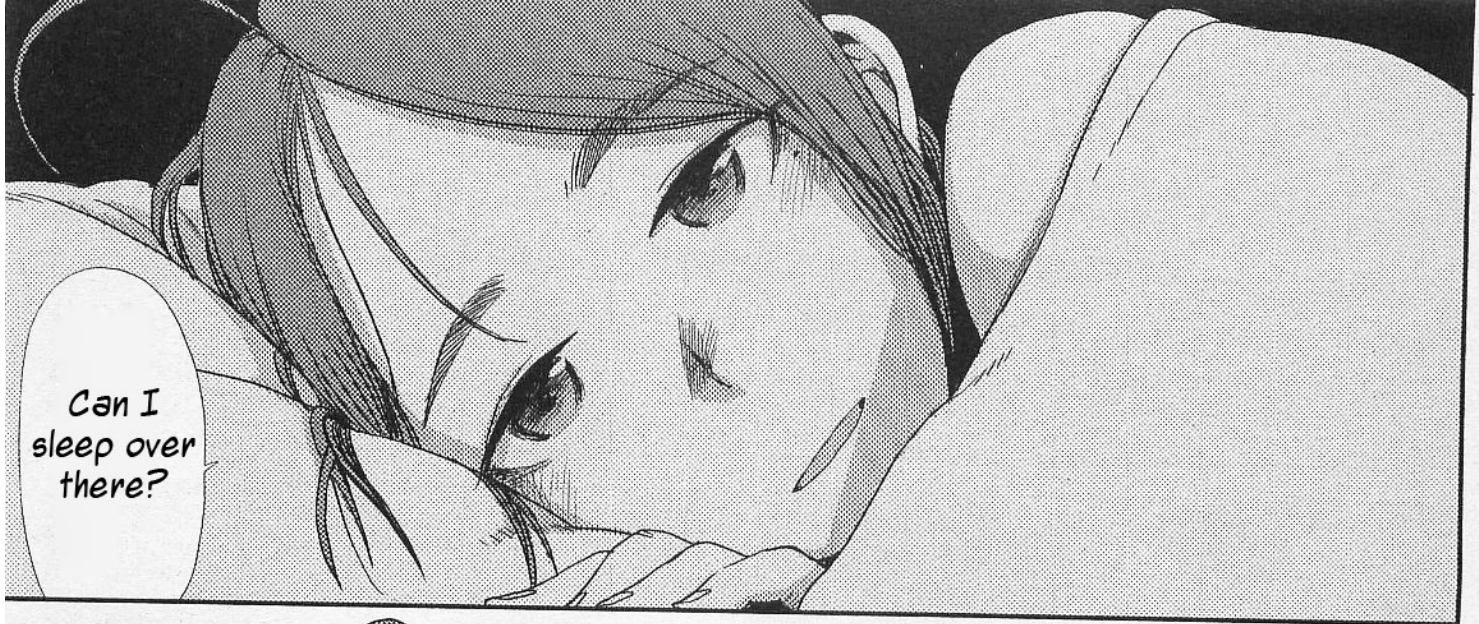

Yeah...

You can't sleep?

Without fail, on days-like this...

こんな日は決まって！

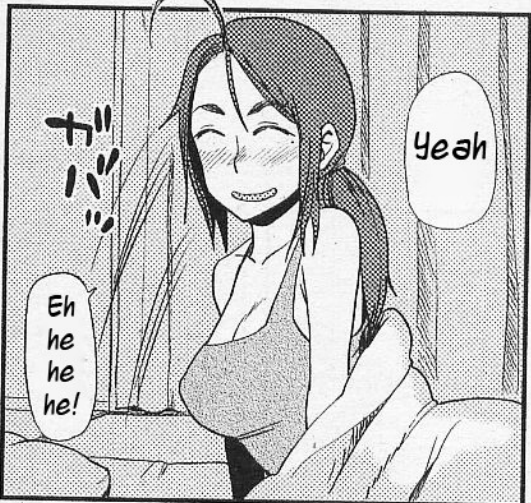

Can I sleep over there?

Just for a little bit

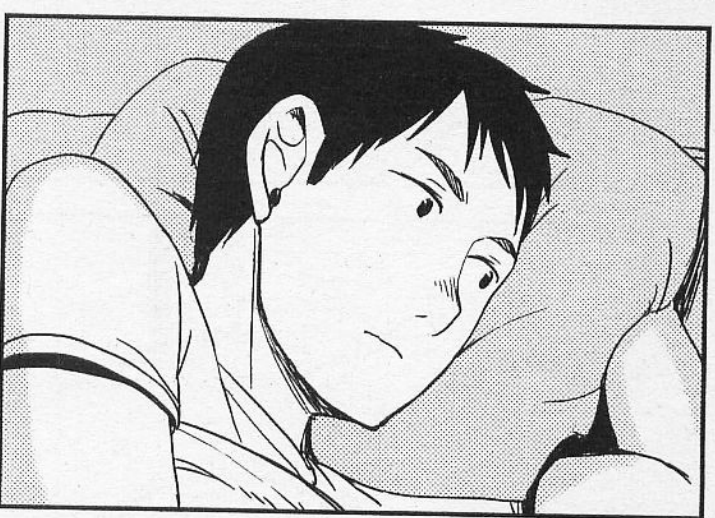

You're so loud

ハハハハ

Eh he he he!

Yeah

He's joking, he's joking!

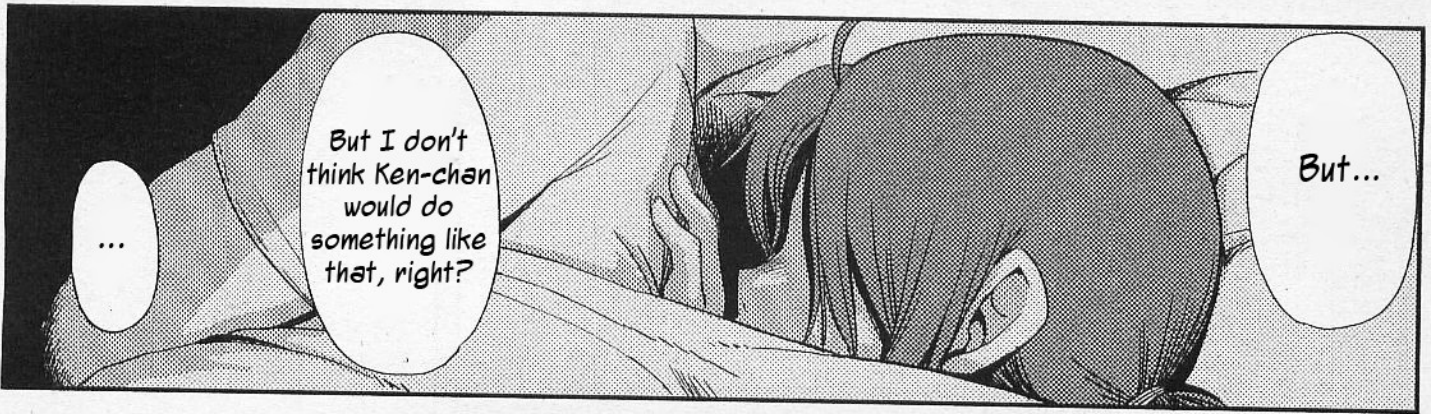

Are you still sleeping in the same room? If you aren't careful, he might attack you!

Hey!

When mom called ...

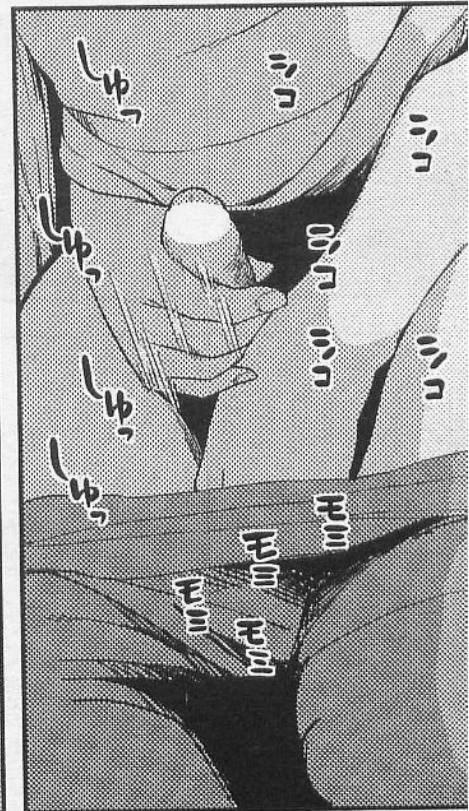

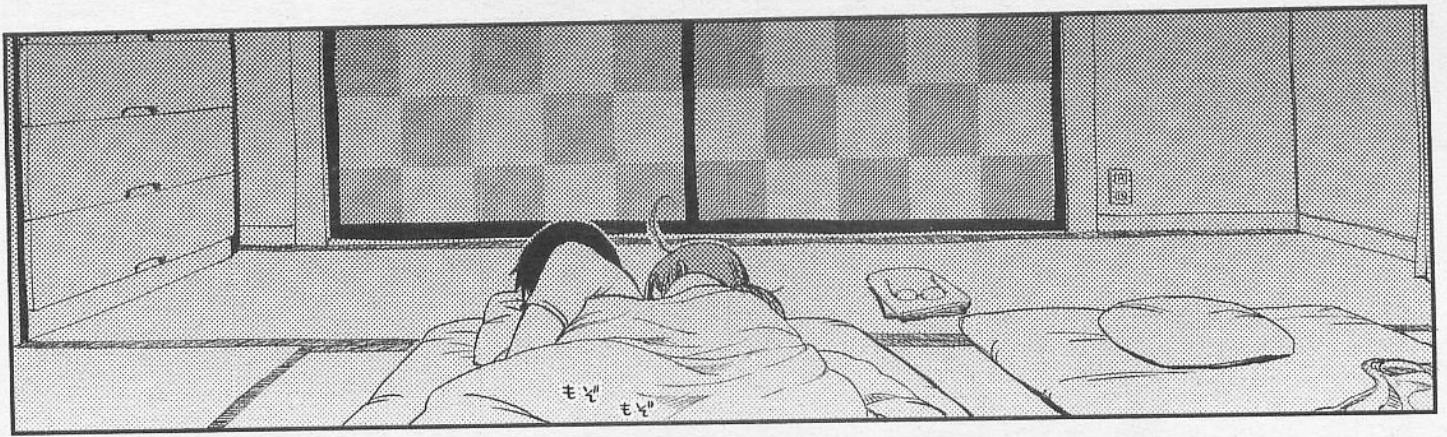

Yeah?

...

But I don't think Ken-chan would do something like that, right?

But...

Glasses,
