I've bought a new game!

Hey, Aniki, let me play it!

My Little Sister Can't Be This Ricchan-like

Translator: pesu
Editor: Super Shanko

Rikako - Producer

Look carefully

Although you complained so much about it... In the end you went and bought it anyway

You said someone was absent from it or something

Oh, you're already playing it

So, you also bought that new game!

It would be a waste not to enjoy the beautiful picture! I want to play it on the big screen!

But... The TV here is much bigger!

Oh, right! And that character is in it!

This is Number 1. I didn't buy Number 2.

He's some troublesome producer, aren't you? You aren't allowed to tell that to anyone else!

Ok then, let me borrow this...

What are you doing? Go play in your own room!

But I love theseem!

HE'S AN IDIOT

You're going nuts just because a character with glasses disappeared

You don't care about the game's quality, only girls with glasses matter!

Glasses Fetishist!

Just a moment ago I was busy making new memories together with Ricchan!

You don't understand my feelings at all!!

Shut up! It's just because you've got a thing for girls wearing glasses, haven't you

**GUH-

OK?
Sorry,
Aniki
