

How dare you say things like that, while completely depending on me!?

It's not like I'm going to take anything, just because you have to work, you know!

You're always like this! Whenever I tell you something, you always start talking about your work...

The only reason you can enjoy such an easy life is because I work!

Toguchi Masaya

And Akemi had to keep comforting herself, in order to get rid of all that lust she had no way of disposing...

They couldn't get along for quite a while, so they have basically stopped sleeping together...

Ahh!

Ah!

However, Akemi was still very young, and masturbation was not enough to get rid of her lust.

And then, she directed all that uncontrollable lust on her younger brother-in-law...

Nee-san...

What?!

Damn, how can he say that, even though he can't do a single thing around the house, and doesn't even want to try...

Besides, who asked me to quit my job and stay at home before the wedding!?

Ah, Good... Good morning, Motoya-kun... Sorry about yesterday! I bet we were loud, huh?

Uh, crap...

Ah... No... Good morning...

Although... It's probably no wonder he got like that after listening to our fights every night...

Motoya-kun is gloomy as always, so I don't know how to deal with him... He is always so timid, even though he is a boy...

Well then, I'll be off now too...

Oh, no... I always listen to some music wearing headphones, so it's ok!

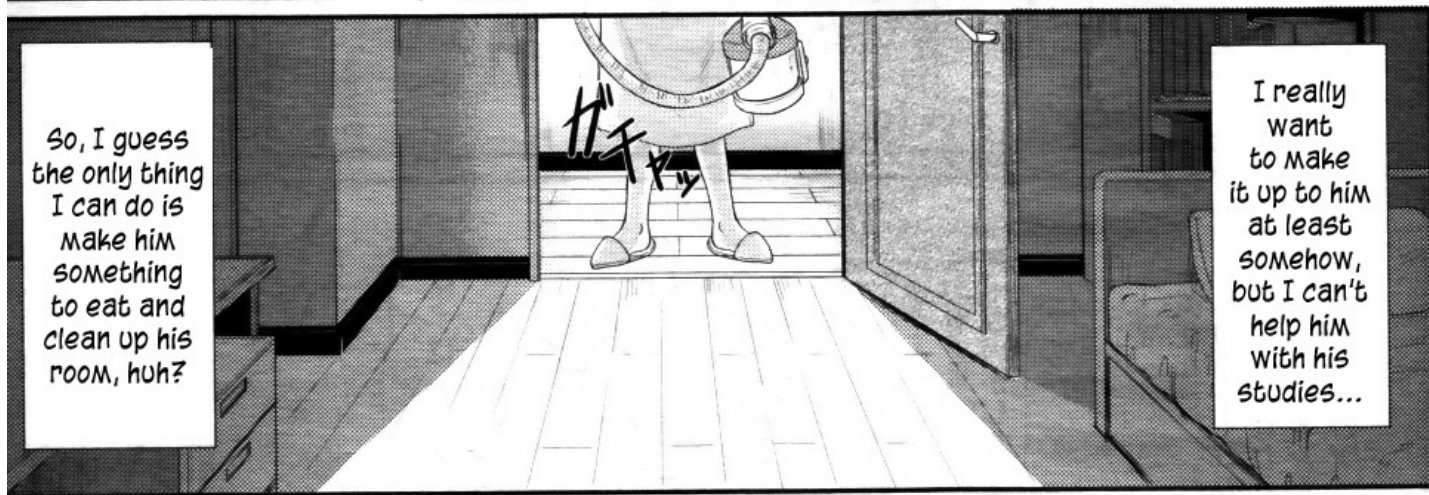

I see... Have a good day...

But since his elder brother's family is like this, the poor thing probably can't even study or concentrate...

Motoya-kun specifically moved here in order to get into a college...

トク...トク...

So, I guess the only thing I can do is make him something to eat and clean up his room, huh?

I really want to make it up to him at least somehow, but I can't help him with his studies...

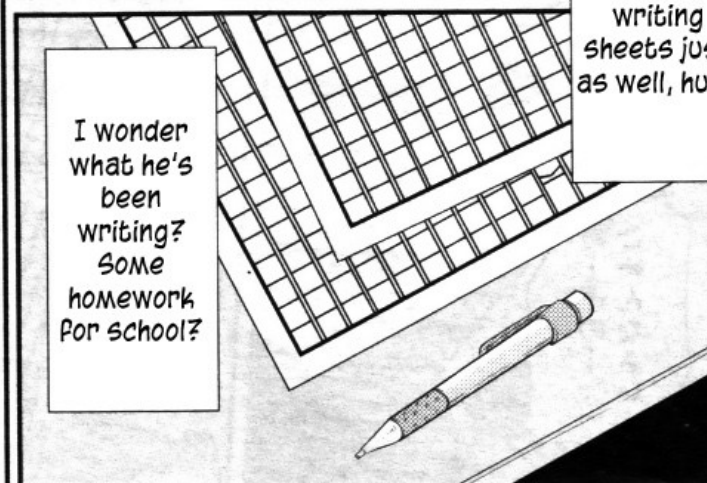

Is this...!?

Yet, even though Motoya-kun is a boy, his room is in such great condition, there is nothing for me to clean up...

Oh, so kids these days use these writing sheets just as well, huh?

I wonder what he's been writing? Some homework for school?

Is it because my brother is staying at his work for the night today as well...?

Anyway, this is all just so awkward...

She looked really upset while we were eating, I wonder if something happened again...?

Thank you for the food!

Eh? Well, you always make food for me and clean up my room, so I think you're a very nice sister-in-law, Akemi-san...

What do you think about me, Motoyaku-kun?

Ah... Yes?

Hey, Motoyaku-kun...

What is this?

Ah... Erm... I'm sorry...

Look what I found in your room today, Motoyaku-kun...

Heh... Is that all?

Erm...

"Motoya started licking Akemi's huge nipples, and she could no longer suppress her moans..."

Can't say? Well then, why don't I read it for you!

Eh... That's...

I didn't tell you to apologize, did I?

"And then squeezed his hard penis with them just as well..." One could get quite a lot from this, you know!

"She pressed those plump breasts against his face..."

I'm only asking what it is!

Give... Give it back!

"However, masturbation was not enough for Akemi to get rid of her lust, so she directed all of her lust on her younger brother-in-law, Motoya..."

I can't believe this is all you've been thinking about...

You pervert!

Besides, you write about nothing but breasts... Just like a kid!

You're using us as models for this novel here, aren't you? It's really obvious, because you didn't even bother changing the names...

I'm sorry...
I'm sorry!

You must be a real pervert!
How can you have a boner in this situation?

Hey, you've got to be kidding, right!?

I can't...
Take this anymore!

Yet I was still trying to be nice to his younger brother here! I can't believe you were masturbating to me all this time...

What was it... "She directed all that uncontrollable lust on her younger brother-in-law," huh?

Come on! You know, I'm all stressed out, because things aren't going very well between me and your brother...

Well then, why don't you take responsibility for writing that now?

Try touching them...
♥

Look, these are those boobs you like so much...

Eh... Eh?

あは

あは

あは

Ah-ha-ha! It's so cute how shaky your hands are!

Ah... Akemi's boobs...

Could it be that you have never touched boobs before? You must be a very shy kid, huh?

あは

Now, now...

And so heavy too... I didn't notice they were this huge...

Akemi's boobs are much softer and warmer than I have imagined...

You won't please me by rubbing them so monotonously!

Ah...

Ok... 

Lick it as though you're trying to get a good taste of some hard candy in your mouth...

Come on now, start licking them like a baby, ok?

Ah... My nipples feel so good...

That it, you're pretty good at it, huh? Now, get a good taste of my boobs here...

It feels like you're about to cum inside your pants right now...

Oh, my! I'm not even touching it directly, yet look at this incredible reaction!

Ah... Oh, no!

It would be unfair, if I was the only one having fun here, huh?

ちゅ

ちゅ

ちゅ

ちゅ

ちゅ

Oh, my!
That would be a
problem, because
I'm the one who's
going to have to
wash them
later!

Ah!

Do you
think
it's ok to
cum like
that...?

Alright
then, take
out your
dick now!

But...
I'm
really
going to
cum like
that
now...

No
way...
If you
keep
doing
this, I'm
going
to...

What do I
do... Maybe I
should make
you bear with
it some more
and not let
you cum, so
you learn to
endure this...
♥

What?
What are
you going
to do...?

What is
that... It
sure looks
bad...

Look how
wet it got,
and you've
only licked
my boobs
so far...
♥

It sure
is one
useless
dick, if it
can't even
bear that
much!

I... I
can't
take
this
anymore...

Pl...
Please
let me
cum!

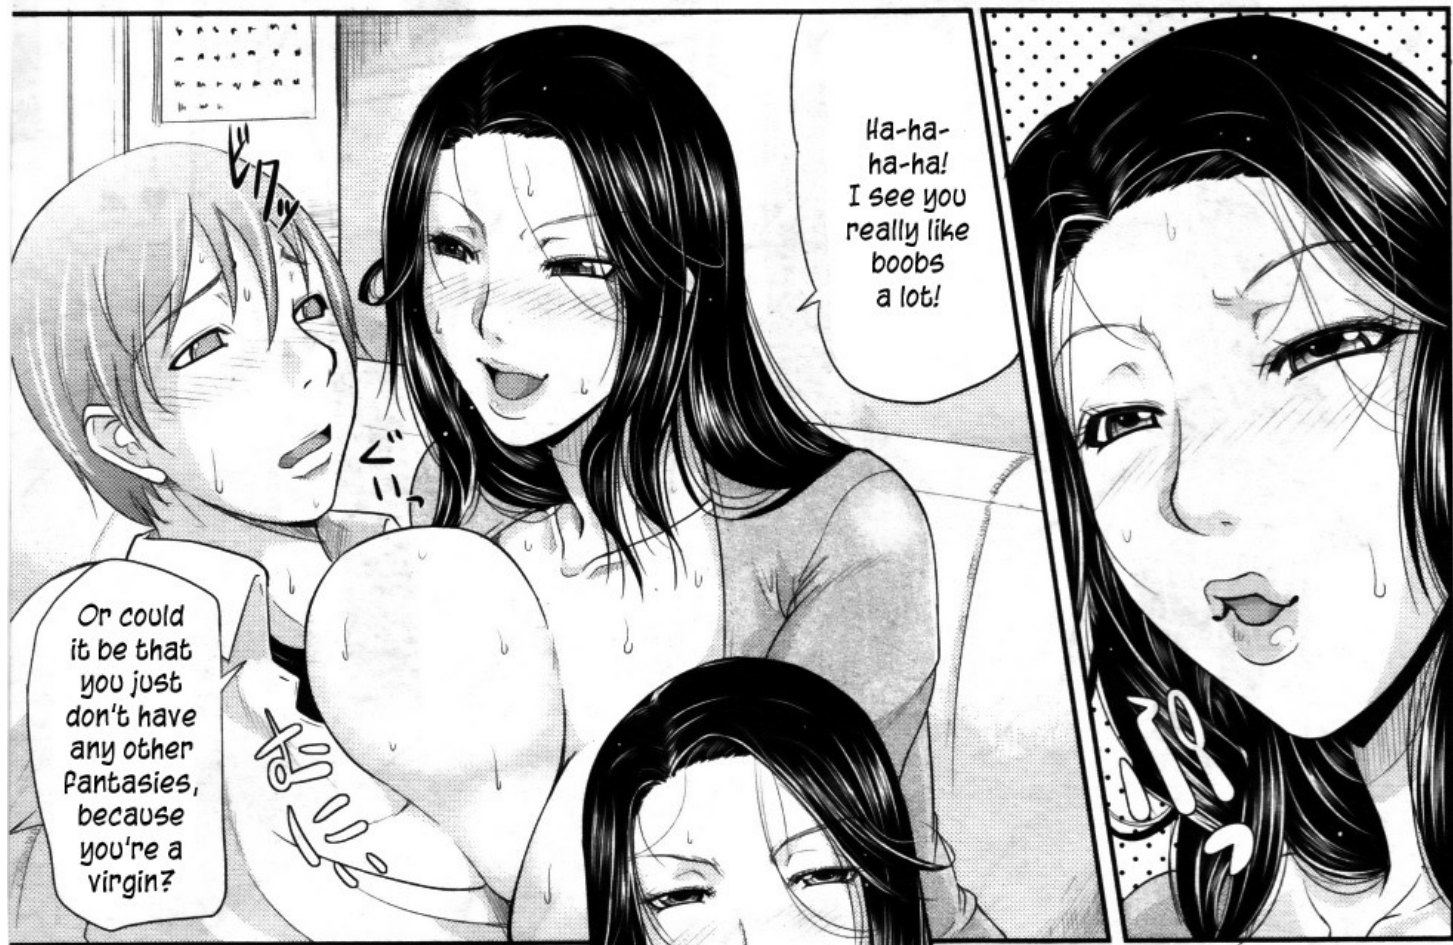

I want to cum between your boobs, Akemi-san...

With your boobs...

With...

Oh, My... You sure sound miserable...

Well, ok... But you have to tell me how you want me to make you cum, and ask for that!

Ha-ha-ha-ha! I see you really like boobs a lot!

Or could it be that you just don't have any other fantasies, because you're a virgin?

By letting you cum between my boobs as much as you want...

Oh, well... Why don't I reward you honesty...

たほっ

たほっ

Ah...
Ahhh!

And you're even moving your hips a little... You sure must be a hopeless virgin...

Wow! It's throbbing so hard...

Look! I'm even going to peel back that foreskin on your phimotic dick with my nipples...

It's...
It's
just
great...

How do you
like it? Is
it better
than that
paizuri I
was giving
you in your
dreams?

And it Peels
so good, that
I can't even
compare it to
masturbating!

You have
completely
wrapped
my dick
with your
boobs...

Akemi-san,
I can't take
it anymore...
I'm going
to cum!

Well, ok!
I'm going
to squeeze
you dry now,
so you can
cum as much
as you want!

Oh, my!
You sure
are fast...

Oh, no!
Just look
at this
kid CUM!

Ahhn!

You're the
one who got
me dirty here,
so you're
going to lick
me clean just
as well...

Come
on...

Your
semen
sure is
thick! And
it stinks
really
bad
too...

Oh, my... Did you get a boner again, while licking your own semen!?

I'll clean you up right now...

Ah... Sure... I'm sorry!

I got it... Now, let's see just how many times you can get that dick hard and cum in one day!

Although you're only my husband's brother, I still must be a very bad older sister, if I didn't get you until now...

But now I know that you're a pervert, who likes being bullied...

グイッ

はあ

はあ

And I want you to please me a lot more...

Luckily, my husband isn't coming home tonight, so we can have fun all night long!

I always thought you were timid and miserable, but I didn't know you were such a pervert on the top of that...

You sure must be one helpless kid, if you're getting a boner while getting bullied...

"Akemi's plump hot lips and huge breasts made Motoya cum many times..."

"Later on..."

"That single night, Motoya was able to ejaculate eight times!"

"This pleasure simply couldn't be reached with masturbation, and thus he just couldn't resist it..."

"Akemi considered Motoya her own toy, but..."

"Motoya was actually so glad to become her property, that his dick was getting hard on its own over and over again..."

I've had enough!
If you're not leaving,
I will get out of here myself!

I'll come to get my stuff later, so don't touch it!

That's exactly what I was planning on doing!

Why don't you just stay there as much as you want!?

Sure! After all, your work is more important to you anyway!

Oh, my... You came exactly at the right time...

Eh?

Akemi-san... Are you ok?

Ah, yes... I'm sorry...

What? You're my toy, so you don't have the right to talk back here!

Ah... Akemi-san, what is this?

And you sure write a lot about boobs, but there is not even a single sex scene in there, and they're very important...

By the way, I tried reading this again...

So, I think I'm going to get rid of my stress by bullying you today as well...

You know, I'm so pissed, I just don't know what to do...

Since you're a virgin, you have probably never even seen a real pussy, huh?

And besides, I don't think a normal girl would ever want to have sex with a pervert like you...

This place is going to take your dick inside now, so you have to lick it really well and gently, and loosen it up...

Ok now, lick it, you pervert...

So, I'm going to take your virginity...

Nn!

ちゅぐ...

And look how hard your dick got... It looks like you're going to cum, even before I stick it inside me...

Oh, my! You've got such a dumb expression on your face right now!

I guess, I shouldn't keep you waiting any longer, huh?

Ahh!

Ah!

Nn!

ちゅぐ...

ちゅぐ...

ちゅぐ...

I will slowly let you have a really good taste of my pussy now...

But... If you move your hips even a bit, it'll be all over, ok? ♥

Ahhhn!

Ah!

Ah!

Ahn!

Agn!

Ah!

Hey, I told you not to move, didn't I!?

Heh...

I can't understand you, unless you clearly tell me what you want me to do!

Well, what is it that you can't take anymore?

I'm sorry... But I just can't take this anymore...

What? You're going to pester me?

Ah... Akemi-san... Please... Please let me cum...

You have to beg for it more clearly, like a pervert you are... Otherwise, I will go on like this forever!

Oh, my! That won't work! It's just way too boring!

I mean... Erm... Please let me cum...

I have been masturbating to my sister-in-law forever, so please let me cum inside her pussy now...

Ahh!

Ahh!

Please Make my pervert dick, that gets hard from being bullied, cum with your sexy pussy, Akemi-san...

Please...

Your dick got really sensitive from waiting this long, so I bet it feels really good now, doesn't it?

Ahn!

Well done! Now, I have to reward you...

Nn!

Right?

Shoot out lots of your semen inside your sister-in-law's pussy!

Come on now, dump your load inside my pussy!

Ah! Ahh!

Ah!

Ahh!

Ahn!

Ahn!

Ahh...
There
is so much
of your
healthy
semen
flowing
inside
of me...

This might
be the
first time
somebody
came this
much inside
♥ Me...

You should thank me for taking your virginity...

Ah... Yes... Thank you...

Your pussy felt very good, Akemi-san...

And I'm going to have to punish you for that, ♡ ok?

Oh, really? But you know, I'm not yet satisfied, so you still came too soon...

Nn!

Nn!

Eh? Punish me...

Now it's
my turn
to have
fun...

Ah!

And you moan just like a girl... You really are a shameful kid!

Dump

Sure...
I want you to cum together with me!

You should be grateful, I'm cumming together with this perverted dick of yours here!

Ah!

I'M

I'M...

CUMING
NOW...

You scared me, because I thought I wouldn't be able to suppress my voice here...

Come on, you can't even cum, because I put that thing on your dick, so why are you moving it so fast...

"That thing"

にゅにゅ

にゅ

にゅにゅ

Yeah... I'm sorry too... I really regret what I did...

Sorry I only cared about my job, Akemi...

As always, he doesn't really care about me, but only about his job...

Sure... Well then, I'm hanging up now... Yes... I love you too, honey!

Because it would be just a waste to let go of such a nice toy, right?

It's ok... More importantly, I have to reward you for keeping it quiet while I was on the phone, huh?

But I can't even think about breaking up with him anymore...

Do... Do you mean it? Thank you!

But... Your pussy feels simply too good, Akemi-san... I'm... I'm sorry...
