

# She Hates Losing

Translation: YQII.Fakku.Net

She always wants to compete.

I seriously don't understand her.

And for some reason, she even wanted to turn the making of my dinner into a contest.

OH! A FIGHTING GAME!? SURE, SURE!!

MITSUKI-CHAN, WHY DON'T WE PLAY A GAME AFTER DINNER?

And that bothers me.

She's never clear about what she means.

THANKS.

Today I'll expose her true feelings.

Game, game!

THEN I'LL CLEAN THIS UP!

WHAT'S THIS?
