It's over!
My life is
over!!

Despair

The
ne-
xt
day

Ah man, and all
this time I've
been jerking off
to boys I haven't
been found once
until now!!
Damn!! I knew I
shouldn't jerk off
in school every
day!! Most of all,
I was exposed by
the person I've
fallen for!!

Damn it! How
could Kawase find
me while I was
jerking off...!! Even
worse, the one day
when I found a
picture of him to
use, the person
himself shows up
right when I start
shooting!! I mean,
I came right in
front of the person
I was
masturbating to!!

Come to the
class-
room
from after
school
yesterday
so we
can
talk

This is
real!?

Yes
!?

This is
for real

Be
there

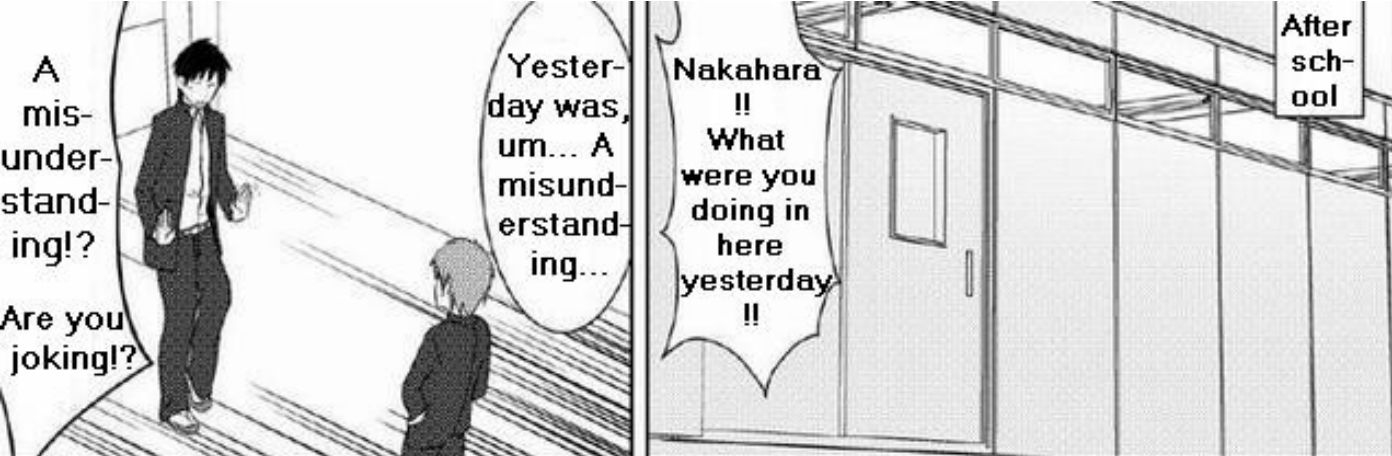

Hey,
Naka-
hara

Oh no, Kawase
is really just too
cute. Ah, so
hot, so cute, so
very handsome!
But the Kawase
I see on the
back of my
eyelids, always
smiling and
calling my
name, isn't
real!! It's fake!!

I wish
that
dream
would
come
true!!
Kawa-
se is
so
cute,
haha
!!

I said
hey!!

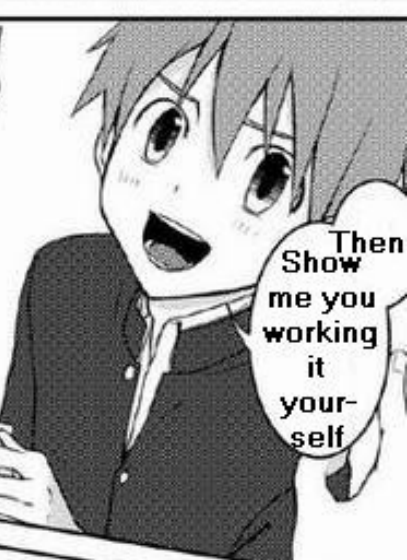

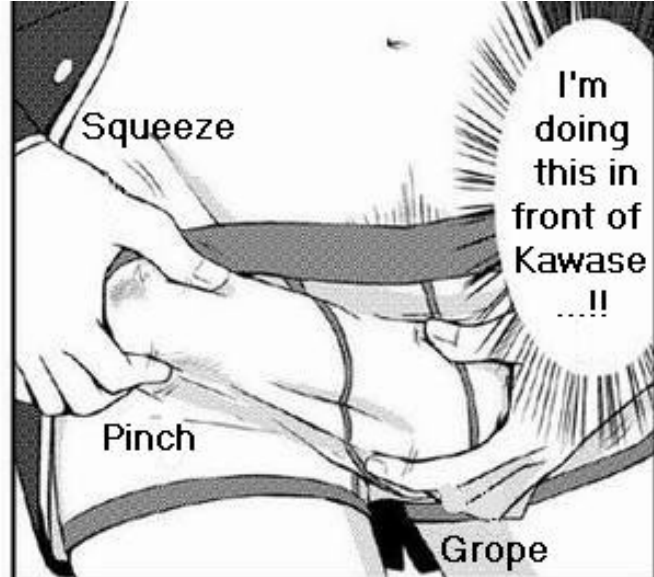

You've got quite a boner. So, does this feel good?

If you don't want to, shall I just tell everyone about yesterday?
