Tatsuyu~
how are today's
body
measurements?

How tall are
you in
centimeters?

160...

...

...I'm
really
just
159.3...

haa...
didn't
increase
at all

Gloom

eh?!
160!?
seriously?

me?
165

If you
round it,
it's still
159.

Then how
tall are
you?!

I mean
if you
round it
up, it's
160
right?!

Twitch
twitch

I know!
I'll take
them
off!

Hurry and
take off
your
boxers.

There,
took
it off!

But do
we really
need to
take off
all our
clothes...?

ははは
N e k e d !

I can
see so
many little
details...
Oh well...

フルン

Let's see
who's more
developed?

さめ
Let's see??

Well...
that...

eh?
What's
wrong?

ah...
wait
just
a
minute...

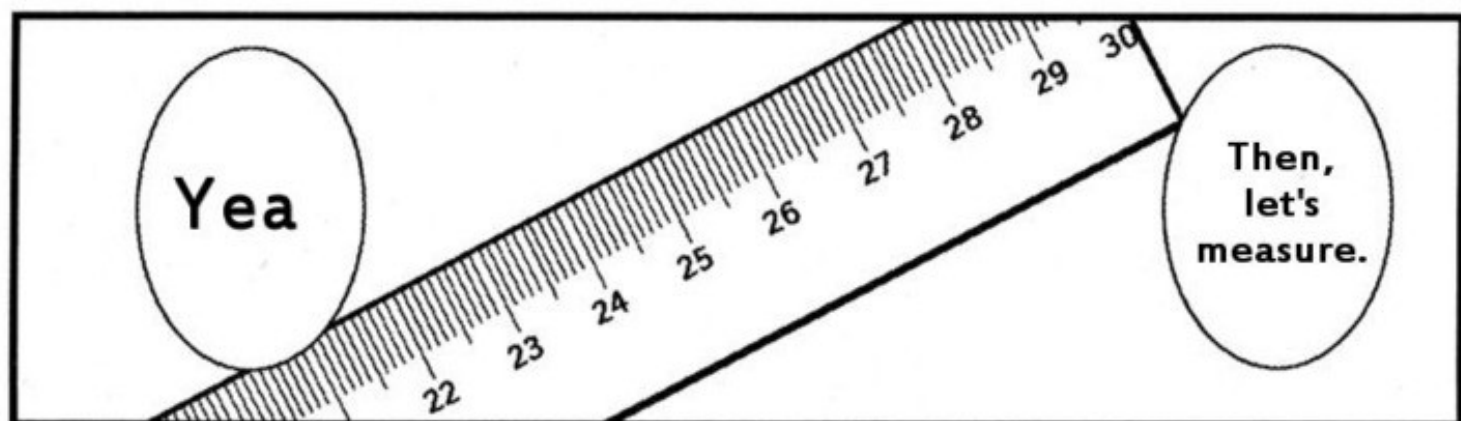

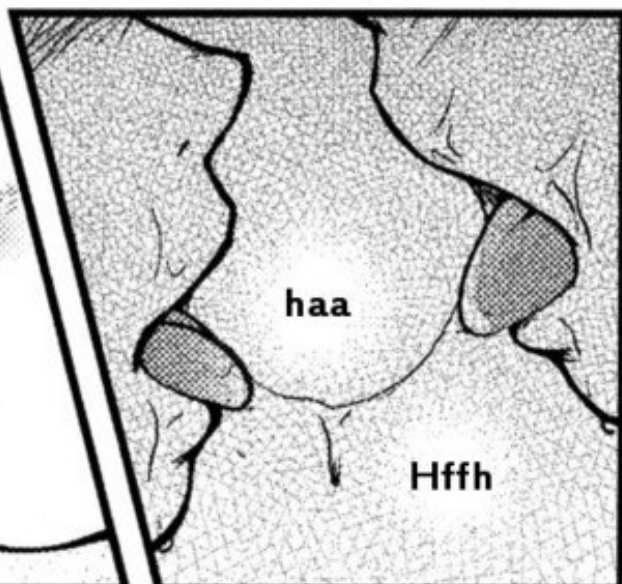

Hey!
Let's
quickly
measure.

Hehe,
cute

Okay!

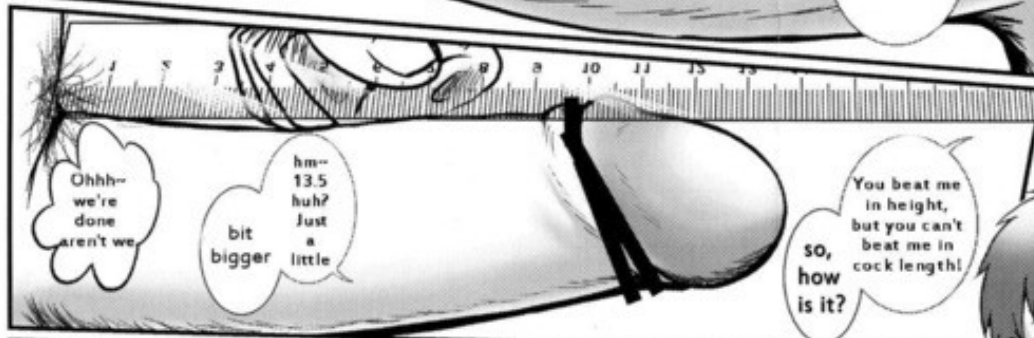

Yay,
it went
over 16

seriously?

Hmmm...
Oh! Oh Oh!
16.5?!

Ohhh~
we're
done
aren't we

hm~
13.5
huh?
Just
a
little
bit
bigger

You beat me
in height,
but you can't
beat me in
cock length!
so,
how
is it?

Yea!

Say...
do you
wanna..?

Before,
I was 16
centimeters,
you know.

Now then...
How big
is my
cock now?

Roman males
would measure
their penis
size

waah~
with a
closer look,
it's even
more
impressive!

It must
have been
impressive
before too.

Thrust

Tatsuyu's
cock is
the
best!

Thrust

Aah...

Aah!
Feels so
good
thrusting in!

nnahh...

It's
rubbing
inside...

Ahh!

Mnn!

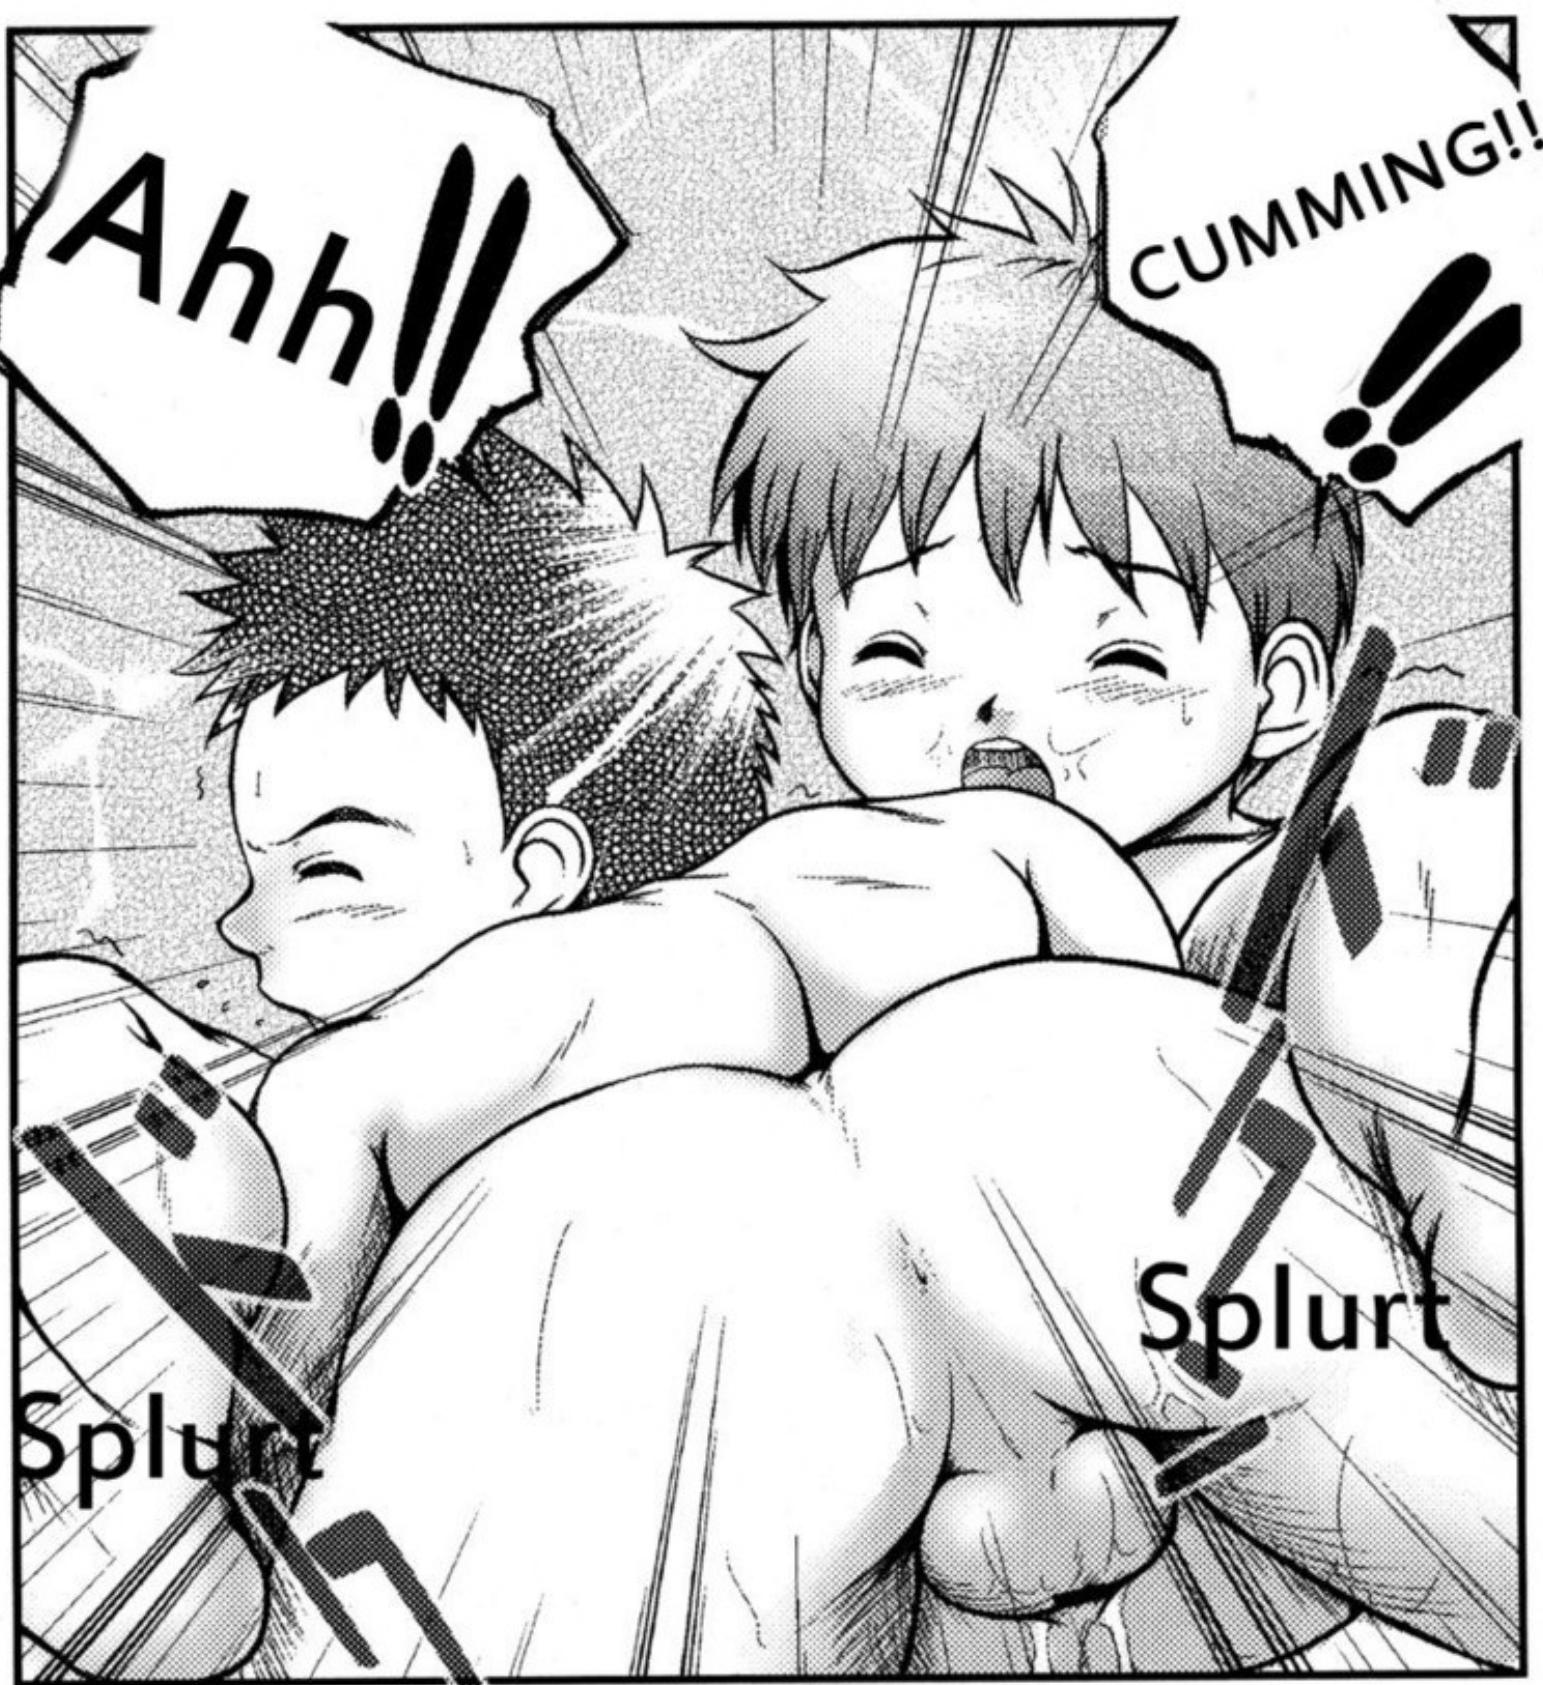

Me too...
I'm
going
to
cum!

Tatsuyu...
I-I'm
really...

Going
to
cum...

Thrust

Thrust

haa...

Mm..

Hah.. Hhaa

Up until now,
I hope I'm
not particularly
different.
Tatsuyu's cock has
developed
more though.

How about
drinking cow's milk?

haa~a,
I only
grew a little
bit in
height.

Next time,
we should 69
since it's easy
to do.

But,
you are not
allowed
to be part of
the drinking
spree

why
though?

**THE
SIMPLICITY**

OH!
That's right!
We should have
a cow's milk
drinking
spree!

Perfect

I
can grow
taller
and have
a bigger
cock

Well...
perhaps

HEY!

おしまい

SERIOUSLY!?

You can just
get erect
from taking
in a huge
cock
