Prince Rabbit's
Bride お嫁さま

一条かるね

Prince Kaino has come into Japan for a homestay with you.

and since he is a very close friend to the King ...

Now, on the occasion of Lord Tsuyuki's deceased grandfather visiting our country ...

Certainly, Lord Tsuyuki, and the Prince will become very good friends.

.....

a ah... I don't really know what you are talking about, but nice to meet you..

umm... Kaino?

I'm so not hearing this ...

he can't be talking about the same old man

That night I listened to him talking about my grandfather ...

Anyway, what is with this hood... does it make you a rabbit?

What's with him ...

Insolent Fool! Don't touch that!!

ムカッ

Come give me a shoulder massage!

Tsuyuki!
I'm thirsty!

Kaino's country is a small island with a small population.

I get the feeling that he doesn't have any friends his age there...

now!
I'm waiting!

UWA!

I'm going

I won't take this disgrace!

can't you just wait a little!

ah! god shut up!!

and this! I can't allow this selfishness anymore!

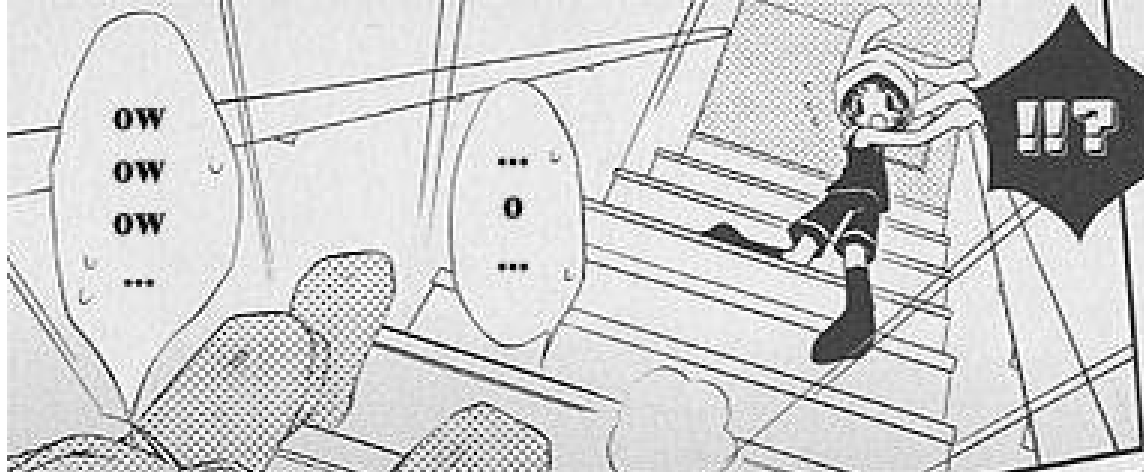

so then I can be rude if I want!

Don't you think it's normal for friends to look out for each other?

managed to
persuade
Kaino to let me
remain in japan
for now.

**It would
really suit
you I
think...**

**My country
is wonderful,
so is the
sea and people
there!**

**That's not
the type
of person
you defy.**

**...
see you
later**

**I really
can't just
say
"no way!"
to a
prince...**

**to see the
rabbit with
pretty hair.**

**I think
sometime it
would be
okay to
take that
trip...**
