My  
older  
cousin  
is here

Right  
now

But  
with  
me

For  
being  
gentle  
and  
kind

He's a kid  
with a  
reputation  
in our  
neighbor-  
hood

# The Scarlet Knot

He is  
just a  
bit of a  
pervert

Maybe it's not really straw rope, but it is what it is...

I knew red would be a good color

It's fine, okay ...

Yeah, today's tie looks really attractive

Just out of curiosity he's had me see what it's like to do pervy things, but

Things with my cousin, Kaname-kun, became like this half a year ago

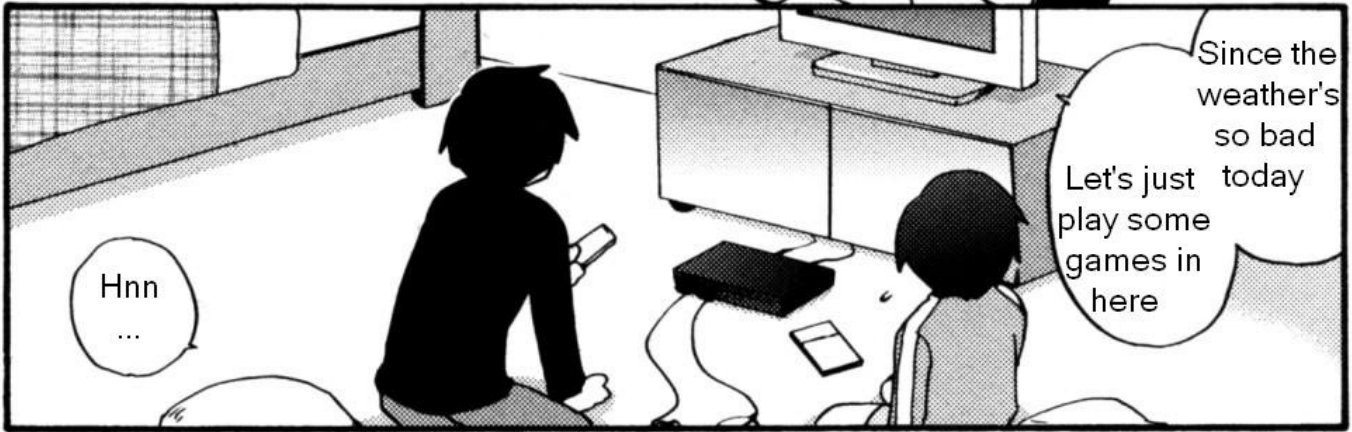

Can I tie you up?

It's just that right from the beginning

Hey, Sumi-kun

I've been tied up outside while we played soccer

Doo Da Dee

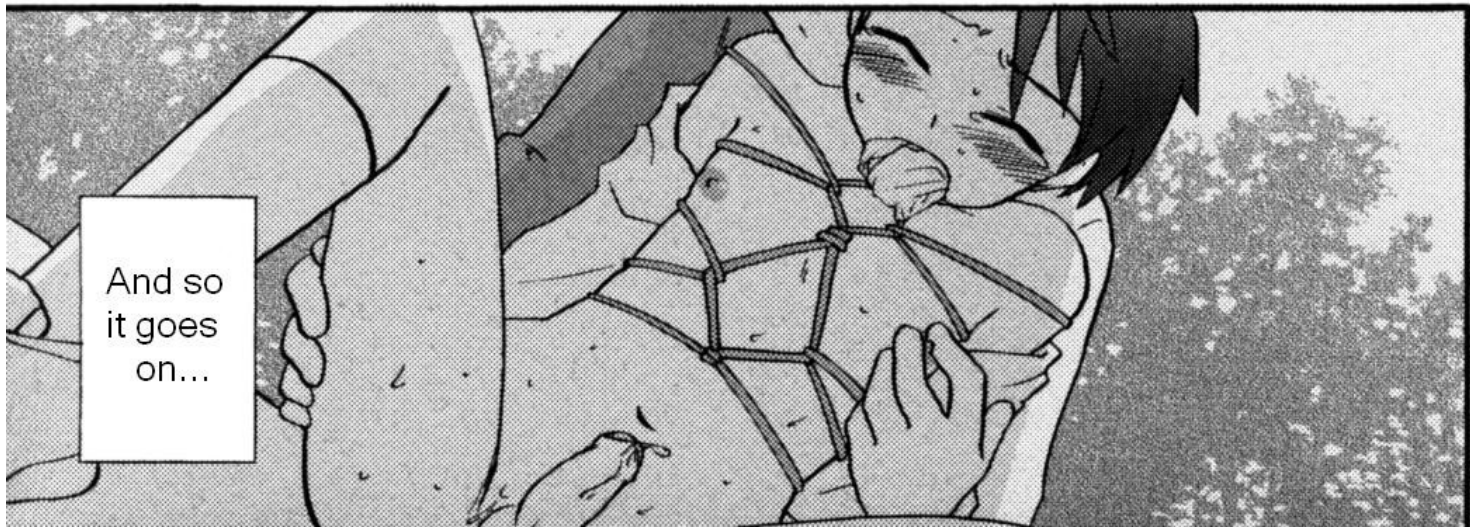

Like today, though it's fine since we're just in my room

Or while playing at the park

Or when I was out shopping

And so it goes on...

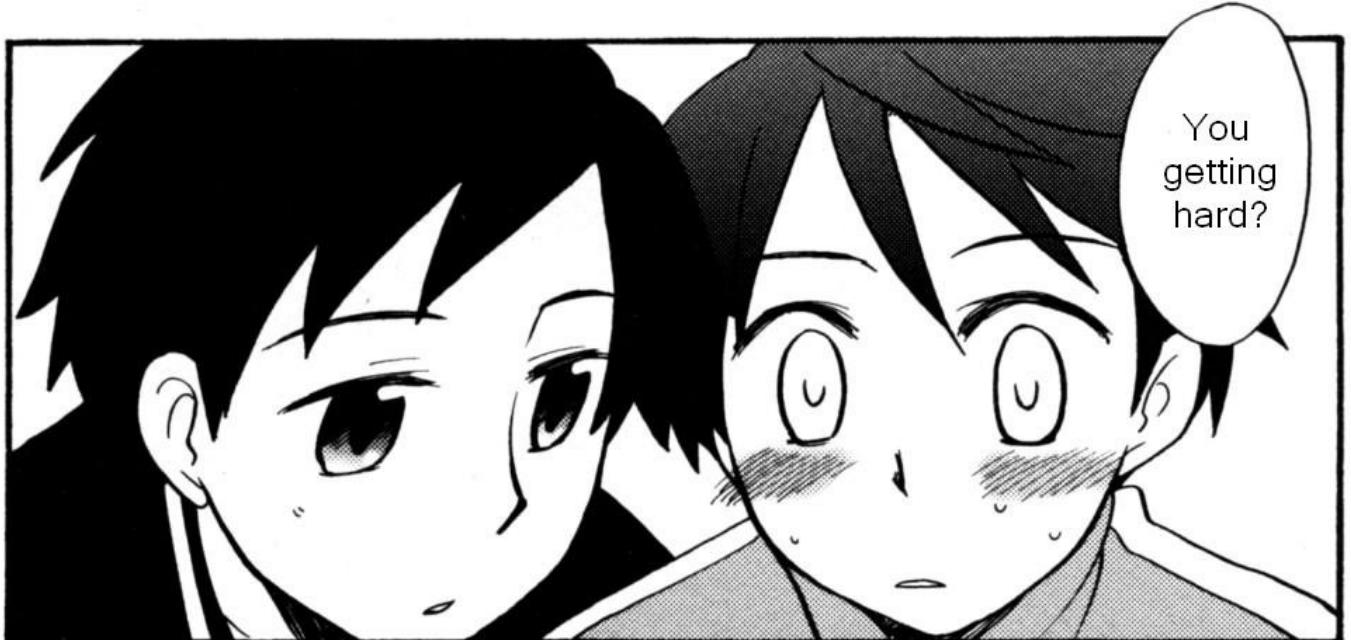

If I think back on it, I'll get...
