IMMORAL!

Hello, this is 19 Gou.

Thank you very much for picking up a copy of this humble book.

This time, it was a little bit more challenging since I decided to change the rough draft of the cover.

Thanks to all of you, I have the strength to do this, though I'm very exhausted now.

I prefer it that way in the end though.

Already, I don't know what to do with myself now.

I'm like a lost child.

At least I will have the satisfaction of knowing that someone is reading and enjoying this work.

Well then, until next time we meet.
