Made to Milk

フツガ

Man, sometimes you make me jealous Mai!

Hey, Sayo honey!

Even if I tell you ya can't do anything!

Huh? Is something worrying you?

プリン

I dunno, Mai!
When I woke
up this
morning they
were like this
...

What did you
do to yourself
-Sayo? Your
tits got huge
overnight!!

Hooters like
that from
an insect
bite?

Mom's
bra's too
small, so
I'm going
braless...

Although I
do remember
something like
a bug stinging
me last night
or something
....

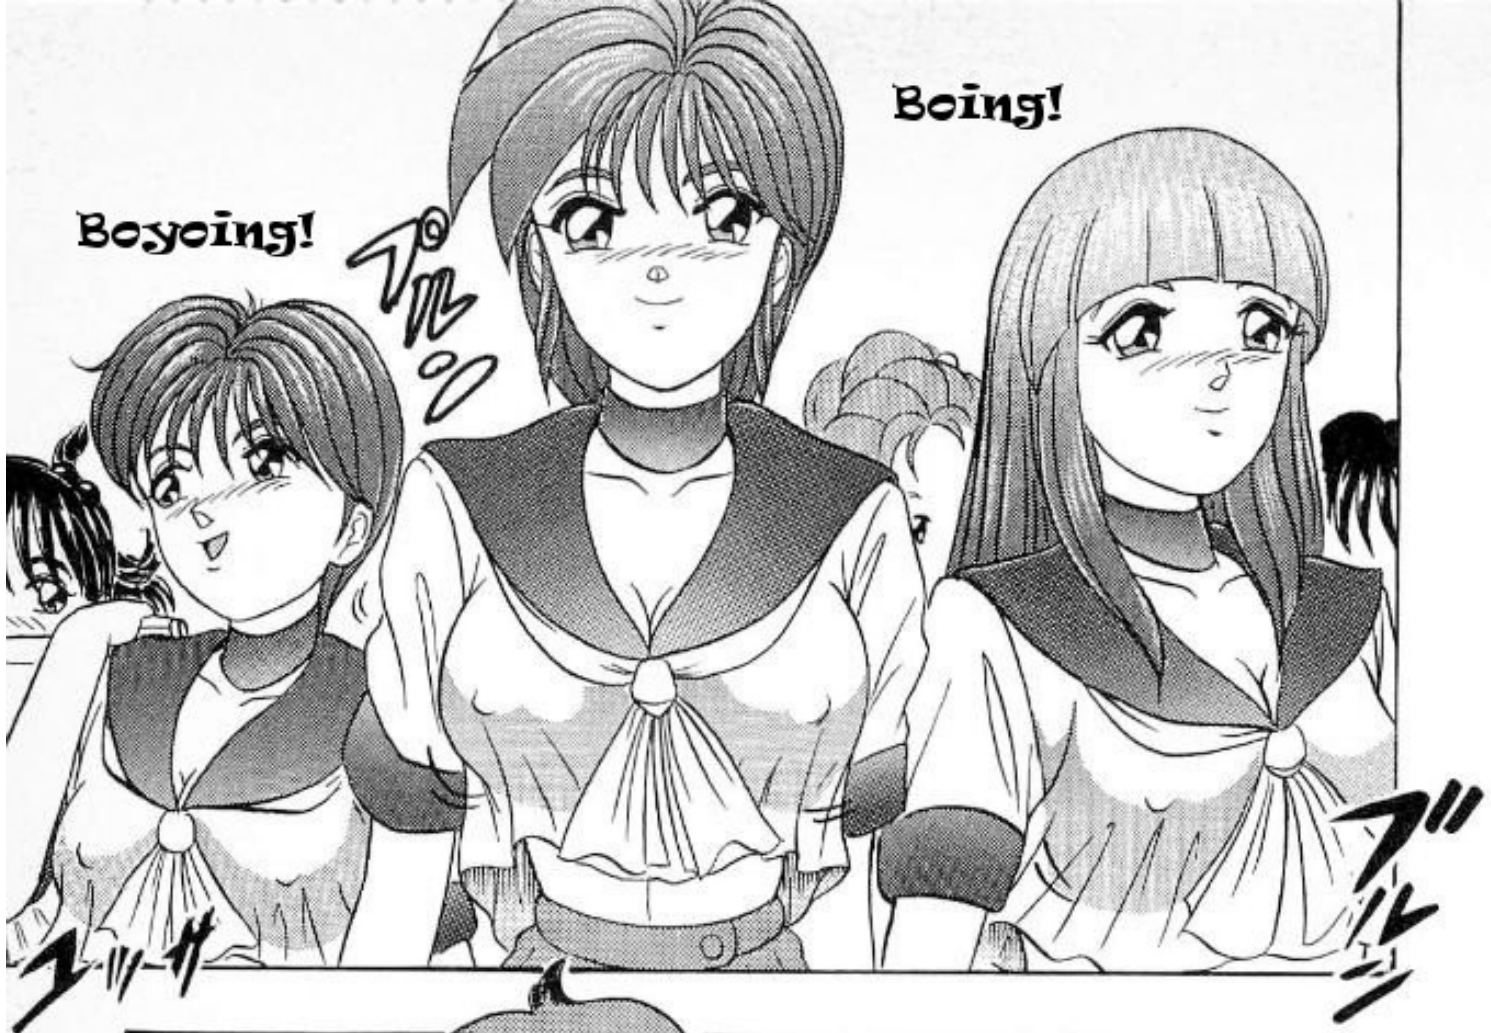

WHA?

Well it
doesn't
look like
Sayo's the
only one...

Boing!

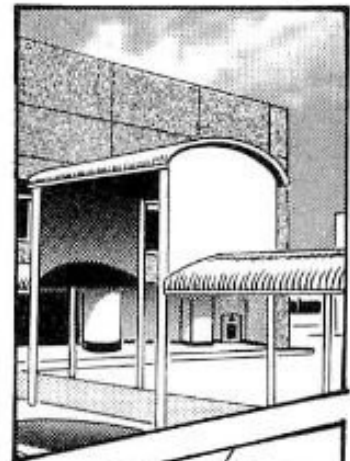

Boyoing!

I'm not jealous or anything at all, but stuff like that happening worries me...

Girls with little mosquito bites getting huge knockers in ONE DAY!

cus up till now my boobs were the biggest..

Right ???

Dat weawy is weird...

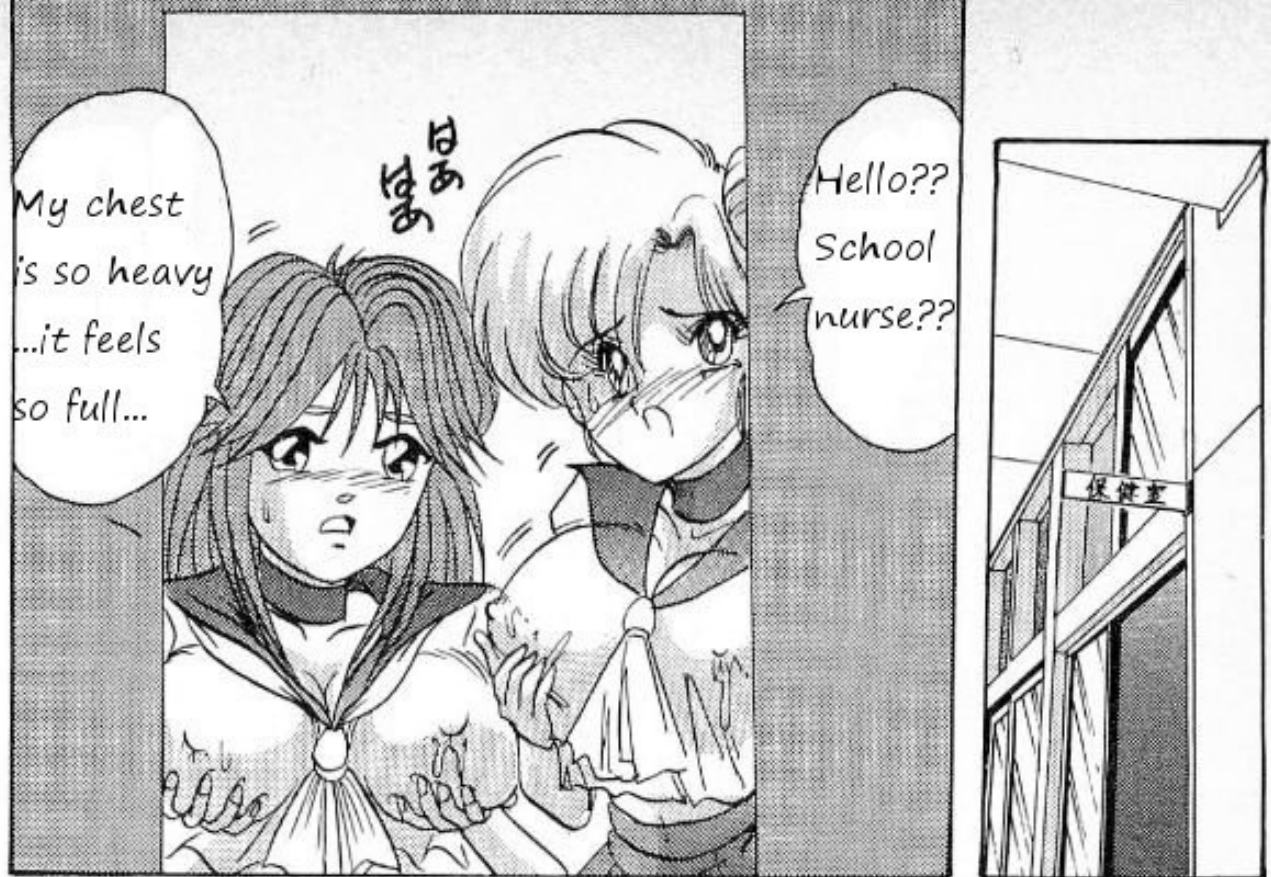

Boss... I don't beweave you...

No way I'd even WONDER my boobs being already big and all..

It ain't like I'm wondering about the reason so that I can make my own boobs even bigger....

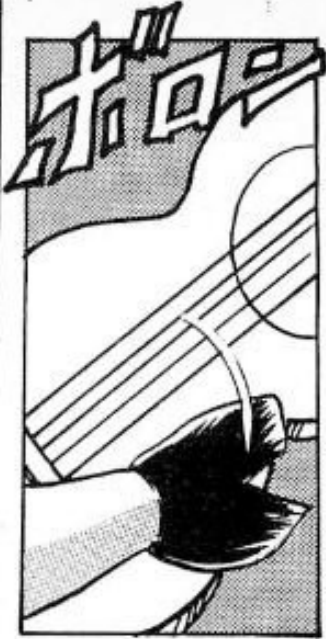

Our friend here speaks Osaka dialect...lovingly reproduced in Southern dialect

Yikes!

A mother cow's milk is for the baby cows... and that's what I say...

...is wronger than wrong I say...!

Ahhn... ..noo

Thinkin' that it's for human consumption...

My tits keep squirting milk...

Unn... my boobs ...

High school girl ENRICHED

どどどどど

てててて

Ahm the evil spirit
thass gonna return
the curse on these
young ladies...
Gyutei Monjiro's
mah naaaaame...

Ah am the
living
embodiment
of the anger
female
cows have for
havin'
their milk took
away...

Ah only pick
on the ones
that are flat
an' fill 'em
up...they
should be
happy!

You gave
these girls
big boobs
just so you
could milk
them??

An
evil
spirit!

I always
wanted big
boobs...but
never THIS!

And above all, this stacked schoolgirl will never forgive you!

Evil spirit!!!
Your curse is simply a load of bull!

then that must make you...

A spirit sai...
oh shit!

and even though I have a lot to thank cows for...

The girl that, thanks to drinking 1 liter of milk a day has 32-D tits and no constipation!

YOUR ASS IS GRASS!

I'll lasso you yet!

She'll catch you in her net!

If you want me to fix dem girls you gotta catch meh!

Going free range are you?

Well, I would like sometime to see what it is like to have humongous tits just once...

sigh

I'm glad he didn't hit you with whatever made their boobs that big...

HOLD YOUR HORSES

If I make dem boobs big, it comes with certain side-effects...if you know what ah mean....

I gotta gooooooood reason why I don't fool with big-boob girls

The
side
effects
will utterly
destroy
you!!!

Yikes!!
He got

あ
ん

It's tooo

to
take..

You may
be happy
now, hun,
but just
you
wait!

...but the girls who are already stacked have a bit too much of a reaction...

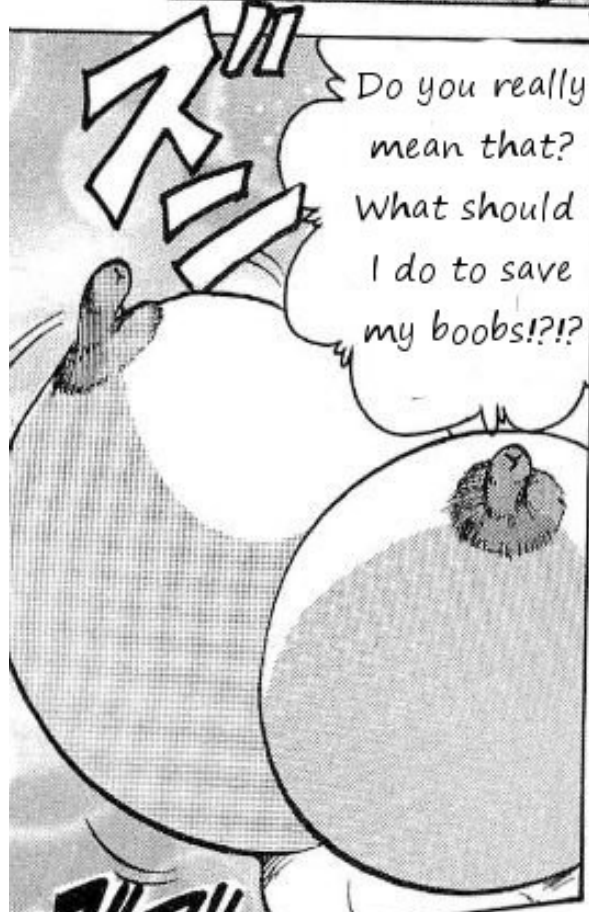

When flat girls are hit by my magic, their boobs only get big and make milk...

Do you really mean that? What should I do to save my boobs!?!?

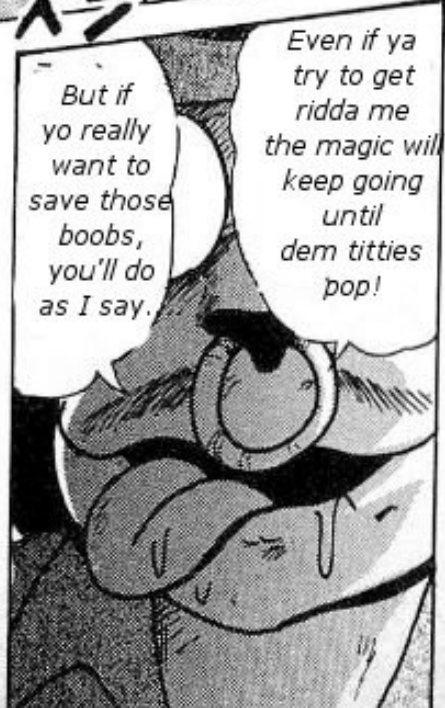

Wha???

Their boobs just keep getting bigger and bigger until they explode!

But if yo really want to save those boobs, you'll do as I say.

Even if ya try to get ridda me the magic will keep going until dem titties pop!

Ahnnn...
anything
but that
...!

Start
squeezin'
honey!
Or you
want those
boobs
to burst?

I've never had a baby
never been pregnant,
never even had sex
yet...but I'm 16
and squirting
milk faster than
a cow!

Nooo.... my
beautiful tits...
They've become
ever-flowing
tanks of milk
!!!

Mai's right
breast milk
(M-cup)

Mai's left tit
(O-cup)

I'm fixin' to squeeze and squeeze dem titties until those big boobs of yours run outta milk!

Instead of cow udders, I'm gonna shoot some milk from your udders, MAI!!

Ahn!

OK!
I get it
I get it!

If I stop squeezin' your hooters, they'll blow in 30 seconds, and the magic lasts for 1 minute more...

If I can just reach it...

Both hands free! Now's my chance to do something!

OH!

Fo yo punishment
I'm gonna
suck yo
teats!

Don't leave

my boobs

What?

I fo'got to give you a reward for all this wonderful milk you've given me!

It's only a few ozs but its a really THICK milk!!!

But you're a male spirit... what milk?

In exchange for all your virgin milk, let me give ya a taste of my "Monjiro Milk"!!!

Wow, sounds like the concentrated stuff from the store!

Some-thin' like that!!

Nooooooo....

I'll let yo' "upper

...let me fill up
yo' "lower mouth"
with my milk!

I'm gonna fill
yo'
pussy up with
the
\$300 an ounce
"Monjiro
Breeder's
Special"

Either your womb blows up o' yo' boobs do...you make the choice, baby!!!

Ahhhg!
I don't wanna become a mother!!!

I'm gonna impregnate you and grow up a strong calf on this milk!

My lower mouth doesn't wanna taste his sperm...sper... my spirit sai!

A black and white manga panel. In the foreground, a girl with dark hair and a determined expression is shown from the chest up. She is holding a large, glowing sphere (a spirit bomb) with both hands. Her eyes are wide and focused on the sphere. In the background, a spiky-haired enemy with a wide-eyed, surprised expression is being struck by a long, glowing staff. The background is filled with a crackling, lightning-like energy pattern. A large speech bubble is positioned in the upper right, and a smaller one is in the lower right.

Well, dammit, from today I'm gonna drink TWO LITERS!

She drinks a liter of milk a day!

So that's how Mai's tits got so big!!!
