Chocola:

Vanilla's twin sister from Kansai.

She loves her master, but doesn't convey her feelings in a very straight forward manner. She is completely oblivious to Vanilla's feelings for her. She worries that Vanilla might take her master away from her. She hates conflict, and is satisfied if they can all just stay together.

♡ Currently in Heat ♡

Vanilla:

Chocola's twin sister. Her master is Chocola's master's younger sister. She is from Kansai but, due to her master's upbringing she doesn't use the dialect. Because she loves Chocola, she sees Chocola's master as a rival for her affections. She has always been frustrated with her instinctive preference for men, but she may have found the answer in their three-person relationship.

♡ Currently in Heat ♡

Chocola's Master:

Vanilla's master's older brother. He runs a patisserie. One thing led to another, and he ended up taking care of both of them. He has started to feel a bit guilty recently.

...cola?

Pomf!
=3

I'll help you.

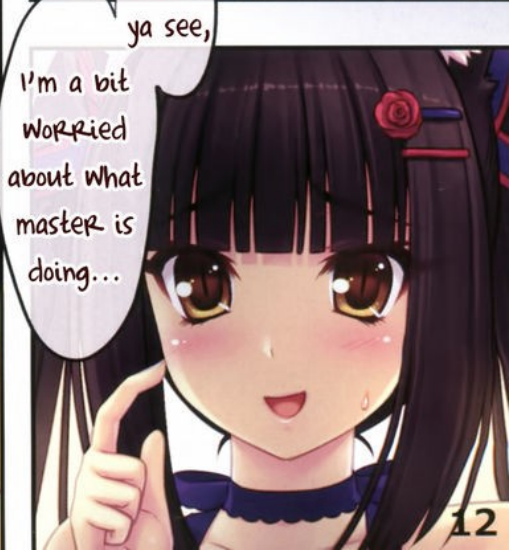

He was pretty rough yesterday though...

I wait and wait, but he never comes...

Ahaha, did I wake ya, Vanilla?

Well, ya see,

I'm a bit worried about what master is doing...

Huh?

Pch

...

Maybe he doesn't like Chocola anymore...

I can't believe he prefers his hand over me...

Greetings, I'm Sayori.

It's been 2 years since the last Choco & Vanilla book was released. This doujinshi is supposed to be the continuation of "NEKO PARADISE" but, to be honest, the doujinshi from 2 years ago is too embarrassing for me to look at now. (laugh)

In the first place, "NEKO PARADISE" was intended to be finished with one book. Seeing as how I created these two for just my own satisfaction, I didn't think so many people would end up loving them.

There were a lot of reoccurring problems such as the storyboard becoming broken in some places but, thanks to everyone's support I managed, miraculously, to complete it.

Thank you very, very much.

Well then, see you again in "NEKO PARADISE III"

WHERE DO I BEGIN... JUST, JESUS... DEM NEKO'S... HNNNGGG~ IT JUST MAKES ME WANT TO EAT MY MONITOR =O AND WAS WHY I WENT BACK AGAIN AND AGAIN TO DECENSOR AND REDRAW MORE AND MORE OF THE SFX AND THEN... A FEW DOZEN ROUNDS OF TLC & QC LATER THIS IS THE RESULTS.

AT C80 THIS SUMMER, I TRIED BUT MISSED SAYORI'S LAST NEKO2 BY SECONDS. AND PROCEEDED FOR TWO WEEKS TO SCAVENGE EVERY DOUJINSHI SHOP IN TOKYO UNTIL, THE MORNING OF MY FLIGHT, MY LAST CHANCE, I FOUND THEM AT LAST :)

THANKS EVERYONE FOR ALL THE HELP GETTING EVERY LINE TRANSLATED AND FIXED. AND OH YES I WILL DEFINITELY BE BACK FOR NEKO PARADISE III!
