

Limiter

P23

For Adult Only

Once I'm alone
and away from
the crowd on
my way home
from school, I
like to walk
through a back
alley

It's not like
it's a short
cut or
anything but
it's narrow
and full of
junk

I like these
pathways
where the
long fences
stretch on
endlessly

In the middle
of the
pathway
there are
weird things.
There's a
round hole in
the fence

Once, when I'd gotten used to this alleyway and forgotten about the holes

something hit my left hand

But that time I just walked home without letting it bother me

Something rubbery had appeared in an instant. "What is this?" I thought to myself

There were days when it wasn't there, but it would regularly appear twitching

Then soon after that there was a special class just for the girls and I understood what it had been

Sorry Dad

Dirty videos appeared by themselves and wouldn't go away so I just left it leading to my parents fighting

After that my curiosity was aroused so I did a lot of research into it using my Dad's PC

aaaaah aah

I began to
observe it
more
closely

Is something
making it throB...?

I was gradually
coming to love
penis. I started
keeping a diary of
my observations

A lot of
things
happened
and....

ah
ah
ah
I'm cumming
I'm cumming!!

Until now I'd
masturbated
infrequently,
but now I
started doing
it everyday

Well?
Aren't I a
good girl?

but since I
wanted to get
along well
with it, I
licked it clean
afterwards

it went all
soft I
couldn't
put it in
again

The first
time I
made the
penis
"ejaculate"

My parents
got
"divorced"
and the penis
didn't come
back for a
while...
but one day

A
different
penis
appeared

I always left
the penis
looking
satisfied and I
was very
happy too

But this one
might have been
longer. That's
how my
observations
began again with
the new penis

At a glance I
could see it was
diPPPerent. This
one was a more
Pleshy color and
even when erect
there was a lot
of loose skin

This penis was
very lively and
when it entered
me it moved
with amazing
speed

it
right
went
in

A black and white illustration of a mummy lying on a table, with a small inset showing a stylized '7' and a pencil.

After a while
another new
penis
appeared

Aaahhh

Even after I got home my head would be full of penises and I'd play with myself a lot

After that I met many other penises

Come to think of it, Mom said that Dad "absconded"

Lately there haven't been any new penises appearing... I want some to appear soon

But I don't care about that. All I think about is getting the penis inside me

Like an Onii-chan from the local university out walking, a homeroom teacher taking a long holiday, a Friendly O-jii-chan from a local store I've never seen before. It's busy around here lately

★はじめましてこんにちは、まきのん™です。

軽くよろずイラスト寄せ集めに数ページの漫画も添えようとしたら漫画だけで力尽きたというカンジのLimitterでございます。

★今回の夏コミではとある飛空士の追○でがっかり出したかったのですがこれが精一杯でございました。無念です。

この下のが夏コミ合わせて描いたファナのつमोरのカットだったのですがこれ自体Circle.msのカット差し替えに寸での差で間に合わなかったという(´`);

実際に本を描き出せば、全然違う感じのファナになると思いますが…
っていうかこれでファナってわかんないってカンジですね。
ご存知の方がどのくらい居られるのか謎ですけども。

★う…時間が無いので埋まってませんがこの辺で最近色々思うところがあるのですが、言わぬが華ということで横に置いておきます。何かを言ったりするときは一寸考えるようにしないとですね。

ではではまだまだ未熟ですが出来得る限り本を出していきたいのでよろしければ次もよろしくお願い致します。
