Although one
person was
severely
wounded,
all other
hostages
were
unharmd...

...Now,
regarding the
troubling armed
burglary standoff
that occurred
yesterday...

...However,
of the two
criminals, only
one was killed
by gunfire in this
gruesome
event.....

AAH
~~~~~

Because the  
criminals were in  
possession  
of firearms,  
there were no  
alternatives for  
the police but to  
open fire...

Going forward,  
we imagine that the  
prefectural police  
force will be forced to  
answer questions  
regarding the  
decision-making that  
lead to the use of  
deadly force in  
dealing with this  
incident...

THAT'S  
TERRIBLE OF  
THE POLICE...  
IT'LL BE  
ANOTHER  
DEPLORABLE  
SCANDAL FOR  
SURE.

MY GOD  
THAT'S  
TERRIBLE...  
THEY DIDN'T  
REALLY NEED  
TO KILL THEM,  
DID THEY!?
