It's the Screaming Hill!!

Thanks.

Good luck, Kikunaga!

Yes, Ma'am

You head on over to the confession room. This month it's Ms. Senou.

I'll take her to the nurse's room.

Hey, hey, don't dawdle.

You okay, Naoko?

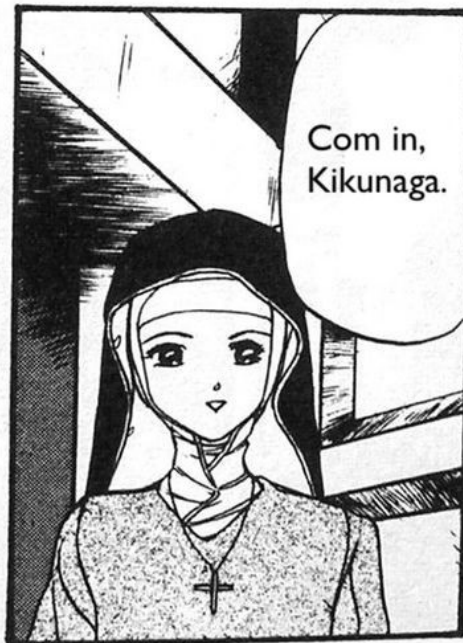

Wow....

There's sermon all day today.

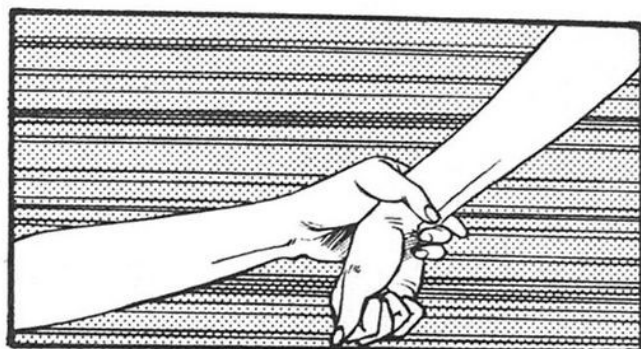

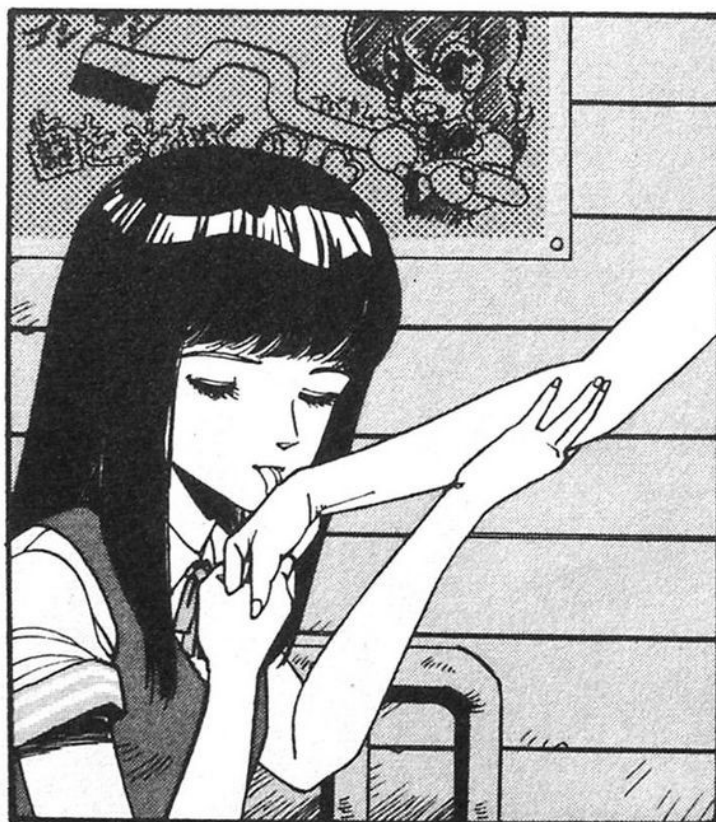

Yes, Ma'am.

Com in, Kikunaga.

This is really weird, Nao.

Does your stomach hurt?

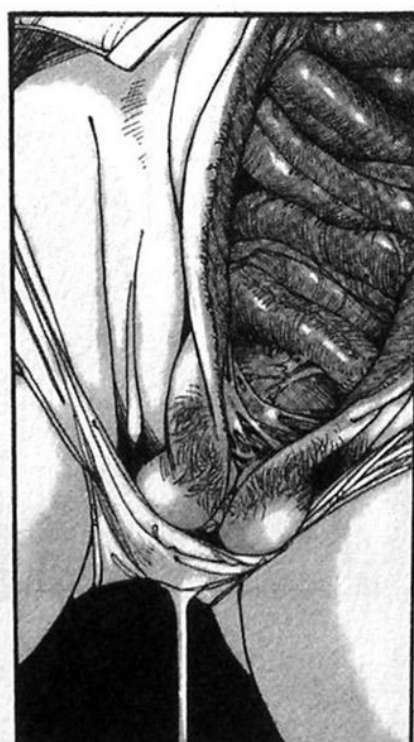

What's wrong?

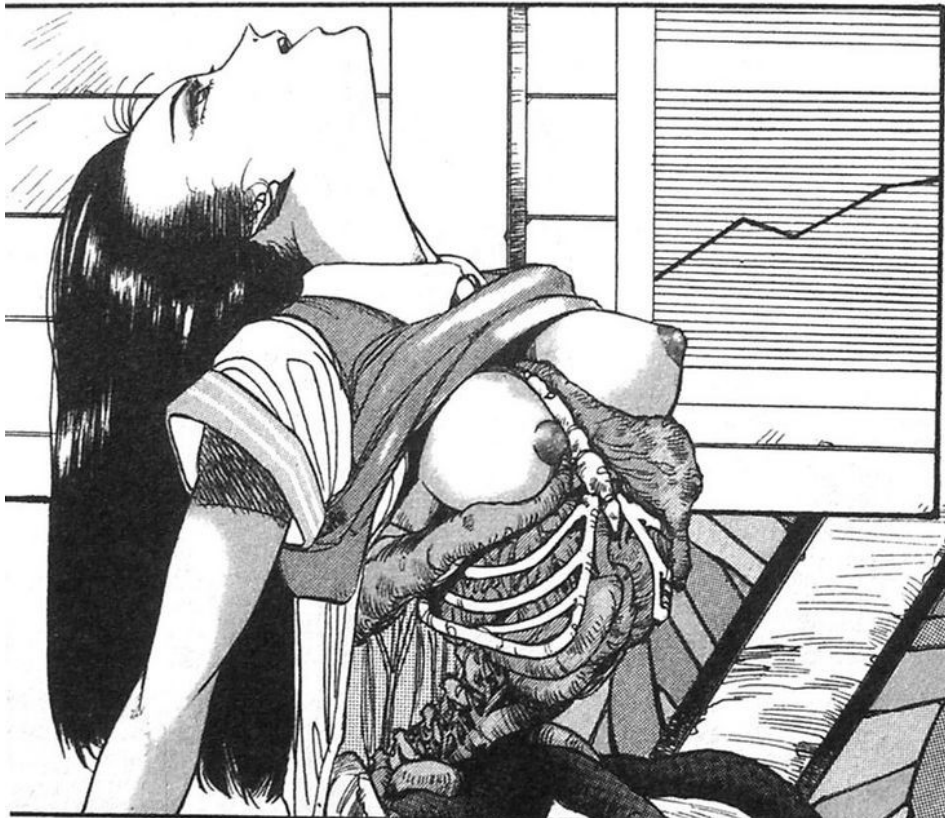

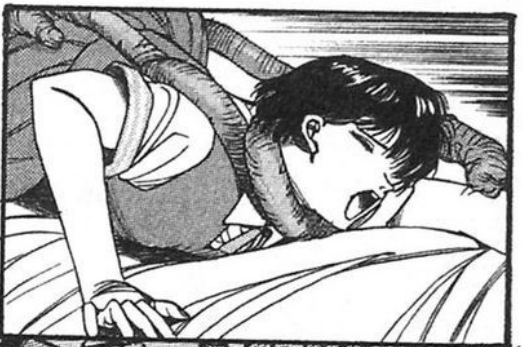

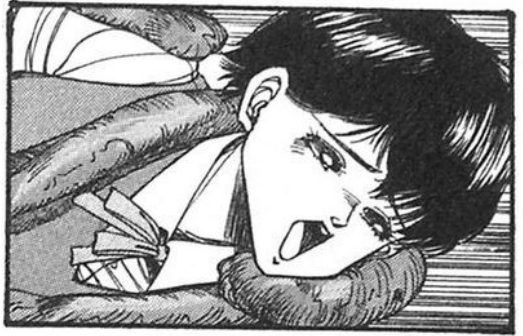

Whoom!

Your stomach is...

Well, sorry about during lecture.

Hm..

Would be your third, correct?

This time

Yes.

Huh?

Come on in.

Huh?

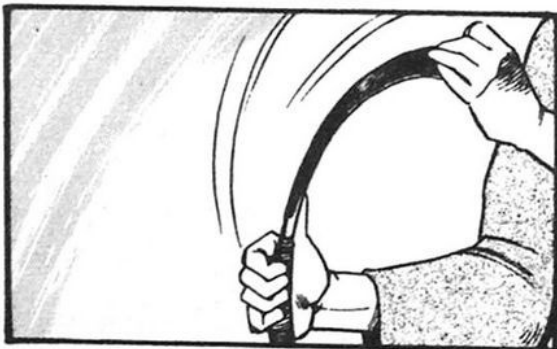

If you can't be taught with words...

You don't seem to understand that the Creator wants you to strengthen your own legs.

Your excuse is always that hill.

Yes, Ma'am.

Then you will just have to be taught with the body. Begin.

Ha..

Ha

Ha

You still don't get it, do you?

I'll just have to show you harder.

Let go of me!

No. You still haven't learned a thing. You're just saying that.

I won't do it again, so please let me go.

I get it now.

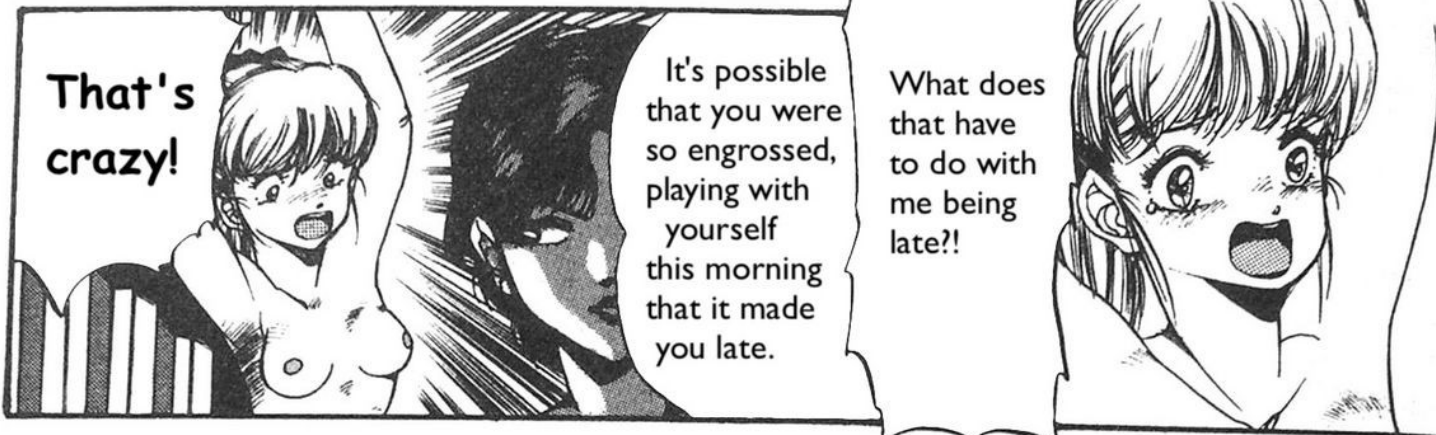

Kikunaga, have you ever tried masturbating?

What?!!
?!?!

That's crazy!

It's possible that you were so engrossed, playing with yourself this morning that it made you late.

What does that have to do with me being late?!

Ah, what are you doing?

I'll take a look and find out.

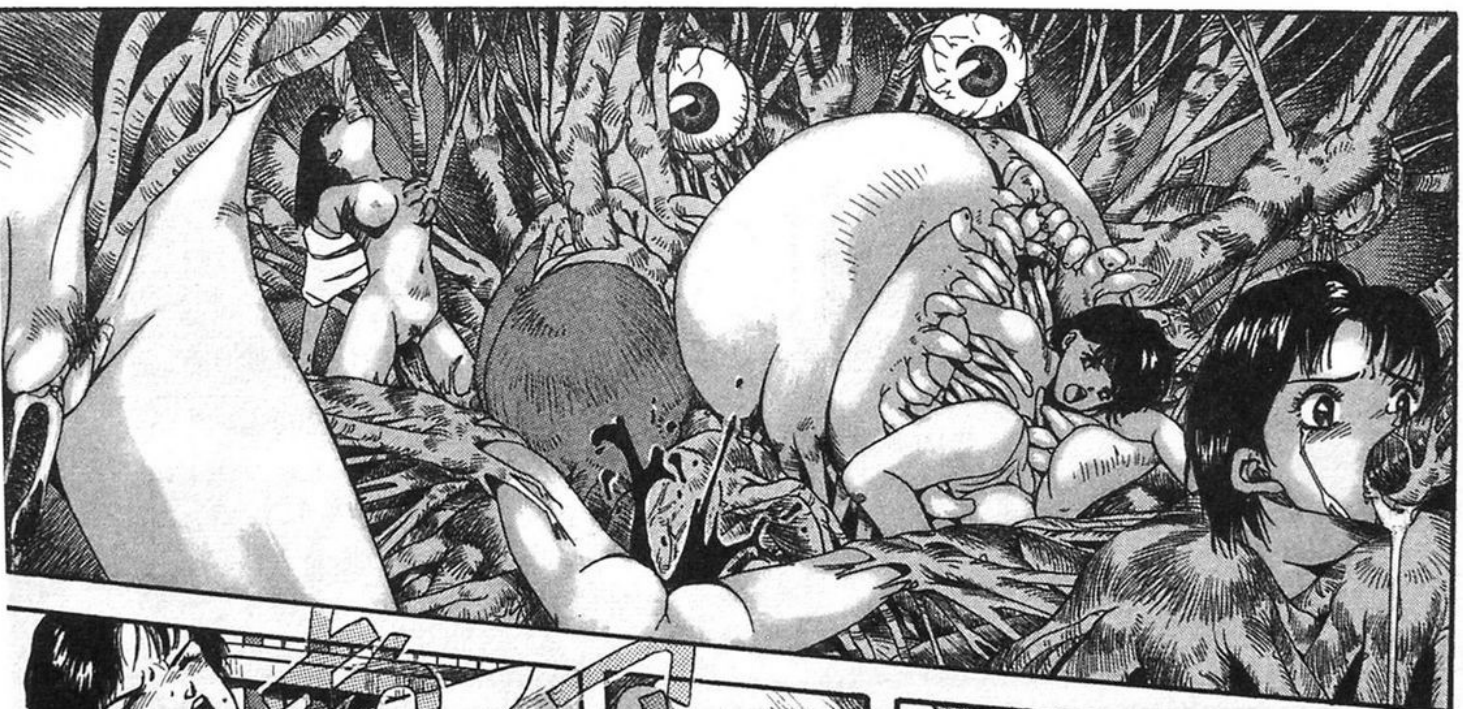

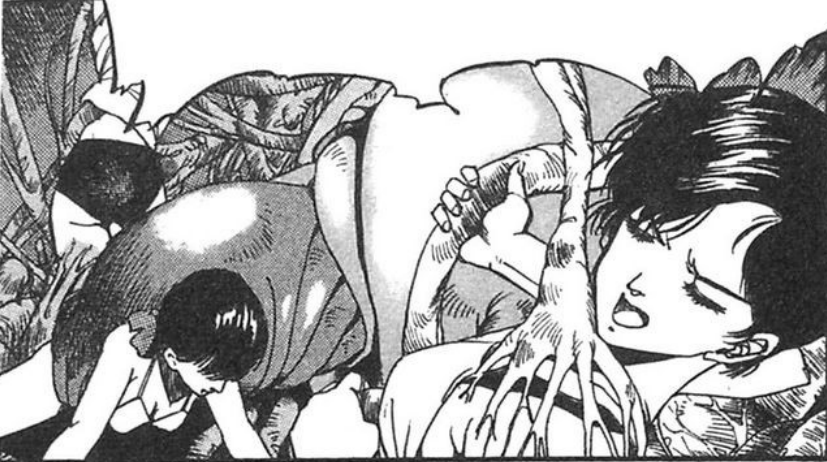

She's odd.

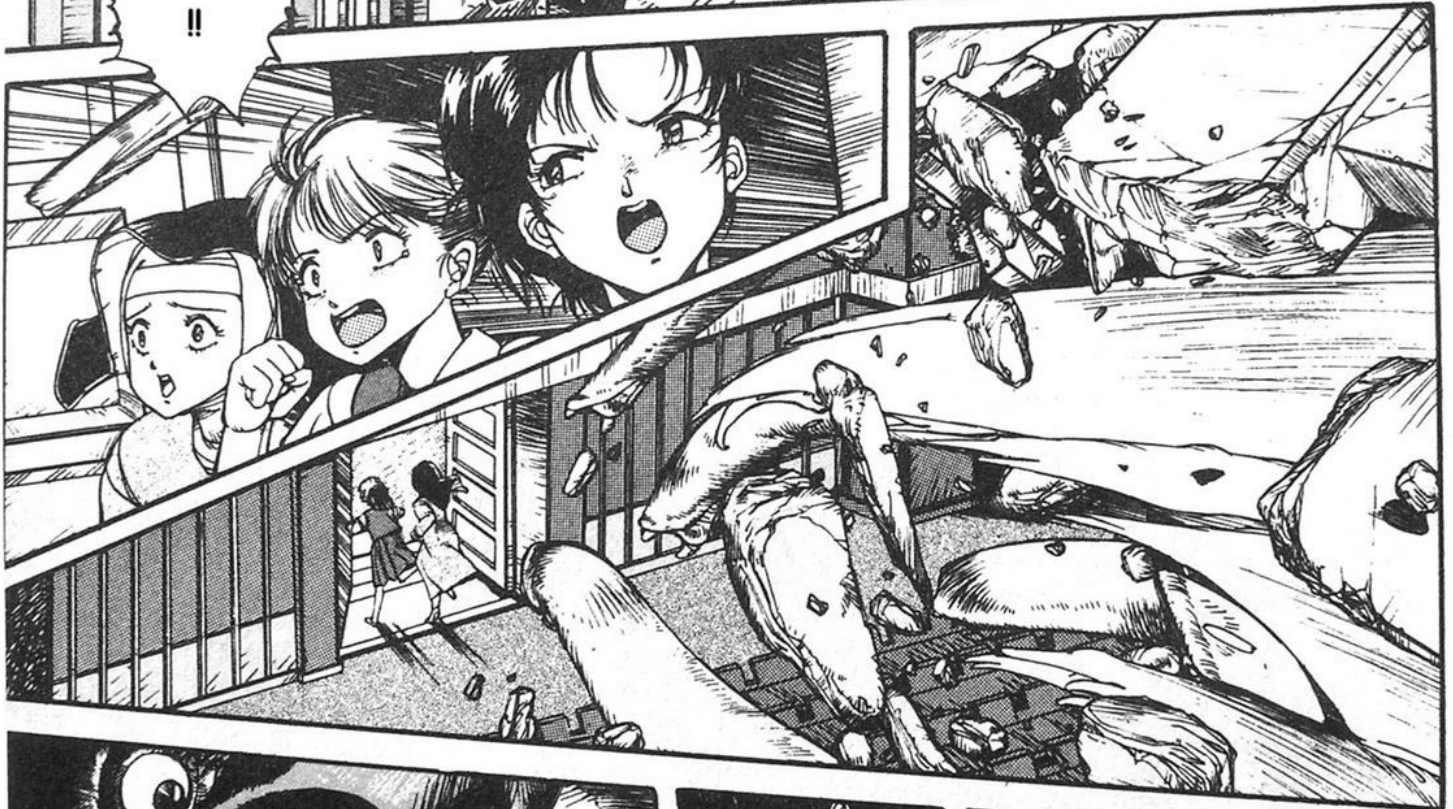

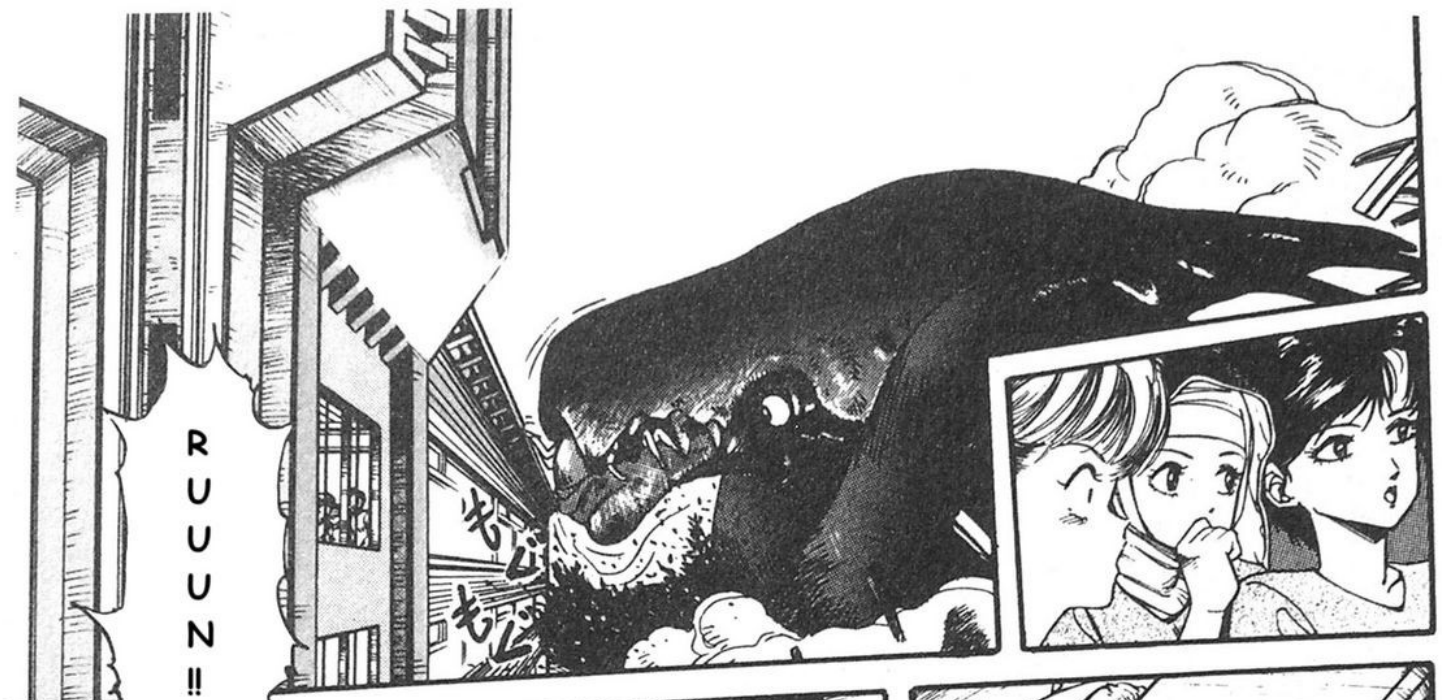

SLAAAAAAM!!!

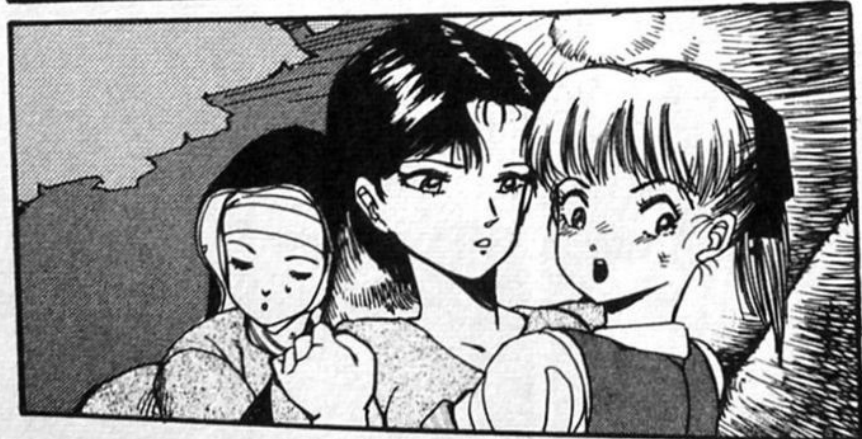

Mm..

Oh..

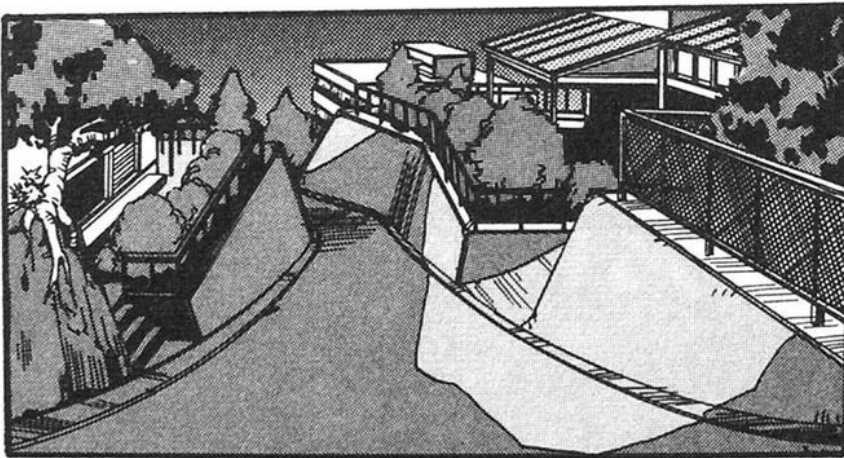

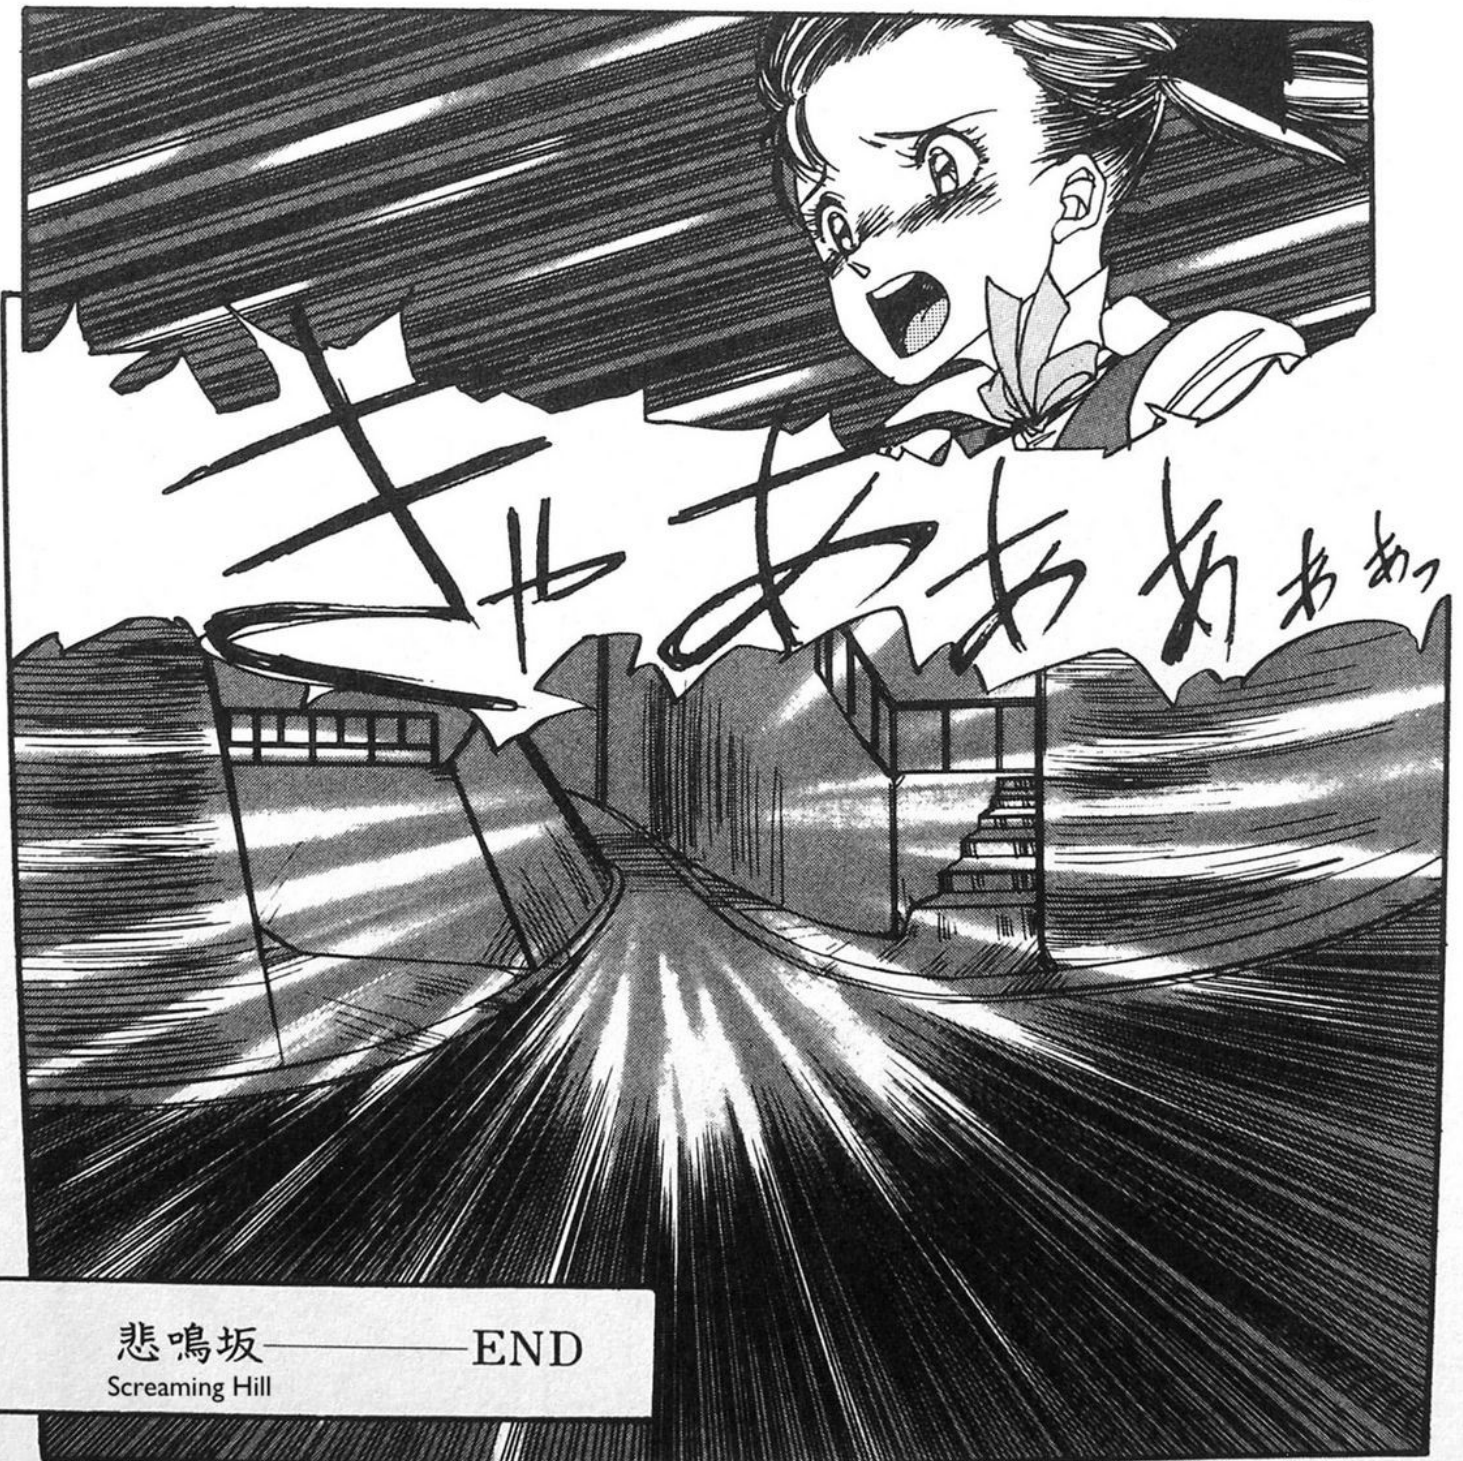

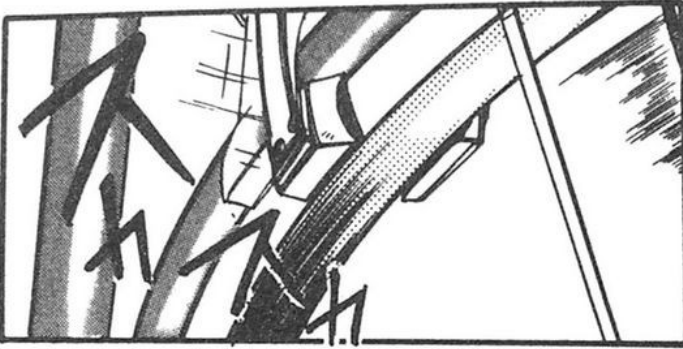

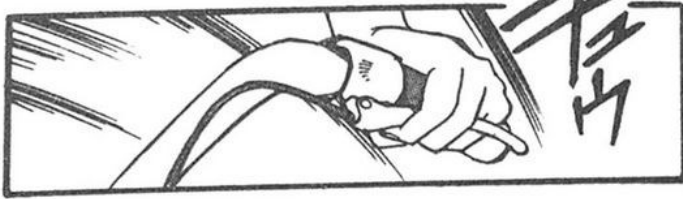

An.. anyway, Kikunaga, go home and forget about what just happened.

When I get home I should watch the news.
