I have fallen in love with my elder sister!
NEWS.01
The truth about the clean and honest female announcer

She's pretty, smart and good-natured.
But what could I do about it?
Nee-chan!
Ahh, you left all your clothes lying around after you took them off!
Although, she is a little careless...
Nobody is ever going to marry you, if you stay like that!
Well, in that case, you'll have to take care of me, alright, Ta-kun?
And she even says crazy things like that!

What's the matter, Waka-chan?

Was it that obvious? I'm sorry!

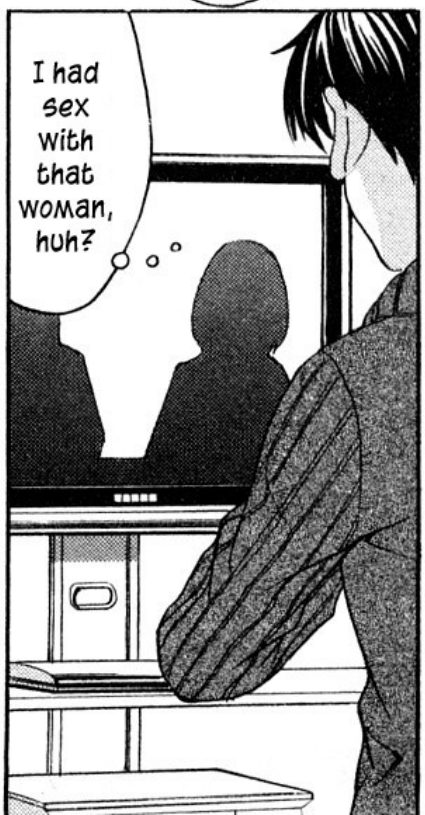

So, what is that person...
That stole your heart like, Sempai?
Well, I don't know that for sure myself...
I thought he was an AD, but apparently I was wrong...
*AD here stands for Assistant Director, a person who helps with the production.
So, that was just a passing affection?
That's what it turned out to be.
But my female intuition tells me...
He will definitely turn into a good man!

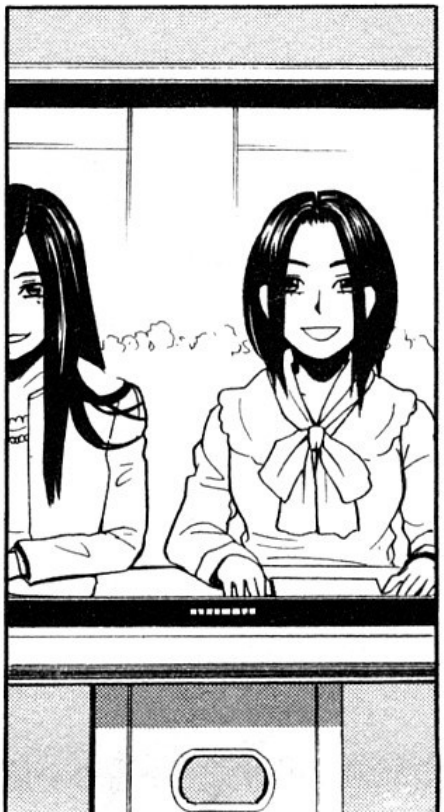

Did you say eating dinner together was important to you?
Come on...

*Achoo!

Sorry, Ta-kun, but we will be throwing a farewell party for someone I owe big time!

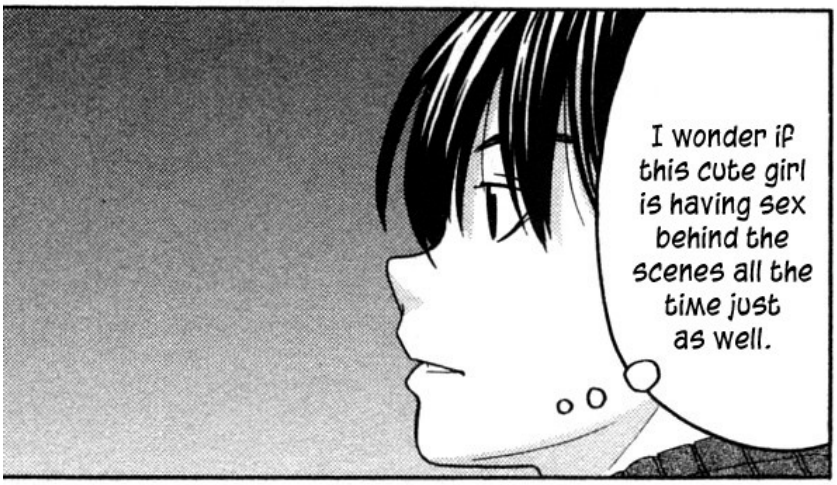

Well, I guess it just can't be helped, huh?
Why don't I watch a recording of some program with my sister then?

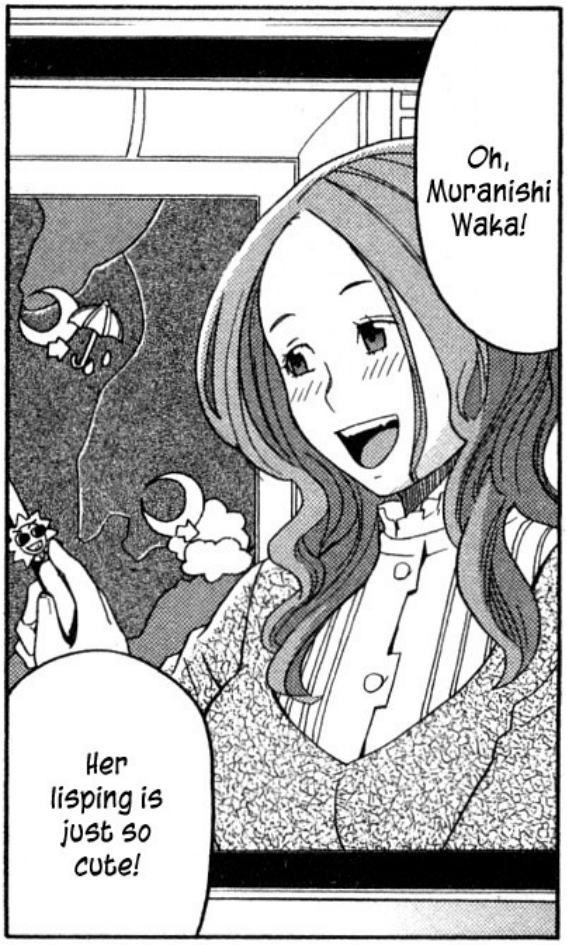

I had sex with that woman, huh?

Ah!

Although, that still doesn't feel real at all...
.....

I wonder if this cute girl is having sex behind the scenes all the time just as well.

Oh, Muranishi Waka!
Her lisping is just so cute!

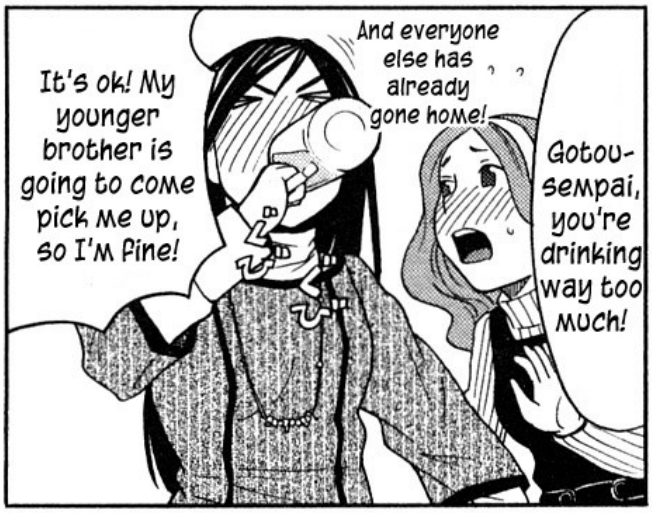

Could it be that my Nee-chan is doing that just as well...

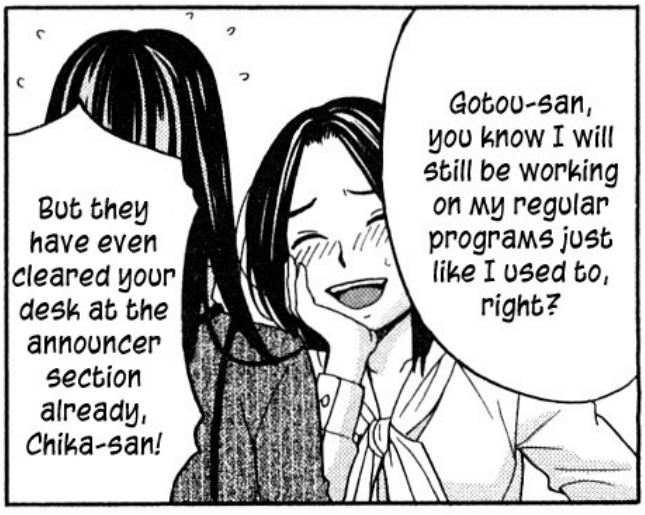

Ah, Nee-chan? What? You're dead drunk, aren't you?
No way! I'm coming to pick you up right away!

TRRR

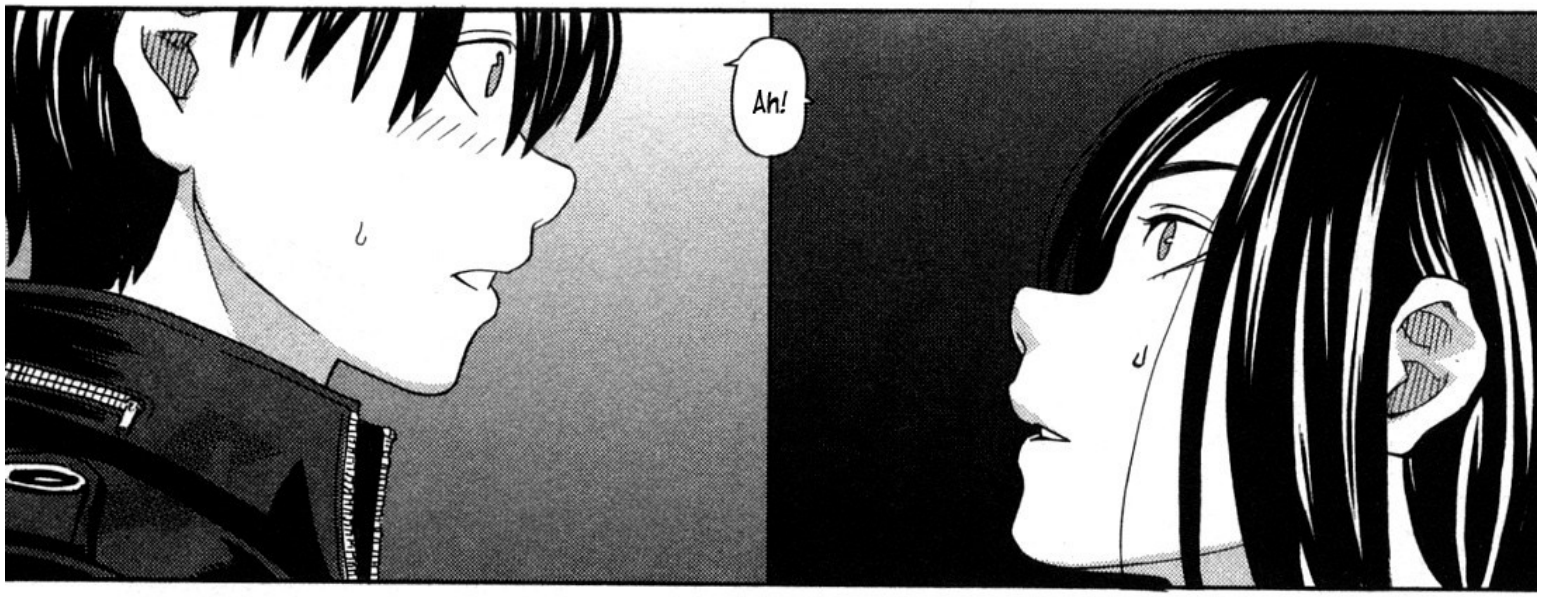

Why do you have to quit!?
Ueghhh!

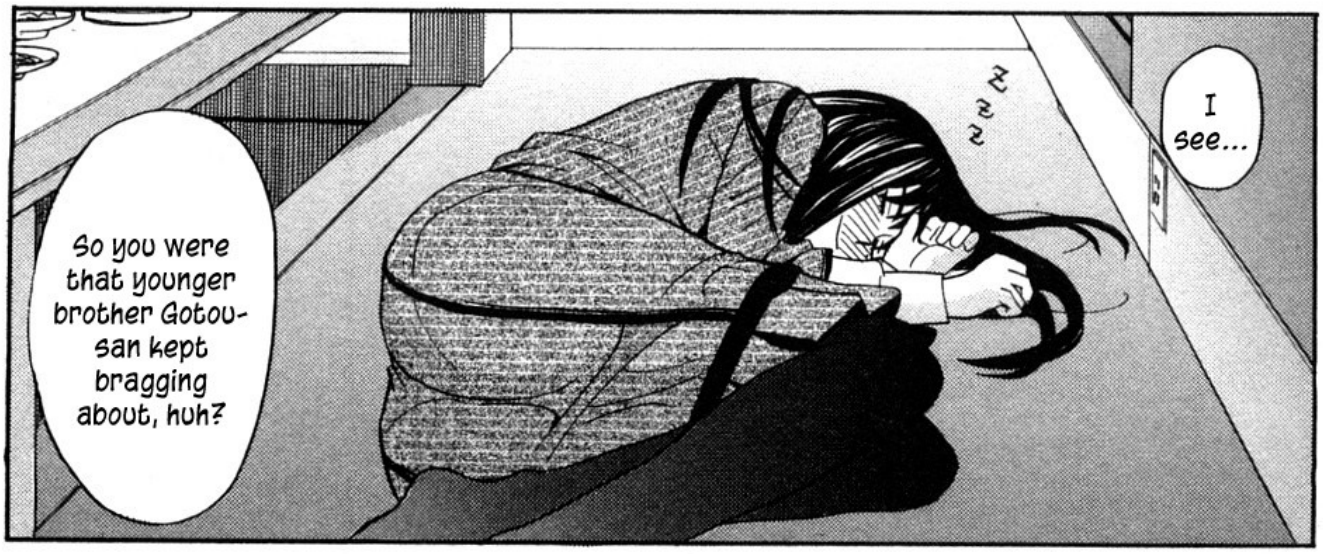

I can't believe you will no longer be around, Chika-san...
I'm going to be so lonely! So lonely!

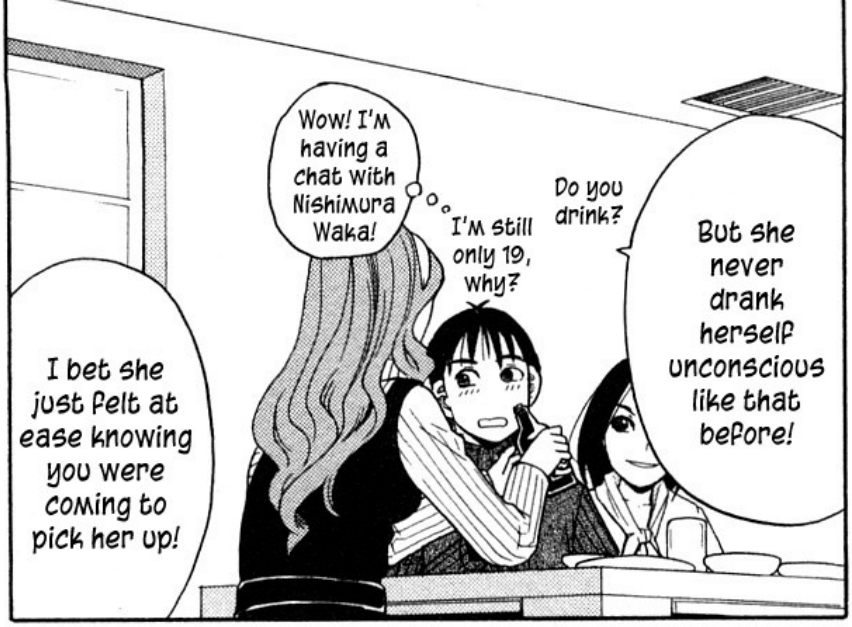

It's ok! My younger brother is going to come pick me up, so I'm fine!
And everyone else has already gone home!
Gotou-sempai, you're drinking way too much!

But they have even cleared your desk at the announcer section already, Chika-san!
Gotou-san, you know I will still be working on my regular programs just like I used to, right?

I'm sorry my sister caused you so much trouble...
Oh no, don't worry about it!
Wow, this is some awesome restaurant!
Ah!
And they had a reservation here...
Egh!
Hey! I'm here, Ta-kun!

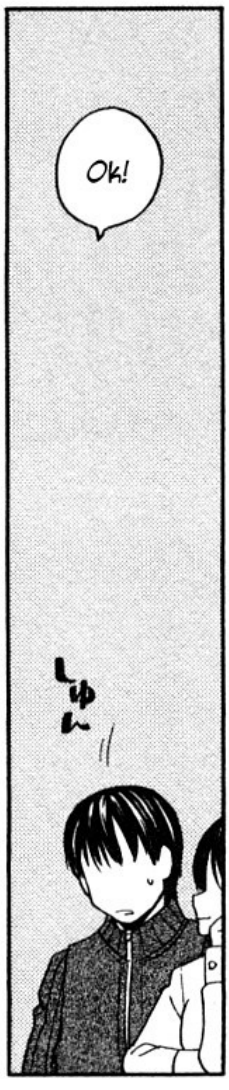

Ah!

So you were that younger brother Gotou-san kept bragging about, huh?
I see...

Wow! I'm having a chat with Nishimura Waka!
I'm still only 19, why?
Do you drink?
But she never drank herself unconscious like that before!
I bet she just felt at ease knowing you were coming to pick her up!

Bragging about?
Yes, Gotou-sempai always brags about her younger brother when she gets drunk!

I guess she really puts her trust in you, huh?

Ok!

Do you know what would happen if I hadn't put a lid on that?
You have to be more careful or you will end up causing lots of problems to your sister as well!

But no matter how much you care about your sister, it still wasn't smart trespassing into the TV Station like that!

This was...
Taken by a security camera!

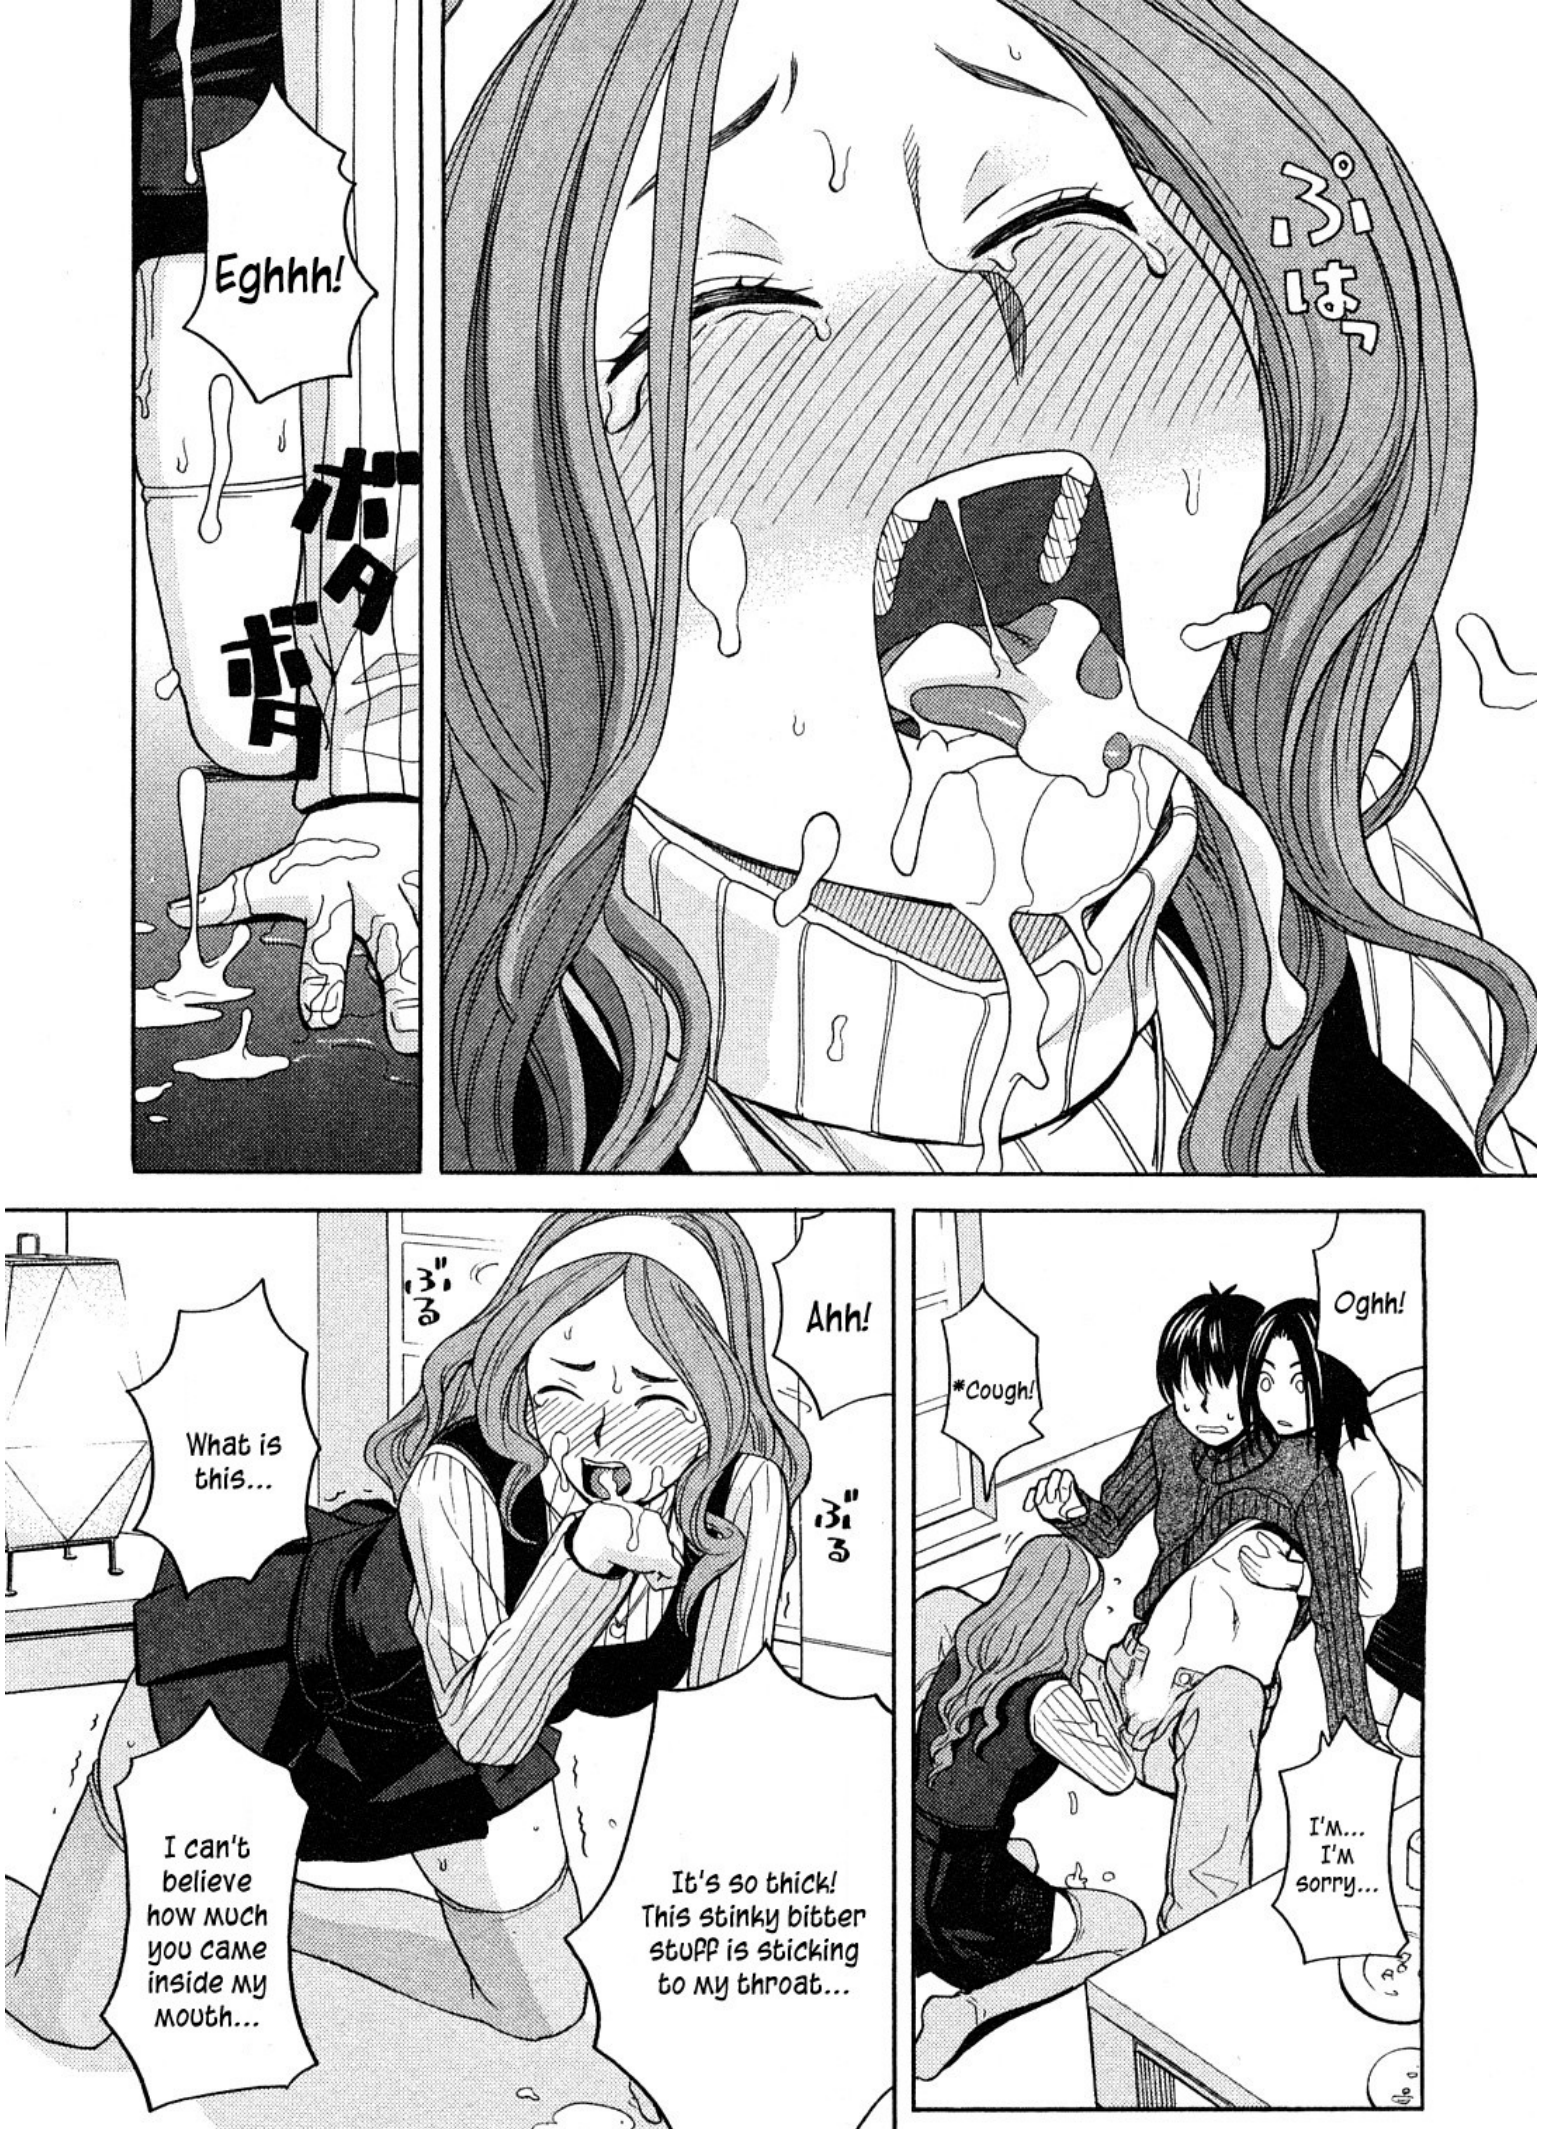

I really wish you wouldn't put all the female announcers together!
Ah...
Besides, I believe it all depends on who you're talking about...
カラ...
Erm...
Do female announcers always to those things with just everyone?
It might not look like that, but I'm actually very picky!
I wouldn't do it anywhere and with just anyone either, you know!
That means...
You actually caught Sasazuka's eye here!

Hey!
Wait...
This isn't what I meant when I asked you that...
Waka wants to have a piece of you just as well!

## Character File No. 2
## Name: Sasazuka Chika

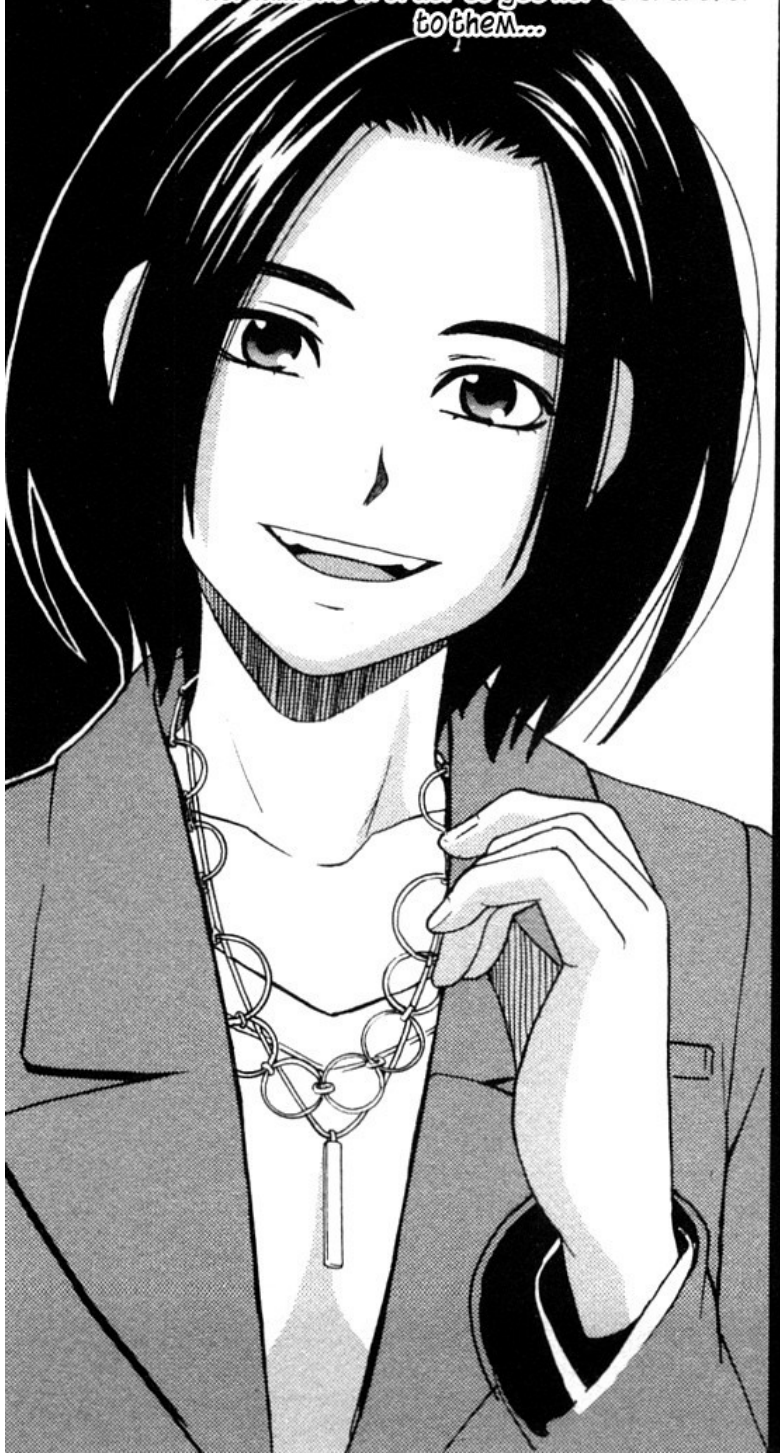

Age: 28

**Current occupation:** Freelance announcer (affiliated with the Phoenix Agency).

**Notes:** She has a reputation of a talented announcer who can handle anything from sport and variety shows to news perfectly. And after she has transferred to a large-scale agency, her range of activities got only wider.

**Three sizes:** 88-60-89 (according to the home page of her agency).

**Interesting facts:** Maybe because she is a celebrity, there are lots of rumors going around about her sleeping with the high-ranking people of the TV Stations and being bisexual. People also say that her current agency had to pay her millions in order to get her to transfer to them...

## Character File No. 1

## Together with the "Lili Luna Group" ♥

This excited looking at these twin idols in front of me?
So, why in the world am I...
So, what do you think...
About our pictures?
I think you look cute and...
These pictures are very well made!
Oh, no! Being cute is not enough in this business!
That's right!
Please tell us the truth!
We're not sexy, right?

That's it! That's our problem!
But you know... I still can't believe that Luna-Luna and Ruri-Ruri from the Boy's Lili Luna Group...
I really liked those surrealistic graphics!
I used to watch on TV when I was a kid grew up like this...
But...
People still refer to us only as "that Luna-Luna and Ruri-Ruri" all the time...
Nobody who clings to his past will ever survive in this business!
We want people to see us the way we are right now!

Please turn us into women!
So, please...

But at the moment, we clearly aren't sexy enough...

We have never been with men...
And thus, we have no idea how to coquet with them!

But...
We treasure this job even more!

.....

No... But...
Oh, we do that!
I think you should treasure yourselves a bit more...

Come on, Luna-chan, you have to look at it as well!
Wow! I didn't know it could get this big!
But... But...
ぷいっ
Now, that's unexpected! So, Luna-chan was the shy one?
Oh, no!
She's just taciturn about her amorous feelings! She's actually much more interested in this than most normal people and that makes here very self-conscious about this!
かあぁっ

?
You are the one who's taciturn about her amorous feelings, Onee-chan!
You masturbate every single night, so what do you expect me to do when you're at it?
Oh, come on, Onee-chan...
Apparently, it works even when we are far away from each other!
Ah!
Ah!
Ah!
It's probably because of that special ability twins have that lets them share their sensations!
But I'm not taciturn about my amorous feelings, Luna-chan!
I'm just dirty!

Don't lie to me!
I totally feel what's happening to you right now!
Ahh! Just thinking that this thing here is going to take my virginity now...
Is making me wet already!
And you feel the same, don't you, Luna-chan?
No...
So, come over here and let's do this together...
Alright?
Uh... Ok!
What a lovely view!
Wow!

What they do is just irritating...
But it's really going to be the first time from these girls...
But, no... This is their very first time!
I have to be gentle with them...
And Mura-nishi-san...
Com-pared to Sasa-zuka-san...
But I just can't bear with this anymore!!
Luna-chan!?
Uhnm!? Uhhhn!

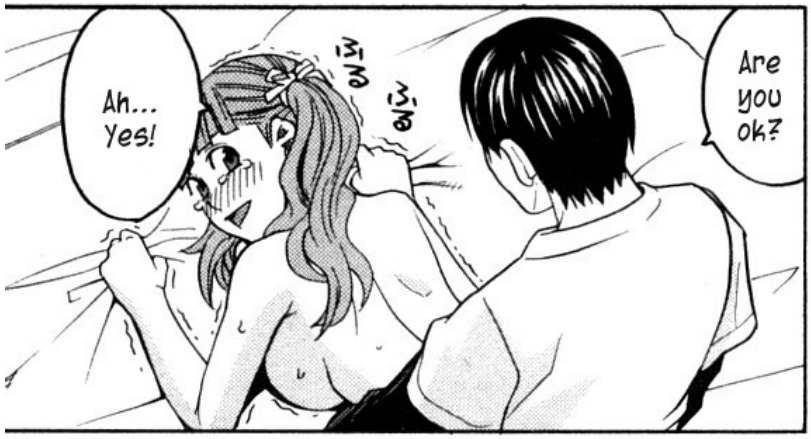

Luna-chan, your mouth feels so good!
Ahh! It's good!
I can feel it hitting your throat!
It's hitting the throat of a real idol!
Ughn!
Ughn!
Ughh!
Nn...

You're a good girl, Luna-chan! You did a great job!
Onee-chan!
That was so cruel...
Uh... Ueghh!
Now, let me clean it up for you!
Ahh... Look how dirty you got...
Nn!
Nn!
Wow!
If you're going to cum, do it in here...

It would be a waste!
You can't do that!

Oh, no... I don't want this!
And I'm sure he's going to go rough on me!
I don't want it to hurt!
Oh, my! She's really scared!
Well then, why don't you start with me?
Here I go!
Alright!

Ah!
Ughn!
Nn!
Ahhn!

Ahhhn!

Are you ok?
Ah... Yes!

Ah!
Ah!
Ahh!

Maybe it's because I masturbate too much...
But I actually had a light orgasm the moment you stuck it inside me!

Well then...
Yes, you can move as much as you want!

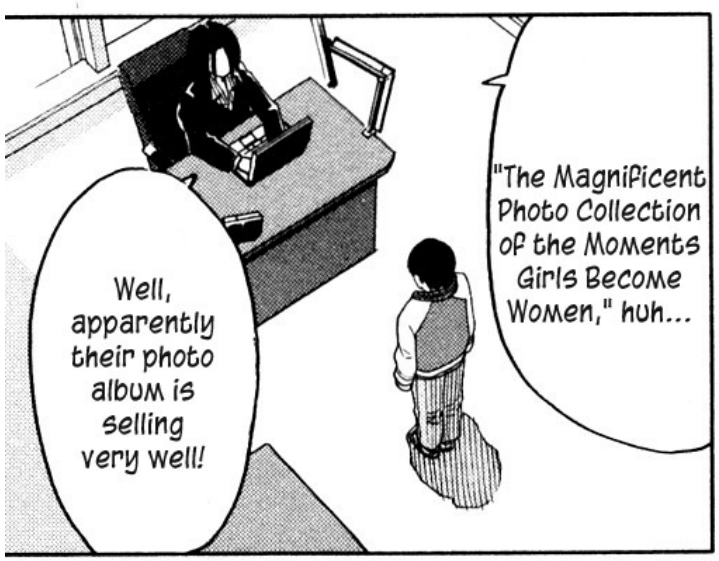

Your dick feels so good!
Oh, no!
Ahn!

Well, you have a very dirty expression on your face as well, Onee-chan!

Well, apparently their photo album is selling very well!

Now, what is this?

Yeah, that's right!
Erm... Sasazuka-san, is this what it's going to be like working for you?
So, there are a lot of girls in this business who can't even choose a sex partner freely, let alone have a normal relationship!
This business seems really glamorous, but the truth is entertainment media chase you all the time and managing your work is always a pain in the ass...
I will list you as one of my managers, so it will be relatively easy for you to get in and out of the TV Station...
And it will only take very little of your time, so it won't affect your studies!
Not a bad deal, huh?
They sure are cute after all, aren't they?
So, it would be nice to provide these girls with a convenient partner, right?
And that's what I want you to do!

And most important of all, you will be able to do it with announcers and idols! No man would be able to decline that offer!
Well... That's true...
Well then, it's settled, right?
I'm really glad to hear that, because this really isn't a job I could ask just anyone to do!
Well now, sorry to start right off the bet, but I would like you to meet this person here...
!!
This person?
That's right! She's a veteran announcer who's been with Futaba TV for 15 years already and her name is Umino Nahoko!
