The girls think I'm just trying to be sarcastic or brag when I complain,

Perverts are always going after me because of this chest of mine,

I guess it doesn't fit my image, huh?

You don't seem like someone who'd cry over that.

The boys were teasing you because of your chest?

And the boys tease me.

I've gotten kind of used to it, but...

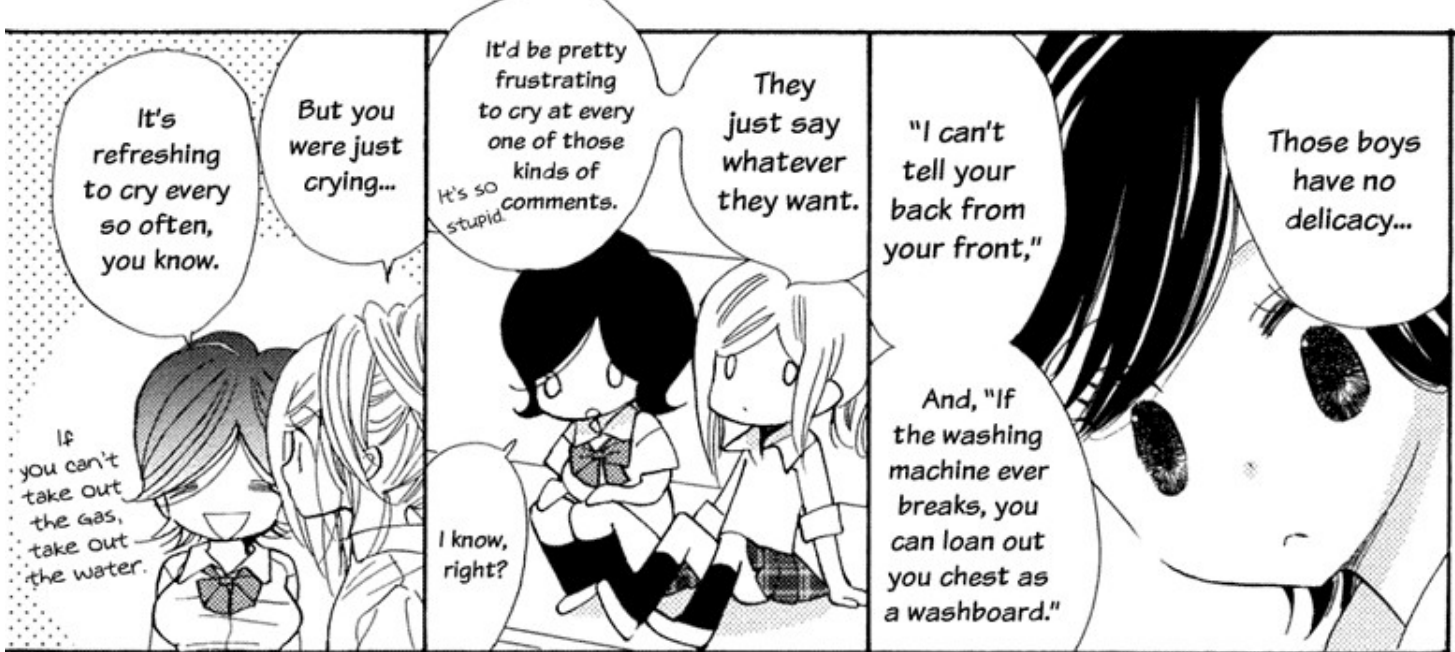

When it's five or six of them all at once, I just can't contain myself...

Okay, I understand, now stop blowing your nose on my chest!

IT'S NOT LIKE I WANT TO HAVE HUGE BREASTS—!!

THBBBBBT

Okay,
then call
me Ai.

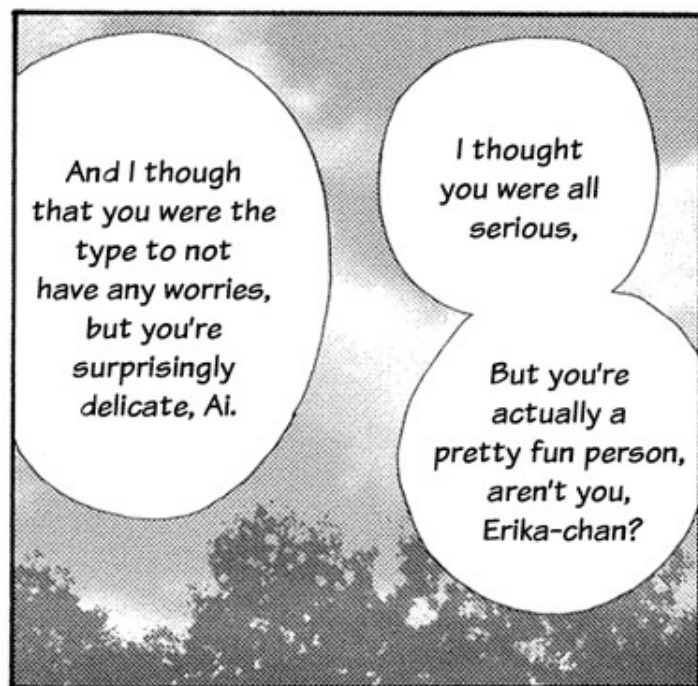

Just call
me Erika.

It's like the
bad feeling
I had just
flew away!

Ahahaha
What a
laugh!

Thanks,
Ono-san!

And I though
that you were the
type to not
have any worries,
but you're
surprisingly
delicate, Ai.

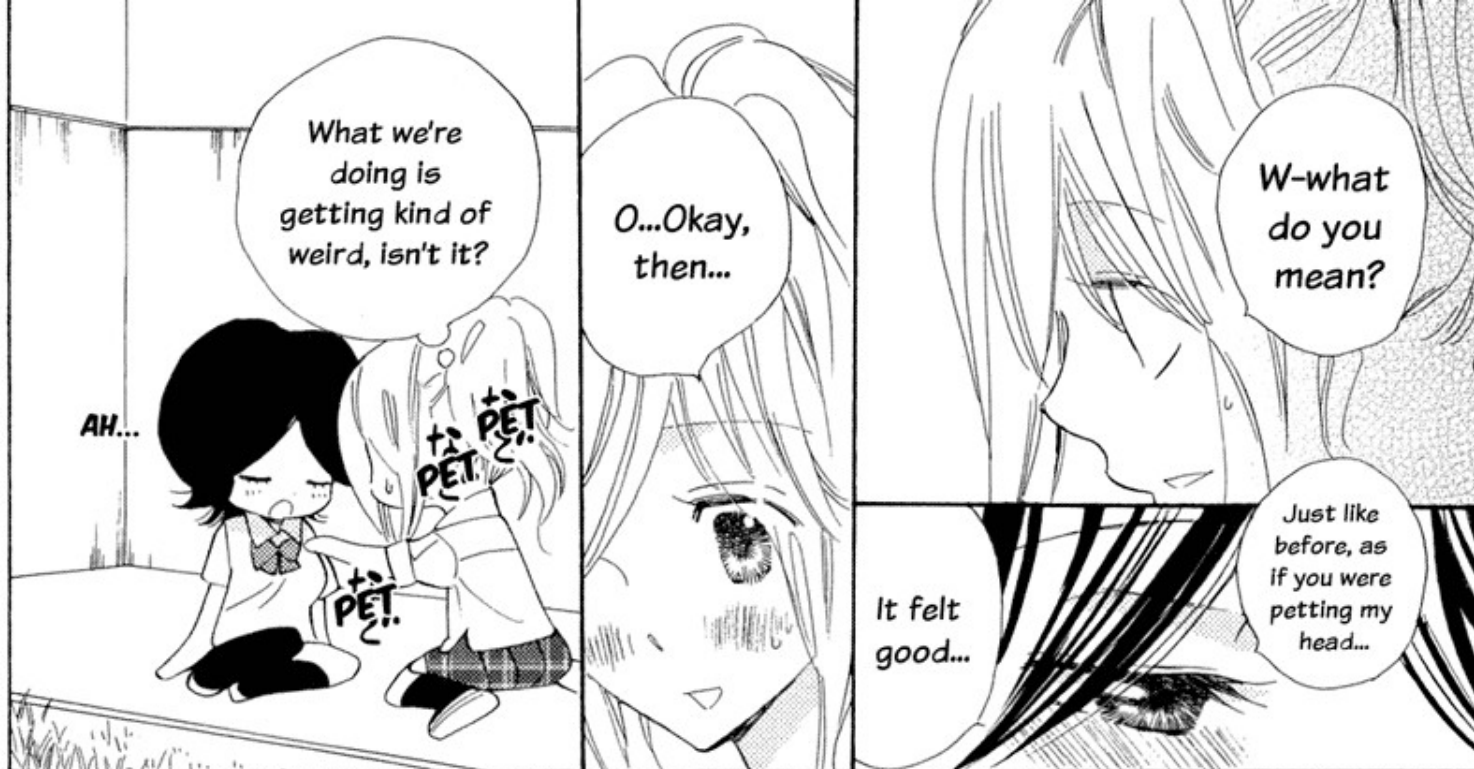

I thought
you were all
serious,

But you're
actually a
pretty fun person,
aren't you,
Erika-chan?

STROKE
STROKE

To want
to be
touched
more like
this is...

Me
too...

Up until
now it's
always been
uncomfortable
when my
breasts are
touched...

Yeah...

I-It
feels that
good?

W-what
should
I do...?

は
HAA...
あ

The face
that you're
making
now...

I want
to...

It's not
just that
I want to
touch you
more...

+
KISS...
♡

See
more...

Ah!

I guess
so, huh.

Well, since
we don't
have school
tomorrow,

We're...
at school,
so...

I'm okay
with it,
just...

SHOCK

Hya!

I just...

Ah!
S...
sorry.

I-it's
okay.

KISS

Sorry
I'm late!

Let's go
on a date!
