left
thorns
stuck
in my
heart...

...
Yeah.

You watched it... didn't you?

I even thought of just pretending that I never saw it.

This DVD...

I didn't know what to do... I thought of confessing my honest feelings, but using this to blackmail her also crossed my mind.

But in the end, I decided to just take it with me.

I knew since before that she lived without a mother.

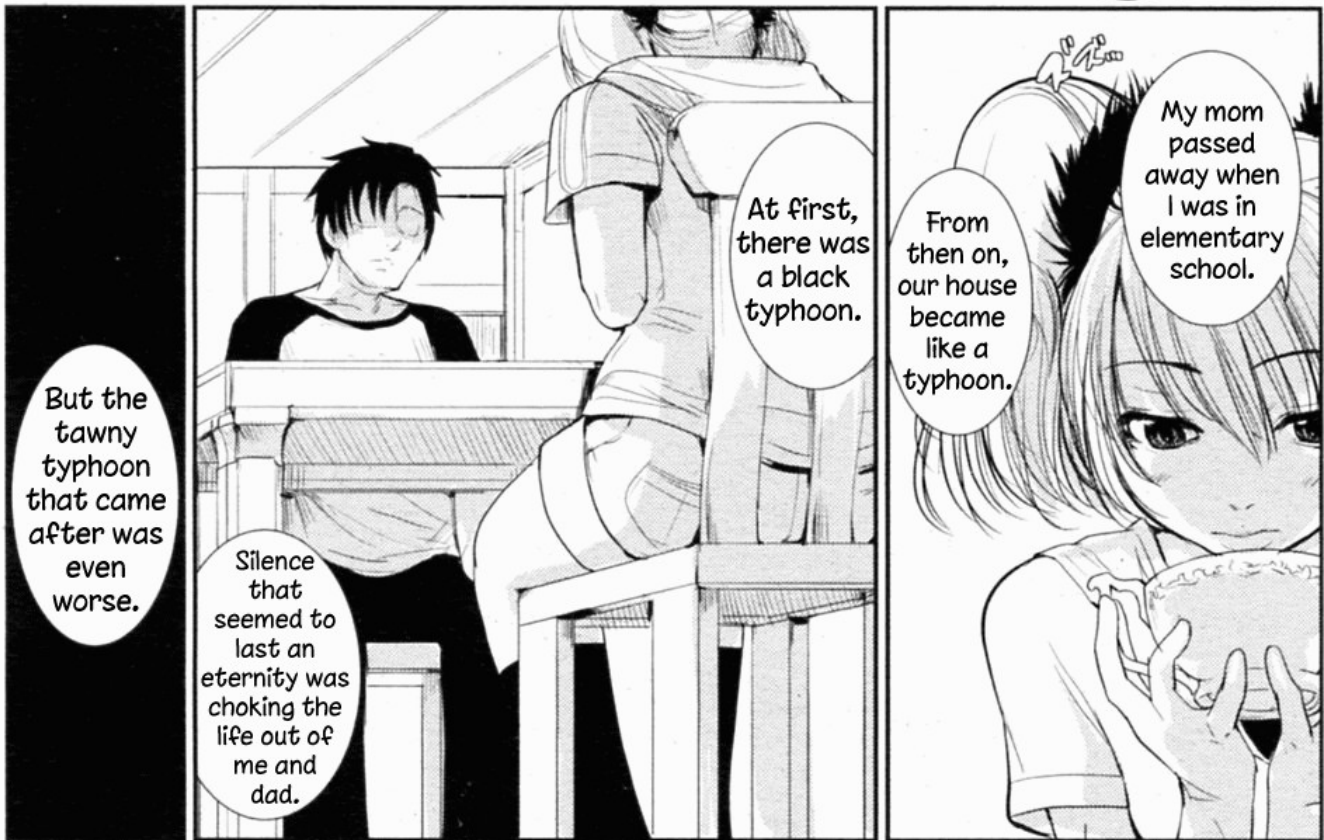

With unfading feelings of anxiety and with no idea what to expect,

I did as she said, and went inside her house.

Come on in.

But the tawny typhoon that came after was even worse.

Silence that seemed to last an eternity was choking the life out of me and dad.

At first, there was a black typhoon.

From then on, our house became like a typhoon.

My mom passed away when I was in elementary school.

By junior high school, I started to spend less time at home.

He didn't realize how difficult it would be to make ends meet.

but his earnings were very small.

Mom had entrusted dad with the house's finances,

Dad's personality, as well as the inside of our house, began to fall apart.

money.

I

to

there's no way he would be able to pay off his debt, and live a decent life.

It goes without saying that with his low income alone,

But he never says anything.

He probably does.

Does your dad know about this?

are at peace as long as we remain silent.

and Dad Me

But nonetheless,

Hush money. ♡

Wha-What do you mean?

So, Perhaps I could make you forget about all this?

I-I won't tell anyone...

...Half-assedly dodging my question, are you?

Since you're not simply saying "no", then I take it you'll accept my offer?

Will no kisses and actual sex be alright with you?

long

That's
a
taboo.

I'll give you

How-
ever...

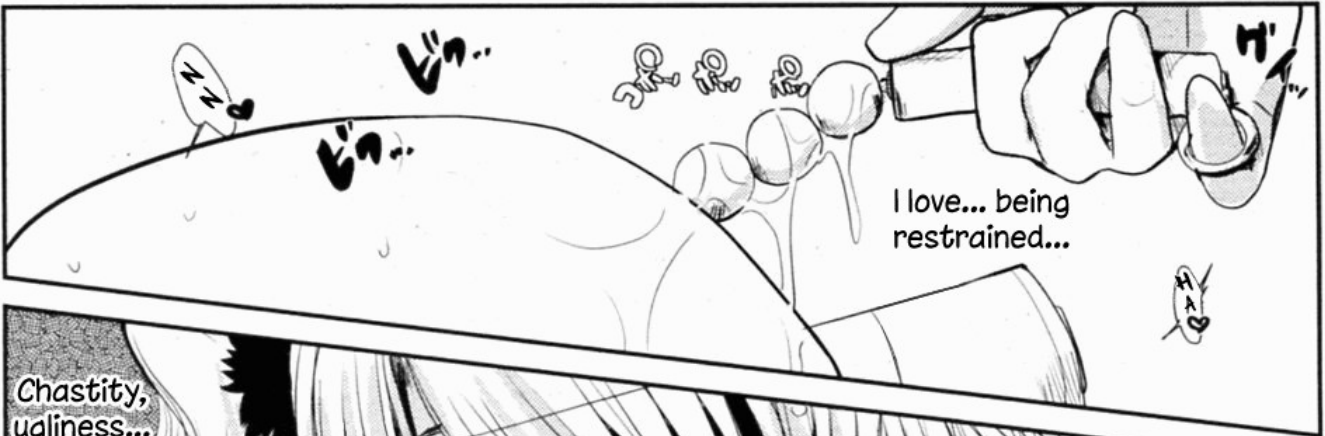

In addition
to loving
me, if you
keep this a
secret, then
in return...

all
of me.
♡

Those
things
in the
video...
Do you
want
to use
them?

...I
know!

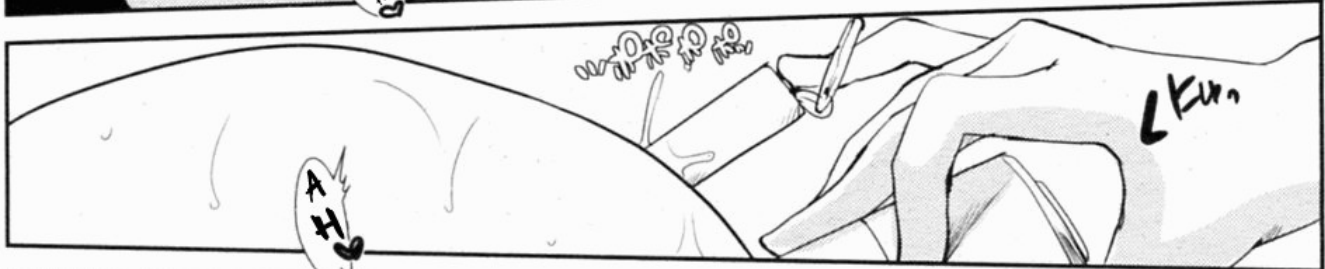

I love... being
restrained...

Chastity,
ugliness...

It all
goes
away.

I become an
object
that's accepted
for who I really am.

That's what
my material
existence
becomes.

Hehehe, then

how about we change positions?

I'm going to lose my mind!

No! This is too intense!

I can't take it anymore!

I want to feel you!

Wait-Whoa!

Then...
Where
should I
restrain
you
next?

Come
I can't
wait
any
longer.

Ufufu.
Anywhere
is fine.

I'll
lift
you
up.

Ah
haa...

Ah- My

If it's
what
you
wish...

It's
going
in!

You're already sopping wet.

Hyan! So fast!

Do it. ♡

And now, he also becomes an object.

At this moment, our existences are the same.

Ah! ♡ I'm going to cum. I'm cumming!

We are simply two objects indulging in each other.

Ah ♡ So bright.

I'll do it all in one go.

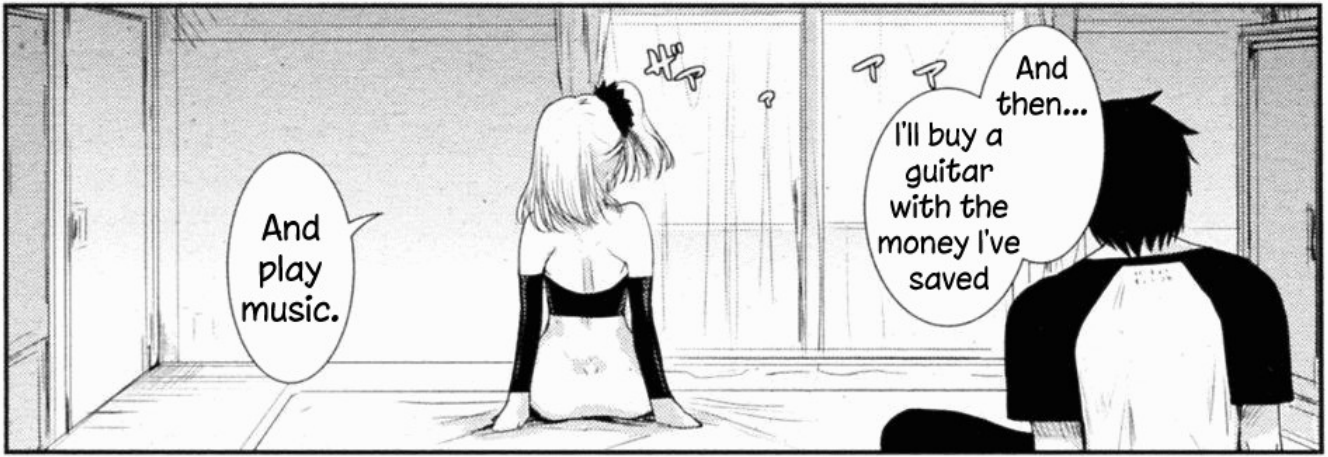

So much...
♡

You're cumming ...

The rain just keeps pouring down...

I'm sure it'll stop soon.

And play music.

And then...
I'll buy a guitar with the money I've saved

Besides, I'm not in the mood for that right now.

I see.

No need for that.
I can just buy one myself.

A guitar?
You want me to buy it for you?

Eh?

What colors will the rainbow be?

Wouldn't it be nice... if a rainbow shows up once the rain stops?

...Fufu. You're right.

It soaked back into my heart.
