Are you alright?

It's just old, you know. Don't worry, it's just a short circuit or something.

I don't understand how it works, so tomorrow, I'll call the electrician.

Mom!

The A.C. is on fire and blowing out smoke!
The A.C.!!

What about the AC in the other room?

Eh ...

What about today? Right now, it's scary!

I guess we'll just have to turn the A.C. off.
