"An"

Hey, what're you doing out here this late?

I ran away from home

Don't tell the police

If you're gonna be that selfish, then I'll tell the po-

If it's not safe here, then let me stay over at your place

What're you saying...?

Now now...

You look very cold...

It's not safe here, so it's best you go h-

Let me stay over

Don't tell such an obvious lie

What 20-year-old would run away from home?

Come on! I'm 20 years old, y'know?

Yeah, but still...

You buy lunch boxes from the convenience store
So you must be living alone, right?

I'll go home tomorrow, so let me stay over...

Like "Help me!"

Maybe I should yell something if you won't let me stay over the night?

Then carry me on your back

Pretend that you're my dad and it'll be alright! I'll play along too!

Wait, even if you follow me home, I'd probably get arrested on the way there
So... Too bad! Haha haha

There's nothing you can do about it
hehe...

Wha- Cut that out!

Girls are always in the right after all~♪

So warm~
♥

But if she said she was 20, then maybe it won't be a crime?

What the hell am I doing...?
Getting persuaded by this girl...

Nah, as expected, she's too small

If someone finds out about this, it'll probably end up on the news even if I don't do anything...

... Wait, that's not the problem here

"Another teacher has been caught" or whatever...

Hahaha... I won't...
After all, your mom is really scary when she's angry...

Uoh!
!

Mom grows horns when she's angry~

Hey, Dad~

You better not forget about the present~

They probably only ignored us because something had happened...

Gimme a break... We were flat out suspicious... I've done a serious crime

You're really good at acting! Now we're partners in crime~ ♪

I ended up bringing you along...

Yaay~ We've arrived!

Don't say that stuff at your age!

Jesus...

Aww, c'mon!

I wanna do it!

How about I give you a blowjob?

H- Hey!

Say...

As thanks for letting me stay over...

あとがき

ごらんいただきありがとうございます。
最近絵について悩んでいるからです。
何せどう描いたらよいか解らなくなってます。
解らないながらもがんばって『こうではないか?』などと
想像しつつかゆいこてえっちな女の子を描こうとしています。
うまいってるといいなー!

大和印刷所様には毎度毎度お世話になっております
今回も本当にありがとうございます。
ごめいわくてなけば是非またおねがいします…!
