"Beyond the Sliding Door" by Awatake

or something like that...

Translation by: deviant.translation@gmail.com

An SM magazine calling for "training" volunteers.

That was about two months ago...

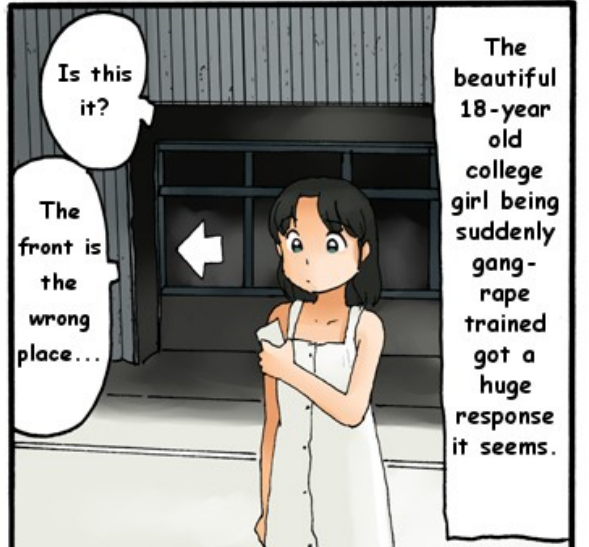

I first saw it in the bookstore.

The publisher and circulator were a mystery.

a door that changed where it led every time it was opened, and other baffling things were enough to leave me ill at ease, but...

On top of the mystery of who ran the ad...

Is this it?

The front is the wrong place...

The beautiful 18-year old college girl being suddenly gang-raped trained got a huge response it seems.

Hello ...?

knock
knock

"Over a month of being confined as live-stock..."

said the ad I was responding to.

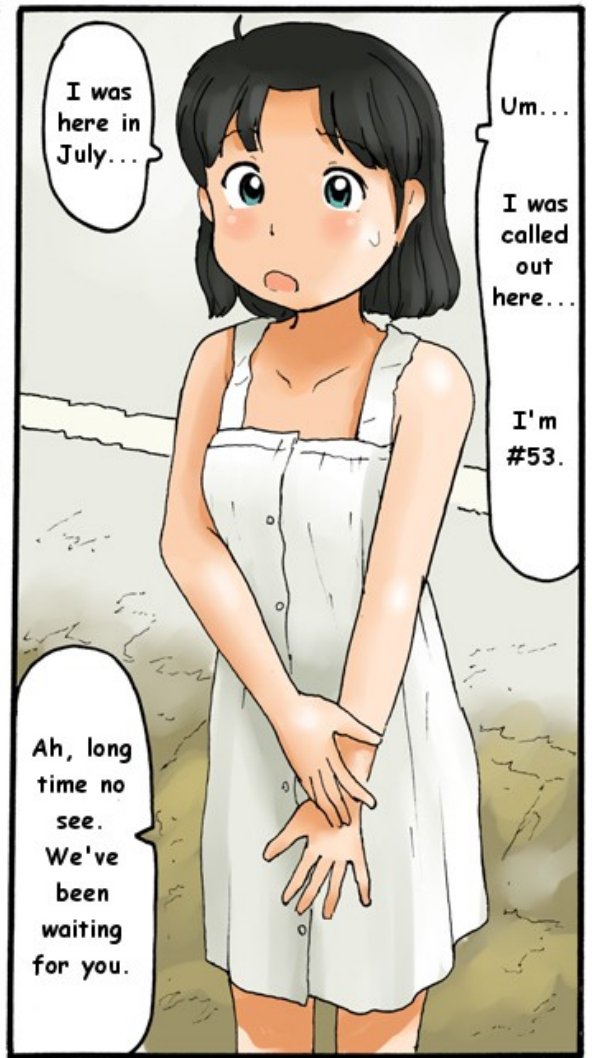

This time I got word from the magazine that they wanted to train me again.

Yes, sir.

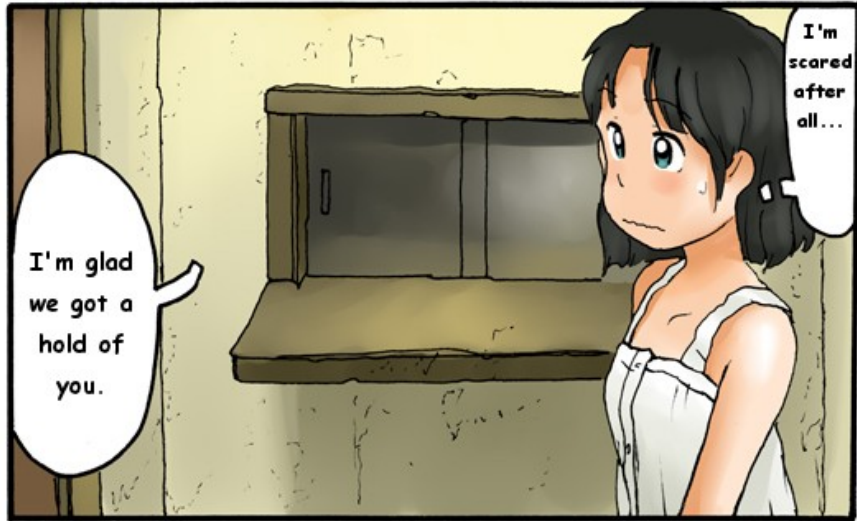

Please come in.

I was here in July...

Um... I was called out here... I'm #53.

Ah, long time no see. We've been waiting for you.

I'm glad we got a hold of you.

I'm scared after all...

Good answer. Now take off your clothes.

Yes, sir.

This time will be quite a rough session. Is that alright with you?

Aside from the correspondence column, we had no way to contact you.

(paper says everything you just read)

I want to be treated more cruelly than before...

College is on summer break too now, so...

And now for your intention:

What did you come here to have done to you?

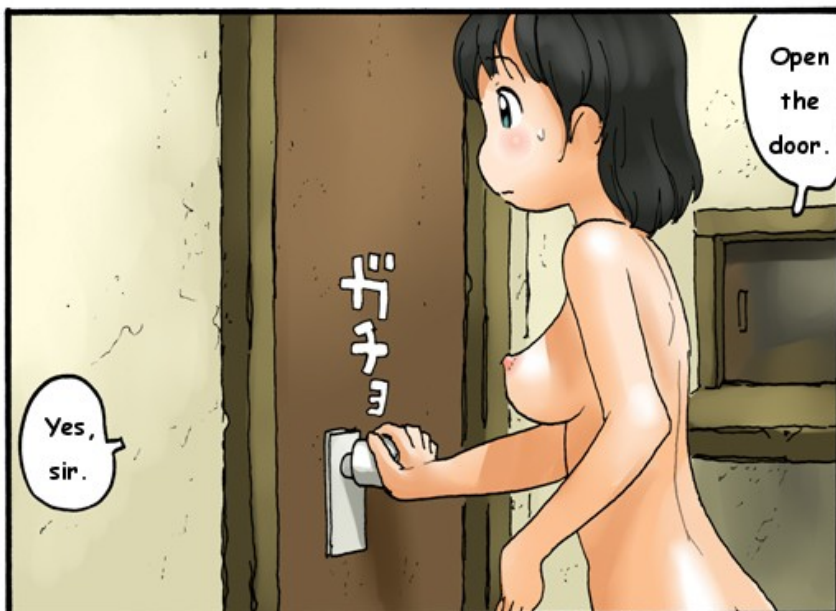

Un-dressed

I want to be treated like an animal for days on end, violated by overpowering men, and have them cum inside me.

I-I want to receive training as a slave more strictly than before.

T- Training that in the end makes me stop being human.

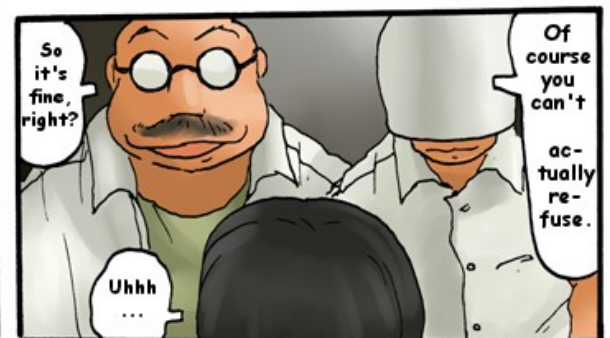

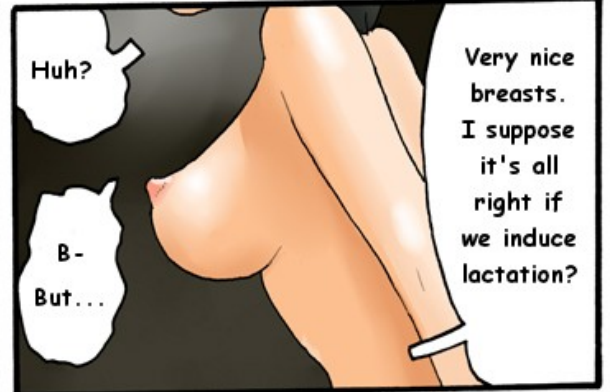

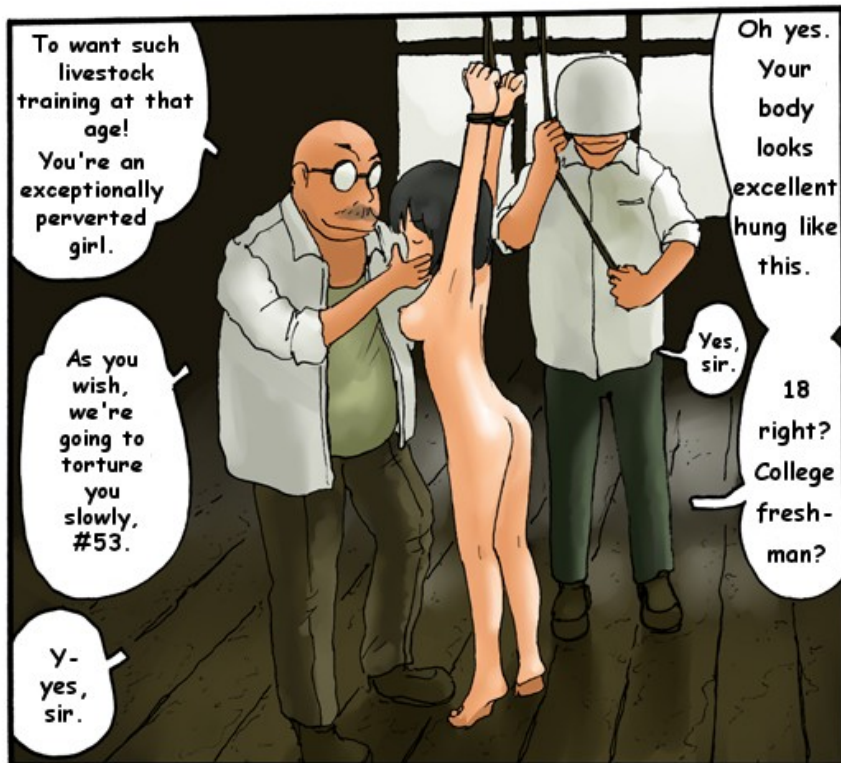

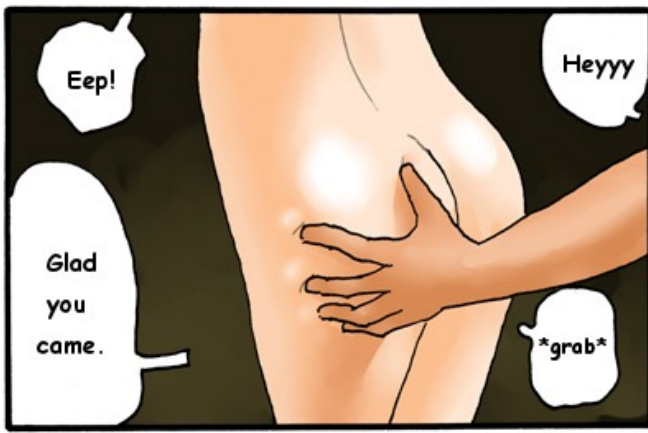

Yes, sir.

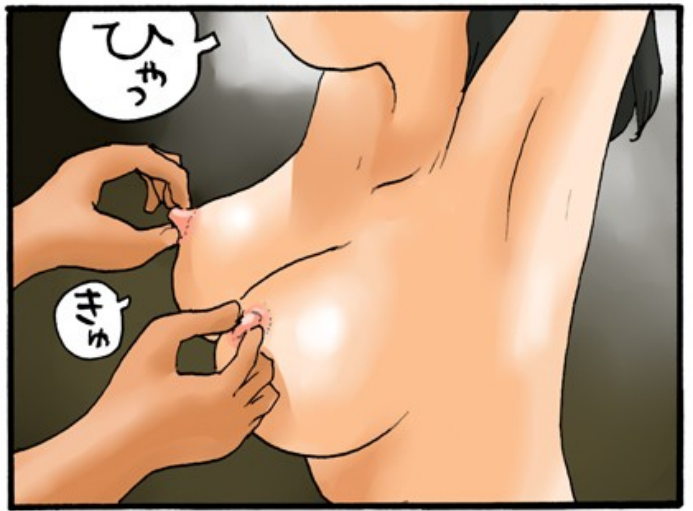

Open the door.

From now on, your body and your rights all belong to your trainers.

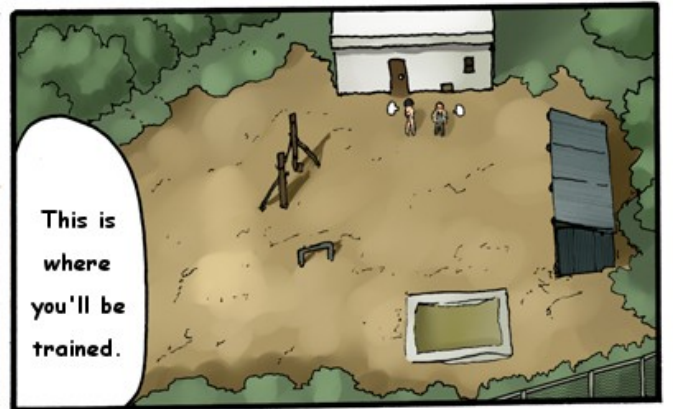

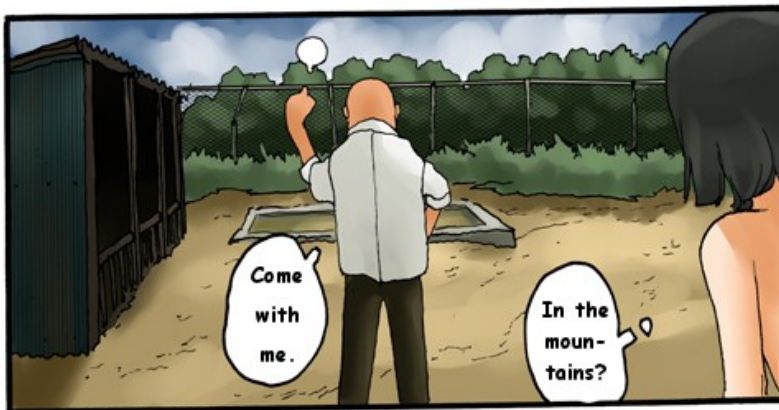

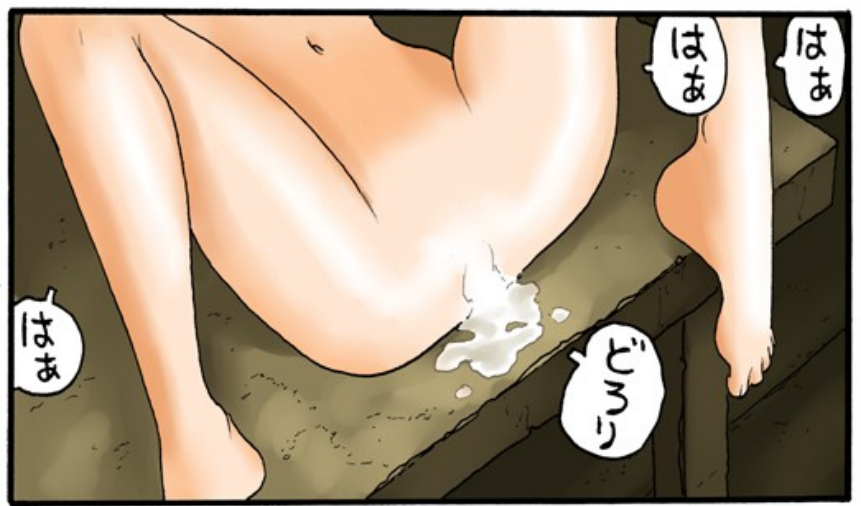

Very well said. From this moment on, you are slave #53

I'll bet you can't wait to be tormented.

Eh..

Well, we've got to get you set up, #53.

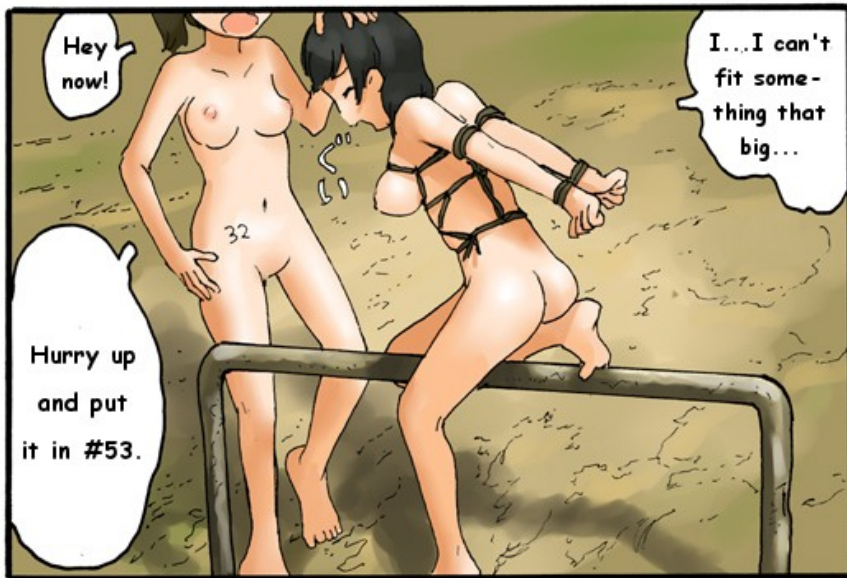

#53

for no reason...

Ye...Yes, ma'am.

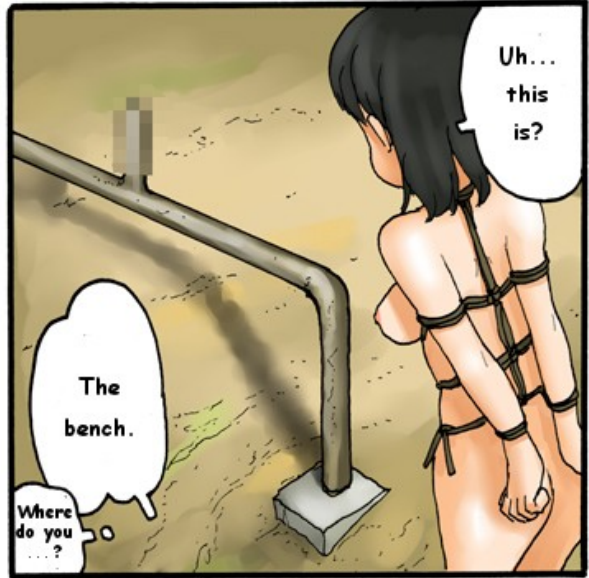

So, we've given you the general overview on using the toilet, bathing yourself, and getting feed...

Hey now!

I...I can't fit something that big...

Hurry up and put it in #53.

Uh... this is?

The bench.

Where do you...?

Master cumming in you will be delayed until you start producing milk, got it?

Ye...

Yes, Ma'am.

From now on, while we're getting milked, you're to practice this.

Aw, look! She's moving her hips on her own, isn't she?

What a filthy piece of livestock, huh?

How does it feel, huh?

Ah, Master ...

Three weeks later ...

あ

Master ...

You could even say you've become cattle completely.

ほう

You've become unresistant to public enemas and forced excretion ...

Numb to the lowest degree of shame.

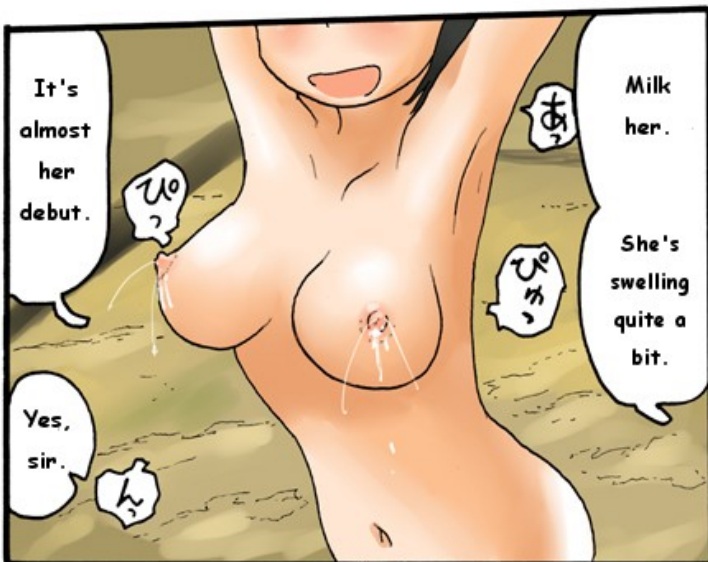

はあ

No, no reason. #53 just seemed like she wanted to be teased a bit.

What has #53 done today?

Gone and used the toilet like a human again?

はあ

It's almost her debut.

Yes, sir.

うっ

ん

うっ

うっ

Milk her.

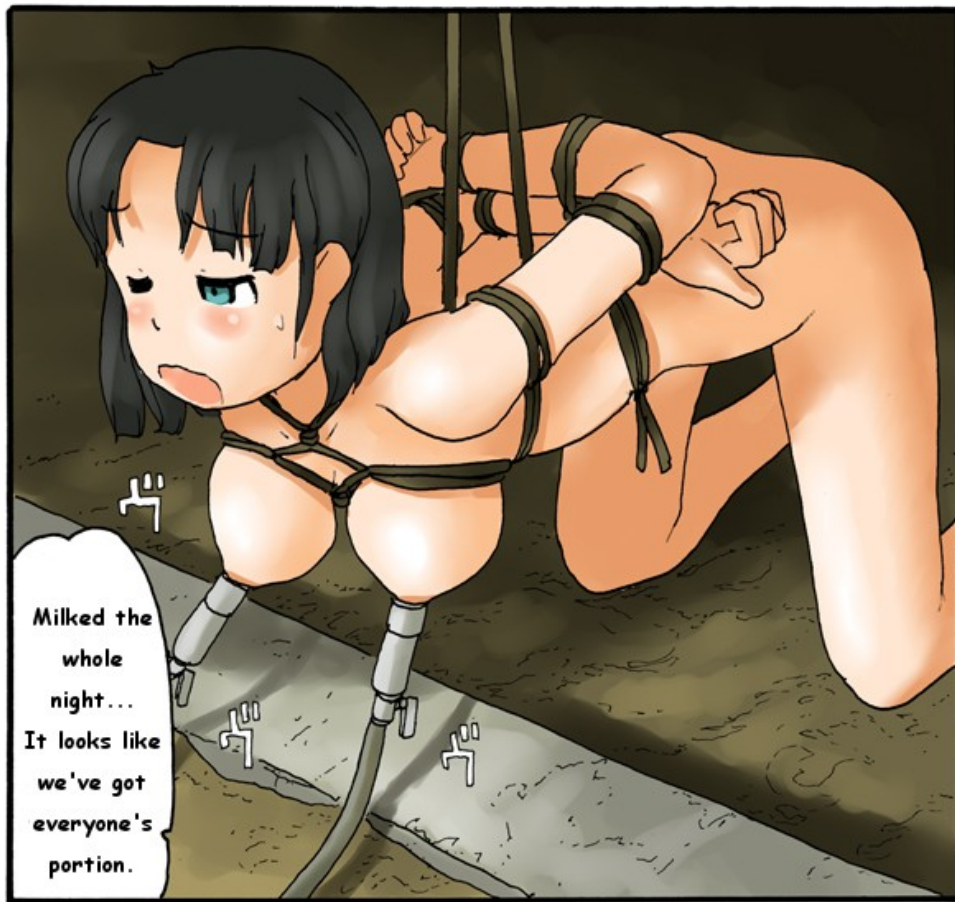

She's swelling quite a bit.

ふむ

うっ

You've even started lactating.

Milked the whole night... It looks like we've got everyone's portion.

The next day

Well ?

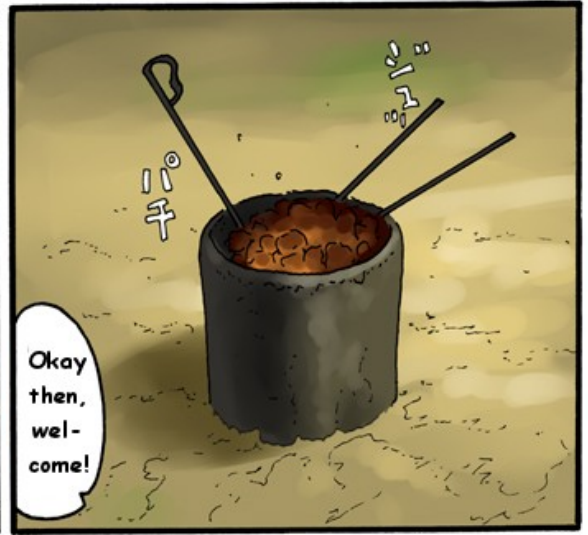

They've all come to see you become cattle!

来た!

お

All the magazine's readers ...

It seems they've got a network...

Okay then, welcome!

This is... sorta ...!

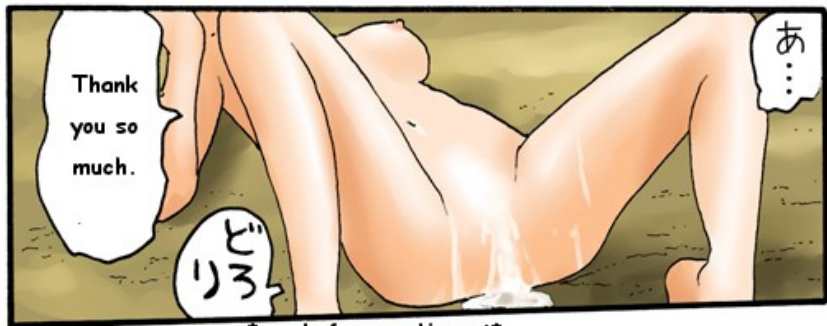

Wait a sec..

So, please watch #53, who will quit being human and become cattle, as she receives her brand!

Um ...

The sound of him slamming into her, really hard.

sound of cum gushing out

Her screaming.

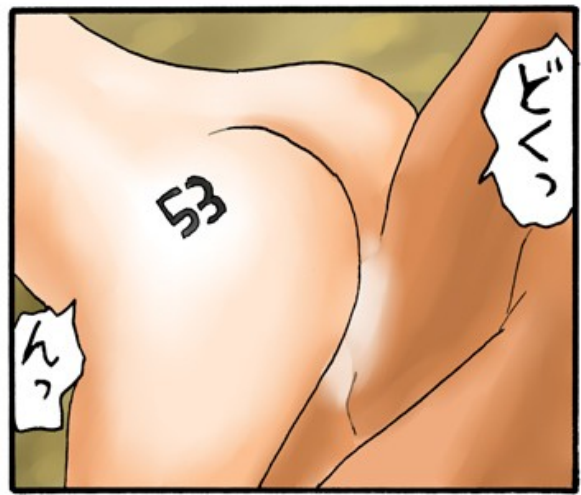

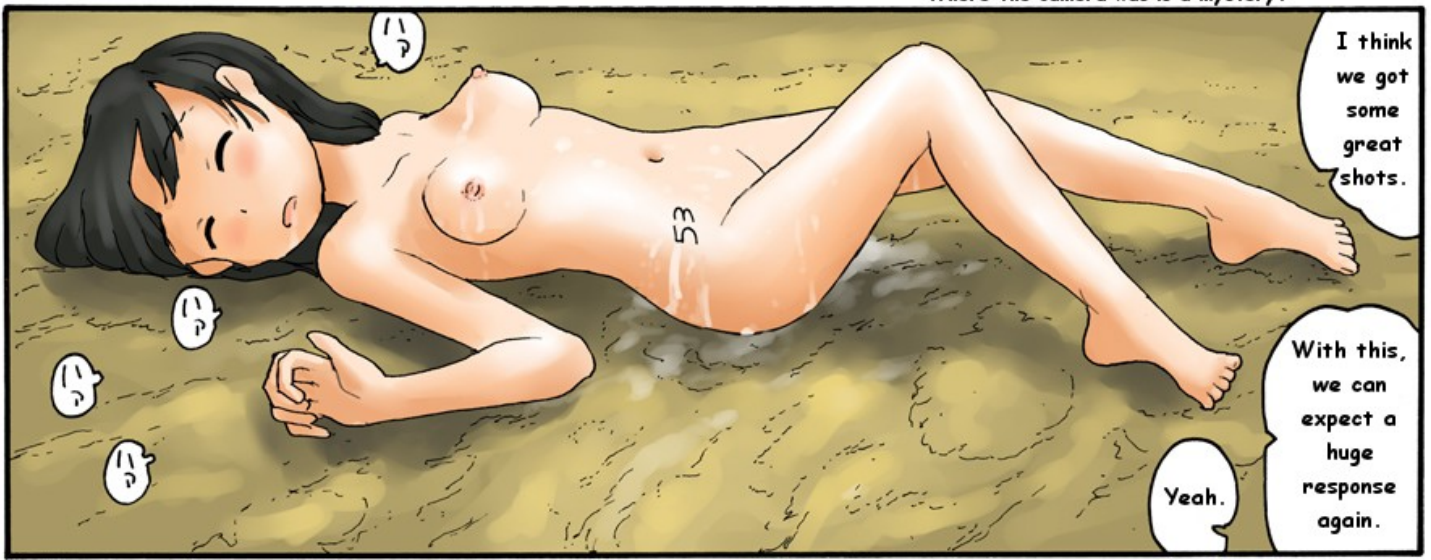

And... And every-one ...

Are you okay? Can your body take it?

How many are there?

I think we got some great shots.

With this, we can expect a huge response again.

Yeah.

Could I please stay here, like this,

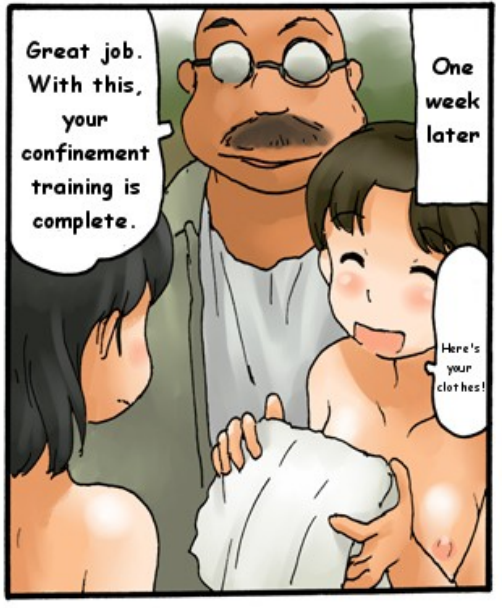

Master?

School doesn't start for two more weeks ...

Your payment will be transferred from the magazine's publisher.

Uh.. um,

Great job. With this, your confinement training is complete.

One week later

Here's your clothes!

Would you like me to put it in?

Yes, please!
Very much!

The next day

Hey, morning, #53.

Oh!

Good morning, Master!
