Kishimoto Lilith (Lilith Meyl Kolwa)

Born in the town of Sarashunou in Transylvania, Romania. She was born with red eyes and red hair. She's a delicate girl, weak against the day sunlight. She lost both her parents when she was still young and was raised by Marquis Maiyor. On her chest she has a "Stigma" she got during the time of prosecution.

Mizumura Shinta

The son of the head-priest of a certain shrine in Kyushu. Both his parents are dead and he was raised by his grandfather. On his grandfather's referral, he entered Saint Ritsumei Academy in Tokyo.

Makimura Chizuru

Came together with Shinta from Kyushu. She's his childhood friend from middle school. She loves Shinta. She's a bright, energetic and honest girl. Her breast are an G-Cup. She's an honour student with an interest in mythology.

Plum Shuttery

Came together with Lilith from Romania. A familiar, who vowed his loyalty to Lilith. It's unknown whether his wolf appearance or human appearance is his true appearance. He's a Varcolaci.

T/N: Varcolaci is something close to a vampire

Great Sword Calbrinus

A great sword passed down within the Romania Strigoi since ancient times. Originally it was pierced into a grave. On the blade a lore is carved in with Cyrillic letters, but there's no one who can correctly read them. There's also a legend it has a twin sword. It's not only a weapon, but also a symbol of power.
