Eternal Vow [Part 1]

Who knows...
I'm pretty sure that's
not her
real name...

But I
know for
sure that
she calls
herself
that..

I see...
has
she been
dancing
here for
a while?

Excuse me...
Can I
ask you
something?

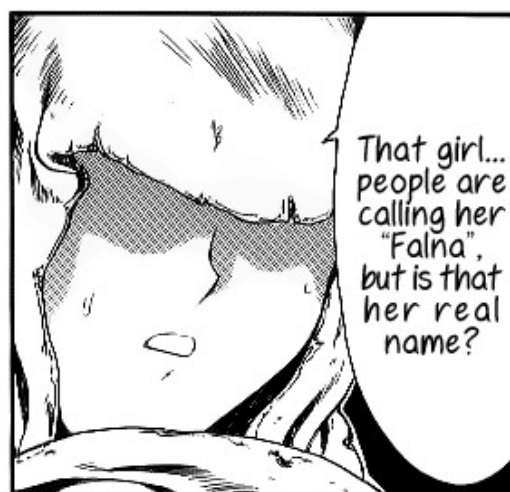

Huh!?
What is it!?
Right when
it's getting
good...

It's
about
that
dancer
over
there...

Oh...
thanks.

Here,
have one
on me.

That girl...
people are
calling her
"Falna",
but is that
her real
name?

Plus,
there's a
rumor going
about her.

Anyways,
you don't
see a good
girl like
that often.

Nah...
I don't
think it's
even been
a month...

... but
it's not
like she only
dances here
though.

...A
rumor?

You
understand,
right?
Anywhere
she goes,
she's a
crowd
getter.

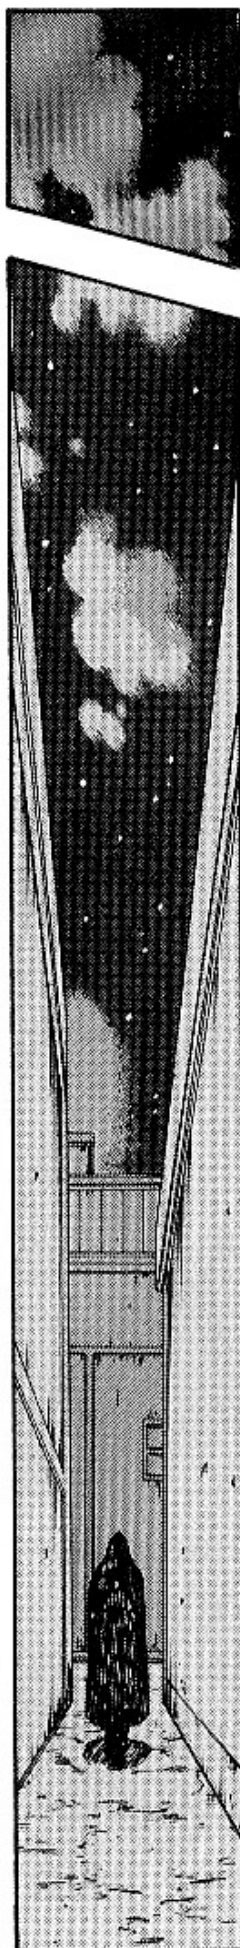

They say
that girl...
used to be
the princess of
some country.

Yeah...
it's
pretty
stupid.

Well,
I don't
know
anybody
that
actually
believes
in that
though.

kukuku...
put her
in the
carriage.

You
truly
are my
loyal pet.

kukuku...
you
did well,
Falnaya.

That this
woman was
still alive...

Still,
I'm
amazed
-

Give her
medicine
so that
she doesn't
wake up in
the middle
of the trip.

Just
like
Falnaya...

You
stayed
alive and
came to me
yourself,
just so
you could
receive my
affection.

My
dear
Leishia

Eternal Vow [Part 2]

Once,
when I
saw you,
I remember
thinking...

My
dear
Leishaia
...

Swinging a
sword while
dressed
as a man...
I thought
it was truly
a shame...

"Now
there,
is a girl
who
would
shine
with a
bit of
polishing
..."

Falnaya?

Right?

Don't you
think so
as well?

...the
proper
role of a
woman...

And so
that's
why...

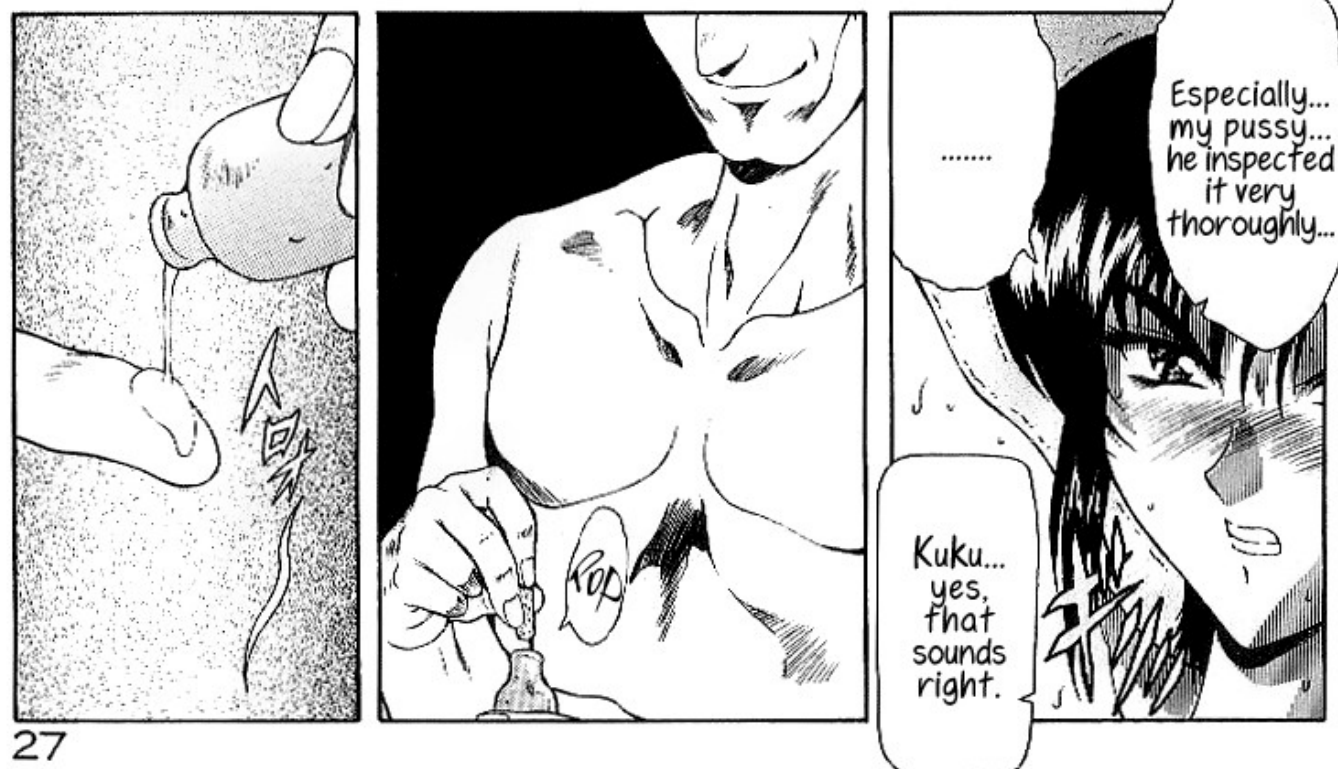

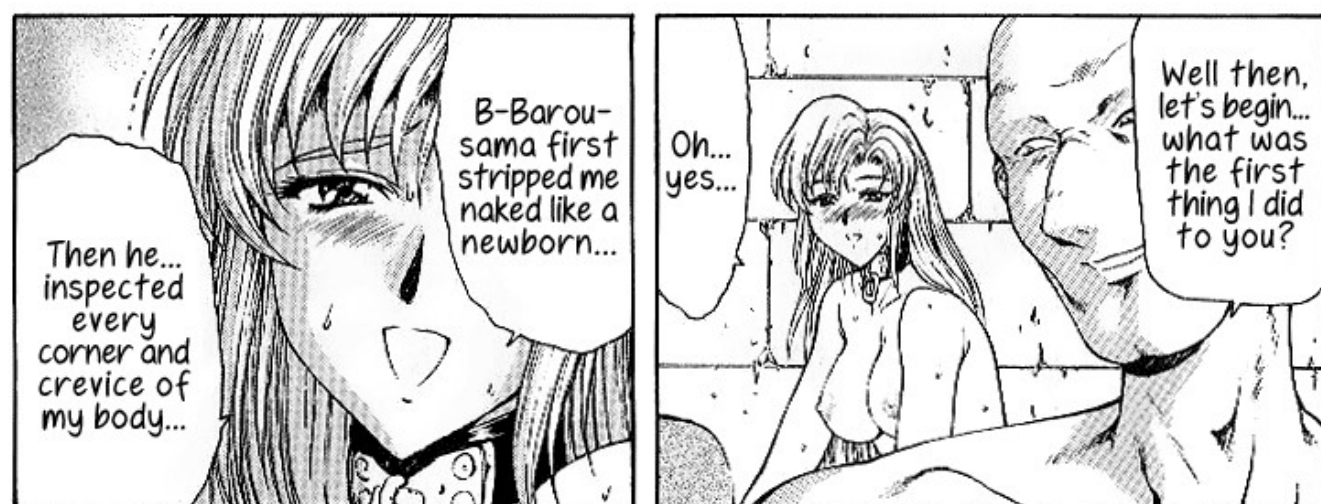

I'm
going to
teach
you...

I shall
engrave
it into
your
body...

just as
I did to
Falnaya
here...

Eternal Vow [Part 2]

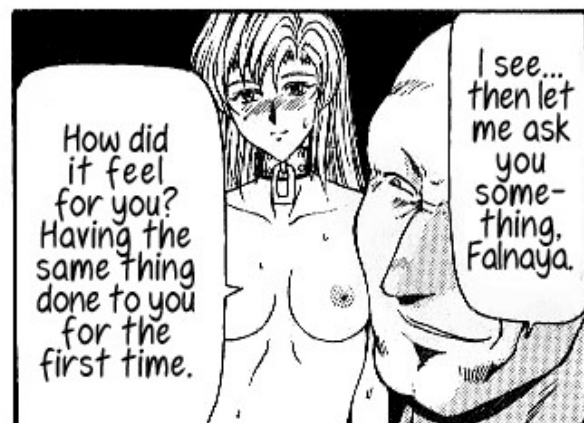

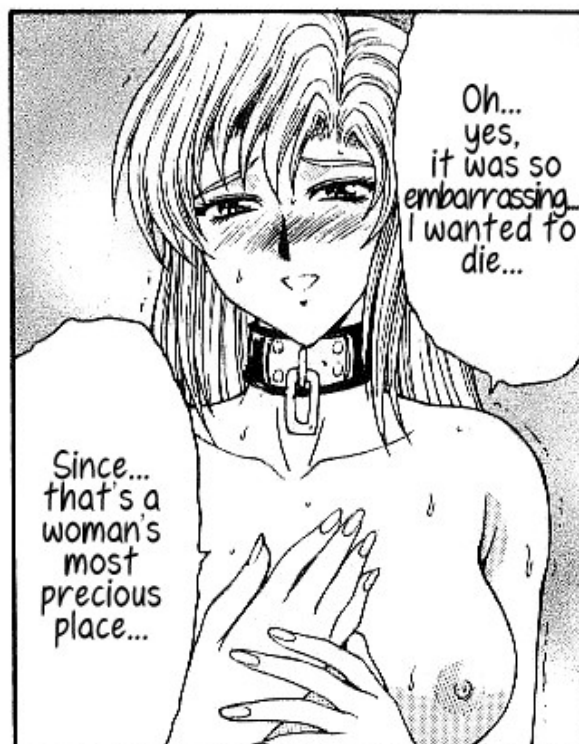

But let me say this... you can use drugs to affect my body, but you can never disgrace my heart!!

Is that... so...? Then touch it all you like!!

How did it feel for you? Having the same thing done to you for the first time.

I see... then let me ask you something, Fahnaya.

Oh... yes, it was so embarrassing. I wanted to die...

Since... that's a woman's most precious place...

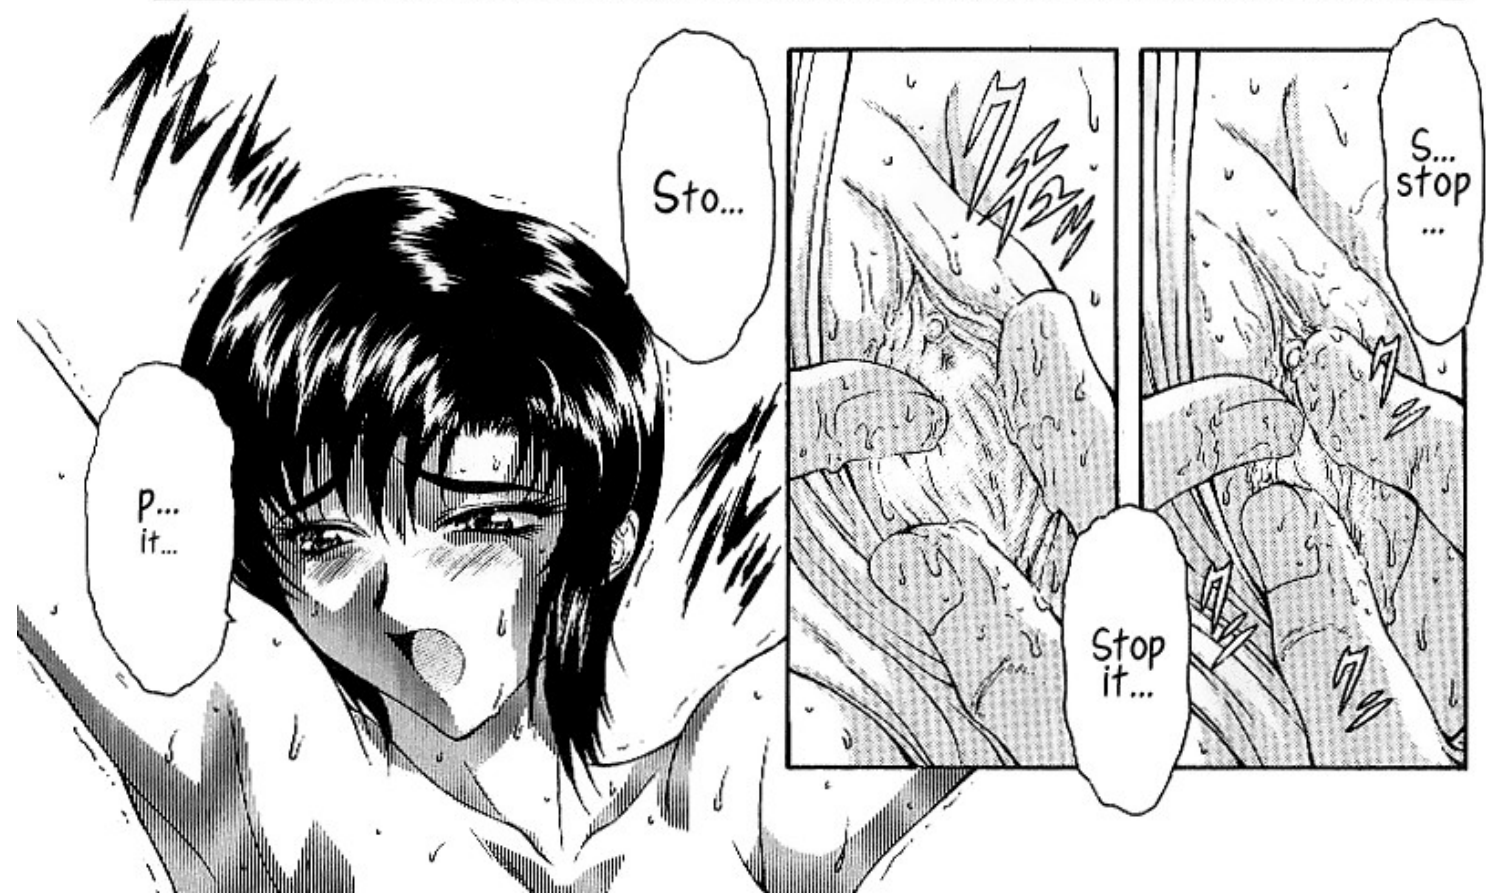

Kuku... how lovely...

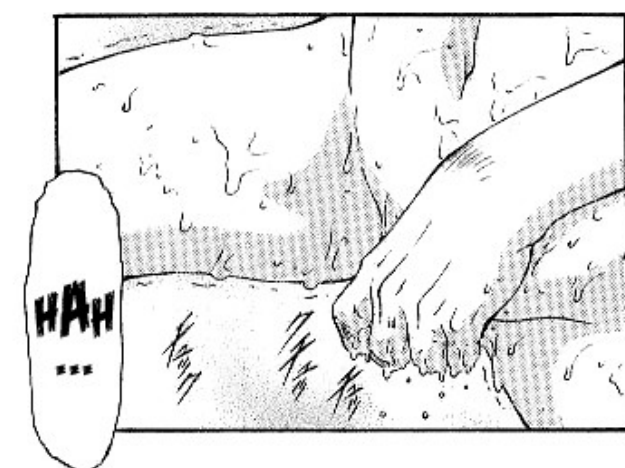

Its color... its shape... there's no sign that it was ever used before...

It's almost as if it's never even been spread open before...

35

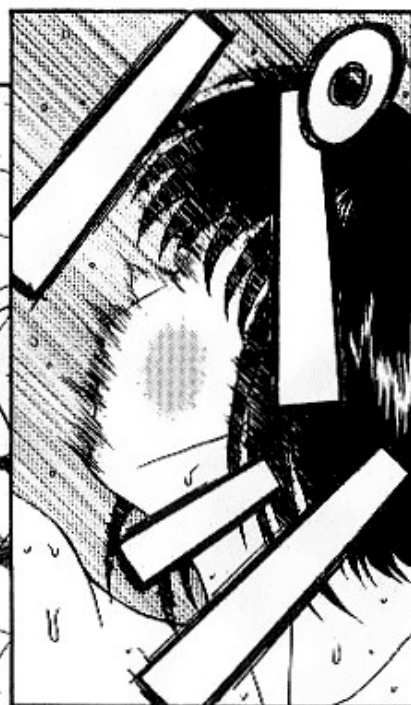

You ...

You
fucking
bitch
...

I
already
said so
before!!
No
matter
...

Did you
seriously
think you
could break
me with
something
like this!?

...you're
such a
naive
man...

Ku...
ku ku
ku ku
...

Oh my...
be gentle
with them,
and
look what
happens...

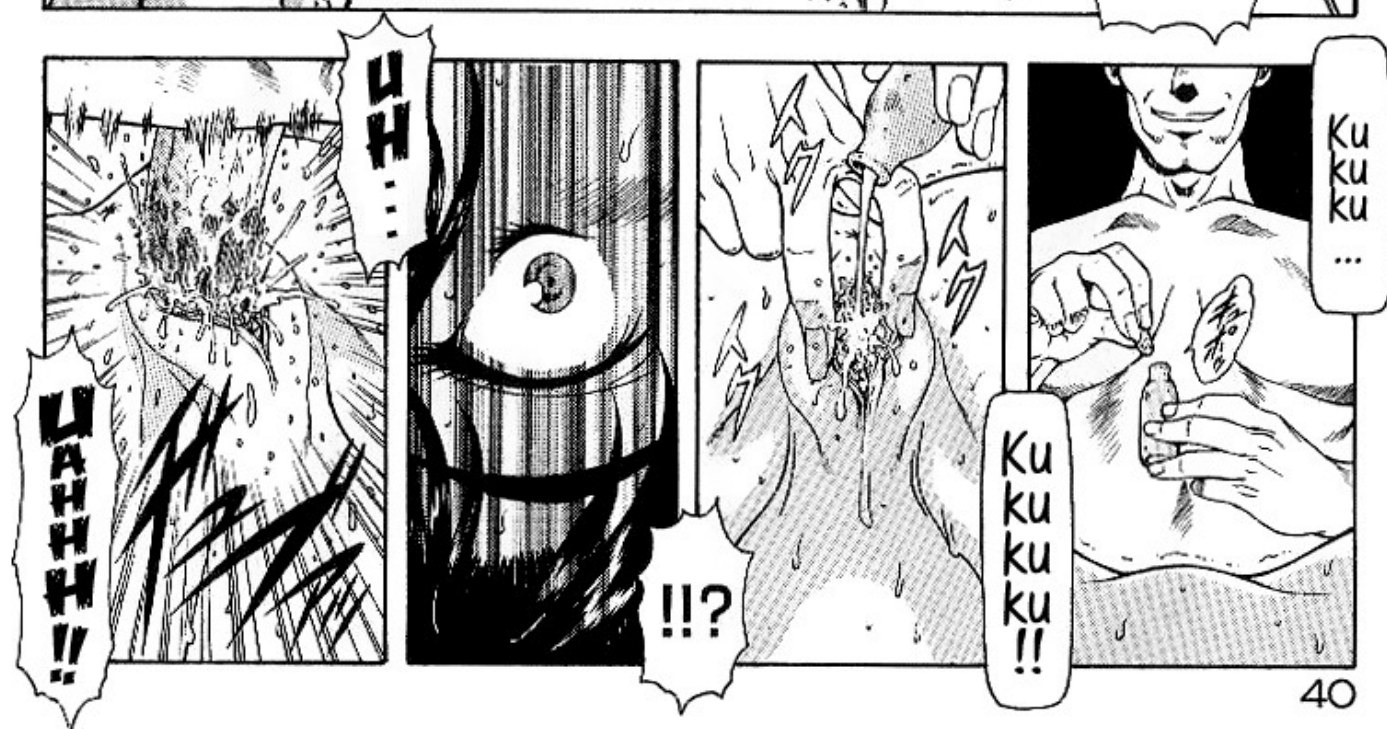

.....

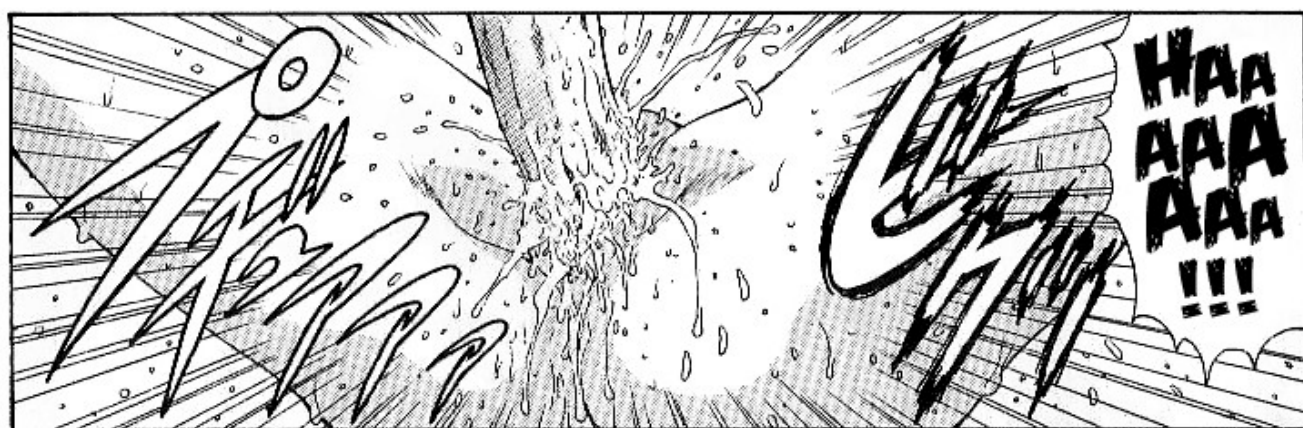

NO
MATTER HOW
MUCH YOU
DEFILE MY
BODY
...

MY HEART
WILL NEVER
SUBMIT TO
YOU!!!

Eternal Vow [Part 2]

BECOME
MY
WOMAN
!!!

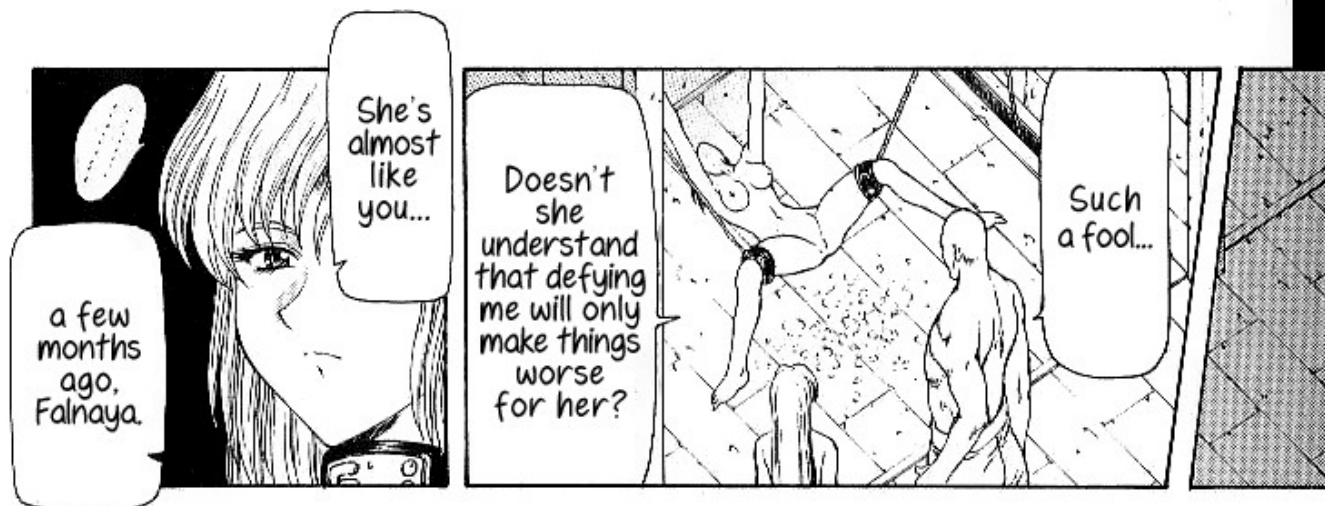

AND
WITH
THAT...
YOU
WILL...

NOW...
I SHALL
FILL YOU
WITH
MY SEED!

Well then...
I'll be
back in
about 20
minutes,
alright?

Wake up...
it's time
for you
to eat
Leishia.

Since
it's me,
then
there's no
reason for
you to be
so defiant,
right?

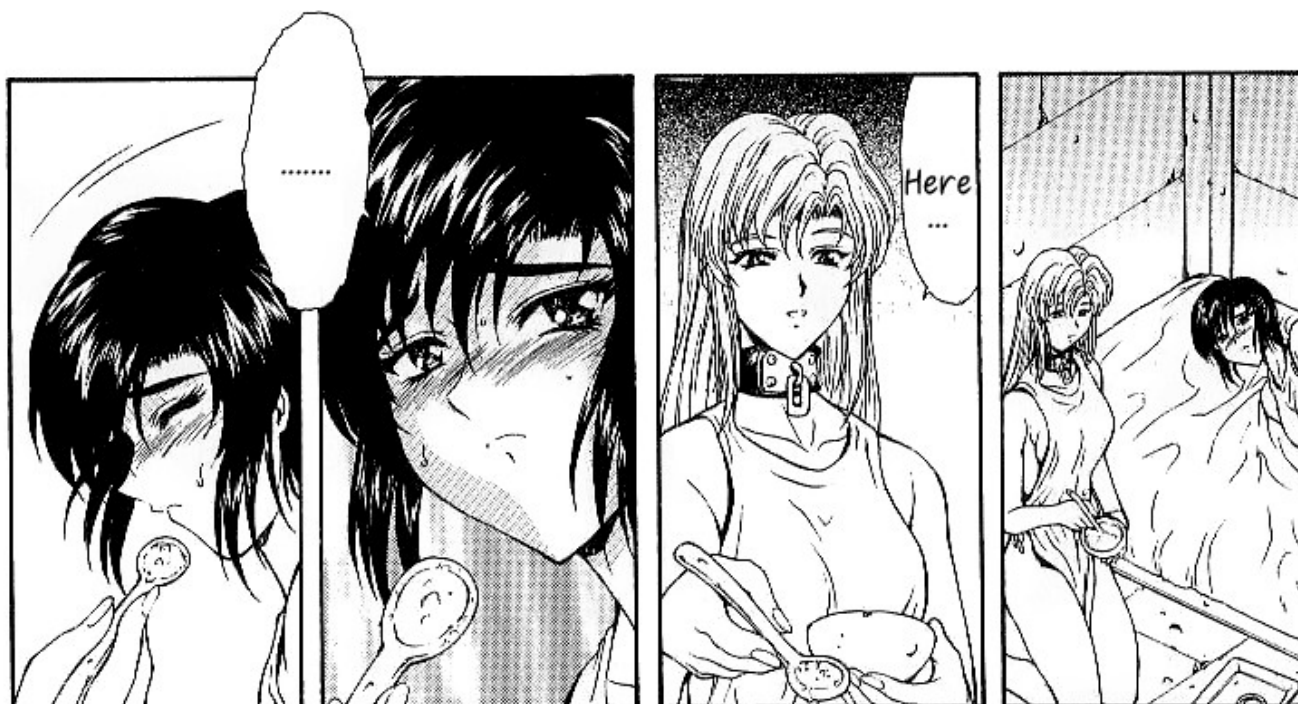

Fufu...
it's
because
Barou-
sama's so
generous.

P...
princess.

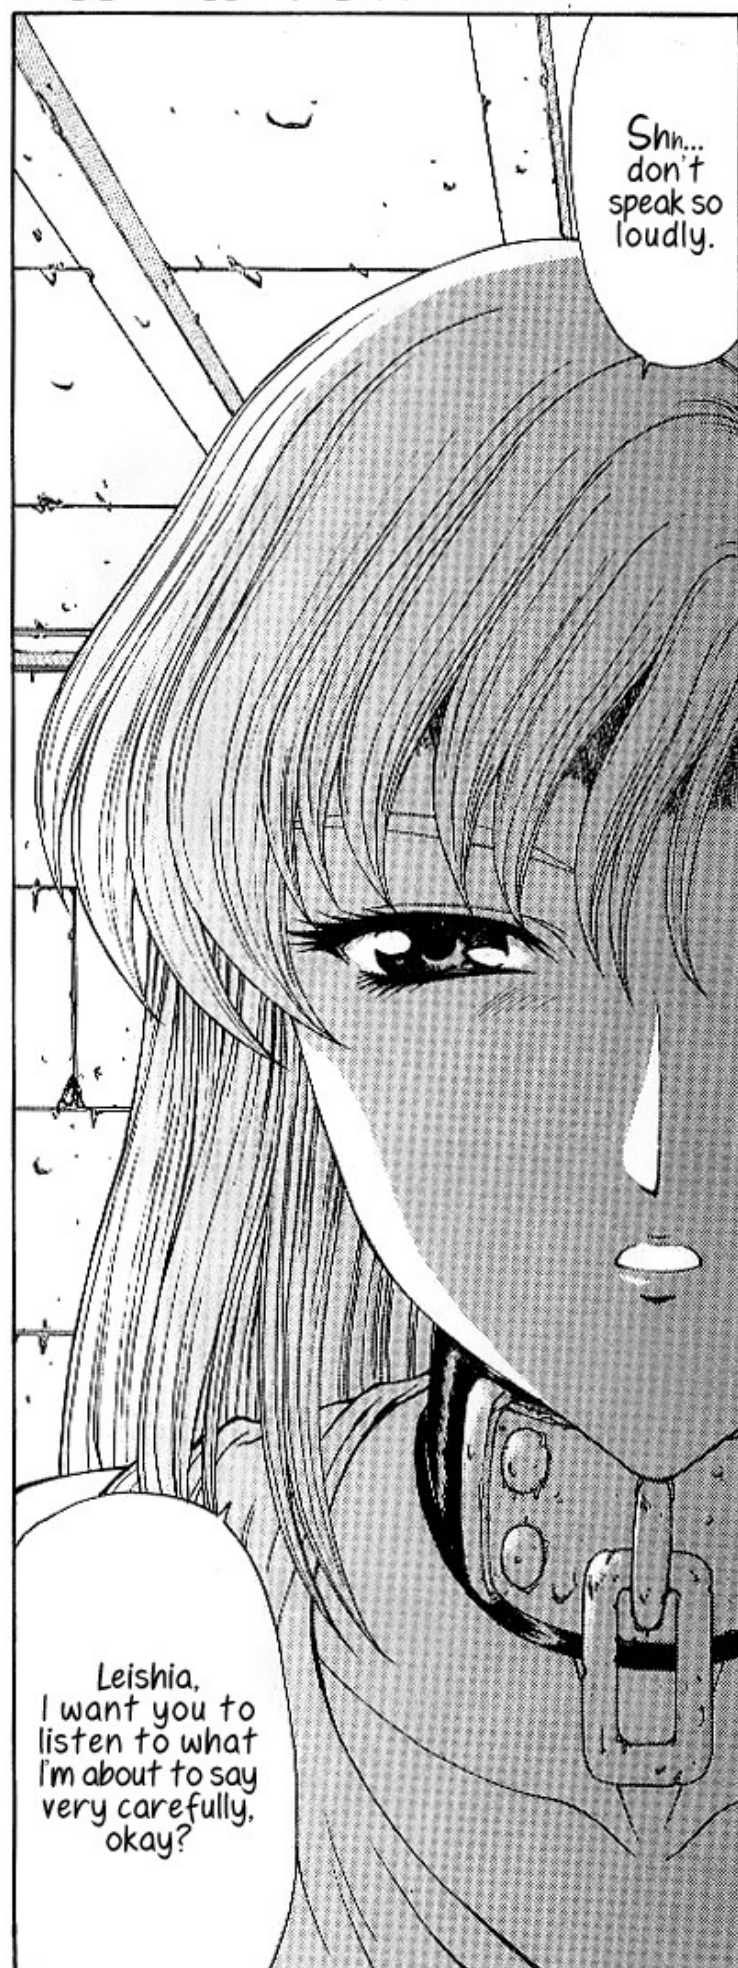

Why...
are
you...

Eternal Vow [Part 3]

How long...
has it been
since then?

How long...
will I be here...
being raped
everyday by
these men...?

It
would have
probably
been
impossible
for me to
preserve
my sanity...

Stuck in
between
this valley
of despair
and
pleasure...

49

So it
was all an
act in order
to lower
Barou's
guard.

I...
I see...

Made
that vow
with the
princess...

If I
hadn't...

Just like the princess did, I need to...

That's why...

Deceive not only these men, but Barou as well, and...

The princess said...

That she completely cut off her heart and body, and let her body be devoured by pleasure...

Get to the princess's side...

Hurry up and switch. There're people behind you, you know.

Then...
no
matter
what,
I will
also...

Preserve
her mind
and desire
for revenge,
while getting
Barou to
lower his
guard.

That's
how the
princess
was
able to
...

53

princess
...

per-
severe
!!

Just like the princess, may I...

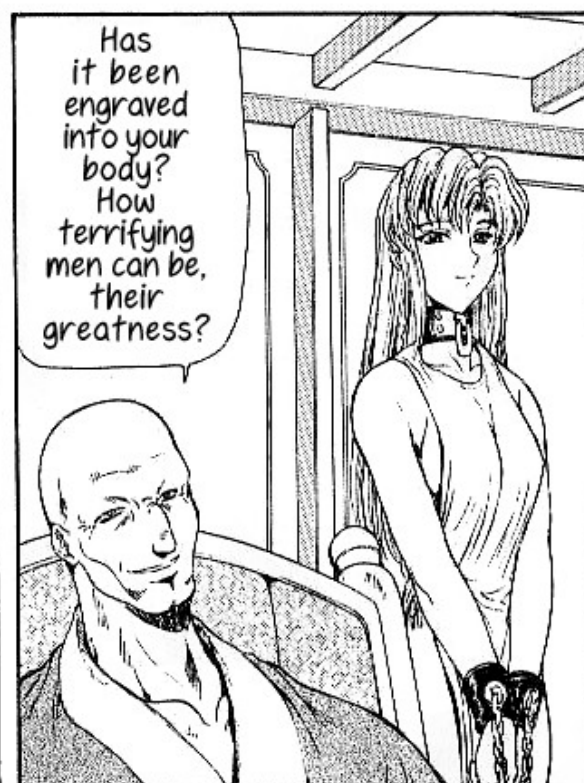

I... if you are still willing to forgive my past insolence...

Be permitted to receive Barou-sama's affection, and serve him as his slave?

How was it? The "training" you received by those gentlemen?

Kukuku... it's been a while, Leishia.

Has it been engraved into your body? How terrifying men can be, their greatness?

Realized how foolish I acted before...

Y... yes sir... I have...

I also...

Eternal Vow [Part 3]

Then we
can kill
this man...
and escape
here
together
as well...

As
soon
as we
get the
chance!!

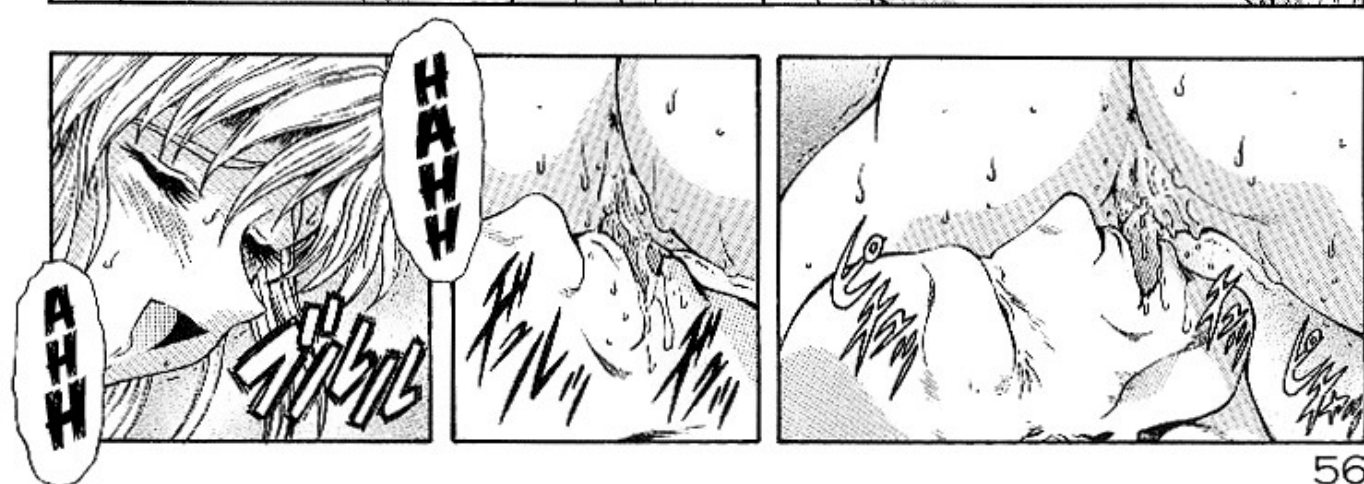

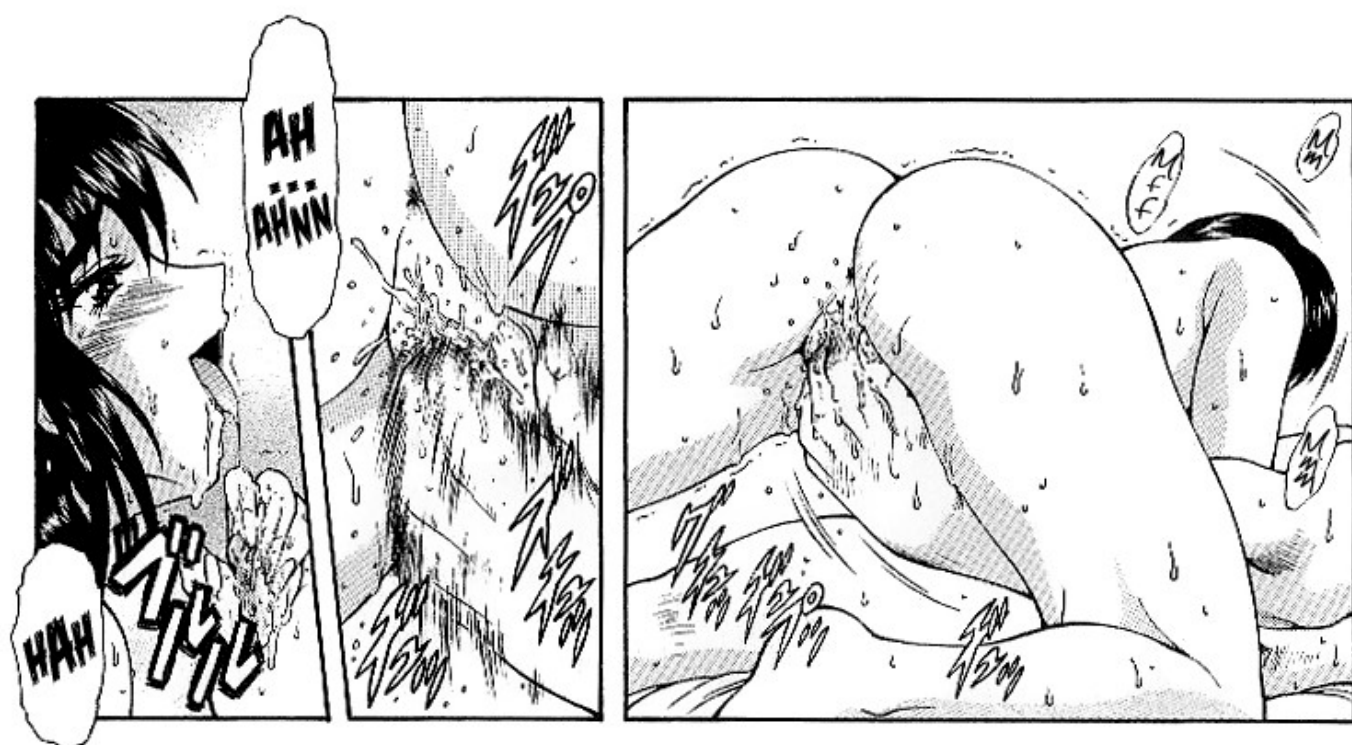

Kuku...
very well
then. Get
on my bed,
you two.

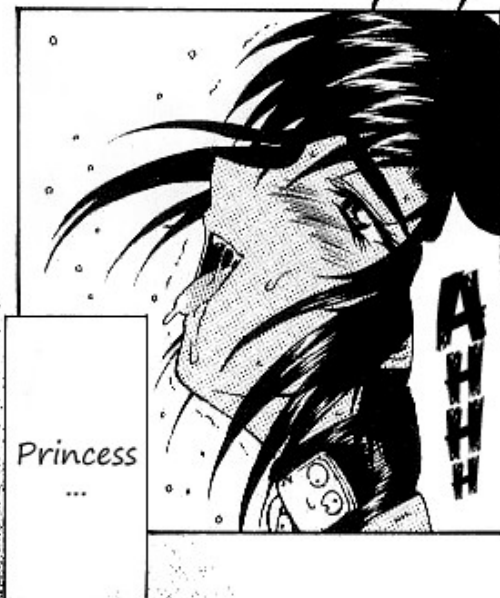

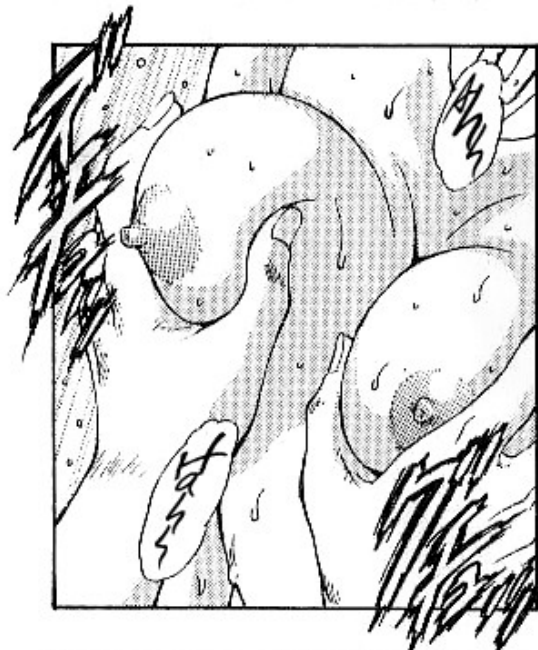

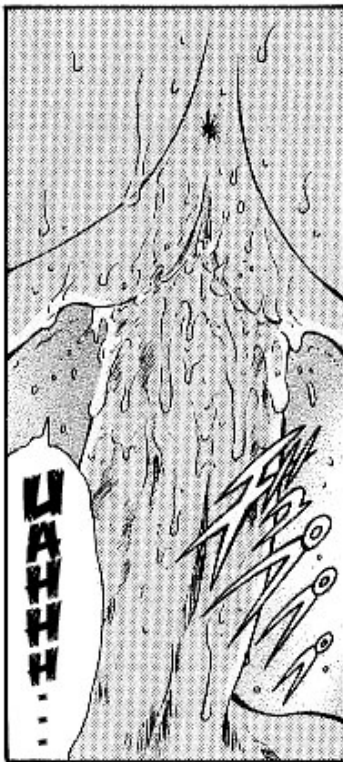

I want
to see
how much
you've
changed.

Y...
yes...

All we
have to do...
is wait for
the chance...

I thought
that as long
as I could kill
Barou,
I didn't
care when
I would die...

I didn't
care what
happened
to my
life until
yesterday.

To be
honest
with
you...

I didn't
want to die...
I wanted to
live with you
forever...

At the
same
time I
became
afraid.

I was
to find
out that
you were
alive...
but...

You
don't
know...
how
happy...

No
matter
what
happens
to you...
please
stay alive
...

Leishia...
please
stay
alive...

Me too,
princess
...

Me...
me
too...

I always
loved you...

Leishia...
|...
|...

If I lose
you for a
second
time...
|...

Princess
...
my dear
princess
...

I kept
searching
for you,
holding on
to my belief
that you
were alive,
princess.

It's not
the first or
second time
that I
wondered...
how things
would have
turned out if
you were a
man...

Eternal Vow [Part 3]

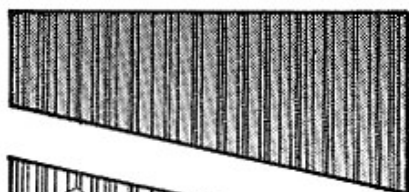

Everything...
is meant
to lower
Barou's
guard
so that
we can
kill him...

We're
supposed
to be
"acting"
in the
first
place...

Th...
That's
right...

61

Isn't
that
right?

Princess
...

This
is...

Some-
thing
we have
to do....!!

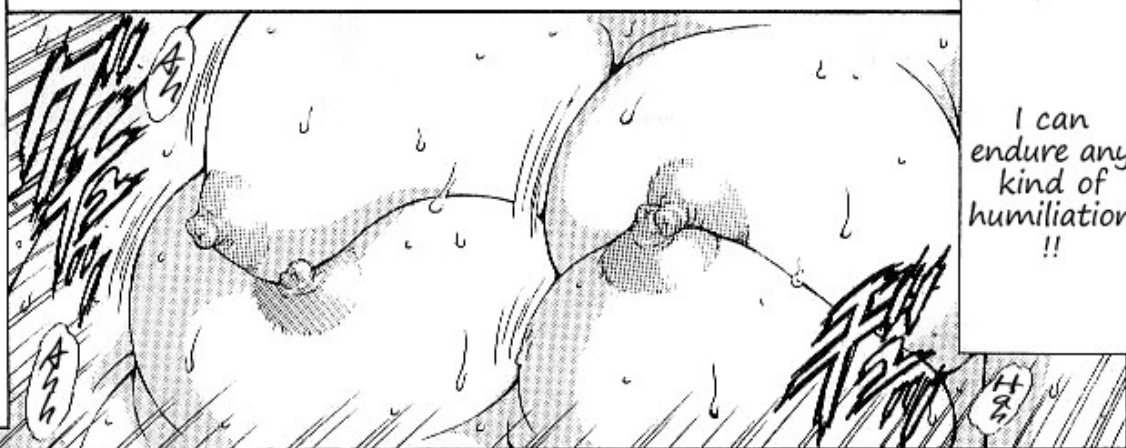

As long
as I can
live on
with the
princess...

As long
as I can
be by the
princess's
side...

I can care
less what
Barou does
to this body
of mine!!

I can
endure any
kind of
humiliation
!!

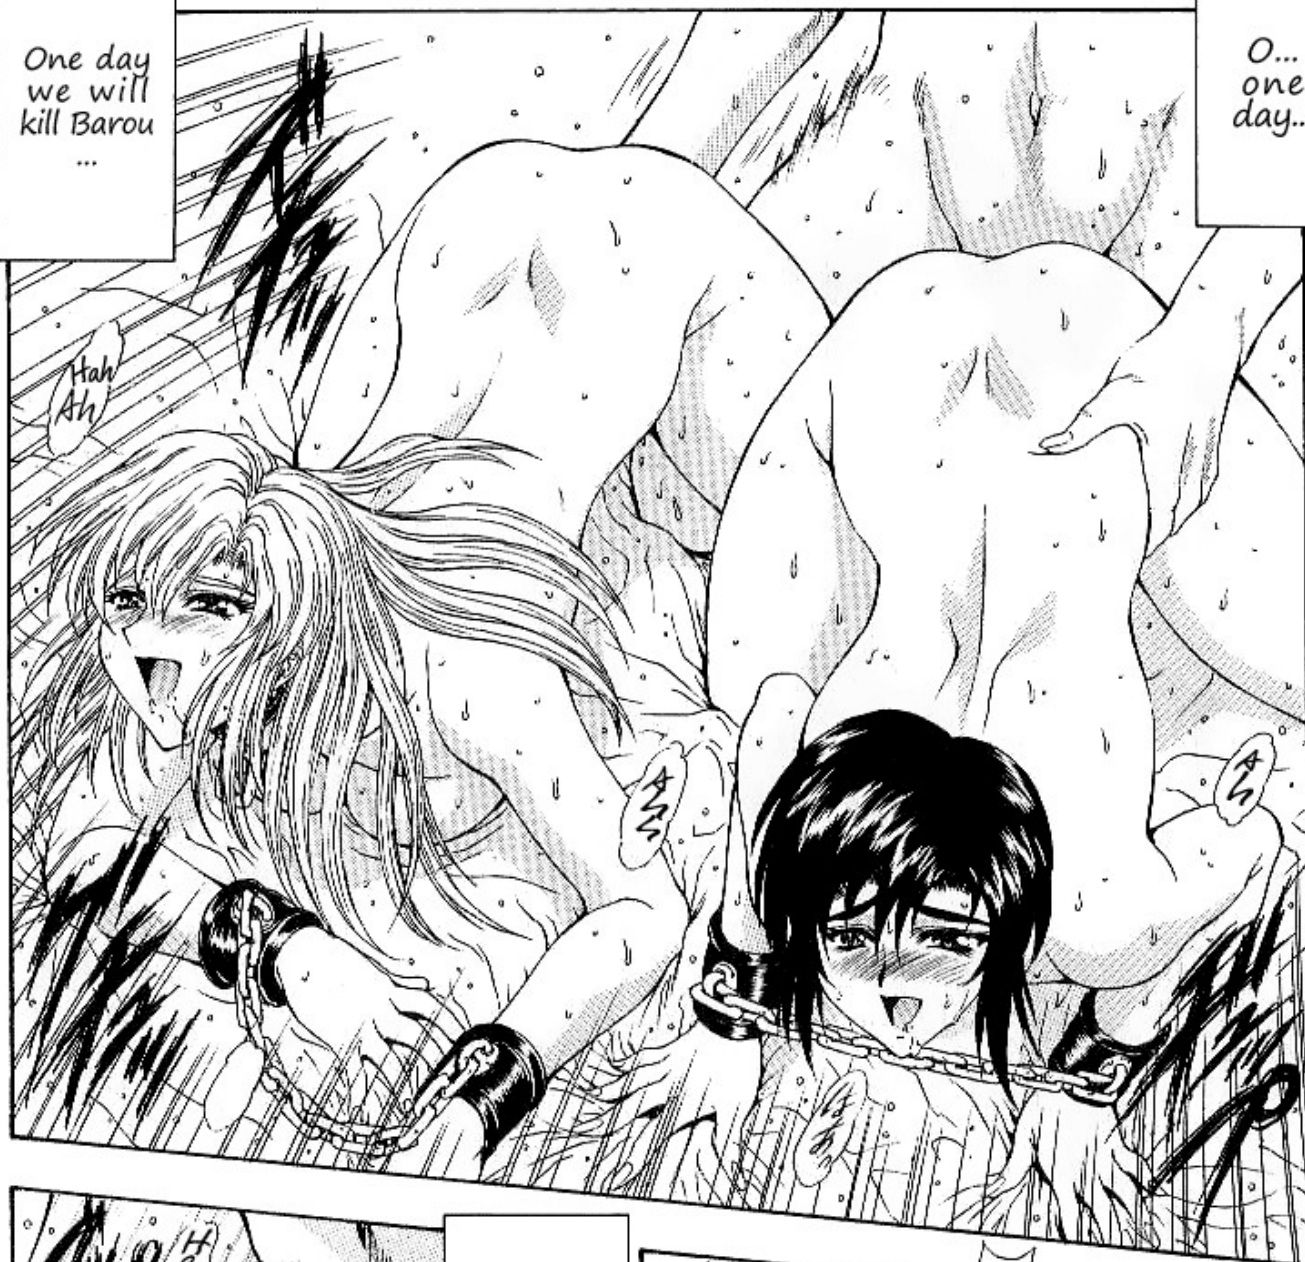

Belongs
to the
princess.

However...
my heart
alone...

One day
we will
kill Barou
...

O...
one
day...

And
together...
we will
escape
from here...

My
dear
prin-
cess.

65

YOU...
FOOL!!

Why,
I can
hardly
believe
that you
were acting
so defiantly a
few months
ago.

It seems
that you've
finally
become
accustomed
to being a
slave.

Kukuku
... Leishia ...

Look
this
way
and
answer
me.

Hey...
are you
listening
to me,
Leishia?

Go
ahead
and feel
all high
and
mighty!!

You
don't
understand
that this is
all an act
meant to
lower your
guard...

One
day...

I...
I'm
terribly
sorry.

AH,
B-
Barou-
sama...

The
opportunity
hasn't
arrived yet,
but...

Don't
forget
that
I am your
owner.

Hmm...
I don't
mind if
you pets
get along
with each
other,
but...

We will
kill you...
and then
the Princess
and I are
going to
escape
from here!!

One
day...
You'll
see...

AH...
yes...
yes,
sir...
