少年に女装させてしめてみた
あまみ★りょうこ

Hey!!!
Tooru!!

There is a boy who I care about.

I CAME OVER TO PLAY!

Okay... Anyway, what's going on?

Ah! You're staring off into space with a book in your hand again! First off, you better laugh at this!!

He's the same age and has always lived nearby. I guess we're childhood friends.

Eh heh. Tada~~ It's a schoolgirl's uniform!!

I wanted to see if I couldn't boost your spirits, so I went and borrowed this from my older sister!

His name is "Tatsuya". He's energetic and lively, basically the exact opposite from me.

That's when I noticed it.

Won't you just leave me alone!?

I realized that the feelings I had toward Tatsuya were more than just platonic friendship...

That night was the first time it reached such a height.

I won't get upset, so try telling me.

Tooru... What's the matter?

You don't come to school and you stay locked in your house all day... .. is something troubling you?

Guess I ended up annoying you instead, huh? My bad.

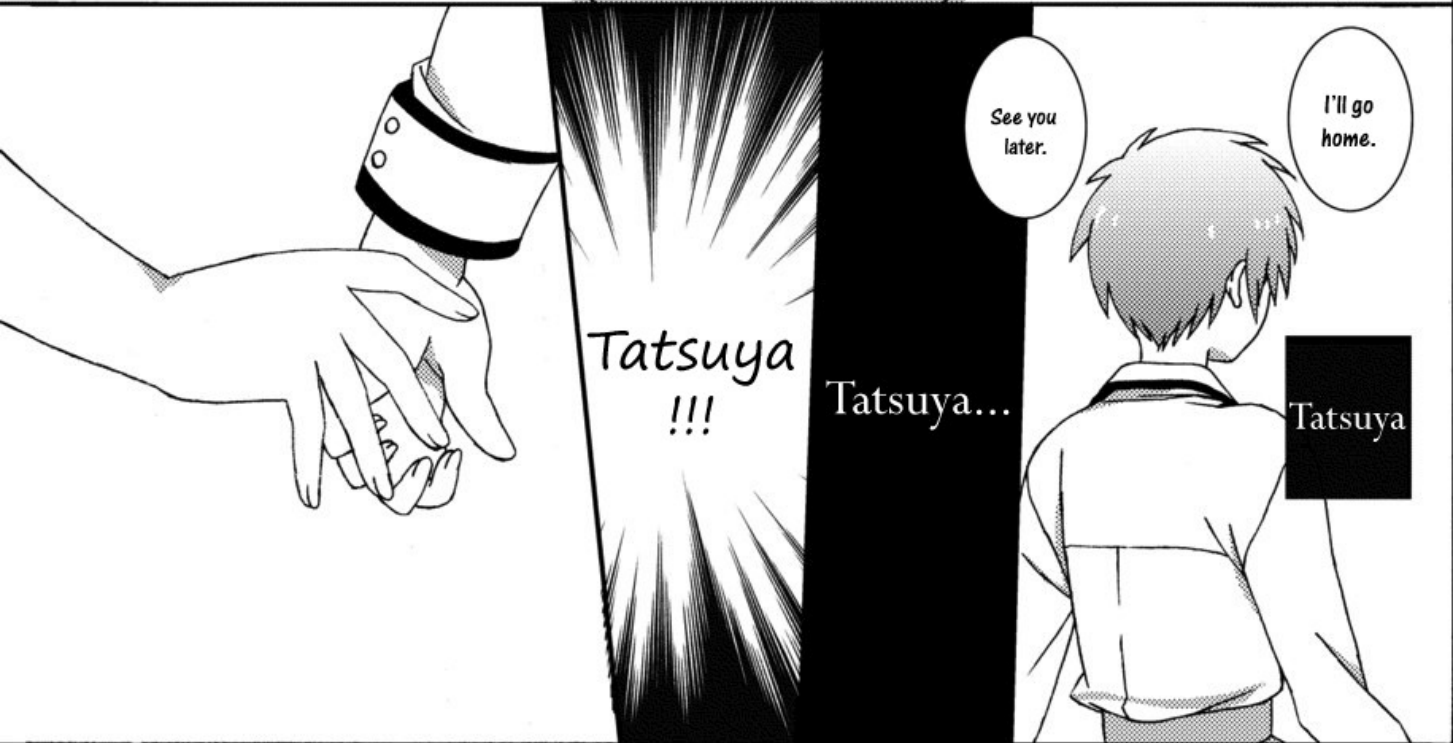

I just hoped to... see you smile a little...

Sorry.
I didn't intend to mess with you or anything ...

more than just friends ...

The feeling of being

Tatsuya !!!

Tatsuya...

See you later.

I'll go home.

Tatsuya

Those feelings I couldn't hold back...

I care about you, Tatsuya!!

I really do care about you... I can't deny or hide it anymore.

I unleashed them all.

"care"
...?

But
seeing you
dressed
like this...
That's just
too much...

With all
my life
I tried to
hold it
back...

Become
mine,
Tatsuya.

ah ah

Ah!!
mmm

Does that feel good?

There!!

ちんぽ

i'm gonna

oruu

I'll bet you're enjoying it... aren't you, Tatsuya?

you feel
even better,

Tooru... I--
I want to go
home.

lick it.

Well?
Your own
stuff...

I don't want
to do this
stuff any
more...

Mm

Besides...
I'm going to
let you
experience all
kinds of
sensations.

Something's
weird with
you today!
More than
usual!

Why
not?

And
don't say
such
hurtful
things like
that!

Maybe
it's just that
I've always been
this way, and
you simply
didn't know.

I must have
made you
feel so many
things,
didn't I?

the pain,
too.
Every-
thing...

The
pleasure
and

Tooru

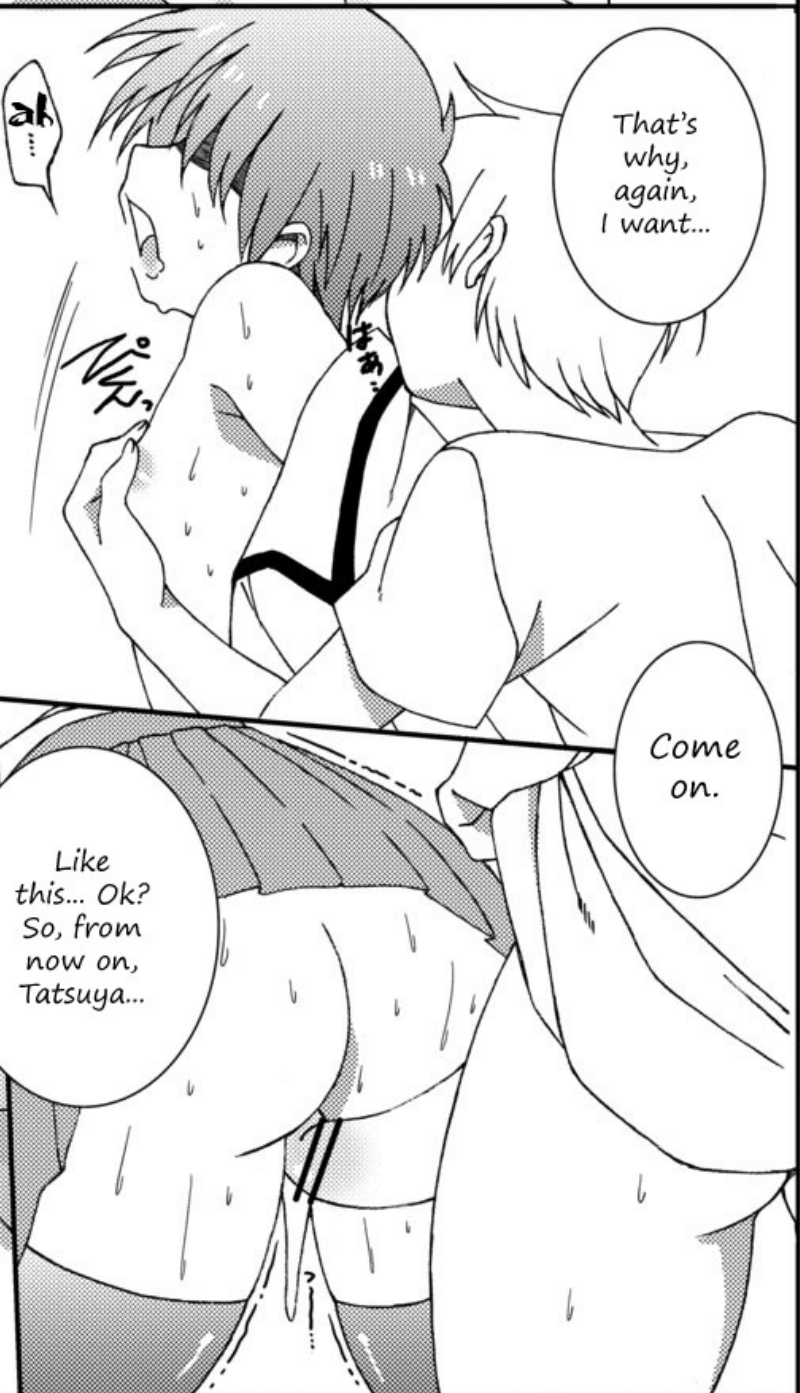

.....

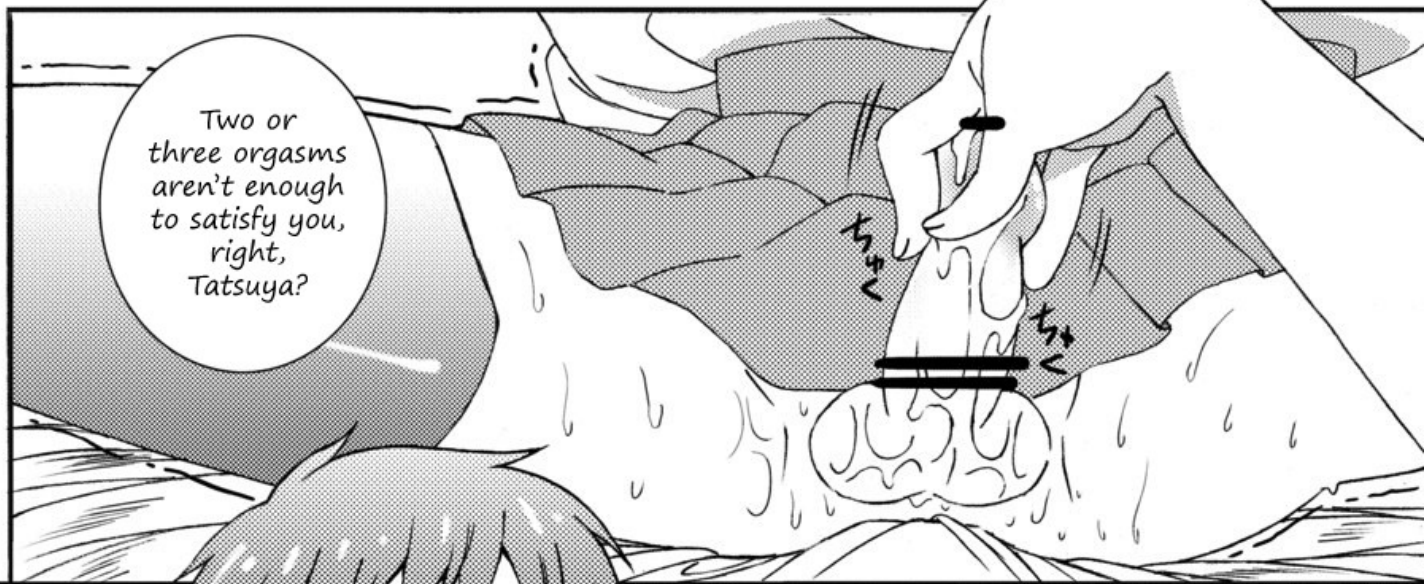

ah
...

That's
why,
again,
I want...

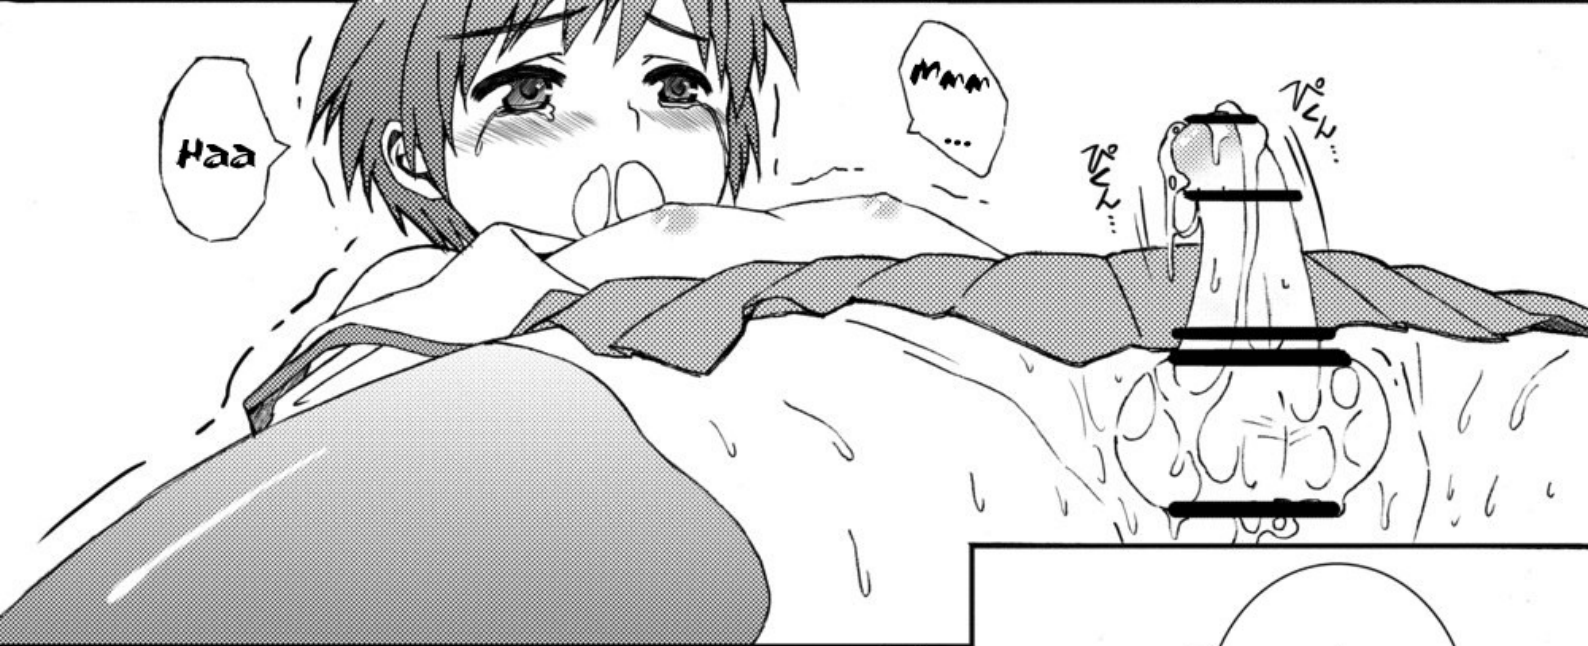

Come
on.

Like
this... Ok?
So, from
now on,
Tatsuya...

Two or three orgasms aren't enough to satisfy you, right, Tatsuya?

Haa

Mmm...

Are you scared?

What does it feel like to be taken by another guy?

"It doesn't hurt at all."

Papa always told me...

You know...

Since you'll start feeling good from it soon, you can't be hurting..."

So if I said that it hurt, he'd hit me. Day after day after day...

Nobody ever came to help me, and Mother always pretended like she didn't notice...

mm-
Haa
mm-
i'm going to--
Aaahhh

No!

But, Tatsuya, it's only because it's you.

You try to take care of me. We've been friends for forever... You've always been there for me, been kind to me. Right?

I'm crying again...
Uwah!

ぎんぎん...

I've always envied how happy and cheerful you are. If I'd been like you, I wonder if maybe I wouldn't have had to suffer all those terrible things...

That... always made me so happy, you know.

Hey... Tatsuya... !!

There's nothing else I can do...

...
...
...

It's fine. It'll all resolve itself if I just keep bearing with it.

Don't mention it. More importantly, that step-father of yours...

Tatsuya,

about all that...

Come and live with me! We can have a whole life together!

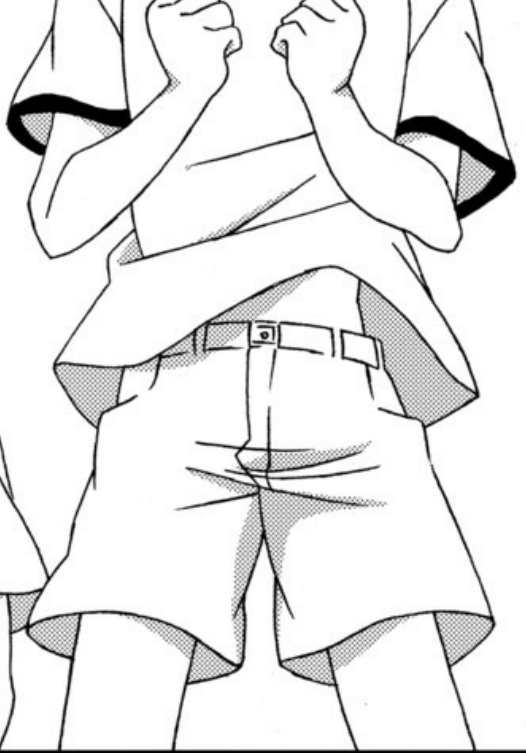

Leave!!
You should get out of that house!!

Huh!?

That's...

not possible...

Huh??

I'm not saying right now! I'm talking about when we get older!

2011.06.26 amami thank you!

And that's how our summer together begins

...
...
...
...
Ok...

Some-day...

Someday... we'll be together!
