The End

Hello everyone!!!

This is Kiriya!!

At this time, I want to sincerely thank you for getting a hold of a copy of "School Boys Bathhouse Book "

Well, the leading roles this time go to familiar "School Boys" characters "Saburo Nekoyama" and "Shintarou Okumura"!

Since these two kids are the naughty and active types, it was really easy to draw this comic!

Also, the setting at a bathhouse already leads to there being some revealing scenes - I've already uploaded a couple of hardcore pics set there!

(I'm still really inexperienced though, so I want to fully realize and devote myself to drawing much more new erotic depictions as much as I can ><><><)

Please do look forward to more of the "School Boys" series, as I would like to continue drawing doujinshi of it!!

If you are interested in this series, I do more of these comics on my blog, so feel free to come and take a peek!
