"An"

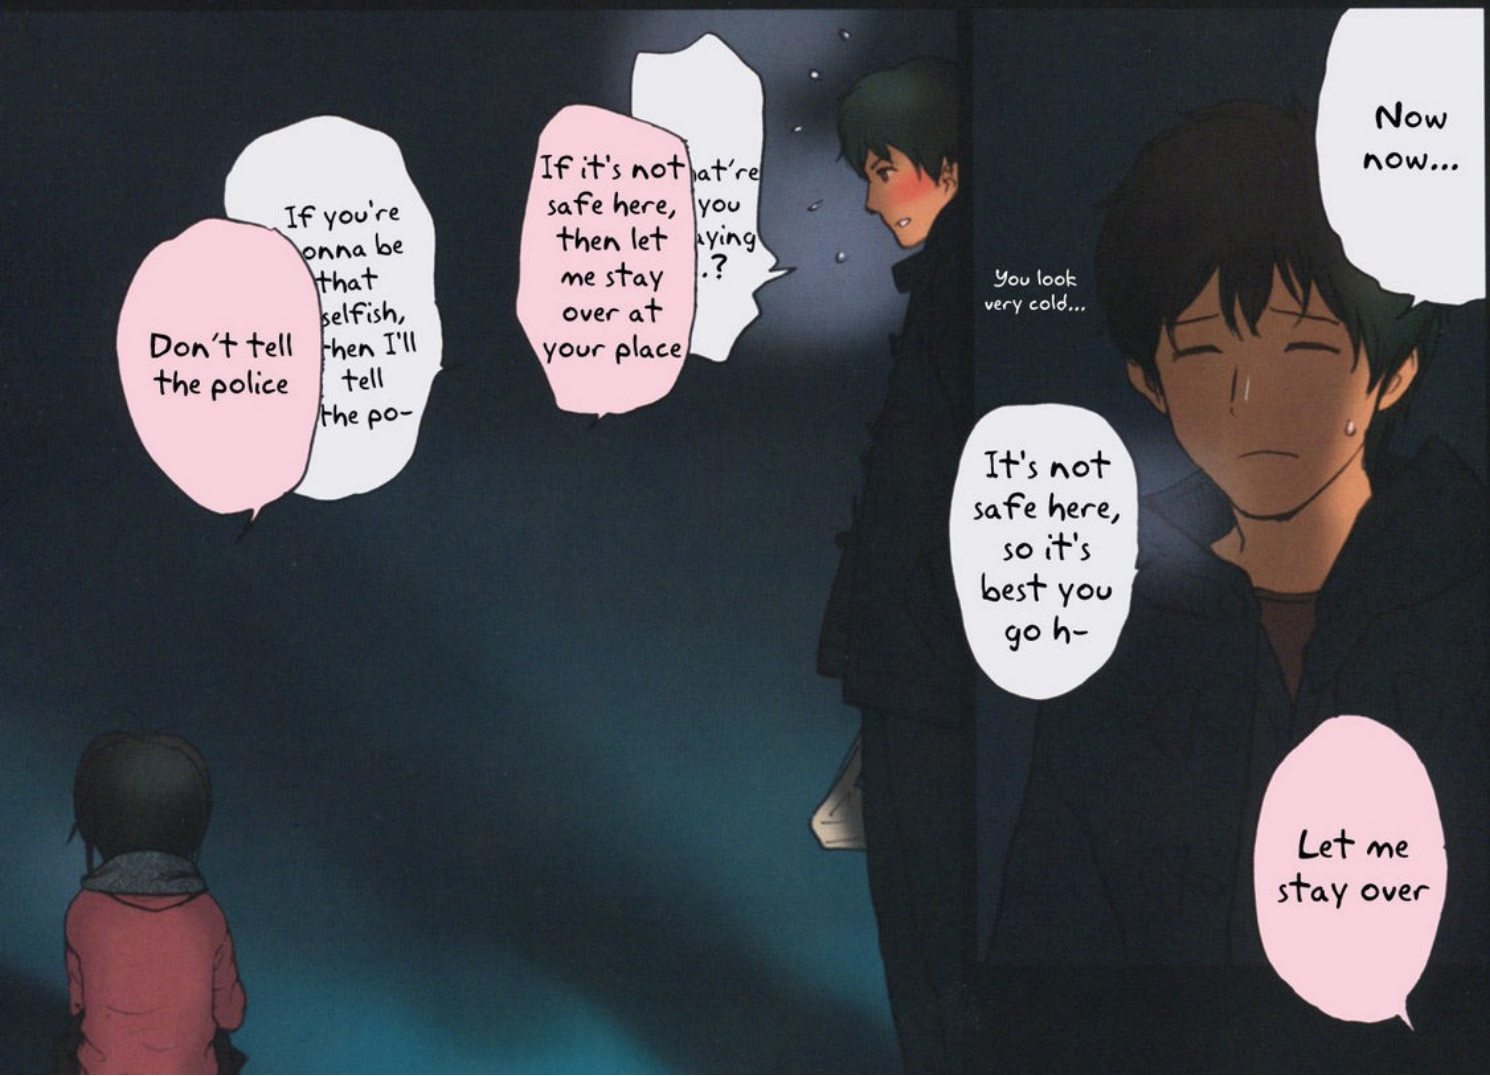

Hey, what're you doing out here this late?

I ran away from home

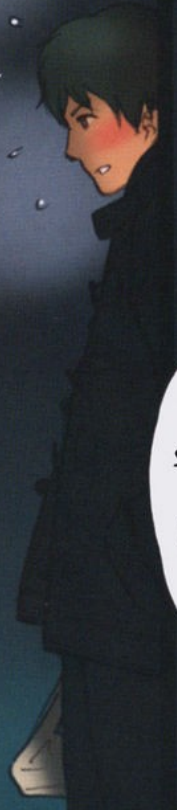

Don't tell the police

If you're gonna be that selfish, then I'll tell the po-

If it's not safe here, then let me stay over at your place

What're you saying...?

You look very cold...

Now now...

It's not safe here, so it's best you go h-

Let me stay over

Don't tell such an obvious lie

Come on! I'm 20 years old, y'know?

What 20-year-old would run away from home?

Yeah, but still...

You buy lunch boxes from the convenience store
So you must be living alone, right?

I'll go home tomorrow, so let me stay over...

Like "Help me!"

Maybe I should yell something if you won't let me stay over the night?

Wait, even if you follow me home, I'd probably get arrested on the way there
So... Too bad! Haha haha

Then carry me on your back
Pretend that you're my dad and it'll be alright! I'll play along too!

Wha- Cut that out!
Girls are always in the right after all~♪
There's nothing you can do about it
hehe...

So warm~
♥

But if she said she was 20, then maybe it won't be a crime?

Nah, as expected, she's too small

... Wait, that's not the problem here

What the hell am I doing...?
Getting persuaded by this girl...

If someone finds out about this, it'll probably end up on the news even if I don't do anything...

"Another teacher has been caught" or whatever...

Hahaha... I won't...
After all, your mom is really scary when she's angry...

Mom grows horns when she's angry~

Uoh!

!

Hey, Dad~

You better not forget about the present~

They probably only ignored us because something had happened...

Gimme a break... We were flat out suspicious... I've done a serious crime

You're really good at acting! Now we're partners in crime~ ♪

I ended up bringing you along...

Yaay~ We've arrived!

Don't say that stuff at your age!

Jesus...

Aww, c'mon!

I wanna do it!

How about I give you a blowjob?

H- Hey!

Say...

As thanks for letting me stay over...
