This is Domestic Animal Aquamarine. Given that we have included Spinel in many of our commercial books and not this child as much, he will come into play a lot in this story.

Even though 2nd-Stage is barely active, he is in it. Most likely he will probably appear as the reigning Queen of the Head Office.

Now this couple
is familiar,
right?
Topaz, or
rather I should
say, Honda
Ayuma-kun,
has become the
Head Butler of
the main
building as of
2nd-Stage by
the way, and
there are a few
people that
may have come
into play that
caused his
rising status.

This is Domestic
Animal Sapphire
Due of his business
in the Domestic
Animal Work
Branch and
considerable
involvement in
the original
story, we
can assuredly
say this kid
has ripened,
although...

...Since
2nd-Stage is
the focus of the
magazines now,
we still wish to
reunite him
somewhere,
one day.

It's Double Opal!
Surely he is "invulnerable" and
also "obstinate." In fact, one day,
he said "I Shall Turn."

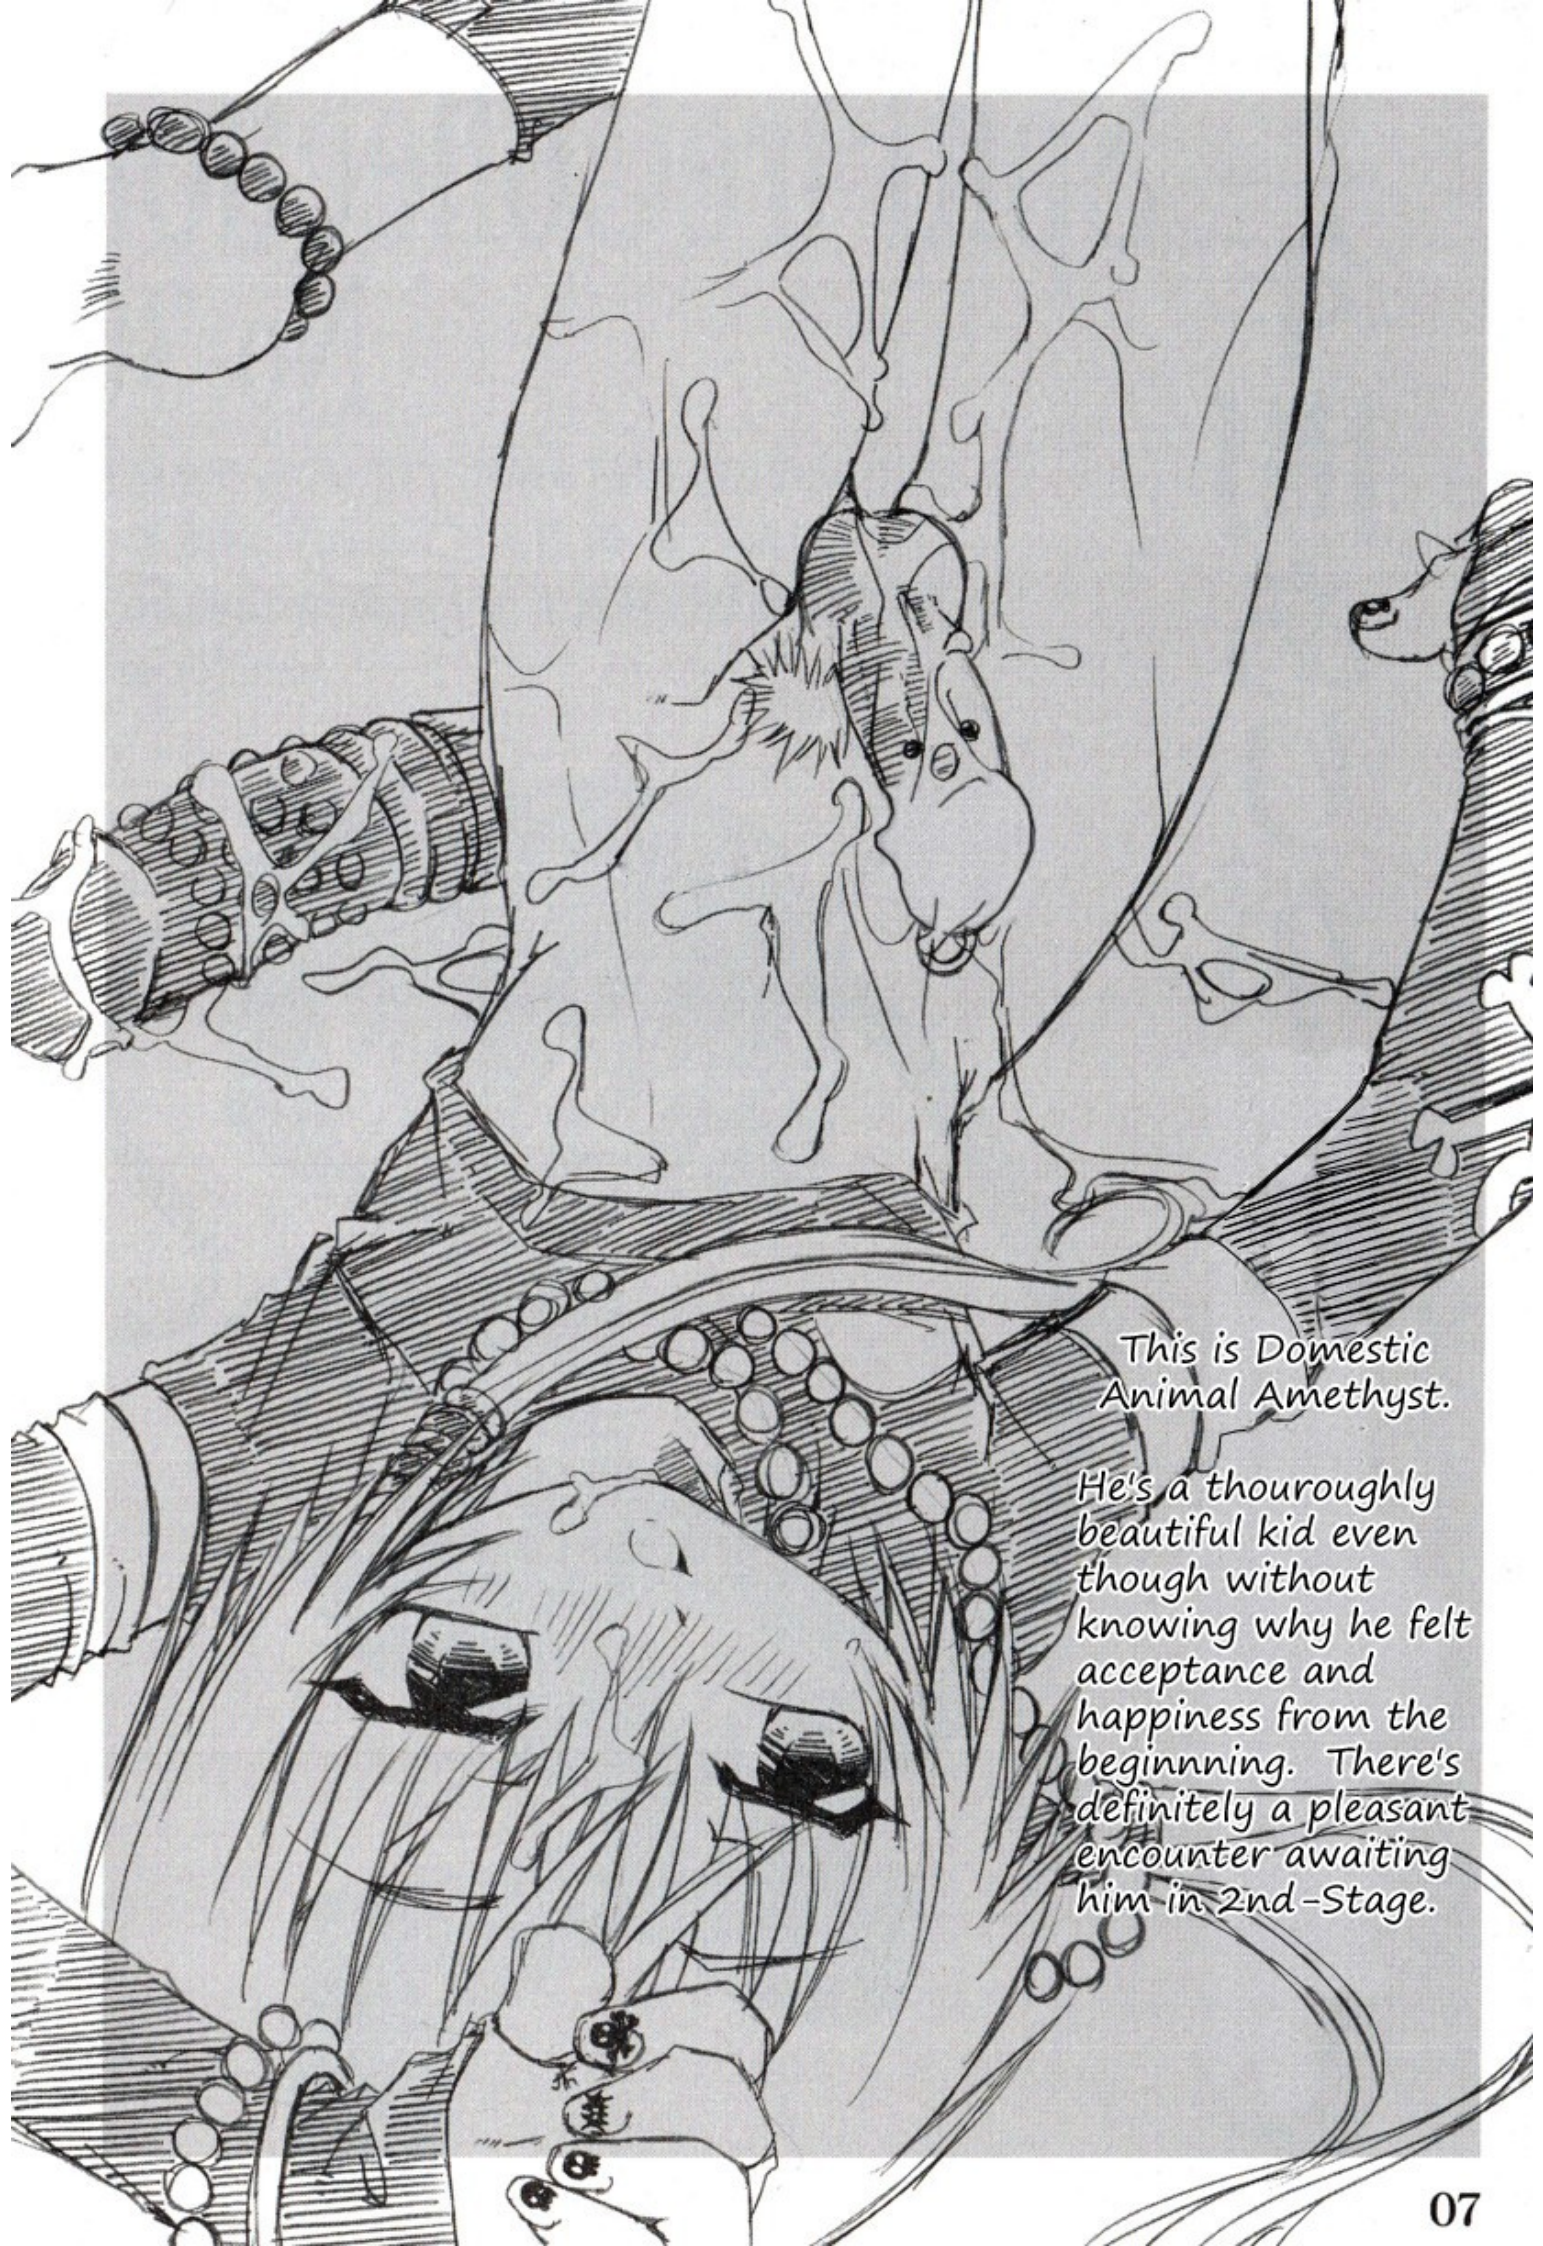

These two are
Silver and Gold.

In the end,
the pair had
surrendered to
"adult
circumstances."

If the story had
ended thouroughly,
it wouldn't have
been another
nice ending.

This is Domestic
Animal Amethyst.

He's a thoroughly
beautiful kid even
though without
knowing why he felt
acceptance and
happiness from the
beginnning. There's
definitely a pleasant
encounter awaiting
him in 2nd-Stage.
