Animal Marriage

Translated from Japanese to English by JuicyBrucie

My name is Sayaka Nishino. I'm a 31 year old married woman. I have a son who will be seven years old. I have been married to a white collar "salaryman" for eight years now. I'm just a plain, ordinary housewife.

Today my son and I went out to a neighborhood park. My son only plays video games at home all the time, so sometimes I try to get him outside to play. So I took him out to this park that was built alongside a mountain

Son: "Is father working today?"

Sayaka: "Yeah, he left early this morning to go to work."

Recently my husband has been very busy with work, and so he's been leaving me in charge of things at home.

He earns a decent living, but he spends less time at home nowadays, and he almost never plays with his son anymore.

He comes home with a tired look on his face, and all he does is command me with words like "Bath!" or "Food!"

I just take it all for granted as his wife, that I should be ordered around by the "master of the house".

I just put up with it and get it done for him.

Animal Marriage

Well, there's no helping it that such things are said to be a housewife's job.
Since he's working for the family, I cannot really complain about it.

And so when my son is out at school, my work around the house will be easier,
and things finally go at a slower pace.

Well...at least so I thought.
... I wonder...

Recently, I feel as if there are many times in which I felt rather absentminded lately.

Sayaka: "Now just a minute there! Don't kick the ball so far!"

Son: "Hey mom, isn't it because you're not catching it? I dunno."

Sayaka: "The ball has gone all the way into the the bushes...and...huh? It's even
starting to rain now!"

Son: "Well, I guess that means we'll go home, then...."

Sayaka: "Oh jeez, I suppose that it's unavoidable, eh? O well, you go on home
ahead of me, then; I'll keep looking and get the ball..."

Son: "Okay, fine - be sure to come back home with the ball."

Sayaka "Okay, okay...(That kid really is like his father, the way he treats me...)"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Sayaka: "Where is that ball, I can't find it anywhere..."

30 minutes after starting to look for the ball, I found almost no sign of the ball that went inside the bushes, somewhere deep in the park, and with night approaching, visibility was getting bad.

(The rain starts to pour down)

Sayaka: "Hey, the rain is really starting to come down hard now. Aww, and now my clothes are getting dripping wet..."

I heaved a big sigh. Just my luck....I'm suddenly starting to feel old...

Sayaka: "(Sigh)...Oh, this life of mine, the way things are going like this, being just a regular housewife, living a normal hum-drum life...I wonder if I will grow like this to become a grandmother?"

An ordinary, mundane life... that some would probably call "happy"...

Yeah, they call it that on TV or something, but now I've obviously come to think of that mediocrity, and I remember it as being simply tedious.

Sayaka: "At any rate, I should find somewhere to take shelter from this rain... Oh! . . . what's that over there? What's a warehouse shed doing out here?"

I could see a building behind the bushes, with tools and wood and buckets placed around it. It was probably a spot to store tools that are used for maintaining the park. I headed towards it.

Sayaka: "I'll just wait out the rain inside here for a while. "

Animal Marriage

(Door closing) *Ker-Clunk...*

I closed the door of the warehouse shed, and it was all dark and dusty inside.

Sayaka: "Is there some light?
A light switch or something?
...Hmmm, there it is..."

Click...

When I flipped the switch a dark dim light bulb came on further back, showing the interior of the entrance of the shed....I was thinking that I'd wait out the rain here, and after the rain would stop I would wait a little longer and then take a look outside to see how things were...

...and just then, at that moment
...the door wouldn't open.

Sayaka: "Aw c'mon now, the door won't open? I---can't --- get--- this door is completely jammed shut!"

The door wouldn't even budge an inch.

Sayaka: "Hey...*WHY* won't this door open....up?"

Rattle-rattle... Rattle-rattle...

Pitter-patter...pitter-patter... PANT...PANT...PANT...

Sayaka: "Is...is SOMEBODY...there?"

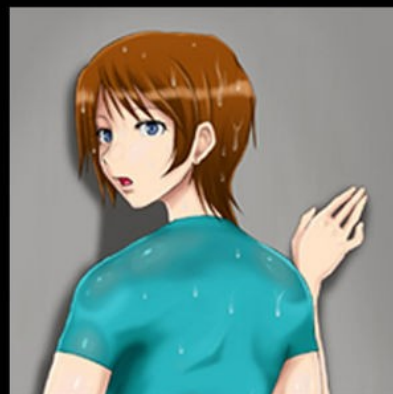

Pitter-patter...PANT-pant...PANT-pant...Ugh-grrrrrrrrr....

Sayaka: "Huh?"

The harsh sound of the rain coming down on the shed was mixed with another sound, a sound that I could hear...
BEHIND me...

Sayaka: "Oh what could it be?"

I turned around to look behind me, and....

Animal Marriage

Translated from Japanese to English by JuicyBrucie

What came into my view was the biggest dog I had ever seen....A large, heavy-set dog. Probably taller than me if he were standing up.

And those eyes of his, they stared at me *intently*. Looking at me at that very moment in the same way that a predator looks at some prey it has caught, or so it felt that way in the atmosphere there.

Sayaka: *"Oh-Oh ...w-w-what the...?? wha- Hagh!"*

And...what was even *MORE* surprising to me...

Sayaka: *"Wha... What is THAT there???"*

Between the hind legs of that big dog...there was something *hanging* there...s-s-something *BIG*...s-something *HUGE*...

...The Dog's....**PENIS**....

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Sayaka: "Wha...What should I do? Wha...what's with this dog...."

...or so I said, while my eyes were riveted at one spot and I could not take my eyes off of it --- That dog. And yet....a stray dog at that. And being in front of it, I knew I needed to be more vigilant, but...and I knew I should get away from it, but....try as I might, I just couldn't....I just couldn't stop staring at...that hanging PENIS of his....that captivated my attention.

Sayaka: "Wha-whaddya want, boy? What are you doing here?"

(Dog) Pant – Pant– Pant – Pant.....

The dog looked over to me, with his panting becoming rougher, harsher...getting more...excited.

Sayaka: "W-wha-WHAT? This dog! what does this mean?....he's turned-on... f-f-for ME?.....Y-you...you're all hot and heavy.....for me?...Could it be....he thinks I'm in heat or something?"

(Dog) Grrrrrrr..... Pant – Pant – Pant – Pant.....

(Sudden Realization) Oh-My-GAWD! -----

Sayaka: "What is this dog thinking? I-I'm HUMAN, after all...?" (Sudden Realization Again) Oh-No! ----- "Oh what am I gonna do?...That....That cock of his.....(Huff-Puff, Pant-pant)....oh god, what to do?" (Her Heart Begins to Beat Wildly) Tha-Dum! Tha-Dum!

Sayaka: "I-I- s-should be going h-h-home now...." ...or so I said, as I turned to the exit to leave, but at that moment..... that stray dog, being even more excited and panting heavily, rushed on me hard from behind!

(Dog) GRRRRRRRRR Aaaarrrraaaaaarrrrr! (Sayaka, panting): ".... haugh huh hah huh Haugh huh Huh huh huh huh ! "

Pant...
Pant...
Pant...

(Meanwhile, back at home...)

Husband: "Hey, where's your mother?? "

Son: "I do not know, maybe she's not gotten back yet?"

Husband: "Not back yet.....Where did she go off to? "

Son: " I was in the park with mom, playing soccer, and then the ball got lost, and I went back home, and mom said that she'd go look for the ball..."

Husband: "so she's still at the park? At THIS hour? Which park? "

Son: "At a park nearby."

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Husband: "At a park near here, you say?
What..... is it that park near the mountains? "

Son: "Yeah."

Husband: "Don't go near that park! I hear there are sometimes some bad guys who hang out there, and recently I even heard that stray dogs come down from the mountains...there's a warning about that, ya know....I can't believe that she went there not knowing about all that..... ??"

Son: " Mom said she'd earlier that she would be right back soon, over the phone. "

Husband: "Back home right away, huh?.....Well, it's eight o'clock at night already! What is she doing being out this late? Anyway, I should give her a call...."

(Steady rainpour outside)

Husband: "Even so, today it's really pouring rain outside..."
"Geez, what in the world is she up to out there?"

(Rain comes down in sheets, pelting everything)

(Sayaka's narrative)

The sound of constant rain falling down hard outside. It seems pretty rough outside...And as I think of it, today happens to be the start of the typhoon rainy season...Soon the wind will be blowing cold.

But....It does not matter. It is as it always is with me...my life...

A household, raising a son, taking care of the needs of a tired and unappreciative husband.

That is my work, my lot in life....it's as it should be...
That is "happiness".....it's a woman's happiness....

I thought I was happy in this mundane, hum-drum life...

And it was on this day...the day that I met *HIM*...

My name is Sayaka Nishino...I'm a 31 year old married woman.
I have one seven-year-old son. And a Husband with whom I have an eight-year marriage....Just an ordinary, typical housewife and homemaker.

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Thump-Hump-Bump-Fumpf....

Sayaka (rhythmically moaning to the dog's thrusts):
"Augh-Auh-Aaugh-Auh... "

Sounds in the warehouse, and rough breaths....
The two of us clashed violently.
Truly, we were as two animals...

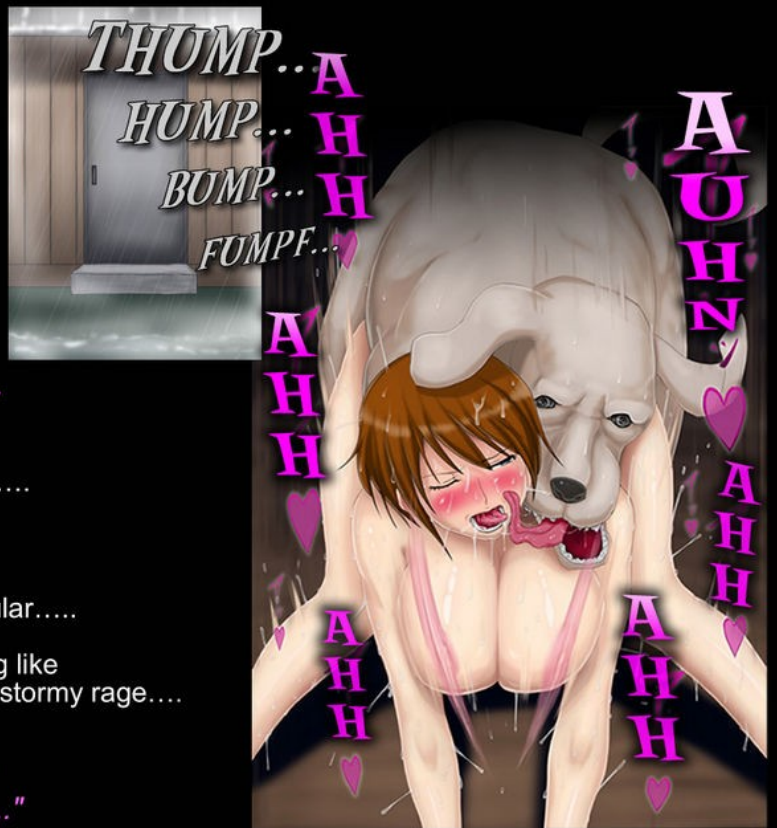

Sayaka (rhythmically moaning to the dog's thrusts):
"Augh-Auh-Aaugh-Auh... Oh my...
Aaugh-Auh-Aaugh-Auh... m-more... M-MORE...
Aaugh-Auh-Aaugh-Auh... "

It was like a heavy relentless wave of piston-like thrusting....

Thrust-Hump-Push-Thrusst....

It was in a rhythm of regular increments... Strong.... muscular.....
Pounded-out upon me in rapid tempo....
His "piston", striking me hard on my ass-cheeks.... lapping like
violent waves of lust upon me... It testified of his dreadful, stormy rage....

Sayaka:
"Ohhh-h-h-h... I-I-I'm-m CUMMING! I'm CUMMING!"
.....Oh-h-h-h... and Cumming A-a-again!!! Ohh-h-h-h..."

Animal Marriage

Translated from Japanese to English by JuicyBrucie

So, the dog...and I...This barbaric stray dog....at the same time....we were having sex. But, Why??? Why did it come to THIS??? My sex partner is a mutt....a DOG! Nevertheless, Why...??? Even so...I accept him...and spread my crotch *willingly* for him...

The phone....it's ringing!....but I can't answer it....It's past eight o'clock...But I can't go home.

Initially, I doubted myself. Being fucked and so forcibly overcome by this dog. My mind just went blank. But gradually, my feeling...it started to *change*....It started to feel increasingly better...it felt *good*....And there was the one opportunity to leave.....No, no, there were actually many times...many chances...in which I could leave!!!

Sayaka: "But ...being like *this-s-s*.....Uuhhh....oh he's saddled up on me and we're sandwiched together now... He's locked-up with me, fucking me...Ahhh-h-h-h-!!!" (*Sounds of his wet cock thrusting in and out*)
"Ahhn..N-N-nooooo...Nooo...Oh No, I-I-I'm **CUMMMM-ING!!!** "

Violently slamming against my ass-cheeks....The dog's penis vigorously thrusts into my human womb, aiming true as he pumped his essence into it. I reached my orgasmic climax at the same time with him, as my pussy greedily clung onto that dog dick, as if it were *sucking* on it, tightening to spasm.....and yet, his ejaculation kept on cumming. This is something I had never thought of before...the "mating" of dogs and humans...And to think of it --- a human having sex with a dog! I never thought it was possible for humans and dogs to fuck each other...

Sayaka: "M-me...w-with t-this dog..." (*Hard thrusting and cum-pumping continues*)

Oh god, *WHAT* am I gonna do? Oh no... the phone is ringing again...It must be my husband calling. He's calling on behalf of my son, who faithfully believed that I would be home soon. They must be worried, for sure...But...I c-c-can't go home right now...because of *THIS*...

(*Thick, heavy pumping of dog's cum*) ...He's not done yet.... (*dog cum relentlessly ejaculating inside her*)...No, actually he won't let *ME* be finished... (*rhythmic, wet thrusting and cum-pumping continues*)

Sayaka: (*panting, with exhaustion*) "Huh-ha-ha-huff-hahhhh...Oh god...it's all just *TOO* m-mu-u-cchhh!!!!"

He's insatiable...relentless..... he won't **allow** an end to this.....he just keeps on going...

Animal Marriage

Translated from Japanese to English by JuicyBrucie

It was such a long-lasting ejaculation, all that semen spurting inside. Just *pump-pump-pumping* enveloped by my vagina...and that thick, **THICK** cock....it just kept pouring its essence into my womb....

Sayaka:

"(Talking while panting heavily) Huff-ha-haugh...your cum...Your semen...y-your s-semen... i-it's really s-strange...h-how many t-times you intend to k-k-keep on s-s-spurting? Until when? T-that sperm...t-to keep on pumpin' yer Cum into m-m-me like THIS.... It feels like my w-womb is gonna B-BURST...T-t-that funny cock of yours...i-it feels j-just s-strange...It feels like that cock of his is **inflating!**"

Yeah, this is strange somehow...Something is amiss.

There's something different from a human man's cock...This dog's erect dick...Its all swollen at the base of his cock...It is to prevent backflow of his semen, to keep it from trickling out...as it plugs-up my vagina.

And his ejaculations won't stop....It just won't stop its *spurt-spurt-spurting*.

I can tell that hot cum of his is just hitting the back end of my uterus.

Oh, what a LONG ejaculation...And such a LARGE amount of semen, too!

I never felt such a sensation before...my uterus *aches*.

And...

(Spurt...Spurrrt...Sqwirt...Spurt....)

Sayaka: *"(Sexual moaning with pleasure)* Augh-Ah-h...Auuughhh....Mmmmm..."

(Spurt...Spurrrt...Sqwirt...Spurt...)

Sayaka: *"(Sexual moaning with pleasure)* Aun-Aun..Ah..Augghhh..."

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Sayaka: "(sexual moaning) A-Ah..Augh..Ahhh...Ahhh...it f-feels GOOD...Ahhh..."
W-what...WHAT am I SAYING? Good? Great? Want what a thing to say!
I'm a housewife over 30 with a child of my own...A-A-An adult....

Sayaka: (Giving in to the pleasure) "Ohhh....MORE! I want M-MOORE!!!"
It certainly wasn't even close by comparison...Comparing this to my husband's (cock)....
Yes, I admit it, yes....I did acknowledge my frustration (with my husband's sexual inadequacy).
Even so...doing it...with a DOG....well....Being in the embrace of a dog...to feel like *THIS*...

Sayaka: "(moaning with pleasure) Oo ah give it to m-m-me...give me MOOOORE!!!"
Oh ***** how unsightly...Awkward, clumsy, ***** how wretched....Oh, how awkward, clumsy
this all looks.... (*Hard thrusting and grinding of loins continues*)

Sayaka: "• • Oh-h-hh...Aughh...N-No...N-Noooo, d-don't...n-no more....I've h-had e-enough..."
In the long intense fucking, having been brought to orgasm a number of times over and over,
Having sex with this dog, to the point where you're beyond feeling anything anymore...
Evidenced by this blushing face....Evidenced by this indecent panting and huffing....
Now far beyond what you would willingly admit. And now, I have hooked up with this stray,
wild dog.

(*Sounds of wet, sticky, sloppy thrusting and pumping*)...B-but I can't do it anymore...I've
reached my limit....Truly, I'm at my limit.

Sayaka: "Ohhh, n-no good, no g-good.... I'm gonna break...don't...d-don't...Aughh!!!
....Ughh, it's enough...it's ENOUGH already! Oh god, my p-pussy....I can't go on anymore...
it's just too much!!!"

Contrary to my words, my face blushed even more. And the dog, as if responding to that,
began to violently shake his hips.

Sayaka: "Ah-Augh-Ohh...N-no...Stop...Oh God, it's useless...I feel like I'm gonna die....I feel like I'm tearing, breaking....Uhh, Ohhh....I'm
c-cummin'....harder....Ohhhh, ahhh....Oh god, s-stop...n-no m-more....my womb will DIE from this kind of treatment...I'm b-b-breaking....!!!"
(*Semen pumping continues*)

Sayaka: "(Climaxing again) Ah-ah-uhh...oh-god-I'm c-c-cumming! **CUMMMING!!!** Oohhhhh...."

(Later....)

The shed's door is noisily pried open:

Ga-ga-kra-r-r-r-ak...

Husband:

“Y-Y-You...WHAT in the world are you doing in a place like *THIS??!*”.

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Sayaka:

"Uh? Oh! It's you, dear....You're home early..."

Husband:

"Whaddya mean I'm home early? At *THIS* late hour? What in the world were you doing? ..And... What is *THAT* dog doing here? "

Sayaka:

"Oh, this little guy? I found him all on his own here in this shed. From the time I opened the door to the shed, we've been together."

Park Guard:

"Oh, uh, sorry, but...in fact recently we've had reports of a stray dog at the park that must have come down from the nearby mountains...I caught it and confined it to this shed...and I completely forgot about it...my apologies."

Sayaka: "Oh I see, so that's why he was cooped up in here?"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Park Guard: "Well, on the off-chance that the dog might escape, I closed the entrance of the shed so he couldn't get out, and so I thought the problem was solved...but to the contrary, it's only ended up causing more trouble....You're not hurt, are you? Nothing happened to you?"

Sayaka: "Oh I'm just fine....No worries at all...Nothing in particular happened...and this good little dog here was really well-behaved, too"

Park Guard: "Is that so? Well, then I suppose all's well, then..."

I had lost track of time, but my activities with the dog had apparently continued late into the evening. And I noticed that the rain had finally stopped, too....Since I did not return home as expected, my husband had tried calling me on the cellphone. When my husband opened the door to the shed, I could see that he was accompanied by the park security guard. I kept myself calm, cool and collected so that they would not suspect anything....I wonder if my husband would ever believe that his own wife, and this stray dog that now stood before his eyes, were having rough sex together over and over behind his back? And would he ever know how his wife was even now getting such an indescribably pleasant sensation from the massive amount of cum from the dog filling up her uterus to overflowing. What was this feeling? This first-time emotion... I was intoxicated with this feeling...Now I am drunk with this emotion...With this feeling...**this sensation that I could still feel under my clothes**...This pleasure..... comes from a sense of indecent immorality.

Husband: "Well, let's go home then... **Sayaka:** "What? • • Uh, Oh...Okay..."

Park Guard: "Well then...we can take and dispose of that dog..."

Sayaka: "Uh...What? That....What? ***** whaddya mean by 'dispose' of him? "

Park Guard: "Yeah, dispose of him.... Anyway, once we catch strays, we hand them over to the health department and once we hand the dog over to them they'll dispose of him, ya know... "

Sayaka: "So, disposing of him means...he'll be **killed**?"

Park Guard: "Yep.... But it can't be helped, ya know...it's unavoidable. As it is, we can't just release a dog back to the wild...there's no means available to raise him or look after him....right?"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Sayaka thought to herself:
Of course, yes, this is a stray dog, after all....
We could not just leave him in the warehouse shed at the park.
And since he's caught, being a stray, then it's only proper that he would be handed over to the health department.

But, that somehow...didn't seem right...

And yet, to allow "something such as that", something you'd otherwise think is so pitiful, and yet it is something strange?

Well...since I was involved, maybe it could be like that, but...

...But still, even so....I had to be sympathetic, even though they dispassionately talked of it in such a detached way as "disposing" of the dog.

Sayaka: "(talking sweetly to her husband)
Um, hey, dear....I have a favor to ask of you..."

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Eventually I decided to keep this stray dog. Although my husband was opposed to it, I pressured him into it, and we bought a collar for the dog, and a kennel for him.

And then one day....

Sayaka: "(moaning with pleasure as the dog is fucking her again)
Ahhh...Ahhh...Uhhh...Oh my god...wow...Your cock is just too enormous!...
Ahhh, ummmm....oh t-that GINORMOUS Prick of yours! (panting) Huh-hugh..ha-hauh..hah..huff...pant-pant..."

Sayaka: "Oohhh, g-god, no, stop...I-I-gotta c-c-close the curtains...the neighbors...the neighbors...they m-might see us...Ah-hh..Ahhh.
Mmmm, Uhhh...."

It's early afternoon at the residence....
And I, once again....am having sex with the dog...

Animal Marriage

Translated from Japanese to English by JuicyBrucie

(Sounds of wet sticky cum pumping inside her) *Splurssssh, Spurrtzzzz...*

Sayaka: "(Breathlessly panting with pleasure) Hu-uhh, haugh,hah...
Oh, W-Wow....my god....."

We sweat and strain against each other's bodies, thrusting and grinding together...
His semen, and my love juices....everything is mixed together....and I can hear the sweet, squishy, wet sound as we grind together...
(*sqwircha-squisha-squoocha-splursha*)...."

I had never had sex like this before...Not ever before with other men...not even with my husband...

It had been a month since the time we started doing this...Having daily sex like this, with my dog I now call "John"...I knew that if I trained him, that it would become like this...

Giving-over one's body just once to a man...that was something that even a dog would not be satisfied with.
He would want to enjoy more than just once....

And in the end, when it was just the two of us...alone...we'd be going at it day and night... (*screwing sounds...thrust...thrust...hump-hump....*)

Animal Marriage

Translated from Japanese to English by JuicyBrucie

John recently started to do something after he'd finish ejaculating. He'd withdraw his thick, heavy cock from my vagina all at once after disgorge a large amount of semen in my womb. Then he would bring his withdrawn penis over and dangle it directly in front of my face...That thick, *juicy* cock of his...all covered and dripping with Doggie Cum....It was as if he was telling me that he wanted his devoted owner to take his meat into her mouth. It was as if he was saying that he wanted me to clean it off for him. With that cock of his just thrust out and dangling enticingly in front of my eyes, well...I just could *not* resist.

From the time he was domesticated, whenever my dog John was alone with me, he would use his big body to approach me from behind and grab hold of me, demanding that I mate with him. I would usually let John have his way, without much complaint or resistance from me. Even though I was doing the usual master/pet discipline with him, I wondered why he was forcing me to mate with him all the time. And John, daily repeating himself, wouldn't listen to what I was telling him. And so here I was, with his outstretched, drenched cock dangling and dripping in front of me, as I opened my mouth wide to take him....

Sayaka: (*Lusciously sucking on the dog's wet cock*) "Humph...smooch...slurp... Hah-huh-Ahhhh....Lick-lick...Shlurrrpp..."
My tongue wrapped around that wet dripping cock of his, licking his cum....
"Hah-hugh...lick-lick-lick....smooch...shlurp...lick-slurp...lick-suck..."

Here I was, a woman, actually licking *dog* semen. Transforming beyond what anyone would have thought...Yet strangely excited, somehow....Entwined with this thick, sticky doggie cum....my nose becoming habituated to its rank, offending odor.

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Sayaka: (Enjoying her dog's Cock) "Haumu...mmmphf...Shlurp...Lick... Shlumphf...Mmmm...Smooch...Mmn...."

Try as I might, it was a BIG cock, after all.... And it grew stiffer, stronger, and larger as it gradually understood that it was being enveloped by the tender, moist walls of my mouth. Committing this act day after day, I would make him cum and cum....

I would catch myself at times and think, "Oh, god, I don't like this...what am I going to do?" and yet, somehow I was **thrilled** to keep on doing it. The lower half of my body **ached** with desire....

Sayaka: "I-I'm surely changing somehow....I-I'm getting all e-excited by a dog like t-this..."

Yes, I was feeling wretched and depraved doing this, and yet, I noticed that my cheeks were blushing. I was unconsciously *really* getting into it, vigorously and carefully moving as I performed my blow job on him.... And my John seemed like he was enjoying the feeling, too.... willingly.... But John is a dog, just a pet...But I do it for John....**FOR** him....

Sayaka: (becoming engrossed in her pleasuring of John's Doggie Cock) "Sh-shlurp-splursh...Shlurpa-slush...smooch...Mmmm-Nnnn....Smooch... slurp-slurpppp....Mmmm...Mmmphf...Slurp...!"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

A few minutes had passed after I had starting the blowjob.
I had by now licked-clean all the cum that had drenched his penis....
I should have finished by that point, but I was totally hooked...I was *engrossed* with pleasuring him. I took a taste of the juice beading at the tip of John's cock, licking and sucking on it, being in love with John.

Performing this blowjob was like the euphoric rush of a runner's high....
With my intense sucking and licking of my blowjob, John's cock stiffened even more....

Sayaka: (*Sucking hard on the cock*)
"Smoocha-slurp-slurp-shlurrrppp.....!"

Sayaka: (*moaning pleasurably while swallowing cumm*)
"Mmmm-Nnnn.... ~ Ughmm...Gullpp...gulp-Gulp-gulllp!"

John's cock energetically continued spurting his semen into my mouth.
It accumulated inside my mouth more and more with every load he spurted...(go-gummmph-gu-gumph...) My tongue and throat clenched and welcomed it. Even now, his thick hot male juice started leaking from my mouth, and my throat started making noises to keep up with the volume

Sayaka: (*Taking his Cum*) "Nnn...Mmmmm-nnn....Gu-gulp...gulp-gulp..
Shlurphf-slurp...g-gu...gulp....Hah-ha...pant-pant....ahh, it's finished now..."

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Completely spent from being fucked, I would clean him up nicely afterward by blowing him.

Every day since John came to our home, we were living like this....And, unawares, I had now become accustomed to such a lifestyle. But if, by chance my husband or family were EVER to find out about this, then my life would end. This crazy situation if the world ever discovered it, all would end for sure. Nevertheless....My body adapted, and became familiar with it.... My heart and mind became accustomed to it.... And suddenly, I noticed that I allowed myself into this reality.

(The dog approaches her, panting heavily) Huh huh huh huh huh

I could feel his hot, rough panting breath growing closer. The hot sigh of a male.

Sayaka: "Huh? No way, John ...You wanna do it some *more*?"

This dog freely discarded my feelings, and didn't take them into account. Perhaps it was from the excitement of the blowjob I gave him before? He would come to show me his excited lower body. Was this dog becoming more self-centered somehow, thinking only of what *HE* wants? No, this is also my fault.

Sayaka: (looking at the dog) "Oh well, it can't be helped... come on, then..."

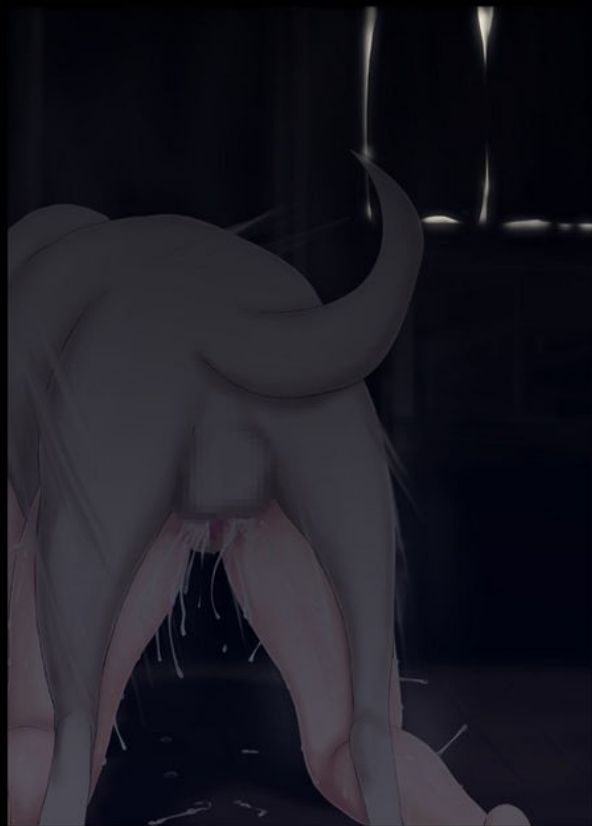

So I turned away from speaking to John, turning my backside to him, And I reached around and opened my pussy as I got on all fours for him....

Sayaka: "Really, now....you're such a man without proper manners...okay, boy, here it is for you now....here's the pussy that you like so much.....for that big ol' dick of yours....Do as you like with it, then...come on now, boy! Feel free: go to it, now...c'mon now...."

Animal Marriage

The curtain was closed, and the room was all dark now. The moans and sighs of us two lovers in the dark, resounded roughly off the walls in the room.

We two creatures, each of different species, were bumping and grinding our sexual organs together, achieving orgasms over and over....

And here I was, lewdly making extreme vulgar sounds, and panting as I was intimately joined to him.

And I could feel the dog piercing this most important and personal part of a woman.

And now, I didn't even think about what kind of facial expression I was doing... while I was being fucked.

Eventually on this day, immediately before my son came home from school, we were "tied" together...

Husband: (*Calling from his office, talking with his wife on the phone, and she answers the phone while having sex*)

"Hey, what are you doing, leaving a child at home all alone?"

....Huh?.....You say you and John went for a walk in the park?

How long have you been out walking anyway?....

...A little longer? What? You'll be back home in just a little bit?

...Huh?....What?.....You're voice is garbled and breaking up and I can't hear you.

...Come? You said, "Coming?"

....Huh? What are you talking about?

....Woman, you're acting kinda strange...."

Sayaka: "Oh, what a thing to say, dear....(unm)....All you do is work...(aughn)...and you make a habit of never being h-home... Whereas John here...he's such a good boy...h-he makes such An important...important part of the family-y-y...(Nnn)..."

(*Sounds of John's Cock ramming into Sayaka's wet pussy*)
Thrust-Hump-Thrust-hump....Th-Th-rrr-uuussttt...

Sayaka: "Ahh-augh...Aughn...Ahn...J-John ...t-that's great, hun...John....Aahhh...aw-aw-augh..ahhh...."

We were having sex while I talked to my husband on the phone.

Sayaka: "Even for an insensitive guy like him, I wonder if he's suspicious of me? ...Hmmm, ain't that right, John? Are we havin' an affair, ol' boy? Or is it just "skinship" (*physical bonding or closeness or snuggling*)...Hmm, hey boy, which do you think it is, huh? Ahhhhh....."

John was family now.
An important part of the family.
John was the pet...and I was the owner....

We're a pet and owner who were having sex together....

I'm an owner....whom the pet pushed into committing sex with it...

He's a pet that cumms into his owner, and brings his owner to orgasm.

A pet that overworks his owner.

I'm an owner who cannot go against her pet.
I'm an owner who feels fucked by her pet.

This is what I started to think, as I felt comfortable with that relationship.

(Sometime later, Sayaka decided to seek counseling from a female doctor...)

Sayaka: "Doctor....so, am I doing something I shouldn't? To have a relationship like that...between a dog and a human....it's strange, right?"

Female Doctor: "In the world, in general the view is that dogs and humans having intercourse is something which is probably extremely difficult to accept, you see.

...However, it's a fact that we have lots of other people out there who are like yourself, who have relationships with their own pets like that. The reasons for that are various...."

Sayaka: "Ohh...i-is that so?"

Female Doctor: "Yes, it is.....Even in the adult video industry there is a genre like that...it's called "bestiality" ...haven't you ever heard of it?"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Just over six months from the time I met John, I decided to seek consultation with a doctor at a nearby hospital, to talk freely about the relationship between John and myself.

Doctor Misono Honjyo was someone who listened to me sympathetically. And sometimes, it is easier to talk with a fellow female, so it was easy to talk with her about my feelings, and she gave me a lot of advice, and so I was really put at ease.

Sayaka: "Doctor Honjyo, have you ever diagnosed others like me?"

Doctor Honjyo: "Yes I have....a lot....I have diagnosed other people like you many times. Well, most people come in with problems to see if it is some kind of disease. So, Ms. Sayaka, please be at ease, don't worry... There is nothing wrong with you, ya see?"

Sayaka: "Oh, i-is that so? Thank you so much..."

Doctor Honjyo: "Well, we gotta go moderately on this.....no matter how many times John approaches you....if it continues like this, soon it could make you really ill."

Sayaka: "Oh.....is....that....so? S-So it isn't good to do something like this after all, huh? And... John taking me....to make babies...he's wanting to leave some descendants, and so he's taking me as his bitch....Even though people and dogs cannot have children.....kids!.....and yet, he really gets into heat....and seeks me out over and over to mate with me.....it's true....oh what should I do?"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

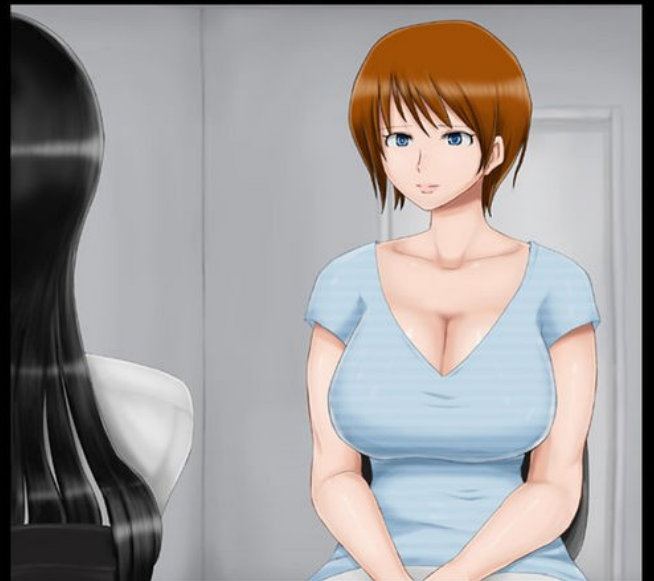

Doctor Honjyo : (.....Silence.....)

I grin while talking....even though what John is doing with me is to "breed"with me....

Oh god, could it be....I felt sorry for John.

Doctor Honjyo : "You really *cherish* John, don't you?"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Sayaka: "Doctor.....W-What are you saying now?"

Doctor Honjyo: "Ms. Sayaka, what does John mean to you?"

Sayaka: ".....Huh?.....What John means to me?..."

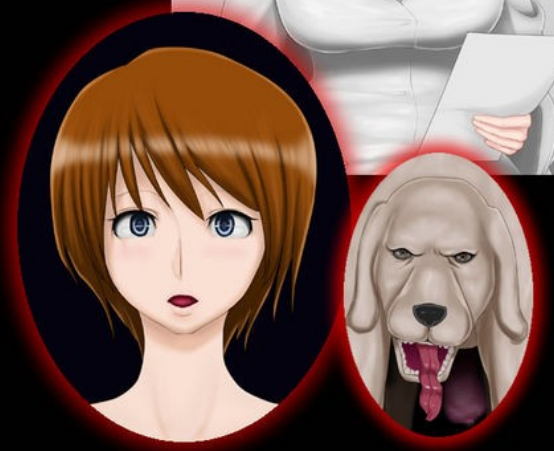

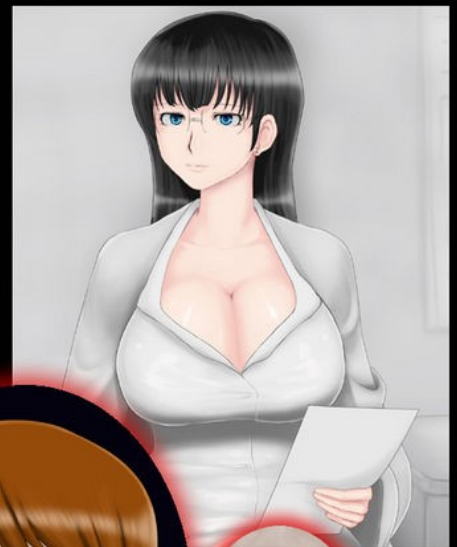

Doctor Honjyo: "Yes --- What does John MEAN to you?"

Sayaka: "....I....to....To me, John.....John is a pet.....he's a family pet...."

Doctor Honjyo: "Is he a lover....even someone that you love?"

Sayaka: "Ah....my LOVER, you say?.....Oh Doctor Honjyo, what are you talking about?"

Doctor Honjyo: "Don't you already understand by now? Why do you mate with John? You said so earlier, ya know.....you said 'John takes me because he wants to make babies'.... So then, what IS John to you? Why do you continue to be taken by him indefinitely without denying him?"

Animal Marriage

Translated from Japanese to English by JuicyBrucie

I was puzzled by this inquiry...asking about John's relationship with me?

I feel that John was mating with me because he wanted to make children.

But, what did John think of me? And what kind of existence could John have with me? I had never seriously given any thought to that before....

It was just that, right now, in my heart, it was not a relationship of "pet" and "owner"..... it was somehow....different in meaning.....

In these past six months, the relationship between the two of us felt like it had become quite solid. But what was it, anyway? And would it be possible to recognize what it has become?

Doctor Honjyo: "You should eventually make it clear about your relationship with each other. If you do, then the path that you should follow will likely be opened up for you. And then, if you decide, please come back here again."

It caused me to think: Hmmm, what DOES John mean to me after all?

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Even after having returned from the hospital, I couldn't get the words of the doctor out of my head.....What did I mean to John...and what did John mean to me?

Today my husband came home from work early, and so we had dinner together as a family for the first time in a long while.

Husband: "Ah-h...I'm tired...Hey you, is there any beer? Hey...HEY?!!"

Sayaka: " Ah....Huh?"

Husband: "Are you alright? You've been acting strangely recently.... ."

Sayaka: " I...I'm okay...It's nothing.....there's nothing wrong..."

Husband, "Well, get a grip on yourself, then....gee-whiz, woman....."

Sayaka: "Uh....um...yeah...."

With my sigh mixed with the words of my husband, I was feeling quite stressed out. Why does he have to talk at me like that?

Why do I follow this man, with his habitual spouting-off at me? He's always never coming home, or thinking of his family, it's always "work-work-work" with him, or he's always busy....

Animal Marriage

Translated from Japanese to English by JuicyBrucie

Until now what was in my head was continuously overflowing. Yes, I was so trapped. I have been so unconsciously trapped by this man for so long. And today I was pointedly disgusted in being the wife of this person.

Son: "Hey Mom, John has been staring at you all this time. He probably wants food or something, doncha think? You oughta give him something right away..."

Sayaka: "...Huh?"

When my son said that, I turned around to look and I saw that John was staring at me. Those eyes of his, just staring at me...as if he was **ordering** something of me. And that familiar rough breathing of his....it was definitely **NOT** about his appetite. I gulped at the sight of him.

Sayaka: "Uh...uh....here?"

Son: "Oh, do you have John's collar? You have to put on his collar."

Husband: "Why has John not had one up till now? Hey...be sure to put a collar on him..."

My husband was complaining, and I had in mind to answer back at him..... No, never mind.... My husband or my son could not see what I saw. But from my angle, I could see....Thick, big, long, hard, heavy, intense, strong, Huge, by my side every day, continually holding me without tiring.... Even now in this way, looking at me....**ONLY** looking at **ME**....

Sayaka: "Well, I better put on his collar..."

Husband: *(Playing a video game with his son)*
"Whoa....Uh...Hmmm....uh...er...how is that?
....Heh, take *that*...."

(Meanwhile, Sayaka and John are in the other room, secretly fucking)

Sayaka: "Aughnnn...you're so THICK, hun....
AH, rub it...rub it-t-t...Mmmmm Augh-Augh...
yesssssss....."

Son: ".....Daaaad! You'll lose if ya do that..."

Sayaka: "Oh that's feels soooo GOOD, John....

Husband: "What? Well then, how's this?
Hmmm, A-HA! Take *THAT!!!*"

Sayaka: "Ohhhh John....John...."

Son: "Hey Dad, that's cheatin', isn't it?"

Sayaka: "Oh, take me....Shove it in me....

Husband: "Aw, that's okay...Hey look, I'm

Sayaka: *(Being fucked hard and fast now)*

Husband: "OOOH!...Hey! that's a foul!
How could you!"

Sayaka: *(Being fucked faster and faster)*
"Uhhh-Uhhh-Uhhh-Uhhh-Uhhh..."

Son: "Oh yeah!....a GOAL!!!!

Sayaka: "Ah-Uh-Ah-Ahhhh...."

Husband: "Aw, crap..what a cowardly trick....and I
was almost there, too...."

Sayaka: "Uhhh-Uhhh ..."

Son: *(snickering at his dad)* "Heh-heh-heh...."

Sayaka: *(Being fucked faster and faster)*
"Ahh-ah-ah-ah-ah! Augh-augh-augh...."

Sayaka: "ooohhh, oh, no....Nnnnn...I'm gonna cry out....John...you're doing it so intensely....Ummnn....those guys...those two guy will hear us! Ah, John....Ohhh, John!" (*Twitch-tremble-shiver....*)
Uphn...umphf....J-John...ohhh, John, darling....Oh John...JOHN!"

Was finally clear --- My relationship with John. That un-admitted feeling which had always been inside my heart for such a long time....Which now clearly, without hesitation or difficulties, that feeling exists firmly in my mind. This sentiment increasingly grew larger as I was being fucked this way by John, right before the eyes of my husband and son.

Sayaka: "Oh John.... John... Listen to me....like that...I want you to hear while shoving your cock into me....John...I....I understand now.....I....I **love** you.....Being held by you like this....I finally have become aware of my own feelings....John, darling....I....I will become YOUR woman.....I will be YOUR Bitch.....I, Sayaka, will be your Bitch now....so embrace and hold me the way you like....this body of mine....I will always want you to use my body...forever.....I love... ..I LOVE you, John....M-More than my husband...M-MORE than my s-son....I love you so much, darling....I love you...my John...."

Sayaka: "I swear to you...I....this day.... Now, at this moment....
.....(Nnn)...I, Sayaka Nishino, am now YOURS....I, Sayaka
Nishino.....I pledge myself to you that I am now YOUR BITCH...."

I confessed to him, giving voice to my innermost feelings....
Regarding John not as a dog...but regarding him as a man.

And as I did so, John seemed as if he answered to
me by once again dismounting from my waist, and
starting up with that piston motion.

It made me change my facial expression to blush
at the sight, being drunk with pleasure.

Being true to myself, to my true character, as a
lewd, vulgar, naughty Bitch.

Animal Marriage

Sayaka: "Ah-Augh-Ah-ahhhh-Ah-Ahhh....Ohhh, Wow! ...(Nnn-Nnn)... Ohhh, John, darling....I LOVE you!....I.....now....really do-o-o..... ..you, I I am Totally in Love with You, John-n-n.....(Augh-Ahhhh)"

My long-repressed emotions surprisingly burst forth as if wriggling and twirling throughout my body. And my heartfelt "Love Juices" flowed freely in response to John's relentless pounding on my ass-cheeks, as he humped me more.

Sayaka: "Ahhhh, sooo good....god, that feels GREAT! ...m-m-more....Aughn.....ahhhh....MOR-R-R-RE !!!"

Yes....Now I see....On that day when we first met...it was all for THIS purpose....To become like this..... We will be met in order to do this.....

Sayaka: *(down close to the floor while being fucked by John, and finally noticing the dog collar)* "(Ah-AH-AH-Ohhh.. .s-s-so THERE is your collar, after all....(ugh, ummm).... t-t-that's w-where it w-was-s-s...(Ahh)...w-we...we gotta...gotta put that...that collar on"

I put John's collar on myself, and attached a red string to it, and tied it to John's leg since he owns me now.... this is the real me.

Sayaka: "Aughn-Ahhh—Mmmm....oh, beautiful....wow... m-more...Ahhh, MORE!"

I am a Woman being obediently fucked from behind by a dog . But this is the real me. This is the way I should be, giving myself to him like this.....

(Dripping wet Cock thrusting in and out vigorously)
Ker-slush,Ker-slush, Thrusst....

Sayaka: "Ahhhh! Umn....Ugh!!..... The FIFTH time you're cumming!!! Oh, Thank U ~!!... F-Fucking Sayaka's Pussy so lovingly I-like t-this-s-s.....Oh, thank you for cumming inside of me-e-e.....Augh-Ohhhhh..."

This could have been this way sooner. Why didn't I notice this earlier?

By freeing my heart like this, getting such a gratifyingly great feeling from the semen of the one you love and gratefully receiving it into your womb, to have it pleasingly ejaculated into me like this.... Oh, just to think of it!

Animal Marriage

Translated from Japanese to English by JuicyBrucie

(Sounds of pushing and rattling around) Gata-gata-gata...

Sayaka (Panting): Haugh-huh...ahh...augh...ohhh....Oh, you....so good....Ummm...

Husband: "Hum? What was that?....That back room is rather noisy....."

Sayaka (moaning with pleasure): "Ohhh....ahhh....Oh, you....ahhh.....y-you....."

Son: "Dad, it kinda sounds like mom is calling for you?"

Sayaka (moaning with pleasure): "Ohhh-m-more....ahhh-ah-oh, m-more...
MORE.....Oh, you....Mmmm...."

Husband: "Oh, what is that woman sayin'? Oh it can't be helped....
Hey you, woman! What in the world are you doing in there?"

My gasps of pleasure were loud enough to be heard in the next room.
I also noticed that my husband was approaching the door....

Sayaka: "Ahh, oh-no, what am I gonna do? I'm gonna be caught, busted!
He...he's coming over here now....He's going to discover our relationship,
oh god....Ahhhh, but it's so good....getting poked-poked-poked like this-s-s....
Mmmmm.....Oh he's coming, he's almost here! (pant-puff) Oh no, what to do???
.....M-My pussy...dripping and sopping wet like this....Oh god, he's gonna find
out if he comes in here! Ohhh.....He's gonna see me like this, with my pussy
all wet..."

I was increasingly excited, even though my husband was approaching.
My heartbeat was racing prematurely, while at the same time I felt within my
body an indescribable rush.

Husband: "Hey...You, woman!...You've been rattling and noisy back there for
a while and it's gettin' pretty noisy...so keep it down will ya?. Gee whiz....and
you, John! You stupid noisy damn dog!! "

Oh you, my husband....Oh, I don't think of myself as your wife or woman any longer.
And you...You are no longer my husband. So don't bother us anymore.
So are so much like your brat son....The two of you....You're both such a *BOTHER* to me now.

Sayaka: "Oh this? Cool, huh? When a pet owner puts it on, it makes the ties of the relationship stronger, and by wearing it, it helps increase the loyalty of the pet to the owner, and there's more affection, and motivates the pet to live for his master...it's quite popular nowadays."

Husband: "Hmmm, I really don't understand it, but I guess it's okay... Anyway, I'll be back later..."

Sayaka: "Okay dear...have fun and see you when you come back...."

Just the two of us, alone in the house.
Just havin' great, hot, buck-nekkid
sweaty sex together!

Today we enjoyed each other's embrace
well into the evening. My womb was pumped

Dr. Honkyo: “.....So.....You’ve made your decision, yes?”

Sayaka: “Yes, Doctor.....I, uh....I will bear it....His child....”

Dr. Honkyo: “That’s wonderful to hear your decision, Miss Sayaka.....so, the fates have meant to bring the two of you together...it’s your destiny.”

Sayaka: “Yes, Doctor, from now on, I only live for him... I pledge my self to him, and I clearly realize now that I was born into this world for the purpose of bearing his puppies, to help him have offspring.”

Dr. Honkyo: “I see.....The two of you will surely make a very nice married couple....and if that is your decision, then why not come along with me to my place? I will conduct various research studies together with your cherished husband, John.”

Sayaka: “Yes, Doctor.....well then...would it be okay to make an inquiry there?”

Dr. Honkyo: “Uh yes, of course.....They are waiting for us.....
(Heh-heh-heh)....”

I left John with Dr. Honjyo for a while so that he could be prepared for making babies with me....

And then about 3 months had passed....

Dr. Honjyo: "Okay Johnny-boy, time for another shot.... Hold still, now....That-a-boy....."

(John Panting): Haugh-haugh-pant-pant-huff-huff.....

(Some time later...Doctor Honjyo consults with Sayaka...)

Dr. Honjyo: "(Heh-Heh) Oh, John ol' boy, you're a very clever hubby, aren't you? Your missus must be very pleased that she got ahold of you...."

Sayaka: "Oh you silly Doctor! What are you talking about?"

Dr. Honjyo: "Ma'am, your face is blushing, he'll be discharged soon, so I want you to take very special care of your master, okay?"

Sayaka: "Oh C'mon Doctor, stop teasing!"

Dr. Honjyo: "Well now, Miss Sayaka....John will be discharged in just a moment, but what will you do? At your home? As it is now, if you want to continue your lifestyle and have John's offspring, perhaps it would be better to stay here, since we can provide you a safe haven here so that your actions won't be discovered?"

Sayaka: "No, that's okay, it won't be necessary. We'll leave.... they, uh....what is most important to me is to live with my John from now on.....I won't be needing anything else besides that."

Dr. Honjyo: "You have no regrets?"

Sayaka: "No I don't.....I don't need my husband or my son."

Dr. Honjyo: "I see....if that is the case then I'm relieved for you. Well then, until he's discharged you can tidy up at home and make your preparations, and you can call us when you're ready?. So that the two of you as a married couple can have a wonderful life from here on, I want to introduce you to the "Beautiful Paradise"."

Sayaka: "The "Beautiful Paradise?"

Animal Marriage (Epilogue)

Translated from Japanese to English by JuicyBrucie

It was a nice morning day, with good weather and with the sun dazzlingly bright. I saw off my husband and son at the front door as I usually did. After doing the cleaning, and the laundry, and then did shopping....Once I finished all the housework, I got ready to go out.

For today is the day that John is discharged from the clinic. It was soon time to go meet him....

When I opened the front door, the car which the doctor had kindly sent to pick me up had come in front of my house. Being in a hurry, I left the house, leaving a quick note on the table....

Doctor Honjyo: "He has been anxiously awaiting you...please, do come in..."

I was shown in by the doctor, and she opened a door to a room. In the room, there was my dog John, looking as he did before.

Doctor Honjyo: "He doesn't appear any different from the outside, but he has been modified to properly accommodate you, with your womb....Well then, I will be checking back on you two shortly.... Be happy, Ms. Sayaka..."

Animal Marriage (Epilogue)

Translated from Japanese to English by JuicyBrucie

Dr. Honjyo left....

In the room, it was all dark...and it was just me and John, alone together. The room was nothing superfluous or luxurious, it was just a basic room made just for the purpose of a couple to spend quiet, intimate time together.

John was just staring intently at me, like a haughty king looking down upon a slave. He kept his eyes glaring upon me, as if to say, "You are MY bitch, woman!"

My body trembled with anticipation and the thrilling rush of the moment.. My womb *ached* in response to this Kingly eyes, the way he looked at me....It was a pleasant feeling within my body...in the sense that, yes, I was *HIS* "pet"....

I closed the door....and prepared myself in a wifely way, dressing myself as his love-slave, showing to him that I was indeed HIS bitch.....

(Some time later....)

Sayaka: "Ah, good morning."

Doctor Honjyo: "Yes, good morning.....so how are you?"

Sayaka: "Just fine.....Thanks to you, doing well. How is my baby's condition?"

Doctor Honjyo: "Oh, doing very well....extremely good.....
Beating rapidly from the stomach..."

Sayaka: "(giggling) Yes, so it is, isn't it....For a baby, he's a very naughty one....to the point that he won't be strange when he's eventually born."

Doctor Honjyo: "Oh, speaking of which.... Isn't this nearing the time for the birth soon?"

Sayaka: "Yes, it is....Well certainly it is just around the corner... Really now, the heat of those two up till now really makes me embarrassed."

Doctor Honjyo: "During this time, you should stay here... it will be great...Hey, let's get together with everyone this time and have an appreciation meeting for the two of you....Bring your husband John, and we'll all do it tomorrow morning...(giggle).....sure.... Really, now, it's not like you don't know whose child it is, do you? heh-heh-heh..."

(Feeling labor pains, Sayaka checked in at Doctor Honjyo's clinic to give birth...)

Shplursh...Splutt...Gusssshhu...splursh....

“Push-push-pusssshhhh!”

Since meeting that day in the park shed...

“P-p-pussshingggg!!”

The seedlings of our love and affection sprouted and blossomed....

“A-augh...pushing...Ahhhh, bearing-down now! P-pussshing-push-p-p-puuushing!!!”

John and I became husband and wife, and here I was, pregnant with his love child.....A new life about to be born....

“P-p-puuuusssshing-push-push-ppuuushhhh... ahhhh-augh...Pushing!”

This...was OUR baby...the baby of the two of us... made by me and my beloved John, my husband....

“Push....ugh-guh...augh....p-p-pushing....”

(Meanwhile, elsewhere in the clinic...Doctor Honjyo's assistant, Ms. Hayami, visits the doctor's office to report on Sayaka's progress....)

Hayami: "Professor Honjyo, Subject Number 1420 Ms. Sayaka Nishino has just finished delivering her baby safely..."

Doctor Honjyo: "....Is that so?....She will be finally finished, right?"

Hayami: "Yes....as expected, there are no abnormalities in her maternal state following the delivery, and her mental state is stable, and even once she is settled down with a little rest she can immediately be put to use as a "flesh pot" (breeder)."

Doctor Honjyo: "Good....but let's leave her alone for now... after all, she's just off her honeymoon, right? Suddenly tearing her away from her beloved canine husband, that would be pathetic, wouldn't it? No need in rushing things, as her fruitful period will be coming soon, and we can have her give birth for us multiple times..."

Hayami: "Acknowledged....Incidentally, I hear that the other case, that troublesome woman, will be ready right away....After giving birth, which shall we do? The "Flesh Pot" or the "Flower", or..."

Doctor Honjyo: "Hmm, yes....Please bring her here."

(Hayami brought in Amelia, another "test subject" who has been less than "cooperative"...accompanied by her two room-mates...)

Amelia: "• Argh....Augh....Uuw...Augh....N-No.....re-release me!....Nooo....."

Doctor Honjyo: "Ah, Amelia, it's been a while since I last saw you, my dear.... How are you? How's your mood right now....?"

Amelia: "Uw...b-bad....the worst....to think that....that....I conceived...that... that MONSTER.....You....you DEVILS!"

Doctor Honjyo: "Heh-heh.....not worthy of a traitor like you? You, who once was an excellent subject, getting it into your heart to spy on us.....Handing over confidential information of our institute over to them, preparing an escape route, and so-on.....don't you think that is very disloyal and sinful?"

Amelia: "What you devils are doing here IS sinful !! What I've done is nothing compared with your despicable organization, which does things to insult life that no one else would even DARE think of doing!"

Doctor Honjyo: "Hmm, you think so? The women who are here...even the two who are next to you...They all desire to be here....They willingly give themselves to be impregnated, and they always experience joy as women here firsthand. I think the organization is not the cruel thing that you think it is..."

Amelia: "What are you saying? Doing this to me....don't you think this is unscrupulous to do such a thing? My father will expose the things you are doing in this research facility at any moment. I already sent the data about this place....and you guys will be finished! Every single one of you will be prosecuted and executed....executed, you hear me?.....executed, executed... Ah-ha-ha-ha!!!"

Hayami: "I'm sorry to inform you, but your father passed away about a week ago.....You see, there was a terrible fire which destroyed your mansion, and dozens of people perished, and it was just confirmed that your dear father was among those who perished in the blaze...."

Amelia: " My god....how could you do such a.....???"

(Amelia's stomach is churning and stirring)
Guchyu-gucha-guchyu...

Amelia: "Ohhh...oohhhh....My belly...Ohhhh..." "

Animal Marriage (Epilogue)

Hayami: " Ah, looks like you will give birth soon....congratulations....."

Amelia: " ...N-no..... I absolutely HATE it !!! I absolutely hate that I'm going to give birth to some freakish monster. "

(wet squishy noises from her belly: guchyu-guchyu-guchyu...)

Hayami: "(snicker) Aw, please don't talk like that....well now....just let yourself go, release your mind.....it feels really good, doesn't it? Okay now, hurry up.....let's give birth to a healthy baby. Your baby has been stirring around within your womb as you've nurtured it, and even now is about to be pushed out at any moment, right? You don't need to fight it or tough it out...."

Amelia: "uuuu....no way....Ugh-hhhhhh....Nnnn....Hu-huff.....n-not at all! Umphf....ughhhh.....why???.....How dare you guys.....My papa....I'll NEVER ever forgive you devils for what you did to my father!!!!.....w-wont forgive you....never....And YOU, Doctor Honjyo!!! Y-you....I will Never, EVER forgive YOU, especially!!!!!"

Hayami: "Professor Honjyo, what shall we do? About disposing of Amelia, that is...?"

Doctor Honjyo: "Certainly your father was disposed of by orders of the organization. Who else in the world do you think would have done it? Hayami, I will leave Amelia to you to dispose of....let things simmer or bake, (so-to-speak) at your discretion, my dear..."

Animal Marriage (Epilogue)

Translated from Japanese to English by JuicyBrucie

Hayami: "Acknowledged.....Well now, Amelia, you really spew forth quite some vitriol against us, didn't you? Unlike Doctor Honjyo I greatly appreciate your traitorous and worthless rant against us, but listening to your jeers is starting to stress me out a little..."

Amelia: "W-what?"

Hayami: "In my judgment I will do as I please. Amelia, as the 'maggot-bitch' that you are, I will send you to the Delicate Room..."

Amelia: " N...no...no-no!....I w-won't go to such a place...no-way!....no-no-NO-way, I won't go..... I'll **DIE** if I go to that place!!! Aw, no-no-Noooooooo!!!"

Hayami: (to the others) "Take her away.....yes, and you all go too. You as "flesh pots" (i.e., wombs and pussies) have pretty much outlived your usefulness, so the three of you should be filled up till you die anyway..."

Doctor Honjyo: "Yes ... I understand...."Well....off you go, now.....let's have you birth a whole bunch of them.....heh-heh-heh...."

Amelia: "N-NOOOO.....forgive, me, please! ...Oh, somebody.... answer me!....Oh, God help meeee!.....Help meeeee!!!"

Animal Marriage (Epilogue)

(Amelia is taken away, screaming in vain for help...)

Doctor Honjyo: "...That was excellent, don't you think?...."

Hayami: "That's because I am not as sweet-natured as you are....
Oh, and come to mention it, some time ago with communication from the headquarters, an order to gather the staff for a meeting was given, and I recall that Professor Maria had something which she wanted to convey to you, Doctor Honjyo..."

Doctor Honjyo: "Is that so....I see....But before that, could you tell her for me that I'll go after stopping by the Pleasure Paradise? Because it really bore a lot of fruit this year....Tell her that I'll head over after collecting (the samples)....and tell her that we need to manage things more properly, after it seems that a dog that recently snuck away came down from the mountain."

Hayami: "Yes, I will."

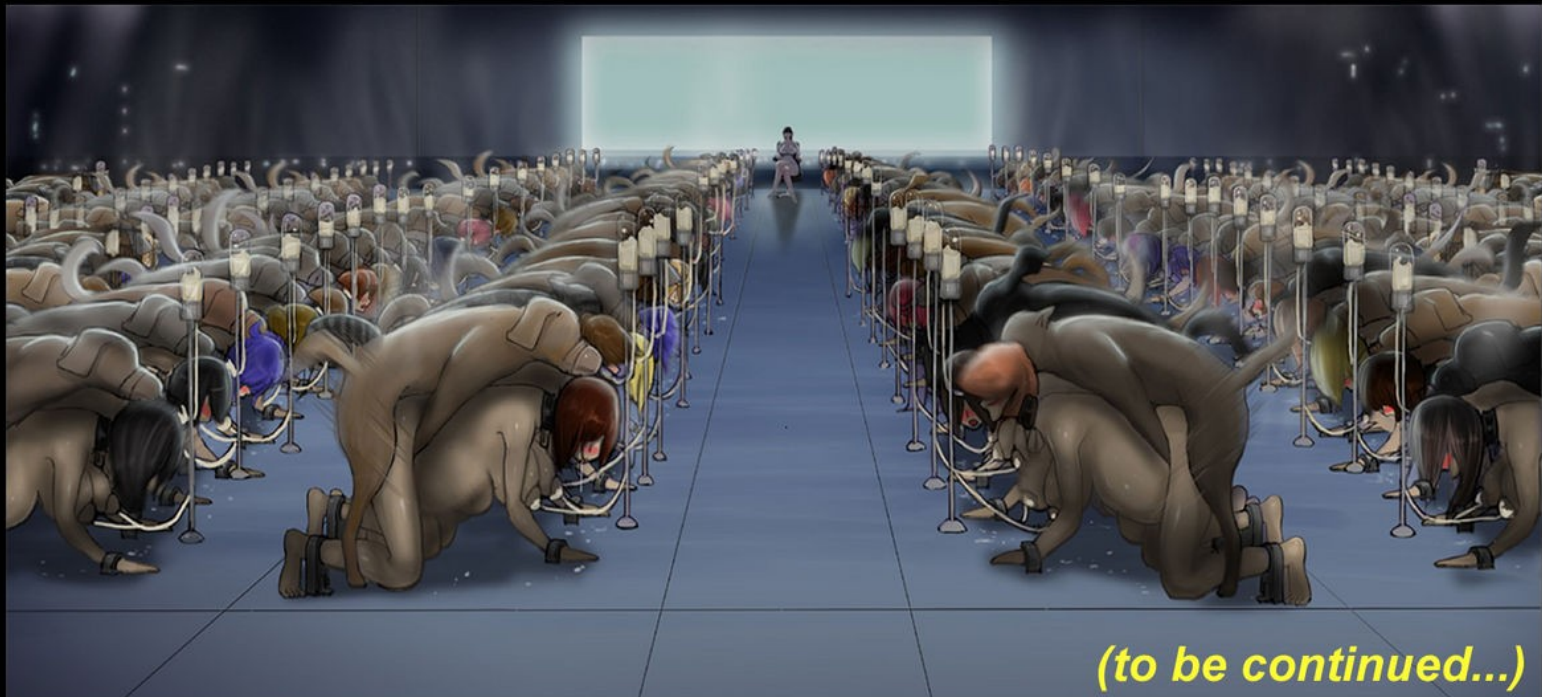

Doctor Honjyo (thinking-aloud to herself): "Hmmm...Maria....so we'll embark on the plan gradually?.....it looks like I will not have any easygoing time, then..... Are people really necessary in this world?.....Is there any value for people to exist in this world?.....Perhaps the only ones that are needful in this world are women. The meaning of her words, I wonder what we can expect is her real intention? Well, first of all, we need to securely cultivate that "species" we have discovered...."

(Doctor Honjyo went to another large room in the clinic, and looked over her insemination farm with pride.....)

Doctor Honjyo: "Heh-heh....Even so, this year should be a very good harvest..a bumper crop.....yes indeed...."

(to be continued...)
